work ing for hundreds of years, step by step we trace the origin of Female Degrees through ancient and modern times, and find that the Three Degrees, as they are given in the Ritual, were first brought to perfect order in France, as early as the year A. D. 1220, in the reign of Louis VIII.; and from thence passed into Eng land, Germany, Scotland, and many other estab lished governments. We have become perfectly satisfied from our researches that the Three Degrees are the heritage and property of Mas ter Masons, their wives, widows, daughters, mothers and unmarried sisters. These Degrees existed in an organized state,2 many years be fore the Chapter, Council or Encampments were ever heard or thought of. In fact, these Degrees were known and given when we had nothing but the good Ancient Craft Masonry, which is almost as old as creation. About the Publisher
