****RC Sproul Chosen by God: Exploring Divine Election Through the Teachings of a Reformed Theologian****

rc sproul chosen by god is a phrase that resonates deeply within Christian theological circles, especially among those who appreciate the doctrines of grace and sovereignty. RC Sproul, a renowned Reformed theologian, pastor, and teacher, dedicated much of his life to explaining the biblical doctrine of election — the idea that God chooses individuals for salvation according to His sovereign will. Understanding what Sproul taught about being “chosen by God” offers profound insight into the nature of divine grace, human responsibility, and the assurance believers can have in their salvation.

RC Sproul and the Doctrine of Election

RC Sproul’s teachings on election are grounded firmly in Scripture and the historic Reformed confessions. He emphasized that God’s choice is not based on any merit or foreseen faith in the individual but purely on His own good pleasure and purpose. This doctrine is often misunderstood or misrepresented, but Sproul’s clear and compassionate explanations help clarify its biblical foundation.

What Does It Mean to Be “Chosen by God”?

For Sproul, being chosen by God means that before the foundation of the world, God sovereignly elected certain individuals to receive salvation through Jesus Christ. This election is unconditional, meaning it does not depend on anything humans do or will do. Sproul often highlighted passages like Ephesians 1:4-5, where Paul writes about God choosing believers “before the foundation of the world” and predestining them for adoption as His children.

This choice is an act of grace, not justice. Sproul taught that no one deserves salvation, but God, in His mercy, grants it to those He elects. His teachings reassure believers that their salvation is secure because it is grounded in God’s unchanging will and power, not in human effort.

RC Sproul on Sovereignty and Human Responsibility

One of the most challenging aspects of the doctrine of election is balancing God’s sovereignty with human responsibility. RC Sproul addressed this tension with grace and clarity, explaining that God’s choosing does not nullify human choice but rather includes it in a way that only God can fully comprehend.

God's Sovereign Choice

Sproul emphasized that God's sovereignty means He has complete control over all things, including salvation. Nothing happens outside His will. This includes the election of individuals. God's choice is eternal and effective; it accomplishes what He intends without fail.

Human Response Matters

While God elects, Sproul also taught that humans are called to respond in faith and repentance. He rejected any idea that election leads to fatalism or passivity. Instead, believers are encouraged to live faithfully, trusting that God's sovereign choice guarantees their perseverance. Sproul often said that the doctrine of election should lead to worship, gratitude, and evangelism, not complacency.

RC Sproul's Impact on Modern Reformed Theology

RC Sproul's articulation of election has influenced countless pastors, theologians, and laypeople. Through his books, sermons, and the ministry of Ligonier Ministries, he made complex theological concepts accessible and relevant to everyday believers.

Key Works on Election

Some of Sproul's most influential works that deal with election include:

- *Chosen by God* – A classic introduction to the doctrine, explaining election in a clear and pastoral way.
- *The Holiness of God* – While focusing on God's holiness, this book sets the foundation for understanding God's sovereign will, including election.
- *What is Reformed Theology?* – Offers a broad overview of Reformed doctrines, including predestination and election.

These resources continue to be valuable for anyone seeking to comprehend what it means to be chosen by God according to Scripture.

Practical Implications of Being Chosen by God

Understanding RC Sproul's teaching on election has practical consequences for how Christians live and relate to God and others.

Assurance of Salvation

One of the most comforting aspects of the doctrine is the assurance it provides. Sproul taught that if God has chosen someone, nothing can separate them from His love (Romans 8:38-39). This assurance is not based on feelings or works but on the unchanging character of God.

Motivation for Evangelism

Contrary to some misconceptions, Sproul believed that election fuels evangelism. If God has chosen people to be saved, then the church's mission is to proclaim the gospel faithfully, trusting God to bring His elect to faith. This perspective encourages believers to share the good news with passion and confidence.

Humility and Gratitude

Recognizing that election is an act of unmerited grace fosters humility. Sproul reminded Christians that salvation is not about personal superiority but about God's mercy. This leads to a heart of gratitude and praise.

Common Misunderstandings Addressed by RC Sproul

Because the doctrine of election can be controversial, Sproul took time to address common objections and misunderstandings.

Is Election Unfair?

Sproul argued that God's election is perfectly just because all humans are sinners deserving of condemnation. Election is an act of mercy, not injustice. He emphasized that God's ways are higher than ours, and human beings cannot fully grasp His purposes.

Does Election Negate Free Will?

Sproul maintained that humans truly make choices, but those choices are within the framework of God's sovereign plan. He used the analogy of an author who controls the story but still gives characters meaningful decisions.

Will God Save Only the Elect?

Sproul clarified that while God desires all to be saved, He effectively saves only those He has chosen. His election ensures that salvation is certain for those individuals.

Reflecting on RC Sproul's Legacy

RC Sproul's clear and compassionate teaching on being "chosen by God" continues to inspire believers worldwide. His commitment to sound theology combined with pastoral sensitivity offers a model for how to handle difficult doctrines with grace and clarity.

For those wrestling with questions about election, Sproul's work provides both theological depth and practical encouragement. He invites Christians to trust in God's perfect plan, rest in His sovereign grace, and live out their faith with joy and confidence.

Whether you are a seasoned theologian or a new believer, exploring RC Sproul's teachings on election can deepen your understanding of God's love and sovereignty — a reminder that being chosen by God is the greatest gift anyone can receive.

****RC Sproul: Chosen by God - An Exploration of Divine Election in His Theology****

rc sproul chosen by god is a phrase that encapsulates one of the central themes in the teachings of R.C. Sproul, a prominent theologian and pastor known for his profound influence on Reformed theology. Sproul's exploration of divine election—the doctrine that God, in his sovereign will, chooses certain individuals for salvation—has been a cornerstone of his ministry and writings. This article delves into the nuances of Sproul's perspective on being "chosen by God," analyzing his theological framework, its biblical foundations, and its implications for modern Christian thought.

Understanding Divine Election in R.C. Sproul's Theology

At the heart of R.C. Sproul's teachings lies the belief in God's absolute sovereignty, especially regarding salvation. The concept of being "chosen by God" is not merely a theological abstraction but a profound truth that Sproul argued shapes the believer's identity and confidence in God's grace. His interpretation of election is strongly rooted in Reformed tradition, particularly Calvinism, which emphasizes predestination and God's unmerited grace.

Sproul's doctrine of election asserts that God's choice extends from His own mercy and grace rather than any foreseen merit in individuals. This perspective challenges common notions of human autonomy in salvation, underscoring that divine election is an act of God's will and purpose.

The Biblical Basis of Divine Election According to Sproul

R.C. Sproul consistently referenced Scripture to support the doctrine of election. Passages such as

Ephesians 1:4-5, Romans 8:29-30, and John 6:37 were foundational in his teachings. He highlighted that these verses illustrate God's initiative in salvation—choosing individuals “before the foundation of the world” and calling them to Himself.

Sproul's exegesis often emphasized the tension between God's sovereignty and human responsibility, a dynamic that he believed Scripture maintains without contradiction. This balance is crucial in understanding how Sproul saw the doctrine of election: as a mystery that invites both humble acceptance and joyful assurance.

RC Sproul Chosen by God: Theological Distinctions and Comparisons

While the doctrine of election is widely discussed within Christian circles, R.C. Sproul's approach stands out for its clarity and pastoral sensitivity. Unlike some interpretations that may render election as deterministic fatalism, Sproul presented it as a source of comfort and assurance for believers grappling with doubts about salvation.

Comparison with Other Theological Perspectives

1. **Arminianism vs. Calvinism**: Sproul's Calvinist stance contrasts with Arminian views, which emphasize conditional election based on foreseen faith or human decision. Sproul argued that conditional election undermines God's sovereignty and the security of salvation.
2. **Hyper-Calvinism**: While affirming predestination, Sproul avoided the pitfalls of hyper-Calvinism, which can lead to neglecting evangelism and human responsibility. He maintained that election motivates, rather than diminishes, the call to evangelize.
3. **Open Theism**: Sproul's firm belief in God's exhaustive foreknowledge and decrees places him at odds with open theism, which posits a more dynamic relationship between God and human choices.

Implications for Christian Life and Ministry

The doctrine of being “chosen by God,” as taught by R.C. Sproul, profoundly affects the believer's worldview. It fosters humility, recognizing that salvation is not earned but gifted. This understanding also nurtures perseverance, grounded in the assurance that God's purposes will not fail.

In ministry, Sproul's teachings encourage pastors and theologians to preach God's sovereignty boldly while inviting all people to respond to the gospel. This balance reflects Sproul's commitment to scriptural fidelity and pastoral care.

Key Features of R.C. Sproul's Teaching on Election

- **Sovereignty of God:** God's choice is ultimate and independent of human action.
- **Unconditional Election:** Election is based solely on God's grace, not human merit.
- **Assurance of Salvation:** Believers can trust in God's unchanging purpose.
- **Human Responsibility:** While God elects, humans are called to respond in faith.
- **Pastoral Sensitivity:** Election is presented as a source of hope, not despair.

Critiques and Challenges

Despite the strengths of Sproul's approach, his doctrine of election has not been without controversy. Critics argue that the idea of being "chosen by God" can lead to exclusivism or fatalism if misunderstood. Others raise ethical concerns about divine justice and human free will.

Sproul addressed these challenges by emphasizing the mystery inherent in God's ways and urging a humble acceptance of biblical truths. He also stressed the necessity of continuous theological reflection and pastoral application.

Legacy of R.C. Sproul on the Doctrine of Election

R.C. Sproul's impact on contemporary theology, especially within evangelical and Reformed circles, is significant. His clear articulation of being "chosen by God" has shaped the faith of countless believers and continues to influence theological education through institutions like Ligonier Ministries.

Sproul's ability to communicate complex doctrines with accessibility and reverence has made the doctrine of election more approachable and meaningful. His sermons, books, and lectures remain valuable resources for those seeking to understand God's sovereign choice in salvation.

As debates around predestination and divine election persist, Sproul's balanced, Scripture-centered approach offers a model for engaging these doctrines thoughtfully and respectfully. His legacy invites ongoing exploration of how believers can embrace the truth of being "chosen by God" without losing sight of God's love and justice.

Sproul's works into one e-book for a great value! The Holiness of God Central to God's character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God's holiness precisely is. Many preachers today avoid the topic altogether because people today don't quite know what to do with words like "awe" or "fear." R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same. *Chosen by God* With nearly 200,000 copies sold in its 25 years, *Chosen by God* by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists, says Sproul. It is a doctrine for all biblical Christians. In this updated and expanded edition of *Chosen by God*, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction.

rc sproul chosen by god: *Getting the Gospel Right* R. C. Sproul, 1999-10-01 Unity in the gospel is essential to the witness of the church. Yet that unity was tested by the release of two documents, *Evangelicals and Catholics Together* and *The Gift of Salvation*, which appeared to surrender the historic doctrine of sola fide (faith alone). In response, Christian leaders released a statement called *The Gospel of Jesus Christ: An Evangelical Celebration*. *Getting the Gospel Right*, a companion to

Sproul's popular Faith Alone, contains the complete text of that statement along with thorough, point-by-point discussion and exposition, to make a strong declaration of the abiding unity of evangelicals regarding the gospel and justification by faith alone.

rc sproul chosen by god: Saved from What? R. C. Sproul, 2021-02 Christians often misunderstand the nature of God. This leads to misunderstandings about the nature of salvation. For this reason, the question Saved from what? can be a challenge to answer. In this book, Dr. R.C. Sproul explains why the atonement was necessary and why we are fundamentally saved from a holy God in salvation. The heart of this book is to help evangelicals understand the gospel. But in order to do that, they must first understand the character of God. When this happens, Christians understand that salvation is both of and from God. It is of God because it originates with Him. But it is from God because His righteous, holy character is against all unrighteousness. In part one, Dr. Sproul explains the meaning of the term salvation in Scripture, and he elaborates on this to show how God's character demands perfect righteousness. This is a serious predicament for every human being because all of our works fall short of the glory of God. We sin, and even our good works are mingled with sin. In part two, Dr. Sproul unfolds the significance and necessity of the cross, and he defines sin in the biblical concepts of debt to God, enmity toward God, and crime against God. The cross addresses the problem of our sin before God from every angle. Dr. Sproul explains how Christ is our ransom and the processes of propitiation and expiation that occurred at the cross. This entire section is set within the concept of covenant theology and is further developed through a study on justification. In part three, Dr. Sproul concludes the book by explaining the purpose of our salvation. All Christians are called to live for Christ and are adopted into Him. Being adopted into Christ, we are assured that God is making us like Him and that we will one day ultimately be made pure when we behold God in the beatific vision--

rc sproul chosen by god: What is Predestination? Robert Charles Sproul, 2019 The Bible clearly teaches that we contribute nothing to our salvation. It is the gift of God (Eph. 2:8), and He alone saves. Yet many Christians bristle at this idea. If God decides who will believe, they reason, doesn't that destroy free will? Isn't it unfair to punish people who had no choice? In this booklet, Dr. R.C. Sproul clears up common misconceptions and distortions of the doctrine of predestination. Far from being fatalistic, this doctrine reveals the riches of God's grace and brings comfort to our souls. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

rc sproul chosen by god: Does God Control Everything? R. C. Sproul, 2012 In this Crucial Questions booklet, Dr. R.C. Sproul explores and explains the Christian doctrine of providence, the teaching that God is the sovereign ruler of the universe. He then deals with some of the philosophical and theological questions and objections the doctrine raises. His teaching challenges popular assumptions about the universe and exalts God as the sovereign ruler and sustainer of all things.

rc sproul chosen by god: How Can I Be Right with God? R. C. Sproul, 2019-03-14 God is holy, and we are sinful. God cannot stand to look upon sin. But the gospel of Jesus Christ reveals how sinful people can be right with God. In this booklet, Dr. R.C. Sproul delves into Scripture and church history to explore the doctrine of justification by faith alone. In so doing, he explains that by faith alone in Christ alone, sinful men and women can be justified and stand forgiven before a holy God. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

rc sproul chosen by god: God's Elect: The Chosen Generation John E Chipman, 2022-08-09 The biblical doctrines of election and predestination generate much passion and emotional intensity among Christians. Most theologians have determined that these are doctrines filled with mystery, tension, and paradox which will never be resolved. Author John E. Chipman disagrees. He provides a fresh, biblical viewpoint regarding the perplexing doctrine of election that has the potential to kindle a re-thinking of the way Christians view and talk about God's purpose of election in the New Testament. In God's Elect, Chipman presents a truth that is neither Calvinistic nor Arminian—a truth

that is simply, well, biblical. This book makes no claim to be deeply philosophical or scholarly. The arguments are intentionally simple, yet profoundly biblical. If you feel like you are caught in an ever-darkening doctrinal bog of election and predestination, and sense that you have lost God somewhere along the way, then you will want to read God's Elect. In its pages, you will find a path that leads back to the sunlight, back to solid ground, and back to the true God of the Bible.

rc sproul chosen by god: The Joy of Calvinism Greg Forster, 2012-02-29 The Bible's command to rejoice continually seems impossible and, frankly, unreasonable. Yet despite the apparent difficulty in fulfilling this commandment, Gregory Forster argues that Calvinism holds the key—namely that real Calvinism is all about joy. Forster passionately holds to this belief, and systematically demonstrates it by addressing popular misconceptions of what Calvinism is and is not. Dismantling negative expressions of Calvinist theology, Forster positively reiterates its fundamental tenets, showing how God's love is the driving force behind every facet of Calvin's doctrine of salvation. Written accessibly, *The Joy of Calvinism* is an important addition to the conversation surrounding Calvinism and its advocates. Skeptics and those who have had negative perceptions of Calvinism, as well as Calvinists themselves, will find this a helpful resource for clearing up the controversies and grasping the winsomeness of the doctrines of grace.

rc sproul chosen by god: Willing to Believe R. C. Sproul, 2018-01-02 What does an individual contribute to his or her own salvation? Does God wait on the doorsteps of our hearts, quietly hoping to be let in when we decide to open the door? Or does he call us and pursue us in a way we can't resist? The debate between the irresistible call of God and a human being's free will has raged for centuries. So what is the answer? And why does it matter? In *Willing to Believe*, R. C. Sproul uncovers issues that provoked the Reformation and revived the controversy between Pelagius and Augustine. He carefully explores the relationship between original sin and human free will, clarifies misconceptions about the work of God in a believer's liberation from sin, illuminates the work of the Holy Spirit in salvation, and offers compelling reasons to believe the work of salvation is in God's hands.

rc sproul chosen by god: 40 Questions About Calvinism Shawn D. Wright, 2019-04-30 In *40 Questions About Calvinism*, church historian Shawn Wright tackles many issues about the theological system known as Calvinism. Taking an irenic approach, Wright explains the key doctrines while also contrasting them with Arminianism. The accessible format allows readers to easily look up topics in which they're most interested, including: • What is the difference between Calvinism and the Reformed tradition? • Does God love all people? • Did Jesus die for the sins of the whole world? • Can people resist the Holy Spirit? • Do Calvinists practice evangelism and missions? "Here is a book to put into the hands of such inquirers whose understanding of Calvinism may have been formed by those who caricature it. The fact that each chapter is a question helps readers go straight to the issue that is dogging them." —Conrad Mbewe, Kabwata Baptist Church, Lusaka, Zambia "If you are a non-Calvinist seeking answers about Calvinism, you will find a clear and winsome presentation of the position, as well as a response to some key criticisms. If you are a Calvinist looking for a model of how to talk about these things with non-Calvinists, then you will find a helpful and humble model for explaining the Calvinist position and its points of disagreement with Arminianism, in a fair-minded, evenhanded way." —Ligon Duncan, Reformed Theological Seminary

For 2000 years the Christian Church has debated the relationship between predestination and a freed will. It is quite possible that this small book will end the debate. You will be humbled and overwhelmed by the greatness of God's sovereignty as well as energized and motivated by our freedom. It is in understanding what God has done and is doing, as well as our part in His-Story, that we find our greatest peace and our greatest success. Read this book. Hi. I'm Phil Mathis. I'm 48, and I live in Colorado Springs with my wife, Dana. We've been quite happily married since 1985 and have four kids and two dogs. Actually they are no longer kids: our oldest is 20 and the others range in age to 13. After graduating from ORU and Fuller Seminary I planted 3 new churches and served as a pastor for 24 years. I also learned how to sell and placed in the top 1% of the worldwide insurance industry for 5 years in a row. There's no way to write this without sounding like I'm bragging, but since I want you to open the book and learn all about success in life they told me I had to say some of why you should listen to me. This goes on for a bit in the preface but you can skip it if you like. I hope you will take a few minutes and see what the Word of God has to say about what God does and what we do in life.
