Star Wars Tales of the Bounty Hunters: Exploring the Dark Side of the Galaxy's Most Notorious Hunters

star wars tales of the bounty hunters invites fans into the gritty and thrilling underworld of the Star Wars universe, where ruthless mercenaries chase bounties across distant planets and star systems. This collection of stories unravels the complex lives of some of the galaxy's most infamous bounty hunters, shedding light on their motivations, tactics, and the dangerous worlds they inhabit. Whether you're a longtime Star Wars enthusiast or a newcomer eager to dive deeper into the lore, exploring these tales offers a fascinating glimpse into the shadowy corners of the franchise.

What Are Star Wars Tales of the Bounty Hunters?

At its core, Star Wars Tales of the Bounty Hunters is a series of comics, stories, and expanded universe works that focus on the bounty hunters operating in the Star Wars galaxy. Unlike the Jedi or Sith who command the spotlight in the main saga, bounty hunters live in the margins – balancing morality, survival, and profit. These tales delve into characters who are often morally ambiguous, skilled in combat, and equipped with unique gadgets and starships.

This collection showcases bounty hunters like Boba Fett, IG-88, Dengar, Bossk, and many others, each with their own distinctive backstories and missions. It's not just about their chase for bounties but also about the intricate politics and alliances that shape their world. The stories enrich the Star Wars mythos by giving fans a deeper understanding of these enigmatic figures.

The Legacy of Boba Fett and His Influence

No discussion about Star Wars bounty hunters would be complete without mentioning Boba Fett. As arguably the most iconic bounty hunter in the series, Boba Fett's legend has grown far beyond his original appearances in **The Empire Strikes Back** and **Return of the Jedi**. Star Wars Tales of the Bounty Hunters often feature Fett's cunning strategies, his code of honor, and the mysterious aura surrounding him.

Boba Fett's Origins and Character Development

The tales explore Fett's origins as an unaltered clone of Jango Fett, his father and template, adding layers to his character that go beyond his stoic demeanor. These stories reveal his upbringing on Kamino, his survival skills, and his eventual rise to one of the most feared hunters in the galaxy. They also highlight his internal struggles, making him more than just a cold mercenary.

Boba Fett's Equipment and Starship

One of the reasons Boba Fett stands out is his distinctive Mandalorian armor and his ship, the Slave I. Star Wars Tales of the Bounty Hunters dive into the upgrades and unique features of his gear — from his jetpack to his wrist-mounted weapons — showing how technology plays a crucial role in bounty hunting success.

The Diverse Roster of Bounty Hunters in the Star Wars Galaxy

Beyond Boba Fett, the Star Wars universe is teeming with a diverse array of bounty hunters, each with their own specialties and origin stories. These tales introduce readers to fascinating characters who

bring different skills and motivations to the bounty hunting profession.

IG-88 and the Rise of the Assassin Droids

IG-88 is one of the most feared assassin droids in the galaxy, and the tales highlight his cold efficiency and relentless pursuit of bounties. Unlike organic hunters, IG-88's mechanical nature gives him unique advantages – but also leads to conflicts with organic counterparts. His story touches on themes of artificial intelligence and autonomy in the Star Wars universe.

Bossk and the Trandoshan Hunters

Bossk, a reptilian Trandoshan, is known for his ferocity and hunting prowess. Tales featuring Bossk often explore his predator-like instincts and his cultural background. These narratives provide insight into Trandoshan society, their hunting traditions, and how they fit into the broader bounty hunting guild.

Dengar and the Complexities of Loyalty

Dengar's story is layered with themes of loyalty and redemption. Often portrayed as a grizzled veteran, his tales reveal his complicated history with other hunters and factions. His narrative emphasizes that bounty hunting is not just about profit but also about personal codes and alliances.

Exploring the Underworld: The Life and Code of Bounty Hunters

Star Wars Tales of the Bounty Hunters doesn't just focus on individual characters; it also paints a vivid picture of the bounty hunting profession and the galactic underworld they navigate. These stories provide valuable insights into how bounty hunters operate, their networks, and the moral gray areas

they inhabit.

The Bounty Hunter's Code and Guilds

Many tales discuss the Bounty Hunter's Guild, an organization that regulates bounty contracts and maintains order among hunters. The code of conduct they follow is often strict, with penalties for betrayal or failure. Understanding this guild is key to grasping the dynamics of bounty hunting in the Star Wars universe.

Starships, Weapons, and Gadgets of the Trade

Bounty hunters rely heavily on advanced technology to capture or eliminate targets. Star Wars Tales of the Bounty Hunters detail the various weapons and ships that hunters employ – from blasters and vibroblades to stealth ships equipped with cloaking devices. These elements add excitement and realism to the stories, highlighting the resourcefulness needed to survive.

Challenges and Risks Faced by Bounty Hunters

The life of a bounty hunter is fraught with danger. Whether it's facing off against Jedi, rival hunters, or criminal syndicates like the Hutt Cartel, these tales don't shy away from showing the high stakes involved. They also explore how hunters cope with betrayal, capture, or even death, making the stories gripping and immersive.

Why Star Wars Tales of the Bounty Hunters Matter to Fans

For many Star Wars fans, these tales offer a refreshing perspective beyond the classic hero-versus-

villain narrative. They humanize characters who might otherwise be seen as mere antagonists or background figures. By diving into the bounty hunters' stories, fans gain a richer understanding of the galaxy's complexity.

Additionally, these stories inspire creativity and imagination, sparking fan theories, cosplay ideas, and even fan fiction. The blend of action, mystery, and character depth makes Star Wars Tales of the Bounty Hunters a beloved part of the expanded universe.

Impact on Star Wars Media and Popular Culture

The popularity of bounty hunters has influenced various media, including TV shows like **The Mandalorian** and video games such as **Star Wars: Bounty Hunter**. These tales have helped cement bounty hunters as iconic figures within the franchise, providing endless material for storytelling.

Tips for New Readers and Viewers

If you're new to these stories, start by exploring the original **Star Wars Tales of the Bounty Hunters** comic series to get a feel for the characters and style. Supplement this with appearances in other media, and don't hesitate to join fan communities online for discussions and recommendations. Engaging with these stories is a fantastic way to deepen your Star Wars experience.

The universe of Star Wars bounty hunters is as vast and varied as the galaxy itself. Through Star Wars Tales of the Bounty Hunters, fans receive an invitation to explore the shadowy, thrilling, and complex world of those who live on the edge of the law — a world where survival, cunning, and reputation mean everything.

Frequently Asked Questions

What is 'Star Wars: Tales of the Bounty Hunters' about?

'Star Wars: Tales of the Bounty Hunters' is an anthology book that features six short stories, each focusing on a different bounty hunter from the Star Wars universe, providing background and deeper insights into their characters.

The book features notable bounty hunters such as Boba Fett, Bossk, IG-88, Dengar, 4-LOM, and Zuckuss.

Is 'Star Wars: Tales of the Bounty Hunters' considered part of the official Star Wars canon?

No, 'Star Wars: Tales of the Bounty Hunters' is part of the Star Wars Expanded Universe (now called Legends) and is not considered official canon after Disney's acquisition of Lucasfilm.

Who wrote 'Star Wars: Tales of the Bounty Hunters'?

The anthology was edited by Kevin J. Anderson, with individual stories written by various authors including Anderson himself and others like K.W. Jeter.

When was 'Star Wars: Tales of the Bounty Hunters' first published?

The book was first published in 1996.

Does 'Star Wars: Tales of the Bounty Hunters' provide background on

Boba Fett's character?

Yes, one of the stories in the anthology focuses specifically on Boba Fett, exploring his motivations and history in more detail than the original films.

Are there any unique or surprising revelations in 'Star Wars: Tales of the Bounty Hunters'?

The book reveals personal stories and motivations of the bounty hunters, such as 4-LOM's origins and Dengar's past, which add depth and complexity to these characters beyond their film portrayals.

Is 'Star Wars: Tales of the Bounty Hunters' recommended for new Star Wars fans?

It is more suited for fans interested in the Expanded Universe and character backstories, as the book contains mature themes and assumes some familiarity with the Star Wars galaxy.

Additional Resources

Star Wars Tales of the Bounty Hunters: An In-Depth Exploration of Galactic Mercenaries

star wars tales of the bounty hunters stands as a compelling anthology within the expansive Star Wars universe, delving into the multifaceted lives of some of the galaxy's most infamous mercenaries. This collection offers fans and scholars alike a unique perspective on characters often relegated to supporting roles in larger narratives, enriching the lore surrounding bounty hunters and their complex motivations. By examining their stories, weapons, and alliances, the anthology paints a more nuanced picture of the underworld that thrives in the shadows of the Galactic Empire and beyond.

Understanding the Narrative Structure of Star Wars Tales of the Bounty Hunters

Unlike linear storytelling typical of many Star Wars novels, the Tales of the Bounty Hunters adopts an anthology format, featuring interconnected short stories that focus on individual bounty hunters. This structure allows for diverse storytelling techniques and multiple viewpoints, providing depth to characters like Boba Fett, Dengar, Bossk, IG-88, and Zuckuss. Each story illuminates different facets of their personalities, backgrounds, and the moral ambiguities that define their profession.

The anthology's episodic nature also enables exploration of various timelines within the Star Wars saga, from the Clone Wars era to the height of Imperial reign. This temporal flexibility helps contextualize the evolution of bounty hunting as a profession within galactic politics and warfare, revealing how these mercenaries adapt to shifting power dynamics.

Character Portrayal and Development

One of the standout features of star wars tales of the bounty hunters is its focus on character depth. For instance, Boba Fett, often portrayed as the quintessential cold-blooded hunter, receives nuanced treatment that explores his upbringing as an unaltered clone of Jango Fett and his code of honor. Similarly, IG-88's story delves into the intersection of machine intelligence and mercenary ruthlessness, raising philosophical questions about consciousness and autonomy.

Dengar's narrative offers a tragic perspective, highlighting how personal vendettas and past injuries shape his relentless pursuit of targets. Bossk's story injects a primal, almost predator-like edge, emphasizing his Trandoshan heritage and hunting instincts. In contrast, Zuckuss and 4-LOM provide a glimpse into the symbiotic relationships between species and droids in the bounty hunting world.

Key Themes and Motifs in the Tales

The anthology not only entertains but also explores themes central to the Star Wars mythos such as loyalty, survival, and identity. Bounty hunters operate in a morally grey zone, often caught between personal codes and the demands of clients, whether they be crime lords or the Empire. This ambiguity challenges traditional notions of heroism and villainy within the franchise.

Another significant motif is the concept of isolation. These characters frequently work alone or in tenuous alliances, emphasizing the solitary nature of their trade. Their interactions often reveal a mix of distrust, pragmatism, and occasional camaraderie, reflecting the precarious balance required to survive in the galaxy's underbelly.

Comparative Analysis with Other Star Wars Literature

Compared to other Star Wars novels focusing on Jedi or Sith perspectives, star wars tales of the bounty hunters offers a ground-level view of conflict and power struggles. While series like *The Thrawn Trilogy* and the *Darth Bane* novels emphasize grand strategy and Force-centric narratives, this anthology grounds its stories in gritty realism and personal vendettas.

This shift in focus broadens the Star Wars literary landscape by giving voice to characters who often serve as antagonists or background figures in larger plots. It appeals to readers interested in the mechanics of bounty hunting, including tracking, combat tactics, and negotiation, which are detailed with a level of specificity rarely seen in other works.

Impact on Star Wars Fandom and Expanded Universe

The release of star wars tales of the bounty hunters significantly influenced the fandom's perception of bounty hunters, elevating them from mere mercenary stereotypes to fully realized characters with

distinct personalities and histories. The anthology's popularity has inspired subsequent media, including comics, animated series, and video games, which continue to explore bounty hunters' roles within the broader Star Wars canon.

Moreover, the collection has been pivotal in expanding the Star Wars Expanded Universe (now branded as Legends), providing a foundation for further stories that explore the grey areas of morality and survival in the galaxy. Its influence extends to character merchandising, with figures and collectibles gaining renewed interest due to the deeper backstories presented.

Pros and Cons of the Anthology Format

- **Pros:** The anthology format allows multiple authors to contribute different writing styles and perspectives, enriching the diversity of storytelling. It enables readers to engage with characters individually, making each story accessible without requiring comprehensive knowledge of the entire saga.
- **Cons:** The episodic nature may disrupt narrative continuity for readers seeking a singular, cohesive storyline. Some stories may feel underdeveloped compared to full-length novels, potentially leaving fans wanting more depth or closure.

Visual and Thematic Elements Enhancing the Experience

Beyond the written word, Star Wars Tales of the Bounty Hunters benefits from evocative cover art and illustrations that capture the gritty ambiance of the bounty hunter lifestyle. The depiction of iconic weaponry, armor designs, and alien landscapes enriches the immersive experience for readers and collectors.

Thematically, the stories make extensive use of noir and western genre tropes, such as the lone gunslinger, the outlaw code, and the harsh frontier. These elements resonate with the franchise's established motifs of rebellion and adventure, providing a familiar yet fresh viewing angle.

Relevance to Contemporary Star Wars Media

In recent years, bounty hunters have gained increased screen time and narrative importance in Star Wars media, notably in series like *The Mandalorian* and *The Book of Boba Fett*. The themes and character explorations introduced in star wars tales of the bounty hunters have undoubtedly influenced these portrayals, underscoring the anthology's lasting relevance.

The anthology's focus on the ethical complexity and personal histories of bounty hunters aligns with modern storytelling trends that favor multidimensional characters over simplistic archetypes. This evolution reflects broader changes in the franchise's approach to character development and worldbuilding.

Exploring star wars tales of the bounty hunters reveals a rich tapestry of stories that deepen our understanding of these enigmatic figures. By peeling back the layers of myth and legend, the anthology invites readers to reconsider what it means to be a bounty hunter in a galaxy rife with conflict, shifting loyalties, and endless opportunity.

star wars tales of the bounty hunters: Abyss Troy Denning, 2009 Following a trail of clues across the galaxy, Luke Skywalker and his son, Ben, continue their quest to find the reasons behind Jacen Solo's dark downfall and to win redemption for the Jedi Order.

star wars tales of the bounty hunters: Rebel Stand: Star Wars Legends Aaron Allston, 2002-05-28 Not since Emperor Palpatine have the Jedi battled such monstrous evil. Unless they succeed against staggering odds, the galaxy is doomed. Luke Skywalker's daring mission to halt the Yuuzhan Vong's nefarious plot to overthrow the New Republic is struggling on all fronts. And time is slipping away for Han and Leia Organa Solo, trapped on a small planet whose rulers are about to yield to Yuuzhan Vong pressure to give up the Jedi rebels. On Coruscant, Luke and Mara Jade Skywalker have made a shocking discovery that is preventing the Yuuzhan Vong from exerting complete control. But when the enemy tracks them down, Luke and Mara are thrust into a fierce battle for their lives. Suddenly, the chances of escaping appear nearly impossible. And in space, another battle rages, one that holds ominous consequences for the New Republic—and for the Jedi themselves. . . .

star wars tales of the bounty hunters: Dark Journey: Star Wars Legends Elaine Cunningham, 2002-01-29 The New Jedi Order continues as Jaina Solo struggles with anger and despair after the Jedi Knights' harrowing adventure behind enemy lines. Though the Jedi strike force completed its deadly mission into Yuuzhan Vong territory, the price of success was tragedy: not everyone made it out alive. In a daring getaway, hotshot pilot Jaina Solo stole an enemy ship, taking

along her fellow survivors—and leaving behind a huge piece of her heart. With the enemy in hot pursuit, Jaina is forced to seek haven in the unprotected, unfriendly Hapes Cluster, where the Jedi are held responsible for a past tragedy—and where the royal family has grim plans for their famous Jedi guest. Even more sinister are the intentions of the Yuuzhan Vong, desperate to capture Jaina for a hideous sacrifice. Grief-stricken and obsessed with revenge, Jaina is blind to these threats—and to the overpowering evil dangerously close to consuming her. In the coming conflagration, Jaina will be fighting not for victory or vengeance, but for her very being.

star wars tales of the bounty hunters: The Swarm War: Star Wars Legends (Dark Nest, Book III) Troy Denning, 2005-12-27 In the explosive conclusion to the Dark Nest trilogy, Luke Skywalker summons the heroes of the New Jedi Order from near and far, as the Star Wars galaxy teeters on the edge of eternal war. Yet even the combined powers of the formidable Jedi may not be enough to vanquish the deadly perils confronting them. The Chiss-Killik border war is threatening to engulf the entire galaxy and raising the awful specter of Killiks sweeping across space to absorb all living creatures into a single hive mind. The only hope for peace lies with the Jedi—and only if they can not only end the bloodshed between two fierce enemies but also combat the insidious evil spread by the elusive Dark Nest and its unseen queen. Leia's newly acquired Jedi skills will be put to the ultimate test in the coming life-and-death battle. As for Luke, he will have to prove, in a lightning display of Force strength and swordplay, that he is—beyond a shadow of a doubt—the greatest Jedi Master in the galaxy.

star wars tales of the bounty hunters: *Tales from the Empire: Star Wars Legends* Peter Schweighofer, 1997-11-03 Culled from the pages of the Star Wars Adventure Journal, one of the most popular Star Wars magazines in the field today, comes this exciting new short-story collection. Here are stories from such award-winning and New York Times bestselling authors as Timothy Zahn, Michael A. Stackpole and Kathy Tyers as well as exciting newcomers, including Erin Endom, Laurie Burns, and Patricia A. Jackson. From the desperate flight of a civilian mail courier carrying vital Rebel intelligence through an Imperial blockade, to a suicidal commando raid on an impregnable Imperial prison, to a Corellian smuggler mysteriously hired by an actor turned Jedi Knight turned Imperial assassin for one final transformation, these tales capture all the high adventure, imaginative genius, and nonstop action that are the hallmarks of the Star Wars saga. What's more, the centerpiece of this magnificent collection is the short novel *Side Trip*, the first-ever collaboration between Timothy Zahn and Michael A. Stackpole, in which a freighter smuggling arms for the Rebels is commandeered by an Imperial Star Destroyer led by a mysterious helmeted figure who claims to be the notorious bounty hunter Jodo Kast. It is all part of a devious plan that includes Hal and Corran Horn, who are working undercover to nail the infamous Corellian warlord Zekka Thyne. But one slip-up can get them all killed. Collected for the first time, *Star Wars(r): Tales from the Empire* is one book no fan will want to be without. (r), TM and (c) 1997 Lucasfilm Ltd. All rights reserved. Used under authorization.

star wars tales of the bounty hunters: Revenge of the Sith: Star Wars: Episode III Matthew Stover, 2005-10-25 The turning point for the entire Star Wars saga is at hand. . . . As combat escalates across the galaxy, the stage is set for an explosive endgame: Obi-Wan undertakes a perilous mission to destroy the dreaded Separatist military leader, General Grievous. Supreme Chancellor Palpatine continues to strip away constitutional liberties in the name of security while influencing public opinion to turn against the Jedi. And a conflicted Anakin fears that his secret love, Senator Padmé Amidala, will die. Tormented by unspeakable visions, Anakin edges closer to the brink of a galaxy-shaping decision. It remains only for Darth Sidious to strike the final staggering blow against the Republic—and to ordain a fearsome new Sith Lord: Darth Vader. Based on the screenplay of the final film in George Lucas's epic saga, bestselling Star Wars author Matthew Stover's novel crackles with action, captures the iconic characters in all their complexity, and brings a space opera masterpiece full circle in stunning style.

star wars tales of the bounty hunters: Reunion: Star Wars Legends Sean Williams, Shane Dix, 2003-07-01 The Jedi move one step closer to saving the embattled galaxy—only to confront a

formidable wall of resistance. The harrowing search for Zonama Sekot is finally over for Luke Skywalker, Jacen Solo, and the others aboard the Jade Shadow. But joy turns to alarm when the living planet sends a defiant message: it refuses to follow them back to a galaxy full of war, exploitation, and misery. While Luke works feverishly to persuade the elusive planet to reconsider, the Yuuzhan Vong launches a full-scale attack aimed at the heart of the new alliance. Sent to defend a major communications base, Han and Leia find themselves hopelessly outnumbered. Reinforcements are just too far away to help before everything is destroyed. So the courageous pair must now fight an unrelenting battle against staggering odds. Whether they actually survive is another matter. . . .

star wars tales of the bounty hunters: The Ruins of Dantooine: Star Wars Galaxies

Legends Voronica Whitney-Robinson, 2009-01-21 STAR WARS GALAXIES: AN EMPIRE DIVIDED! It is a time of great turmoil. The oppressive Empire is close to seizing complete control of the galaxy. The ragtag guerrilla army of the Rebel Alliance fights on, striking wherever it can, but now something has come to light that could spell certain doom. Hidden in the Jedi ruins of Dantooine is a Holocron containing a list of high-level Rebel sympathizers. If that list were to fall into the hands of Darth Vader, the Rebel Alliance would lose its most valued support—and possibly the war itself. As an Imperial bio-engineer who frequently visits other worlds, Dusque Mistflier is the perfect cover for a Rebel who needs to travel far and wide without arousing suspicion. And so she agrees to help Rebel spy Finn Darktrin in his quest to recover the crucial Holocron. Despite help from Han, Luke, and Leia, the mission is fraught with peril. And as their journey takes them into the fiery belly of the beast that is galactic civil war, Dusque and Finn will learn that the hardest part of all is figuring out whose side you're on—and how far you're willing to go to win. . . . Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

star wars tales of the bounty hunters: Jedi Eclipse: Star Wars Legends James Luceno, 2000-10-03 A string of smashing victories by the forces of the sinister aliens known as the Yuuzhan Vong has left New Republic resources and morale stretched to the breaking point. Leia Organa Solo, estranged from her husband, Han, oversees the evacuation of refugees on planets in the path of the merciless invaders. Luke Skywalker struggles to hold the fractious Jedi Knights together, even while one of them undertakes a bold but reckless undercover mission. Manipulating their alliance with the amoral Hutts, the Yuuzhan Vong leave a cunning trail of vital information where New Republic agents are sure to find it—information the desperate defenders cannot afford to ignore: the location of the aliens' next target. Then Han Solo stumbles into the dark heart of raging battle, thus beginning a furious race against time that will require every skill and trick in his arsenal to win...

star wars tales of the bounty hunters: The Joiner King: Star Wars Legends (Dark Nest, Book I) Troy Denning, 2005-12-06 After triumphing in Star Wars: The Unifying Force, the heroes of the New Jedi Order return in a dazzling adventure! Luke Skywalker is worried: A handful of Jedi Knights, including his nephew and niece, Jaina and Jacen Solo, have disappeared into the Unknown Regions in response to a strange cry for help that only they could hear. Now the alien Chiss have angrily lodged a formal complaint, accusing the missing Jedi of meddling in a border dispute between the Chiss and an unidentified aggressor. Luke has no choice but to head to the Unknown Regions for serious damage control. Han and Leia follow, intent on protecting their children from what could be grave danger. But none of them are prepared for what they find when they reach their destination. A colony of mysterious aliens is expanding toward the edge of Chiss space. The leader of the alien nest is resolute. Adept in the Force, he is drawing old friends to his side, compelling them to join the colony and meld their Force-abilities with his, even if it leads to all-out war. . . . Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

star wars tales of the bounty hunters: Labyrinth of Evil: Star Wars Legends James Luceno, 2005-09-27 The war that erupted in Star Wars: Episode II Attack of the Clones is nearing its boiling point, as the dauntless Separatist forces continue their assault on the teetering Republic—and the

diabolical triumvirate of Count Dooku, General Grievous, and their Master, Darth Sidious, fine-tune their strategy for conquest. In Episode III Revenge of the Sith the fates of key players on both sides of the conflict will be sealed. But first, crucial events that pave the way to that time of reckoning unfold in a labyrinth of evil. . . . Capturing Trade Federation Viceroy-and Separatist

Councilmember-Nute Gunray is the mission that brings Jedi Knights Obi-Wan Kenobi and Anakin Skywalker, with a squad of clones in tow, to Neimoidia. But the treacherous ally of the Sith proves as slippery as ever, evading his Jedi pursuers even as they narrowly avoid deadly disaster. Still, their daring efforts yield an unexpected prize: a unique holotransceiver that bears intelligence capable of leading the Republic forces to their ultimate quarry, the ever-elusive Darth Sidious. Swiftly taking up the chase, Anakin and Obi-Wan follow clues from the droid factories of Charros IV to the far-flung worlds of the Outer Rim . . . every step bringing them closer to pinpointing the location of the Sith Lord-whom they suspect has been manipulating every aspect of the Separatist rebellion. Yet somehow, in the escalating galaxy-wide chess game of strikes, counterstrikes, ambushes, sabotage, and retaliations, Sidious stays constantly one move ahead. Then the trail takes a shocking turn. For Sidious and his minions have set in motion a ruthlessly orchestrated campaign to divide and overwhelm the Jedi forces-and bring the Republic to its knees.

star wars tales of the bounty hunters: Rebirth: Star Wars Legends Greg Keyes, 2011-06-28 The Star Wars epic continues its dazzling space odyssey in The New Jedi Order-as Luke and Mara, Leia and Han, and others battle the mighty enemy from beyond the galactic rim. The brutal Yuuzhan Vong are scouring the universe for Jedi to slaughter. With no help from the divided New Republic, the Jedi stand alone against their seemingly invincible foe. Han and Leia Organa Solo risk deadly consequences with their controversial tactics to bolster the Jedi resistance. After uncovering a new Yuuzhan Vong menace, Anakin and Tahiri find themselves wanted for murder by the Peace Brigade. To avoid capture, they jump into hyperspace . . . and into trouble far graver. Hunted by the Yuuzhan Vong, wanted as criminals by the New Republic, and with unrest stirring within their own ranks, the Jedi find peril everywhere they turn. But even in the midst of despair, while the most fiercest battle of all looms on the horizon, hope arises with the birth of one very special child. . . . Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

star wars tales of the bounty hunters: Order 66 Karen Traviss, 2008 Even as the Clone Wars are about to reach an explosive climax, no one knows whether victory will favor the Grand Army of the Republic (GAR) or the Separatists. But no matter who wins, the stakes are highest for elite Special Ops clones like the Republic Commandos in Omega and Delta squads -- and the notorious renegade Advanced Recon Commando troopers known as Null-ARCS ... with their faith in the Republic and their loyalty to their Jedi allies put to the ultimate test, how will the men of Omega and Delta squads react to the most infamous command in galactic history?

star wars tales of the bounty hunters: The Final Prophecy: Star Wars Legends Greg Keyes, 2011-06-28 As a beleaguered galaxy fights its way back from the brink of destruction, the Jedi's most fearsome enemy plots to end the war-and claim victory-with a final act of domination. . . . The troubles for the embattled living planet Zonama Sekot have just begun. As Luke Skywalker and Jacen Solo negotiate its place in the galactic struggle against the Yuuzhan Vong, one of its organic ships is taken by the alien invaders. Scientist Nen Yim is ordered to use the captive to find weak spots in Zonama Sekot's technology. But what Nen Yim discovers about the planet and its mysteries shocks her to the core. Clearly her people have gone terribly astray. For the peace-loving planet harbors not only the key to its own destruction, but the long-forgotten secrets of the Yuuzhan Vong themselves. Meanwhile, General Wedge Antilles, commanding one fleet in a three-pronged campaign to retake the Bilbringi system, is suddenly stranded deep in Yuuzhan Vong space, cut off from all contact. Wedge and his ships must rely on trickery and brilliant battle tactics if they are to survive long enough to ensure the success of one of the deadliest and most crucial missions the Galactic Alliance forces have ever seen. . . . Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most

popular Star Wars books of the last thirty years!
