Blade Beasts were quite similar to Sword Beasts, but if Sword Beasts had long, pointed bodies, then Blade Beasts' bodies tended to curve like a blade. Furthermore, on the Blade Beasts' heads was a sharp iron blade that contained the hidden Blade Saint Intent. If one were to be hit by it, even if one took Wu Chi's Sacred Body, one would still be severely injured. Leading the Blade Beasts was a beast that was somewhat larger than all of them. With sharp eyes, it glanced around. Perhaps it had sensed the unfamiliar aura, so it roared. The remaining Blade Beasts also began to roar, looking around warily. In the darkness, Chen Di looked at Wu Chi as if asking for his opinion. There were too many Blade Beasts, if one charged out, it would have to fight to the death.
