Killing Jesus Bill O'Reilly: A Deep Dive into the Historical Narrative

killing jesus bill o reilly is more than just a provocative phrase—it refers to a compelling book that delves into the events surrounding one of history's most significant and debated figures: Jesus of Nazareth. Written by Bill O'Reilly, a well-known political commentator and author, alongside co-author Martin Dugard, "Killing Jesus" offers a detailed exploration of the political, social, and religious circumstances that led to the crucifixion of Jesus. For readers interested in history, theology, or narrative nonfiction, this work stands out as a captivating blend of storytelling and historical investigation.

Understanding the Context of Killing Jesus Bill O'Reilly

When approaching "Killing Jesus Bill O'Reilly," it's essential to recognize the unique angle the book takes. Unlike traditional theological texts or purely academic histories, O'Reilly and Dugard aim to present an accessible and gripping account that appeals to a broad audience. They situate Jesus's life within the turbulent world of Roman-occupied Judea, highlighting the intersecting forces at play—political unrest, religious zeal, and imperial power struggles.

The Historical Setting of Jesus's Time

The authors paint a vivid picture of first-century Palestine, a land rife with tension. The Jewish population was yearning for liberation from Roman rule, and multiple factions—Pharisees, Sadducees, Zealots—vied for influence. This backdrop is crucial in understanding why Jesus's message and actions were so revolutionary and, ultimately, threatening to both religious authorities and Rome.

By focusing on this environment, "Killing Jesus Bill O'Reilly" helps readers grasp the complex dynamics that made the crucifixion not just a religious event but a politically motivated execution.

Bill O'Reilly's Approach to Historical Narrative

Bill O'Reilly is best known for his work in journalism and political commentary, but his foray into historical nonfiction reveals a knack for narrative-driven storytelling. In "Killing Jesus," this skill is on full display as he pieces together various historical accounts, biblical texts, and archaeological findings to reconstruct the story.

Blending Fact and Storytelling

One of the strengths of "Killing Jesus Bill O'Reilly" lies in its ability to balance factual research with engaging prose. The book doesn't just state facts; it invites readers into the scenes, from Jesus's early life and ministry to the climactic trial before Pontius Pilate.

This narrative style makes complex historical content more digestible and compelling, especially for readers who might find academic histories dense or inaccessible.

Critical Reception and Controversies

While many praise the book for its readability and thorough research, some scholars and critics have debated the historical interpretations and the blending of secular and religious sources. It's worth noting that O'Reilly's perspective sometimes aligns with popular rather than purely scholarly views, which can influence how events are portrayed.

For readers, this means approaching the book as a well-researched narrative rather than an academic

treatise, appreciating its strengths while being mindful of its limitations.

The Impact of Killing Jesus Bill O'Reilly in Popular Culture

Since its publication, "Killing Jesus" has made waves beyond the realm of books, influencing television, education, and public discourse about Jesus's life.

The Television Adaptation

The book's success led to a high-profile television movie adaptation, which aired on the National Geographic Channel. This brought the story to an even wider audience, combining dramatic reenactments with historical commentary to explore the death of Jesus.

The adaptation helped cement "Killing Jesus Bill O'Reilly" as a cultural touchstone for those interested in biblical history told through a modern lens.

Educational Use and Accessibility

In classrooms and discussion groups, "Killing Jesus" often serves as an entry point for conversations about history, religion, and the intersection of the two. Its straightforward language and compelling narrative make it suitable for readers who might be new to the subject or looking for a fresh perspective.

Moreover, the book encourages readers to consider the historical Jesus as a figure shaped by his times, rather than solely as a religious icon.

Exploring Key Themes in Killing Jesus Bill O'Reilly

Several themes resonate throughout the book, providing readers with deeper insights into the narrative and its historical significance.

Power and Politics in Ancient Judea

The struggle for power—between Rome, Jewish leaders, and various factions—is a central theme. O'Reilly emphasizes how Jesus's growing influence threatened the established order, leading to his arrest and execution as a political necessity rather than just a religious condemnation.

The Intersection of Faith and History

"Killing Jesus Bill O'Reilly" navigates the delicate balance between faith-based beliefs and historical evidence. It respects the spiritual significance of Jesus while striving to uncover the man behind the myth through available historical records.

Humanizing a Historical Figure

Rather than presenting Jesus as an untouchable figure, the book explores his humanity—his upbringing, relationships, and the very real challenges he faced. This humanizing approach helps readers relate to the story on a personal level, making the historical events more impactful.

Tips for Readers Interested in Diving Deeper

If "Killing Jesus" by Bill O'Reilly piques your curiosity, there are several ways to enrich your understanding of the period and its significance.

- **Explore complementary historical texts:** Books like "Jesus: A Revolutionary Biography" by John Dominic Crossan or "The Historical Jesus" by Gerd Theissen offer scholarly perspectives.
- **Study the political history of the Roman Empire:** Understanding the governance and policies of Rome can shed light on why Jesus's actions were seen as a threat.
- **Examine archaeological discoveries:** Artifacts and sites from ancient Judea provide tangible context to the narratives.
- **Participate in discussion groups:** Engaging with others can open up diverse interpretations and deepen insight.

These steps can help bridge the gap between the compelling narrative of "Killing Jesus" and the broader historical and theological explorations of the era.

Reading "Killing Jesus" by Bill O'Reilly offers a captivating introduction to a pivotal moment in history, blending storytelling with historical inquiry. Whether you approach it from a faith perspective, a historical curiosity, or simply a love of good nonfiction, the book's vivid portrayal of Jesus's final days invites reflection on the enduring impact of his life and death.

Killing Jesus Bill O'Reilly: A Critical Examination of Historical Narrative and Popular History

killing jesus bill o reilly is a phrase that immediately calls to mind the bestselling book co-authored by Bill O'Reilly and Martin Dugard, which explores the life and death of Jesus Christ through a historical lens. Since its publication, **Killing Jesus** has sparked widespread interest and debate, both for its narrative style and for its interpretation of biblical events. This article delves into the core elements of **Killing Jesus Bill O'Reilly**, offering an analytical review of its historical accuracy, narrative approach, and cultural impact, while weaving in relevant keywords to enhance understanding of the work's significance in contemporary historical literature.

Context and Overview of Killing Jesus

Killing Jesus, published in 2013, is part of Bill O'Reilly's "Killing" series, which includes other titles such as **Killing Lincoln** and **Killing Kennedy**. These works aim to present pivotal moments in history with vivid storytelling and detailed research. In **Killing Jesus**, the narrative reconstructs the final days of Jesus Christ, focusing on the political, social, and religious dynamics of first-century Judea.

The book stands out for its attempt to blend historical documentation with engaging prose, targeting readers who may not be familiar with biblical scholarship but seek a compelling historical account. However, the book's approach has raised questions about its balance between historical rigor and popular storytelling.

Historical Accuracy and Narrative Style

One of the primary areas of analysis when discussing **Killing Jesus** by Bill O'Reilly is the book's fidelity to historical sources. O'Reilly and Dugard rely heavily on a mix of biblical texts, historical records, and contemporary scholarship. This methodology has sparked debate among historians and theologians.

Use of Sources

The authors draw from the canonical Gospels, Roman historians such as Josephus, and Jewish texts to construct their narrative. While this breadth of sources suggests thoroughness, critics argue that the selection and interpretation of these materials sometimes prioritize dramatic impact over scholarly consensus. For instance, some details about Pontius Pilate's role and Jesus' trial are presented with a degree of certainty that does not fully reflect ongoing academic debates.

Storytelling and Accessibility

A notable strength of **Killing Jesus** is its accessible approach to a complex historical and theological subject. The prose is straightforward and engaging, making the story approachable for a broad audience. This accessibility has contributed to the book's commercial success and its adaptation into a television movie, further amplifying its cultural reach.

However, the prioritization of narrative flow occasionally results in simplifications or speculative elements that may not satisfy readers seeking a purely academic account. The balance between storytelling and historical inquiry is a delicate one, and O'Reilly's work leans toward the former.

Comparative Analysis with Other Historical Works on Jesus

In the realm of historical Jesus studies, **Killing Jesus** by Bill O'Reilly occupies a distinct niche.

Compared to scholarly works like **Jesus: A Revolutionary Biography** by John Dominic Crossan or **The Historical Jesus** by E.P. Sanders, O'Reilly's book is less technical and more geared toward popular consumption.

Pros and Cons in Comparative Perspective

- **Pros:** The book's vivid narrative and clear timeline provide readers with a cohesive understanding of Jesus' final days, making complex historical contexts digestible.
- **Cons:** The lack of engagement with the full spectrum of scholarly debate and the occasional reliance on contested historical interpretations may mislead readers about the certainty of certain events.

This comparison highlights the importance of recognizing the book's role as a popular history rather than an academic treatise. While it opens the door for general audiences to explore the historical Jesus, it should ideally be supplemented with more nuanced scholarship for deeper study.

Cultural Impact and Reception

Killing Jesus has had a significant impact on popular perceptions of Jesus' life and death. Its widespread readership and media adaptations have introduced millions to a narrative that intertwines political intrigue, religious fervor, and personal drama.

Reception Among Critics and Readers

Critical reception has been mixed. Some praise the book for humanizing historical figures and bringing attention to the political tensions of the era. Others critique it for perceived biases and a tendency toward sensationalism. The blend of journalistic style with historical narrative has been both a selling point and a source of contention.

Influence on Popular Media

The adaptation of **Killing Jesus** into a television film further cemented its place in popular culture. This adaptation reached audiences beyond the book's readership, showcasing the story's dramatic potential and emphasizing its themes of power, betrayal, and faith. The media portrayal, while dramatized, contributed to ongoing public interest in historical and religious narratives.

Exploring Themes and Key Takeaways

Beyond the historical reconstruction, **Killing Jesus** engages with enduring themes:

- **Power and Politics:** The book portrays the intersection of Roman imperial authority and Jewish religious leadership, highlighting how political pressures influenced Jesus' fate.
- **Faith and Doubt:** It addresses the tension between faith-based perspectives and historical inquiry, presenting Jesus as both a religious figure and a historical character.
- **Historical Interpretation:** The narrative exemplifies how history can be shaped by the storyteller's choices, emphasizing the need for critical engagement with sources.

These themes resonate with readers interested in understanding not just the events themselves, but their broader implications within history and culture.

In examining **killing jesus bill o reilly**, it becomes clear that the book occupies a unique space at the intersection of popular history and religious narrative. It invites readers to consider the historical Jesus through a lens that is both accessible and dramatic, while also prompting questions about the limits of historical certainty and the role of storytelling in shaping our understanding of the past. For those intrigued by the life of Jesus and the turbulent world he inhabited, O'Reilly's work offers a compelling, if sometimes contested, entry point into one of history's most enduring stories.

killing jesus bill o reilly: Bill O'Reilly - Killing Jesus - a History Jonathan Harchick, 2013-11-05 Bill O'Reilly - Killing Jesus - A History By Jonathan Harchick

killing jesus bill o reilly: Summary of Bill O'Reilly & Martin Dugard's Killing Jesus Milkyway Media, 2024-03-26 Get the Summary of Bill O'Reilly & Martin Dugard's *Killing Jesus* in 20 minutes. Please note: This is a summary & not the original book. *Killing Jesus* by Bill O'Reilly and Martin Dugard presents a historical account of the events leading up to the crucifixion of Jesus of Nazareth. The book intertwines Jesus's life story with the political and social dynamics of the era, including the reign of Herod the Great and the rule of Julius Caesar. It details Herod's fear of a prophesied new king of the Jews, leading to the massacre of male infants in Bethlehem, and the Magi's visit to the infant Jesus, avoiding Herod's deceitful request to reveal Jesus's location...

killing jesus bill o reilly: A Reader's Guide to Bill O'Reilly's Killing Jesus Patrick Goggins, 2018-06 Two stories emerge when discussing Bill O'Reilly and Martin Dugard's *Killing Jesus: A History* (O'Reilly, 2013): one is narrative, the other is scriptural. From a scriptural perspective, *Killing Jesus* is a retreat back to the so-called second quest studies of the historical Jesus. First quest studies were fantastic narratives, loosely based on fact. In second quest studies like *Killing Jesus*, the author defers to the canonical gospels. In third quest studies such as Reza Aslan's *Zealot: The Life and Times of Jesus of Nazareth* (Aslan, 2013), the author may defer to non-canonical works, both contemporary and modern. The result is that the Jesus of Nazareth depicted in *Killing Jesus* differs little from the Jesus depicted in the bible, which is likely how O'Reilly's readers would prefer to know Jesus. As a result, *Killing Jesus* is a successful exercise in worldview maintenance. From a narrative perspective, *Killing Jesus* is a testosterone-fueled romp through first century Judea, complete with whips, prostitutes, pederasts, STDs, belly dancers, corrupt officials and tragic endings. Children are hacked to death, slaves are cast off cliffs for fun, brothers steal from brothers. This is not the reverential stuff one typically sees in a story about the historical Jesus, but this is Bill O'Reilly, who is to Fox News what Hunter Thompson was to Rolling Stone magazine. This guide has three parts. Part I is a detailed discussion of some of the more controversial passages in *Killing Jesus*. Part II is a survey of some of the early criticism of the book. Part III is an independent criticism of *Killing Jesus*. SPOILER ALERT! This guide discusses many of O'Reilly and Dugard's observations and conclusions. If you are reading or intend to read *Killing Jesus*, do yourself a favor, close this window, open a second tab, and purchase the book. Also, as a preface, please note that this guide will refer to O'Reilly as the author of *Killing Jesus*. Clearly, Dugard did most of the actual research and writing. His omission here is not a slight, it simply acknowledges the reality that the book would not have the high profile it now has without O'Reilly's imprimatur. *Killing Jesus* is currently #2 on the New York Times' combined print and e-book non-fiction list. Also please note this guide is of the original edition of the book, a new unabridged version is currently available. Bible citations are to the New Revised Standard Version.

killing jesus bill o reilly: *Killing Jesus by Bill O'Reilly and Martin Dugard - A 15-minute Instaread Summary* Instaread Summaries, 2014-10-21 PLEASE NOTE: This is a summary of the book and NOT the original book. Killing Jesus by Bill O'Reilly and Martin Dugard - A 15-minute Instaread Summary Inside this Instaread Summary: • Overview of the entire book • Introduction to the important people in the book • Summary and analysis of all the chapters in the book • Key Takeaways of the book • A Reader's Perspective Preview of this summary: A Note to Readers O'Reilly explains that he and Martin Dugard wrote this book with one goal in mind, to share the truth about who Jesus was. He emphasizes that it is important to understand the tumultuous times that Jesus lived in if a person hopes to understand who he was and what he stood for. O'Reilly and Dugard hope to shed some new light upon the struggle between dominant Roman leaders and the legendary man called Jesus. Chapter 1 In 5 BC soldiers in Bethlehem, Judea, were ordered by King Herod to find and kill baby Jesus. Herod, age sixty-nine and suffering from many physical ailments, had grown insecure about rumors that a new King of the Jews had been born. To make certain the child would be murdered, Herod ordered the slaughter of every male less than two years old. Nobody questioned his decree because all knew of his thirty-year reign of terror. Even his own soldiers feared Herod's wrath. Despite two visits to Jerusalem by Jesus and his family in his first month and a half of life, they managed to escape undetected by Herod and his soldiers.

killing jesus bill o reilly: Killing Jesus: by Bill O'Reilly and Martin Dugard: a 30-Minute Chapter-by-Chapter Summary InstaRead Summaries Staff, 2013-10-30 With InstaRead Chapter-by-Chapter Summaries, you can get the essence of a book in 30 minutes or less. We read every chapter and summarize it in one or two paragraphs so you can get the information contained in the book at a faster rate. This is an InstaRead Summary of Killing Jesus by Bill O'Reilly and Martin Dugard. Below is a preview of the earlier sections of the summary: A Note to Readers Two thousand years have passed since the execution of Jesus of Nazareth. Today, 2.2 Billion people believe he is God and attempt to follow his teachings. A lot has been written about this man who shaped the world. But little is known for sure. While the Gospels of Matthew, Mark, Luke and John are written from a spiritual perspective, this title is a fact based book and relies on evidence from classical texts. The authors do not refer to Jesus as the messiah. They present him as a man who held the attention of many while teaching a message of peace and love. The powerful enemies he made turn the story into a violent one. To understand Jesus' accomplishments, one must understand the time in which he lived. Rome was the world superpower. Life expectancy could be less than forty years and human life wasn't worth a lot. Jesus would offer people hope. Book I: The World of Jesus Chapter One Early one morning in March, 5 AD, soldiers descend on the city of Jerusalem. They have been ordered to kill every baby boy under the age of two. Reining King Herod the Great is cruel and especially brutal towards anyone that threatens his sovereignty. Over the past thirty years of rule, he has outwitted every plot against him. Jewish prophets, for centuries, have been predicting the arrival of a new king to lead their people. Five signs were said to be needed to confirm the messiah's birth. There was to be the appearance of a giant star; the baby would be born in Bethlehem and be a descendant of King David. The child's mother would also be a virgin and important men would travel to worship him. Herod knows that the first two have already occurred. What he doesn't know is that actually all five may have come to pass. Wealthy scholars known as magi have visited the baby Jesus. His mother, Mary, is insistent that she remains a virgin even though she was pregnant. Jesus is also a descendent of King David. The magi had alerted Herod to the birth when they visited him on the way to see Jesus. They assume that he would know where the child was. Herod is a Jewish convert but does not practice the faith. He knows nothing about the teachings and summons religious scholars to tell him what they know. Herod attempts to trick the magi and asks them to return to his place after they find the child. He says that he too would like to know where the baby is so he can worship him. When they do not return, Herod sends his soldiers to Bethlehem. From the palace, the Herod can see the temple of Jerusalem. It was first built by King Solomon in the tenth century BC. After its destruction by the Babylonians in 586 BC it was rebuilt. Herod had also recently expanded it. By the

time of the infant massacre, Jesus and his parents have already visited the temple. During one visit an old man named Simeon approached them and asked to hold the baby. He prayed over Jesus and assured the surprised parents that their child was going to cause the rise and fall of many in Israel. He also warned Mary that a sword would pierce her own soul...

killing jesus bill o reilly: *Summary of Killing Jesus* Readtrepreneur Publishing, 2019-05-24 Killing Jesus: A History by Bill O'Reilly - Book Summary - Readtrepreneur (Disclaimer: This is NOT the original book, but an unofficial summary.) killing jesus bill o reilly: *The Last Days of Jesus* Bill O'Reilly, 2014-04-01 Two thousand years ago, Jesus walked across Galilee; everywhere he traveled he gained followers. His contemporaries are familiar historical figures: Julius Caesar, Caesar Augustus, Herod the Great, Pontius Pilate. It was an era of oppression, when every man, woman, and child answered to the brutal rule of Rome. In this world, Jesus lived, and in this volatile political and historical context, Jesus died—and changed the world forever. Adapted from Bill O'Reilly's bestselling historical thriller Killing Jesus, and richly illustrated, The Last Days of Jesus is a riveting, fact-based account of the life and times of Jesus.

killing jesus bill o reilly: *Republican Jesus* Tony Keddie, 2020-10-06 The complete guide to debunking right-wing misinterpretations of the Bible—from economics and immigration to gender and sexuality. Jesus loves borders, guns, unborn babies, and economic prosperity and hates homosexuality, taxes, welfare, and universal healthcare—or so say many Republican politicians, pundits, and preachers. Through outrageous misreadings of the New Testament gospels that started almost a century ago, conservative influencers have conjured a version of Jesus who speaks to their fears, desires, and resentments. In Republican Jesus, Tony Keddie explains not only where this right-wing Christ came from and what he stands for but also why this version of Jesus is a fraud. By restoring Republicans' cherry-picked gospel texts to their original literary and historical contexts, Keddie dismantles the biblical basis for Republican positions on hot-button issues like Big Government, taxation, abortion, immigration, and climate change. At the same time, he introduces readers to an ancient Jesus whose life experiences and ethics were totally unlike those of modern Americans, conservatives and liberals alike.

killing jesus bill o reilly: Taking Midway Martin Dugard, 2025-05-20 From Martin Dugard, #1 New York Times bestselling coauthor of *Bill O'Reilly's Killing* series, comes a fast-paced, dramatic account of the famous yet little-understood battle that turned the tide of World War II. 1942. Everywhere around the world, the Allies are losing the war. Nowhere is this felt more completely than in the Pacific, where Japanese sea and ground forces claim victory after victory. Singapore falls. Then the Philippines. The vaunted American Navy fights to a draw with the Japanese at the Battle of Coral Sea. America's lone moral victory is Colonel Jimmy Doolittle's bombing raid on Tokyo—though even that is tinged with tragedy as two crew members are shot down and beheaded. Meanwhile in Honolulu, a brilliant young naval officer is determined to break Japan's top secret codes. Lieutenant Commander Joseph Rochefort is close to cracking the code by April. He is then startled to learn that the Japanese are planning yet another major invasion somewhere in the Pacific. Admiral Isoroku Yamamoto is planning to send four aircraft carriers to complete this task, in a bold attack that will be even larger than the December 1941 attack on Pearl Harbor. Rochefort's methods are unique, and those in power in the US Navy find his data flawed. Simply, many don't believe him. The best mind in the US Navy believes the next big attack will come at New Guinea or Australia. To prove himself, Rochefort must not only find the precise location but predict the date. What ensues is the cat-and-mouse adventure that will become the epic fight known as the Battle of Midway. American and Japanese pilots duel in the skies. Japan's Yamamoto will go toe-to-toe with American admirals Chester Nimitz, Jack Fletcher, and Raymond Spruance. The dramatic battle will involve strategy, luck, heartbreak—and will dramatically alter the course of World War II.

killing jesus bill o reilly: The iPINIONS Journal Anthony Livingston Hall, 2015-03-20 Anthony L. Hall takes aim at the global events of 2014 with a unique and refreshing perspective. For example, on: Media broadcasting terrorist propaganda as breaking news We live in a Twitter age of such promiscuous, indiscriminate and surreal media practices that it seems perfectly normal for our own media to be helping the enemy perpetrate psychological warfare against us. What else explains

the media shielding us from the epithets of racists, but bombarding us with the taunts of terrorists? Snowboarder Shaun White failing to medal at Sochi Olympics Frankly, I think its fair to say that never before in Olympic history has an athlete so hyped to win gold failed to even win bronze. Only authoritarian regimes can govern Arab countries Show me an Arab country governed by a democratically elected government and Ill show you one that is an ungovernable mess. Feminist call for liberated women to ditch high heels Its a reflection of the addictive high women get on heels that, when theyre barefoot (or wearing tennis shoes), they invariably perch themselves on the balls of their feet to simulate those missing high heels. Have you noticed this? Putinization of Russia Putins propaganda has done such a terrific job of convincing Russians that Westerners are undermining their culture at home and threatening the safety of fellow Russians abroad, the credibility of his presidency now depends on backing up his neo-Stalinist words with avenging military action. Police in U.S. killing unarmed Black men If I hear another political or civic leader calling for a conversation on race, Im going to puke. Because nothing will do more to curb deadly encounters between the police and young Black men than requiring the former to attach cameras to their bulletproof vests and prevailing upon the latter to obey police orders.

killing jesus bill o reilly: The Catholic Company Man Eric M. Meyer, 2022-09-12 The Catholic Company Man is a journey through faith and career. More than twenty years in the trenches with global pharmaceutical companies gave rise to this book. A cradle Catholic, Eric Meyer found a deepening curiosity for understanding the faith while navigating his family and job. The stories come from decades of interesting, sometimes humorous, corporate happenings. As he wrestled with career and faith, Meyer found the need to uncover answers to many questions. The Catholic Company Man is an on-ramp to the brilliance of Catholicism for those who don't yet have the theological chops to jump head-long into Aquinas.

killing jesus bill o reilly: A Heartbeat Away Arsen S. Marsoobian, 2018-01-02 Prepare spiritually, relationally, and financially to make the transition from this world to the next as painless as possible for you and your loved ones. Each and every day we go through life expecting to get up in the morning and make it back to bed at night. Unfortunately, this is not guaranteed. Yes, we all will die at some point. The probability of death is 100% and people need to be ready for that inevitability. The how and when is not a choice for most people and the consequences of the actions they take before that happens are already determined, yet the subject of death (particularly one's own mortality) is avoided by almost everyone. A Heartbeat Away reveals the importance of being ready and provides the facts of actions' consequences through true, personal stories, professional experiences and additional resources, even from centuries ago. Addressing three specific areas, Spiritual, Relationships, and Finances, Arsen Marsoobian (or "Papa SOOB") offers suggestions and a blueprint for readers to ask themselves important, life-changing questions. A Heartbeat Away moves readers to stop and reflect on their lives and the people they love in order to prevent regrets when the day comes that they don't make it back to their comfy bed and leave this world behind.

killing jesus bill o reilly: Logic, Science, God, and Human Intelligence Ronald J. Plachno, 2016-05-15 What is the fastest that humans have ever travelled? Do all Scientists agree that they understand gravity? Is the argument of Darwin versus Creationism a good argument on either side? Could some reality be in fact be an illusion as Einstein implied? This book tries to answer some of those questions, and how all truth we perhaps might believe, might actually exist together at the same time. The first two sections of this book speak to Science and Human Knowledge and how much do we humans really know? I have a science degree, but even I learned much in research while writing this book. I tried to begin this book with a completely open mind, since I believe that is how to seek truth. In some cases I found new things surprising - at least to me. In other cases, I just learned what some bright people in the past and current also think - which just made me smile. And I tried to write the book in such a simple manner that even I can understand it. After the first two sections, I do get into some theories of mine based on human knowledge and science in the beginning of the book. You are more than welcome to form other theories. Those ensuing discussions might even make life more interesting. Is the purpose of this book to convince you of

something? No. Its goal is to make us all think, including me, and also to get our discussions into the 21st century. For some odd reason, some humans believe that other humans should never think about things that are important. Science has moved on. We no longer believe that the world has only four elements, Earth, Wind and Fire and Water. It is time to get up to speed with what humans have learned. And then ... comes the fun ... of deciding what theories based on that.... each of us wish to believe.

killing jesus bill o reilly: Cross-Examined Films Matthew King, 2017-12-06 After spending nearly a quarter of a lifetime watching popular and independent films, Matthew King, RN, makes a point to criticize the Christian church for its lack of engagement with films. He believes that the lack of engagement and the strong denunciation of films only because of their sexual or violent content has lost an entire generation because of the inability to speak the millennial language of popular Hollywood films. With searing prose and biting confrontation, King attempts to engage films through the lens of theology, philosophy, and political analysis to assist the church in identifying positive as well as negative examples of the topics within to better engage an entire generation. Through this investigation, Christians and non-Christians alike will be both enlightened and surprised at what popular films have unconsciously taught them from a young age.
