

how do you get a elf on the shelf

How Do You Get an Elf on the Shelf?

how do you get a elf on the shelf is a question many parents, caregivers, and holiday enthusiasts ask as the festive season approaches. The Elf on the Shelf tradition has become a beloved part of Christmas celebrations in households around the world, adding a magical touch of whimsy and excitement. If you're new to this charming holiday custom or looking to bring the magic of the elf into your home, understanding the steps to get your own Elf on the Shelf is essential. This guide will walk you through everything you need to know—from where to find your elf to tips on making the experience truly special for your family.

Understanding the Elf on the Shelf Tradition

Before diving into how to get an Elf on the Shelf, it helps to understand what this holiday tradition is all about. Originating from a 2005 children's book titled **The Elf on the Shelf: A Christmas Tradition**, the concept revolves around a scout elf sent by Santa Claus to watch over children during the holiday season. Each night, the elf flies back to the North Pole to report on the children's behavior and returns by morning to a new spot in the house, sparking delight and imagination as kids try to find where the elf is hiding.

The elf is not just a cute decoration—it's an interactive experience that encourages good behavior, creativity, and family bonding during the weeks leading up to Christmas. Now that you know why the elf is so special, let's explore how to get your hands on one.

Where to Buy an Elf on the Shelf

If you're wondering how do you get a elf on the shelf, the most straightforward way is to purchase a kit, which typically includes the scout elf doll and the original storybook. Here are some popular options for finding your elf:

Online Retailers

The easiest and most convenient method is to order your Elf on the Shelf online. Websites like Amazon, Walmart, Target, and the official Elf on the Shelf website offer the classic Elf on the Shelf kit and various accessories. Shopping online allows you to compare prices, read reviews, and have your elf delivered right to your door.

Physical Stores

During the holiday season, many major retailers stock Elf on the Shelf kits. Stores like Target, Walmart, and Kohl's often have dedicated sections for holiday-themed toys, where you can find the elf doll and related accessories. If you prefer to see the product in person before buying or need it

immediately, visiting a local store might be your best bet.

Special Editions and Accessories

Once you have the basic elf, you might want to explore special editions or themed elves, such as glitter elves, pets like reindeer or dogs, and even elf outfits. These can usually be found online or in stores during the holiday season, adding more fun and personalization options to your Elf on the Shelf tradition.

How to Choose the Right Elf on the Shelf

Not all elves are created equal, and choosing the right Elf on the Shelf can make your holiday experience more magical. Here are some factors to consider when selecting your elf:

Size and Style

Elves come in various sizes, from small enough to sit on a shelf to larger ones that can be posed around the house. Some elves have classic red outfits, while others might wear different colors or have unique features. Think about where you plan to display your elf and what style will best fit your home's holiday décor.

Personalization Options

Some retailers offer personalized Elf on the Shelf dolls with your child's name embroidered on the outfit or included in the storybook. Personalization adds an extra layer of magic, making the elf feel like a truly special visitor just for your family.

Quality and Durability

Since the elf will be handled daily and moved around the house, it's important to choose one that is well-made and durable. Look for elves with sturdy limbs and high-quality materials to ensure your elf lasts for many Christmas seasons to come.

Tips for Starting Your Elf on the Shelf Tradition

Once you have your elf, the next step is to bring the tradition to life. Here's how to get started and keep the magic alive throughout the holiday season:

The Arrival of Your Elf

Many families choose to introduce the elf in a special way, such as hiding it

somewhere unexpected on the first morning or including a letter from Santa explaining the elf's mission. This initial excitement sets the tone for the rest of the season and builds anticipation.

Daily Elf Placement Ideas

Part of the fun is finding your elf in a new spot each morning. You can get creative by placing your elf in silly or surprising locations—hanging from the chandelier, peeking out of the Christmas tree, or even “making mischief” with household items. There are plenty of online resources and social media groups where parents share daily elf placement ideas to keep things fresh.

Setting Ground Rules

To avoid confusion, it's helpful to explain the elf's role to your children. For example, the elf doesn't speak or move during the day, and touching the elf might cause it to lose its magic. These rules help maintain the mystery and encourage kids to be mindful of their behavior.

Bringing the Elf to Life

Some families take the tradition further by incorporating the elf into holiday activities. You might write letters to the elf, take photos of your child with the elf, or use the elf to encourage acts of kindness. This turns the elf from a simple decoration into a cherished holiday companion.

Alternative Ways to Get an Elf on the Shelf

If you're thinking “how do you get a elf on the shelf” but want to avoid the commercial route, there are creative alternatives that can still bring the magic home.

DIY Elf on the Shelf

Crafting your own elf can be a fun family project. Using felt, fabric, and simple sewing or gluing techniques, you can create a personalized elf that matches your family's style. This option is budget-friendly and allows for customization, though it may lack the official storybook and branding.

Borrowing or Sharing

Some communities have lending libraries or groups where you can borrow an Elf on the Shelf kit for the holiday season. This is a great way to try the tradition before committing to a purchase or to save money if you only want to enjoy the elf occasionally.

Digital and Virtual Elf Experiences

With advances in technology, there are apps and online experiences that bring the Elf on the Shelf magic to life virtually. While these don't replace the

physical elf, they can complement the tradition or serve as an introduction for younger children.

When to Get Your Elf on the Shelf

Timing can affect how much you enjoy the Elf on the Shelf tradition. Most families bring their elf out at the start of December, often coinciding with the beginning of advent calendars or the first day of the month. This gives you nearly a full month of elf-related fun leading up to Christmas Eve, when the elf “returns” to the North Pole until the next year.

If you’re purchasing an elf, consider ordering early, as it’s a popular seasonal item that can sell out quickly. Planning ahead ensures you have plenty of time to prepare and create the perfect holiday magic.

Getting your Elf on the Shelf is the first step in creating a memorable and joyful holiday tradition. Whether you buy an official kit, craft your own elf, or explore digital options, the key is to embrace the spirit of fun, imagination, and togetherness that the elf brings into your home. As you move your elf each day and watch your children’s excitement grow, you’ll see why this little scout elf has become a staple of Christmas celebrations everywhere.

Frequently Asked Questions

How do you get an Elf on the Shelf?

You can get an Elf on the Shelf by purchasing it online from the official Elf on the Shelf website, major retailers like Amazon, Walmart, or in stores that sell holiday decorations.

Is Elf on the Shelf available in stores or only online?

Elf on the Shelf is available both online and in many retail stores, especially during the holiday season.

Can I buy an Elf on the Shelf anytime or only during Christmas season?

While Elf on the Shelf is most commonly sold during the Christmas season, you can often find it year-round through online retailers.

Are there different types of Elf on the Shelf dolls to choose from?

Yes, there are various Elf on the Shelf dolls including traditional elves, boy or girl elves, and special editions with different outfits and themes.

How much does an Elf on the Shelf typically cost?

An Elf on the Shelf usually costs between \$25 and \$35, depending on the version and where you purchase it.

Do I need to buy a book with the Elf on the Shelf doll?

Many Elf on the Shelf sets come with a storybook that explains the tradition, but you can also purchase the elf doll separately.

Can I get an Elf on the Shelf as a gift for a child?

Yes, Elf on the Shelf makes a popular holiday gift for children and encourages family traditions throughout the Christmas season.

Where is the Elf on the Shelf made?

Elf on the Shelf dolls are primarily manufactured in China and then distributed worldwide.

How soon should I get an Elf on the Shelf before Christmas?

It's best to get your Elf on the Shelf early in the holiday season, ideally in November, to start the tradition and avoid stock shortages.

Are there alternatives to Elf on the Shelf if I can't find one?

Yes, there are similar elf dolls and holiday scout elf alternatives available from other brands if Elf on the Shelf is out of stock.

Elf on the Shelf: How Do You Get a Elf on the Shelf and What to Expect

how do you get a elf on the shelf is a question that many parents, caregivers, and holiday enthusiasts frequently ask as the festive season approaches. The Elf on the Shelf has become a widely embraced Christmas tradition in recent years, captivating families with its unique blend of holiday magic and interactive storytelling. But acquiring this holiday character involves more than just purchasing a toy; it's about engaging in a whole new kind of Christmas experience. This article delves into the process of obtaining an Elf on the Shelf, the various options available, and what considerations to keep in mind before introducing this tradition into your home.

Understanding the Elf on the Shelf Phenomenon

Before exploring how to get a Elf on the Shelf, it is important to understand

what this tradition entails. The Elf on the Shelf is essentially a small scout elf doll that "reports" to Santa Claus each night during the Christmas season. This elf watches over children by day and returns to the North Pole by night to give Santa updates on their behavior. The next morning, the elf appears in a new spot, creating a playful hide-and-seek game that encourages children to behave well.

The tradition was popularized by the 2005 children's book "The Elf on the Shelf: A Christmas Tradition," written by Carol Aebersold and her daughter Chanda Bell. Since then, the concept has expanded into a widespread cultural practice, complete with various elf models, accessories, and even digital apps.

How Do You Get a Elf on the Shelf?

Purchasing Options: Retail and Online

One of the most straightforward ways to get an Elf on the Shelf is through purchase. The official Elf on the Shelf kit, which includes the elf doll and the accompanying storybook, is available at many major retailers and online stores. The official website, elfontheshelf.com, offers direct purchases and often features exclusive editions or bundles not found elsewhere.

Popular retail outlets such as Walmart, Target, and Amazon stock the Elf on the Shelf kits during the holiday season. Prices typically range from \$25 to \$40, depending on the edition and any added accessories. When buying online, it's essential to verify that you are purchasing from a reputable seller to avoid counterfeit products, which may lack the charm or quality of the official kits.

Pre-Ordering and Seasonal Availability

Due to the Elf on the Shelf's popularity, demand can outpace supply, particularly in early December. Many families choose to pre-order the elf to guarantee availability. Pre-ordering through the official website or major retailers can secure your elf before stocks run low. It's advisable to place orders early in the season, as waiting until mid-December may result in limited options or higher prices from third-party sellers.

Choosing the Right Type of Elf

The original Elf on the Shelf comes in a variety of skin tones, hair colors, and eye colors to reflect diverse family backgrounds, an important feature for inclusivity. Additionally, specialized editions exist, such as the "Boy Elf," "Girl Elf," and limited-edition collectible elves. There are also "Pet" elves designed for household pets, as well as themed outfits and accessories that can be purchased separately.

Selecting the right elf depends on personal preference and family dynamics. Some parents prefer a classic look, while others may want a customized elf that reflects their children's personalities or cultural heritage.

Alternatives and DIY Options

Non-Official Elf Dolls

For families who want to participate in the Elf on the Shelf tradition but are deterred by price or availability, there are non-official elf dolls available. These alternatives can be found on platforms like Etsy or Amazon and often come at a lower cost. However, they may not include the official storybook or carry the same quality and cultural recognition as the original.

Creating Your Own Elf Tradition

Some families opt to create their own elf or holiday scout figure, using handcrafted dolls or repurposed toys. This approach can be both economical and personalized, allowing families to tailor the tradition to their values and aesthetics. However, without the official story and branding, the experience may differ, especially for children familiar with the Elf on the Shelf narrative.

Considerations Before Getting an Elf on the Shelf

Time Commitment and Creativity

Owning an Elf on the Shelf is more than a one-time purchase; it involves daily interaction throughout the Christmas season. Parents or guardians must move the elf each night to a new location, often inventing creative scenes or poses to maintain the elf's magic. For busy households, this can be a fun tradition or an added stressor.

Impact on Children

The Elf on the Shelf tradition hinges on the idea that the elf is watching and reporting on children's behavior. While many families find this motivating and enjoyable, some experts caution that it may induce anxiety or promote surveillance rather than intrinsic good behavior. It's essential to assess how your children respond to this concept before fully committing.

Cost Implications

Beyond the initial purchase, many families invest in elf accessories, clothing, and props to enhance the experience. This can add up, especially if the tradition continues for multiple years. Budgeting for these extras is an important factor for those considering how do you get a elf on the shelf and what ongoing costs may be involved.

Enhancing the Elf on the Shelf Experience

Incorporating Technology

Some families integrate technology by using Elf on the Shelf apps or social media inspiration for new elf ideas. These digital tools provide creative setups and storylines, making it easier to maintain the elf's novelty throughout the season.

Building Family Traditions

The elf can serve as a catalyst for broader family traditions, including holiday crafts, storytelling sessions, and acts of kindness inspired by the elf's presence. This approach can deepen the emotional connection to the tradition and provide meaningful holiday memories.

Where to Buy and What to Expect When You Get a Elf on the Shelf

- **Official Elf on the Shelf Website:** The safest place to buy the authentic product with full guarantees and exclusive options.
- **Major Retailers:** Walmart, Target, and Amazon offer convenience and competitive pricing but watch for stock shortages.
- **Seasonal Pop-Up Shops:** During the holidays, some stores have dedicated Elf on the Shelf sections.
- **Specialty Stores:** Local toy shops may stock the elf along with unique accessories.

When you receive your Elf on the Shelf kit, expect a carefully packaged doll accompanied by the original storybook, which sets the foundation for the elf's lore. Many packages also include an adoption certificate, reinforcing the personal connection between the family and their elf. This ceremonial aspect is key to the tradition's success and appeal.

The process of "adopting" the elf, as the story suggests, encourages families to name their elf and formally welcome it into their holiday celebrations. This act of adoption is often a cherished moment that marks the beginning of the elf's seasonal watch.

The elf itself is crafted from soft materials with a distinctively whimsical design, featuring a red-and-white outfit, pointed hat, and expressive eyes. Its size and flexibility make it easy to pose in various creative scenarios, a feature many parents appreciate when planning daily elf antics.

With the growing popularity of the Elf on the Shelf, it's clear that the

tradition continues to evolve. Whether you choose the official product or create your own version, understanding how do you get a elf on the shelf and the surrounding logistics is essential to making the most of this festive phenomenon.

How Do You Get A Elf On The Shelf

how do you get a elf on the shelf: The Elf on the Shelf Family Cookbook Chanda A. Bell, 2024-09-10 A full-color, gifty Christmas cookbook filled with recipes, activities, and holiday magic, guided by the Scout Elves. The Elf on the Shelf is a phenomenon for families around the world. Every year, millions of Scout Elf helpers fly in from the North Pole to join in the Christmas cheer, with great excitement every day as parents watch their children discover their elves' landing spots. Many families integrate their Scout Elf friends into food and kitchen traditions, with the holidays filled with laughter and fun as little and big hands tinker with ingredients, stirring, mixing, and pouring their hearts into something wonderfully delicious. These loving traditions are at the heart of Christmas magic! The Elf on the Shelf Family Cookbook is presented by an exceptional team of Mrs. Claus' Sweet Shop Elves, who share their favorite holiday recipes, along with ingredient lists, tips, tools, and favorite recipes you'll love to incorporate into The Elf on the Shelf tradition. With chapters starting in Scout Elf Return Week, usually in the last week of November, right up until Christmas Eve, when Scout Elves depart, the book shares fifty recipes, plus activities, projects, and ways to include your own family's Scout Elf, who can't help but get in on the kitchen action! This highly illustrated, interactive book includes: Basic culinary vocab, safety tips, and ways parents can bring their kids into the kitchen Classic and updated Christmas recipes with easy variations for breakfasts, snacks, desserts, drinks, and special elf-size food (you'll love to set up little feasts for your Scout Elf pals!) Activities including Seek and Find, trivia for Movie Night (an annual tradition for The Elf on the Shelf families), and more Recipes for special return celebrations on other holidays and birthdays The fun and elftastic recipes include The Cheer Is Here Pancakes!, Mrs. Claus' North Pole Famous Peppermint Bark, Fa-la-Lollipops, Bitty Burger Bites, and Reindeer Munch Snack Mix Chock-full of inspiring ideas for holiday fun for young and old alike, The Elf on the Shelf Family Cookbook will be a treasured holiday companion for years to come!

how do you get a elf on the shelf: The Elf on the Shelf Carol V. Aebersold, Chanda A. Bell, 2012-02-01 The Elf on the Shelf: A Christmas Tradition is an activity the entire family will enjoy. Based on the tradition Carol Aebersold began with her family in the 1970s, this cleverly rhymed children's book explains that Santa knows who is naughty and/or nice because he sends a scout elf to every home. During the holiday season, the elf watches children by day and reports to Santa each night. When children awake, the elf has returned from the North Pole and can be found hiding in a different location. This activity allows The Elf on the Shelf to become a delightful hide-and-seek game.

how do you get a elf on the shelf: *All Together Now* Cindy Dell Clark, 2019-06-14 In a hard driving society like the United States, holidays are islands of softness. Holidays are times for creating memories and for celebrating cultural values, emotions, and social ties. All Together Now considers holidays that are celebrated by American families: Easter, Memorial Day, Independence Day, Halloween, and the December holidays of Christmas or Chanukah. This book shows how entire families bond at holidays, in ways that allow both children and adults to be influential within their shared interaction. The decorations, songs, special ways of dressing, and rituals carry deep significance that is viscerally felt by even young tots. Ritual has the capacity to condense a plethora of meaning into a unified metaphor such as a Christmas tree, a menorah, or the American flag. These symbols allow children and adults to co-opt the meaning of symbols in flexible and age-relevant ways, all while the symbols are still treasured and shared in common.

how do you get a elf on the shelf: Big Money With Your Book ...Without Selling A Single Copy! Trevor Crane, 2017-10-24 Let's begin this with total transparency. Most people don't make a lot of money with their book. The average self-published author makes less than \$100 per year. The average U.S. nonfiction book is now selling less than 250 copies per year and less than 2,000 copies over its lifetime. Very few titles are big sellers. Only 62 of 1,000 business books released in 2009 sold more than 5,000 copies, according to an analysis by the Codex Group (New York Times, March 31, 2010). A book has far less than a 1% chance of being stocked in an average bookstore. There are thousands of titles competing for that limited shelf space. What if your book becomes a bestseller? Most people think, that once that happens, your book will take off. Then you'll be in-demand for interviews, and everyone will just magically just come buy your stuff, and you'll be famous... right? Wrong. "If you build it, they will come." Only worked for Kevin Costner in the Field Of Dreams. (And "Shoeless Joe Jackson" is probably not your target audience.) The TRUTH is: You need to have a system in place (i.e. products and services, or a business) to monetize your book. What happens if you don't? Well... not much. And that's the problem. Inside this book, you will learn 4 specific strategies, THAT YOU CAN USE, to make 6-7 figures with your book. Yeah, and you can do them WITHOUT selling a single copy of your book. Inside this book, you'll learn the BIG SECRETS from interviews with authors who are using these strategies RIGHT NOW... to grow a massive INCOME, and make a difference. Your book could, and should become one of your most powerful marketing tools. Get it now, and learn how you can start making money with your book today. *BONUS: You'll actually discover many more than 4 strategies for you to make money with your book. But "Shhhhhh... don't tell anybody. MORE in this book: If you know you have a book or books inside you, here you will learn not only how to get that message and those ideas into the right book and get it published, but more importantly how to Turn it into your most powerful marketing tool. If you have doubts or question that you have, 'what it takes' to write a book and find the idea of writing one daunting, this book will replace your doubts and questions with practical advice and motivation. Whether you want to make it hit BESTSELLER lists, or just "sell more of your products or services, this book will help give you a competitive advantage, that makes it easier to do so. INSIDE: • WHY having a book is your best marketing tool • HOW to build authority and credibility with a book • STEP-BY-STEP how to turn your book into your ultimate 'Lead Generation Tool' • NINJA strategies to use your book to bypass gatekeepers, and get it into the hands of your 'Ideal Client' • MEDIA secrets for authors that gets you tons of Free Publicity • HOW to use your book to get more profitable Speaking Engagements • And so much more... WHAT THIS BOOK IS NOT: • This book is NOT a formula to "get rich quick" • This book is NOT going to magically make you successful • This book is NOT for people who are not willing to "do the work" This book WILL show you a simple path that you can follow. But it will take your hard work, and follow-through to make it happen. You can do it. And this book will help you. But it will not do it for you. However, do the work, and you'll wish you had read this book YEARS ago!

how do you get a elf on the shelf: Kaleidoscope Faith Lisa Revels O'Neal, 2023-04-04 Throughout her life, author Lisa O'Neal has faced an array of challenges—from suffering a stroke, to dealing with lupus, and battling cancer, among them. During this journey, she relied on her faith and wrote, documenting God's presence, goodness, and promises. In *Kaleidoscope Faith*, she presents these narratives of day-to-day experiences. Sharing stories from the heart, it's about seeing everyday life through a God's perspective. It's about seeing his beauty in what can sometimes feel like broken pieces. O'Neal communicates that when we pause and view things from a different perspective, it can often change difficult situations into hope, joy, peace, and strength. It helps us look at our struggles in life with eyes of faith, allowing us to see God's hand in everything.

how do you get a elf on the shelf: Moment Maker Carlos Whittaker, 2014-04-01 Life is made of moments. What are you doing to make the most of them? In Moment Maker, Carlos Whittaker shows you how to make each moment count, so those moments add up to a life rich with meaning, deeply satisfying, and full of purpose. Every day we have an opportunity to make our lives meaningful, to make them matter. Yet, for so many of us, we let too much of life happen without taking notice. For author, speaker, and podcaster Carlos Whittaker, living deliberately has become a way of life. Making moments that are significant, memorable, or impactful are a part of how he navigates each day, and it has forever changed the landscape of his story. In Moment Maker, Carlos shares powerful stories and examples from ordinary life, as well as insights from Scripture, that have formed his practical and meaningful game plan for living on purpose and with purpose. In these pages, he will guide you to: Increase awareness of your surroundings, the people you encounter, and the needs of others Recognize opportunities that present themselves and be encouraged to seize them Discover how to create, receive, and rescue key moments in everyday life Unlock the satisfaction of living to the full depth of your life's potential The beauty of having a moment-making life is that it does not require a big investment of time, energy, or money. It simply requires a commitment to pay attention. All around you there are opportunities to meet a need, shift your focus, and begin healing. It is time to become a Moment Maker.

how do you get a elf on the shelf: Young Children's Rights in a Digital World Donell Holloway, Michele Willson, Karen Murcia, Catherine Archer, Francesca Stocco, 2021-08-19 This volume focuses on very young children's (aged 0-8) rights in a digital world. It gathers current research from around the globe that focuses on young children's rights as agential citizens to the provision of and participation in digital devices and content—as well as their right to protection from harm. The UN Digital Rights Framework of 2014 addresses children's needs, agency and vulnerability to harm in today's digital world and implies roles and responsibilities for a variety of social actors including the state, families, schools, commercial entities, researchers and children themselves. This volume presents a broad range of research, including chapters on parental supervision and control, the changing forms of play, early childhood education, media and cultural studies, law, design, health, special-needs education, and engineering. Implicit within this book is the acknowledgement that children of various ages, abilities, socioeconomic and geographic backgrounds should have equal access to, and positive / non-harmful experiences with, new digital technologies and content—as well as adult support and expertise that enhances these experiences. This passionate book celebrates the diversity of young children's activities in the digital world. It interrogates these through four

intersecting lenses: their rights, play experiences, contextualised design, and best practice. Balancing children's eager engagement with digital content alongside adult responsibilities for education, privacy and protection, the volume provides a fitting showcase for work of global relevance. Professor Lelia Green Professor of Communications Edith Cowan University Perth, Western Australia This compelling text provides a critical resource to inform our understanding of the intersection of the digital world and children's rights. Ilene R. Berson, Ph.D. Professor of Early Childhood Education Affiliate Faculty, Learning Design & Technology Area Coordinator, Early Childhood Coordinator, Early Childhood Ph.D. Program University of South Florida College of Education A truly international collection that investigates young children's engagement with digital technologies. Identifying issues of public interest around digital practices, this highly readable book is a valuable resource for researchers, parents and policy makers. Professor Susan Danby Director, ARC Centre of Excellence for the Digital Child and, Faculty of Education School of Early Childhood and Inclusive Education QUT Kelvin Grove, Queensland

I retired from Schlumberger as a Senior Sales Engineer October 1982 A widower, I have 4 children, 7 grandchildren, 9 great grandchildren. And 1 great, great grandchild. Rudolph Ray Porche

how do you get a elf on the shelf: Hurry Walter, There Is a Possum in the Hen House Cricket Webb, 2020-03-13 The book was created over the years of true stories of what happened to a family that some will say no way could happen. I promise you; there is no way this stuff could ever be made up! One person in the family loved the stories and could always tell them as they happened and pretend to be each person in every occurrence. The family had encouraged this person for years to write the stories into a book so others could laugh as well. It seemed all stories you could buy in this day and time were criminal fast pace stories, sad stories, love stories, murders, trials; well, you get the idea. It was time for a humorous book that was about real people and real stories that were honestly true. You will notice the family has a huge heart for animals and people in need, and sometimes their huge heart for animals could cause them lack of sleep but they never seemed to mind to help with some of God's chores. They were laboring, working-class people who were as honest as the day is long. They kept their nose in their own business even though they may not understand some of the stuff that was going on with their neighbors. It still was none of their business. What was their business however, was taking care of grandkids, great-grandkids, and all the animals that made up the zoo there on the farm and all the fun stuff that came along with it. They were not ashamed to tell their stories. It happens to everyone; some people want to act like it never happens to them. I promise you at some time in your life, you will step into some dog poop.

how do you get a elf on the shelf: Uncle John's Bathroom Reader: Zipper Accidents Bathroom Readers' Institute, 2013-04-01 For 25 years, there's always been a home in Uncle John's Bathroom Reader for those times in life you wish you could take back--"oops" moments, embarrassing accidents, spectacular failures. Because we never get tired of reading about unfortunate accidents (as long as they're happening to someone else), here is a whole book of "the best of the worst," the troubling and funny stories of things got terribly awry. Read all about:* The little math error that took down a spaceship.* A sexy stimulant that led to a man's multiple amputations.* The politician who lost by one vote . . . because he was out campaigning and forgot to vote.* The couple that won millions in the lottery . . . and lost the ticket.

how do you get a elf on the shelf: The Broken Rung Kweilin Ellingrud, Lareina Yee, Maria del Mar Martinez, 2025-03-11 The broken rung is more pervasive than the glass ceiling in holding women back from career success. Three McKinsey senior partners offer strategies for overcoming it

and fulfilling your potential. Women around the world do extremely well when it comes to their education. They graduate at higher rates than men and have higher average GPAs. But then a strange thing happens: upon entering the workforce, they immediately lose their advantage. When the first promotions come around, the slide continues. For every 100 men promoted to manager, only 81 women overall and 77 women of color get promoted. This is what McKinsey senior partners Kweilin Ellingrud, Lareina Yee, and María del Mar Martínez call the broken rung, and its effects compound throughout women's careers, causing them to fall behind at the start and keeping them from catching up. In this groundbreaking book, the authors reveal the problem's underlying cause: while about half of a person's lifetime earnings come from education and half from work experience, men get more value from their experience than women do. It is also here, in one's work experience, that the solution lies: women need to build their experience capital to level the playing field and maximize their earning potential. The book combines over a decade of research, personal conversations with more than fifty remarkable leaders, and the authors' own rich experiences as leaders at McKinsey. They weave data on the potential pitfalls with inspiring and instructive stories of women who have climbed over the broken rung using strategies that increased their experience capital. Leaders and companies must do more to address gender inequalities in the workplace. But you don't have to wait. *The Broken Rung* is your guide, right now, for moving up the career ladder and reaching your full potential at work.

how do you get a elf on the shelf: Demystifying Discussion Jennifer Orr, 2021-11-29 How do you take the passion and chatter that K-5 students bring to the classroom and turn it into conversation skills that make them better learners? Academic conversation can help hone speaking and listening, critical thinking, and social-emotional skills, as well as deepen content knowledge. But despite its effectiveness, this kind of purposeful, student-led discussion is rarely taught or used at the elementary level. The mystery for teachers is how to support students at various stages of development and build an environment of trust that lets them cultivate these skills. In *Demystifying Discussion*, veteran teacher Jennifer Orr gives elementary school teachers a primer on teaching students to engage in student-led academic conversation. The strategies, sample assessments, and example conversations in this book show you how to help young learners get better at sharing, exploring, and synthesizing their individual and collective thinking. You'll also learn how to manage different perspectives and disagreements among students. This is a book to use all year long to improve classroom discussion, hone students' skills (and your own), and enhance students' overall learning throughout their time in school and beyond.

how do you get a elf on the shelf: *How Christmas Became Christmas* Nathaniel Parry, 2022-11-10 In some respects, the contrasts of Christmas are what make it the most delightful time of the year. It is a time of generosity, kindness and peace on earth, with broad permission to indulge in food, drink and gifts. On the other hand, Christmas has become a battleground for raging culture wars, marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday. This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday's core character. By tracing Christmas's origins as a pagan celebration of the winter solstice and its development in Europe's Christianization, this history explains that the true reason for the season has as much to do with the earth's movement around the sun as with the birth of Christ. Chapters chronicle how Christmas's magic and misrule link to the nativity, and why the carnival side of the holiday appears so separated from traditional Christian beliefs.

how do you get a elf on the shelf: *Where's the Elf on the Shelf?* , 2020-10 Find the Scout Elves and Elf Pets in this festive search and find, *Where's the Elf on the Shelf?* Spot the Scout Elves hiding behind sprouts in the kitchen, find them sorting letters to Santa in the post office and look out for them when decorating the Christmas tree. With Scout Elves and Elf Pets to find in each of the ten scenes - plus bonus items to look for on every spread, this fun-packed search and find offers hours of entertainment for excited little ones in the run up to Christmas. Based on the tradition Carol Aebersold began with her family in the 1970s, when a family adopts a Scout Elf and gives it a name,

the Scout Elf receives his or her Christmas magic and can fly to the North Pole each night to tell Santa Claus about all of the day's adventures.
