galib ki shayari in hindi: Mahakte Ashaar Vikram Rai, Urdu couplets are richly quoted in the daily talks, during lectures and even during discussions. Each couplet is an independent unit of a Poem which is a distilled message or vision full of resonance and romance. There are many non-Hindi or non-Urdu speaking people enchanted by the spoken Urdu couplets in day to day life, literary gatherings and TV programmes, who wished to fully understand its nuances as without understanding the finer nuances they can't really appreciate the couplets. This book is an attempt to present a collection of famous and simple Urdu couplets or two line shayari in Hindi and Roman in one place for Urdu poetry fans along with the translation in English. This book is a humble attempt to rekindle the heritage of the Urdu Language and bring out the best of its poetry in order to make the glory of this language familiar to the non-Hindi and non-Urdu speaking world.

galib ki shayari in hindi: Ruskin Bond A Study of Human Emotions Dr. Sangeeta Paul Budhiraja, Literature challenges one not only to think about ethical conundrums but also makes one sensitive and compassionate. When it blends with euphoria and nostalgia, the integral parts of human mind, it toughens and becomes sturdy. Man loves to live in his past memories to be happy. The experiences form a part of human personality and shape their behaviour pattern. Nostalgia stores for us our memories which we relish lifelong. Even the lamentable days of past become pleasant. Though we might have ignored some not too pleasant incidents in our bygone days yet somewhat bitter experiences appear to be impressive and attractive. It is aptly said that the panorama of mountains appear beautiful and splendid from a distance. The bitterness of nearness is intolerable. The more we grow in years, the more our past recedes. Distance from the life lived long ago makes it sweet and desirable. Strain and stress of the present becomes frivolous when we slip and relapse into euphoric nostalgia. The instincts of euphoria and nostalgia have been vividly handled by the legendary writers of all times. They have given various dimensions and definitions to the readers to redeem these human aspects yet many more stones are still unturned. These two instincts in the oeuvre of the legendary writer Ruskin Bond are the anchor points that suggest the scope of study. I have chosen to put forward the very idea about how a man's body, mind and soul blend with traces of his past memories and support the holistic growth.

galib ki shayari in hindi: Literary Cultures and Digital Humanities in India Nishat Zaidi, A. Sean Pue, 2022-12-29 This book explores the use of digital humanities (DH) to understand, interpret, and annotate the poetics of Indian literary and cultural texts, which circulate in digital forms — in manuscripts — and as oral or musical performance. Drawing on the linguistic, cultural, historical, social, and geographic diversity of Indian texts and contexts, it foregrounds the use of digital technologies — including minimal computing, novel digital humanities research and teaching methodologies, critical archive generation and maintenance — for explicating poetics of Indian literatures and generating scholarly digital resources which will facilitate comparative readings. With contributions from DH scholars and practitioners from across India, the United States, the United Kingdom, and more, this book will be a key intervention for scholars and researchers of literature and literary theory, DH, media studies, and South Asian Studies.

galib ki shayari in hindi: Déjà Viewed Gohar Siddiqui, 2025-07-01 Situates the remake as one of the primary responses to Bollywood's globalization and corporatization. Focused on post-1990 Bollywood remakes of Hollywood films, Déjà Viewed tells a larger story of the rapidly changing Indian film industry in the wake of globalization and corporatization. It situates the remake as a gendered response to these changes, drawing on approaches from film theory, gender studies, and cultural studies. The book looks at films from a variety of genres and modes, including the Bollywood family film, romantic comedy, noir, and melodrama, and each film's close analysis is accompanied by attention to concerns related to remake theory, such as homage, anxiety of influence, defamiliarization, and pastiche. Seeking to historicize how gender and genres become translated and transformed in the Bollywood remake, the book contributes to transnational understandings of gender and genre as media texts move across various borders—geographic, cinematic, economic, and aesthetic.
