KEY THEMES AND MESSAGING IN THE INTERVIEW

DURING THE INTERVIEW, SEVERAL CENTRAL THEMES EMERGED THAT ARE CHARACTERISTIC OF TRUMP'S MEDIA ENGAGEMENTS:

- **ELECTION INTEGRITY AND CLAIMS:** TRUMP REITERATED HIS LONG-STANDING ASSERTIONS REGARDING THE 2020 PRESIDENTIAL ELECTION, EMPHASIZING ALLEGED IRREGULARITIES AND VOTER FRAUD. THE HOST'S DEemeanor REMAINED LARGELY NEUTRAL, OCCASIONALLY STEERING THE CONVERSATION WITH PROBING QUESTIONS BUT REFRAINING FROM OVERTLY ADVERSARIAL TACTICS. trumps fox interview: Donald Trump Explained Mr. Jarvis, 2019-07-15 Donald Trump Explained A Special Education Perspective of the Forty-Fifth President of the United States By: Mr. Jarvis Donald Trump has been a President unlike any other, siding with America's enemies, attacking our allies, throwing paper towels, giving away classified information, and frequently asking his administration to break U.S. law on his behalf. Experts have so far been baffled as to why Trump displays such unusual behaviors. Donald Trump Explained answers why, applying the context of his disability to all of the administrative failings of the first two years of the Trump Presidency while exploring deeply Trump's past. Mr. Jarvis establishes that Autism has been fully evident throughout Trump's lifetime.

trumps fox interview: The Corrosion of Conservatism Max Boot, 2018-10-09 A "must read" (Joe Scarborough) by a New York Times- best- selling author, *The Corrosion of Conservatism* presents a necessary defense of American democracy. Praised on publication as "one of the most impressive and unflinching diagnoses of the pathologies in Republican politics that led to Trump's rise" (Jonathan Chait, New York), *The Corrosion of Conservatism* documents a president who has traduced every norm and the rise of a nascent centrist movement to counter his assault on democracy. In this "admirably succinct and trenchant" (Charles Reichman, San Francisco Chronicle) exhumation of conservatism, Max Boot tells the story of an ideological dislocation so shattering that it caused his courageous transformation from Republican foreign policy advisor to celebrated anti-Trump columnist. From recording his political coming-of-age as a young émigré from the Soviet Union to describing the vitriol he endured from his erstwhile conservative colleagues, Boot mixes "lively memoir with sharp analysis" (William Kristol) from its Reagan-era apogee to its corrosion under Donald Trump.

trumps fox interview: Linguistic Inquiries into Donald Trump's Language Ulrike Schneider, Matthias Eitelmann, 2020-10-15 From an abundance of intensifiers to frequent repetition and parallelisms, Donald Trump's idiolect is highly distinctive from that of other politicians and previous Presidents of the United States. Combining quantitative and qualitative analyses, this book identifies the characteristic features of Trump's language and argues that his speech style, often sensationalized by the media, differs from the usual political rhetoric on more levels than is immediately apparent. Chapters examine Trump's tweets, inaugural address, political speeches, interviews, and presidential debates, revealing populist language traits that establish his idiolect as a direct reflection of changing social and political norms. The authors scrutinize Trump's conspicuous use of nicknames, the definite article, and conceptual metaphors as strategies of othering and antagonising his opponents. They further shed light on Trump's fake news agenda and his mutation of the conventional political apology which are strategically implemented for a political purpose. Drawing on methods from corpus linguistics, conversation analysis, and critical discourse analysis, this book provides a multifaceted investigation of Trump's language use and addresses essential questions about Trump as a political phenomenon.

trumps fox interview: *The Empty Throne* Ivo H. Daalder, James M. Lindsay, 2018-10-16 American diplomacy is in shambles, but beneath the daily chaos is an erosion of the postwar order that is even more dangerous. America emerged from the catastrophe of World War II convinced that global engagement and leadership were essential to prevent another global conflict and further economic devastation. That choice was not inevitable, but its success proved monumental. It brought decades of great power peace, underpinned the rise in global prosperity, and defined what it meant to be an American in the eyes of the rest of the world for generations. It was an historic achievement. Now, America has abdicated this vital leadership role. *The Empty Throne* is an inside portrait of the greatest lurch in US foreign policy since the decision to retreat back into Fortress America after World War I. The whipsawing of US policy has upended all that America's postwar leadership created—strong security alliances, free and open markets, an unquestioned commitment to

democracy and human rights. Impulsive, theatrical, ill-informed, backward-looking, bullying, and reckless are the qualities that the American president brings to the table, when he shows up at all. The world has had to absorb the spectacle of an America unmaking the world it made, and the consequences will be with us for years to come.

trumps fox interview: *What Hangs in the Balance* Philippe Johnson, 2025-01-07 The actions or inactions of elected and appointed leaders determine whether the people they serve flourish or suffer. What hangs in the balance is not just quality of life, but often life itself. Unprincipled and unethical leadership puts at risk mission accomplishment, good governance, public trust in democratic institutions, national security, and even the rule of law. Over the course of Philippe Johnson's twenty-four-year career as a United States Air Force officer, he learned to appreciate how flawed and ineffective leaders can still provide valuable lessons for all of us. His thorough and candid analysis of Donald Trump's social media posts and conduct as president—and how they were an aberration in both style and substance—sets a foundation for leaders to embrace and implement myriad leadership traits and competencies required for success in public and private sector organizations. Rather than criticizing specific policies, Johnson's analysis focuses on leadership evaluation and practical imperatives for embracing each of the competencies. Including insights from contributing subject matter experts and the wisdom of contemporary and historical luminaries, Johnson provides a fascinating and sobering leadership critique in which readers will: Discover why character traits such as humility, empathy, respect for dignity, and self-control matter in every arena and bolster crucial leadership competencies. Appreciate how one's fundamental leadership responsibilities promote core values and defend democratic principles and institutions. Take away positive examples of seeking counsel and expertise that support sound decision-making. Understand how trust and accountability are fostered through disciplined and ethical behavior. Experience and benefit from real-world examples of what not-to-do while also being inspired by recent examples of courageously selfless leadership. Differentiate between principled and unprincipled loyalty while countering undue influence and abuse of authority. Experience behaviors associated with three personality disorders that undermine selfless leadership and create toxic workplaces. A nation's citizens need and deserve exceptional leadership. By providing guidelines for principled, ethical, competent, and courageously selfless leadership, *What Hangs in the Balance* leaves readers well poised and inspired to positively and profoundly impact the lives of those they serve.

trumps fox interview: *States United* Joanna Lydgate, Norman Eisen, Christine Todd Whitman, 2022-10-15 The Laurence and Lynne Brown Democracy Medal, presented by the McCourtney Institute for Democracy at Penn State, recognizes outstanding individuals, groups, and organizations that produce innovations to further democracy in the United States or around the world. Elections are the bedrock of any democracy, but they are under attack in the United States. State legislatures are moving to limit voting rights and seize control of election administration, candidates are refusing to accept election results, and antidemocracy forces are sowing lies and encouraging political violence. The States United Democracy Center is fighting back by equipping state and local officials, law enforcement leaders, and prodemocracy partners with the tools and resources they need to protect free, fair, and secure elections. For this important work, its cofounders are the recipients of the 2022 Brown Democracy Medal. States United was founded during the 2020 election and continues to be led by Joanna Lydgate, former chief deputy attorney general of Massachusetts; Norman Eisen, former ambassador to the Czech Republic and special assistant to President Barack Obama for ethics and government reform; and Christine Todd Whitman, former New Jersey governor and Environmental Protection Agency administrator.

trumps fox interview: *Audience of One: Donald Trump, Television, and the Fracturing of America* James Poniewozik, 2019-09-10 New York Times Book Review • Notable Book of the Year Washington Post • 50 Notable Works of Nonfiction in 2019 NPR.org • NPR 2019 Concierge Slate • 10 Best Books of the Year Chicago Tribune • Best Books of the Year Publishers Weekly • 10 Best Books of the Year *Audience of One* reframes America's identity through the rattled mind of an insomniac, cable-news-junkie president. New York Times chief television critic James Poniewozik

offers a “darkly entertaining” (Carlos Lozada, Washington Post) history of mass media from the early 1980s to today, demonstrating how a volcanic, camera-hogging antihero merged with America’s most powerful medium to become our forty-fifth president. In charting the seismic evolution of television from a monolithic mass medium into today’s fractious confederation of spite-and-insult media subcultures, Poniewozik reveals how Donald Trump took advantage of these historic changes by constantly reinventing himself: from a boastful cartoon zillionaire; to 1990s self-parodic sitcom fixture; to *The Apprentice* reality-TV star; and finally to Twitter-mad, culture-warring demagogue. Already lauded as a “brilliant and daring” (Annalisa Quinn, NPR) work that defines a generation, *Audience of One* emerges as a classic in cultural criticism.

trumps fox interview: *The January 6th Report* Elizabeth Holtzman, Select Committee to Investigate the January 6th Attack on the US Capitol, 2022-12-27 The most important political investigation since Special Counsel Robert S. Mueller III’s probe into Russian influence on the 2016 election of Donald J. Trump. The full report by the Select Committee to Investigate the January 6th Attack on the United States Capitol will feature facts, circumstances, and causes related to the assault on the Capitol Complex. Formed on July 1, 2021, the Select Committee has issued over one hundred subpoenas and held over a thousand witness interviews. The report will provide the results of investigations into interference with the peaceful transfer of power; the preparedness and response of the United States Capitol police and other federal, state, and local law enforcement; and the influencing factors that fomented the insurrection and attack on American representative democracy engaged in a constitutional process. The Select Committee investigation and the January 6th report will join the Mueller Report, the 9/11 Commission Report, the Warren Report, the Starr Report, and Watergate as one of the most important in history. The January 6th Report will be required reading for everyone with interest in American politics, for every 2020 voter, and every American. Featuring a foreword by Elizabeth Holtzman, a lawyer and political leader who was a Democratic Congresswoman from New York. Holtzman has a unique perspective on the situation, as she served on the House Judiciary Committee charged with investigating the Watergate scandal and prepared articles of impeachment that precipitated the resignation of President Nixon.

trumps fox interview: *The New Health Economy* Gary Bisbee Jr., Donald Trigg, Sanjula Jain, 2022-05-01 *The New Health Economy* offers leaders a 360-degree look at health care politics, policy, providers, and personalization. Drawing from interviews with industry leaders, this guide brings together the best thinking from across the health care sector, setting the ground rules required to shape a new health care system as we emerge from the pandemic.

trumps fox interview: *Deep State* James B. Stewart, 2020-10-06 *The New York Times* bestseller from the award-winning author of *Den of Thieves* and *Unscripted*. Important and stunning. This is must-read material if you want to understand what the Trump administration is still up to right now. --Lawrence O'Donnell There are questions that the Mueller report couldn't—or wouldn't—answer. What actually happened to instigate the Russia investigation? Did President Trump’s meddling incriminate him? There’s no mystery to what Trump thinks. He claims that the Deep State, a cabal of career bureaucrats—among them, Andrew McCabe, Lisa Page, and Peter Strzok, previously little known figures within the FBI whom he has obsessively and publically reviled—is concerned only with protecting its own power and undermining the democratic process. Conversely, James Comey has defended the FBI as incorruptible apolitical public servants who work tirelessly to uphold the rule of law. For the first time, bestselling author James B. Stewart sifts these conflicting accounts to present a clear-eyed view of what exactly happened inside the FBI in the lead-up to the 2016 election, drawing on scores of interviews with key FBI, Department of Justice, and White House officials and voluminous transcripts, notes, and internal reports. In full detail, this is the dramatic saga of the FBI’s simultaneous investigations of both Hillary Clinton and Donald Trump—the first time in American history the FBI has been thrust into the middle of both parties' campaigns for the presidency. Stewart shows what exactly was set in motion when Trump fired Comey, triggering the appointment of Robert Mueller as an independent special counsel and causing the FBI to open a formal investigation into the president himself. And how this unprecedented event

joined in ongoing combat two vital institutions of American democracy: the presidency and the Federal Bureau of Investigation. At stake in this epic battle is the rule of law itself, the foundation of the U.S. Constitution. There is no room for compromise, but plenty for collateral damage. The reputations of both sides have already been harmed, perhaps irrevocably, and at great cost to American democracy. Deep State goes beyond the limits of the legally constrained Mueller report, showing how the president's obsession with the idea of a conspiracy against him is still upending lives and sending shockwaves through both the FBI and the Department of Justice. In this world-historical struggle—Trump versus intelligence agencies—Stewart shows us in rare style what's real and what matters now. And for the looming 2020 election.

Covering policy, politics, character, and comportment, the authors offer a wide range of analyses and recommendations. trumps fox interview: The Fixers Joe Palazzolo, Michael Rothfeld, 2020-01-14 The shocking, definitive account of the lawyers and media tycoons who enabled the rise of Donald Trump, delving into his relationships with Michael Cohen, Stormy Daniels, Rudy Giuliani, David Pecker, and more—featuring original revelations from a Pulitzer Prize-winning Wall Street Journal team “A political page-turner: colorful characters, intrigue, sex, corruption, and meticulous, factual reporting by two ace reporters. What a read!”—John Carreyrou, New York Times bestselling author of *Bad Blood* With his blunt-force fame and the myths he's propagated about himself, Donald Trump has always moved in a world of gossip barons, crooked lawyers, and porn stars. But when he became the Republican nominee for the presidency in 2016, all of these characters crawled out from the underbelly of Trump's stardom and stumbled onto the global stage with him. In *The Fixers*, Joe Palazzolo and Michael Rothfeld have produced a deeply reported and exquisitely drawn portrait of that world, full of secret phone calls, hidden texts, and desperate deals, unearthing the practice of “catch and kill” by which Trump surrogates paid hush money to cover up his affairs, and detailing Trump's historic relationship with his fixers—from his early, influential relationship with Roy Cohn to his reliance on Michael Cohen, National Enquirer publisher David Pecker, and former New York mayor Rudy Giuliani. It traces the arc of their interactions from the 1970s through the 2016 campaign and beyond. It is a distinctly American saga that navigates the worlds of reality TV, cash-for-trash tabloids, single-shingle law shops, celebrity bashes, high-end real estate, pornography, and politics. The characters and settings of this book are part of a vulgar circus that crisscrosses the country, from New York to L.A. to D.C. Terrifying, darkly comic, and compulsively readable, *The Fixers* is an epic political adventure in which greed, corruption, lust, and ambition collide, and that leads, ultimately, to the White House.

trumps fox interview: The Mueller Report U.S. Department of Justice, 2019-04-23 This edition features a linked table of contents and footnotes, allowing for easy reference and fact-checking, along with an original introduction by Carter Page, Ph.D. Fifty years from now, Americans will read about how The Mueller Report was a defining document of our time. History books often gloss over the “uglier” parts of the past. Let this be a time when we choose to remember, rather than forget, in the hope of forging a brighter future for the American people. With an introduction written by Carter Page, former foreign policy advisor to President Donald Trump’s 2016 presidential campaign, this edition frames the report in a different light. Page was arguably targeted to get to President Trump, utterly disrupting his private life even though he was ultimately not accused of any wrongdoing. With only the redacted report available, much is left open to interpretation as the U.S. finds itself on a precipice of serious change. Page frames the report with his unique perspective, calling into question the gross abuse of power by the Democratic party, the U.S. Department of Justice, and the operatives who seek to, ironically, obstruct the Constitution themselves.

Evidence in the Democrats' Impeachment Inquiry in the House of Representatives House Permanent Select Committee, 2019-12-17 This book includes BOTH the official report of the impeachment investigation by the House Intelligence Committee AND the document issued in response by House Republicans. A guidebook to the impeachment of President Trump, this two-in-one book contains BOTH the official report of the impeachment investigation by the House Intelligence Committee led by Adam Schiff AND the document issued in response issued by House Republicans led by Devin Nunes. And the package tells half the story: The book is published as a flip book -- that is, with each cover acting as a front cover, one for the Committee report, and one for the Republican report. Depending on which one you read first, you then flip the book over to read the other.

trumps fox interview: *The Mueller Report* Robert S. Mueller, 2019-04-22 The historic report on the investigation into Russian interference in the 2016 presidential election—with forewords by two former congressmen. In the future, The Mueller Report may be judged as the most important document of our time. And no matter where you reside on the American political spectrum, you will probably agree that it will have far-reaching implications for the balance of power among the three coequal branches of government that create, administer, and apply the laws of our republic. This edition includes forewords by Lt. Col. Allen B. West (Ret.), and the Hon. Dan Boren, both former US congressmen. Having served on opposite sides of the aisle while Robert Mueller served as director of the FBI, they hold insight into the leadership of the organization created expressly to investigate the questions answered by this report.

trumps fox interview: Trump, Corona Virus, Biden: How It All Happened Peter J. Rolls, 2022-09-27 TRUMP, CORONAVIRUS, BIDEN: HOW IT ALL HAPPENED Hard to believe, but it's all true! This book follows Trump's month-by-month bungled management of the COVID-19 pandemic and the sometimes tragic, sometimes hilarious blunders he and his cohort make along the way. The main story is interspersed with observations on subjects such as religion in Congress - or perhaps more accurately, the lack of it; Trump's exaggerated wealth claims and his promotion of lunatic treatments for COVID-19. Even the failings of the Senate and the election system don't escape irreverent critical scrutiny. Of course, the farce of Trump's second impeachment trial and the disgrace of the siege on the Capitol are covered, as are the events surrounding the tragic death of George Floyd and the subsequent murder trial. But rest assured, a sense of humor is never far away as roastings of Ted Cruz, Lindsey Graham, Rudy Giuliani and many others, are regularly delivered to ensure a smile is never far from your face. All in all, this is a highly entertaining yet absorbing personal insight into a truly historical eighteen-month period in America's history.

trumps fox interview: How The Right Lost Its Mind Charles J. Sykes, 2017-10-19 Once at the centre of the American conservative movement, bestselling author and radio host Charles Sykes is a fierce opponent of Donald Trump and the right-wing media that enabled his rise. Sykes presents an impassioned, regretful and deeply thoughtful account of how the American conservative movement came to lose its values. How did a movement that was defined by its belief in limited government, individual liberty, free markets, traditional values and civility find itself embracing bigotry, political intransigence, demagoguery and outright falsehood? How the Right Lost its Mind addresses key issues that face American conservatives under a Trump presidency. It asks why so many voters are apparently credulous and immune to factual information reported by responsible media. And why did conservatives decide to overlook, even embrace, so many of Trump's outrages, gaffes, conspiracy theories, falsehoods and smears? Can conservatives govern, or are they content merely to rage? And central to Sykes's discourse is the question of how can the right recover its traditional values and persuade a new generation of their worth.
