Now, finally, Paramahansa Yogananda has the authoritative biography he deserves. Paramahansa Yogananda, considered by many to be the father of modern yoga, has had an unsurpassed global impact thanks to the durability of his teachings, the institutions he created or inspired, and especially his iconic memoir, *Autobiography of a Yogi*. Much of Yogananda’s seminal text is devoted to tales about other people, and it largely overlooks the three vital decades he spent living, working, and teaching in America. Huge chunks of his life—challenges, controversies, and crises; triumphs, relationships, and formative experiences—remain unknown to even his most ardent devotees. In this captivating biography, scholar and teacher Philip Goldberg fills the gaps, charting a journey that spanned six decades, two hemispheres, two world wars, and unprecedented social changes. But this is more than a compelling life story. “Yogananda would, I believe, want any book about him to not only inform but transform,” Goldberg writes. “It is my hope that readers will be enriched, expanded, and deepened by this humble offering.” That is sure to be the case for both Yogananda enthusiasts and those who discover him for the first time in these illuminating pages.

journey to self realization collected talks and essays volume 3 self realization fellowship: Lies from the Pit Joseph Nadeau, 2016-06-06 Who buys these lies? There is no God. If you do more good than bad, you'll go to Heaven. When you die, you will be reincarnated. David and Jonathan were homosexuals. The pope is infallible. Jesus Christ was just a man. All religions are really the same. Heaven and Hell are only states of mind. Isaiah 53 refers to the Jewish people, not

to Jesus Christ. There are many ways to God. The Lord Jesus Christ said of Satan, When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it (John 8:44). In this spiritually seductive and dangerous age, there is no dearth of the devils falsehoods. Which ones do you believe? It has been said that no lie can live forever, but lies from the pit of Hell will prevent you from living forever with the Lord Jesus Christ, who alone is the Way, the Truth, and the Life (John 14:6). Now more than ever, in this undiscerning time of tolerance, we must identify and condemn the devils counterfeits, regardless of who is offended. This compilation of religious and moral lies and their refutations will inform as well as offend both un-awakened sinners and soft-theology Christians, provoking them to seek the truth of Gods Word and the salvation that is only in His Son for outside of Gods Kingdom, writhing in eternal fire, will be whosoever loveth and maketh a lie (Revelation 22:15).
