

the light and the glory peter marshall

The Light and the Glory Peter Marshall: Exploring the Historical and Spiritual Journey

the light and the glory peter marshall is a phrase that resonates deeply with those interested in the intertwining of faith, history, and the founding of America. This phrase brings to mind the influential book and series, **The Light and the Glory**, co-authored by Peter Marshall and David Manuel, which provides a fascinating glimpse into how divine providence and Christian faith shaped the early history of the United States. For readers curious about American history from a spiritual perspective, or those looking to understand the role of Christianity in shaping a nation, this work offers a compelling narrative.

In this article, we will dive into the origins, themes, and impact of **The Light and the Glory**, shed light on Peter Marshall's role in bringing this vision to life, and explore why the book continues to inspire readers and historians alike.

Understanding The Light and the Glory Peter Marshall Co-authored

Peter Marshall, along with David Manuel, authored **The Light and the Glory** in the 1970s. The book is renowned for presenting American history through a Christian worldview, arguing that God's hand was evident in the founding and development of the United States. Unlike traditional history books that often emphasize secular narratives, this work highlights spiritual motives and divine intervention throughout key historical events.

The Core Themes of The Light and the Glory

At its heart, **The Light and the Glory** explores several key themes:

- ****Divine Providence:**** The authors suggest that God guided the early settlers and leaders of America, influencing events in a way that reflected His will.
- ****Christian Heritage:**** The book emphasizes the Christian faith of many colonial leaders and settlers, portraying their belief as a foundational element in the nation's creation.
- ****Moral Purpose:**** The narrative argues that America was established not just as a political experiment, but as a moral and spiritual beacon to the world.
- ****Historical Impact of Faith:**** By focusing on religious texts, sermons, and personal diaries, the book illustrates how faith shaped decisions and actions in colonial times.

These themes invite readers to consider history not only as a series of political or military events but as a story infused with spiritual meaning.

Peter Marshall: The Man Behind the Message

Peter Marshall, the co-author of **The Light and the Glory**, was a respected historian and writer who brought a unique perspective to American history. His background in theology and history allowed him to weave a narrative that connected factual events with spiritual insights.

His Background and Motivation

Marshall's interest in the spiritual foundations of America was deeply personal. As a Presbyterian minister and historian, he was passionate about exploring how faith influenced the decisions of early American leaders. This passion drove him to collaborate with David Manuel, aiming to create a historical work that was both informative and inspirational.

His ability to research extensively, combined with a gift for storytelling, helped make **The Light and the Glory** accessible and engaging. Marshall believed that understanding the religious context of America's formation was crucial for appreciating the nation's identity.

Legacy and Influence

Peter Marshall's work has had a lasting impact beyond the initial publication of **The Light and the Glory**. The book sparked a series of related works and even inspired documentaries and educational programs focusing on America's Christian heritage. Marshall's approach encouraged readers to think critically about history, faith, and their roles in shaping culture.

The Historical Context of The Light and the Glory

To fully appreciate **The Light and the Glory**, it's important to look at the historical period it covers—the early colonization and formation of the United States.

Colonial America and Faith

The 1600s and 1700s were a time when many European settlers came to the New World seeking religious freedom and new opportunities. Groups like the Puritans, Pilgrims, and Quakers established colonies based on their religious beliefs, which shaped their laws, education systems, and community values.

The Light and the Glory shines a spotlight on these settlers' faith-driven motivations, showing how their beliefs influenced their governance and interactions with Native Americans. The book argues that this religious foundation was a crucial factor in the

success and survival of the colonies.

The American Revolution Through a Spiritual Lens

Another significant focus of the book is the American Revolution. Marshall and Manuel present the fight for independence not only as a political struggle but also as a spiritual battle. Many revolutionaries saw their cause as just and divinely sanctioned, believing they were defending God-given rights.

This perspective adds depth to the understanding of the Declaration of Independence, the Constitution, and the leaders who shaped these documents. It highlights how faith inspired courage and unity during challenging times.

Why The Light and the Glory Peter Marshall Remains Relevant Today

In today's world, where historical narratives are often debated and re-examined, *The Light and the Glory* holds a special place for those seeking a faith-based interpretation of American history.

Encouraging a Faith-Inspired View of History

Many readers find that the book renews their appreciation for the spiritual dimensions of history. It encourages individuals, families, and educators to explore America's past with an understanding of the religious convictions that influenced it.

Educational Uses and Resources

The Light and the Glory has been widely used in Christian homeschooling and church study groups. Its blend of historical facts and spiritual insights makes it a valuable resource for teaching history from a perspective that integrates faith and scholarship.

Additionally, the series has been expanded into follow-up books and companion guides that help readers dive deeper into specific periods or themes, making it a versatile tool for ongoing learning.

Exploring Related Books and Media

Thanks to the popularity of *The Light and the Glory*, Peter Marshall and David Manuel created a series that continues to captivate audiences interested in faith and history.

Follow-up Works

- **The Light and the Glory II**: Covers the period from the American Revolution to the Civil War, continuing the exploration of divine influence.
- **The Light and the Glory III**: Focuses on the Civil War era and the challenges America faced while maintaining its spiritual foundations.

Documentaries and Study Guides

The success of the books led to documentary adaptations and comprehensive study guides that enrich the learning experience for viewers and readers alike. These resources often include historical timelines, discussion questions, and biographical sketches of key figures featured in the series.

Tips for Readers Interested in *The Light and the Glory* Peter Marshall

If you're considering diving into **The Light and the Glory** or exploring Peter Marshall's works, here are some helpful tips to enhance your experience:

- **Approach with an open mind:** While the book presents a faith-based view, it's valuable to consider it as one perspective among many in understanding American history.
- **Use supplemental materials:** Study guides and documentaries can provide additional context and make the reading more engaging.
- **Engage in group discussions:** Sharing insights with others can deepen your understanding of the themes and historical events.
- **Research historical references:** Looking up key figures and events mentioned can enrich your grasp of the narrative.

These strategies help readers connect more personally with the material and appreciate the blend of history and spirituality.

Exploring **The Light and the Glory** by Peter Marshall offers a unique window into American history, one where faith and destiny intertwine. Whether you're a history buff, a student of theology, or simply curious about the nation's origins, this work invites you to see the past through a lens of light and glory, where both history and faith illuminate the journey.

Why is 'The Light and the Glory' considered relevant today?

The book remains relevant today as it encourages readers to understand America's history through a faith-based lens, fostering a sense of national identity and spiritual heritage amidst contemporary cultural discussions.

Additional Resources

The Light and the Glory Peter Marshall: An In-Depth Exploration of Faith and American History

the light and the glory peter marshall stands as a notable work in the realm of religious and historical literature. This book, co-authored by Peter Marshall and David Manuel, offers a distinctive perspective on American history through the lens of divine providence and Christian faith. Since its publication, *The Light and the Glory* has sparked considerable discussion among historians, theologians, and readers interested in the interplay between religion and the founding of the United States. This article provides a thorough examination of the book's themes, its historical claims, and its place within both religious and academic discourse.

Overview of The Light and the Glory by Peter Marshall

The Light and the Glory, originally published in 1977, is a narrative that frames the history of America as a divine mission, suggesting that the nation's founding and development were guided by God's hand. Peter Marshall, a Presbyterian minister and a descendant of the original Peter Marshall who served as Chaplain of the U.S. Senate, collaborates with historian David Manuel to present a thesis that intertwines scripture with key moments in American history.

The book argues that America's destiny is inherently linked to Christian principles and that the early settlers and founding fathers were motivated by a spiritual calling. It highlights events such as the Mayflower Compact, the drafting of the Constitution, and the nation's expansion as manifestations of a divine plan. This perspective has appealed to readers who seek a faith-affirming interpretation of history.

Historical Context and Theological Underpinnings

Understanding the context in which *The Light and the Glory* was written is essential. The 1970s in America saw a resurgence of interest in Christian conservatism and a reevaluation of national identity amidst social upheaval. Marshall and Manuel's work tapped into this cultural moment by offering a narrative that reassured believers of America's special role in God's providence.

The theological foundation of the book rests on the concept of American exceptionalism with a religious dimension. It suggests that the founding documents and political leaders were consciously influenced by biblical teachings. This interpretation is supported by quotations from prominent figures like John Winthrop, who famously envisioned the Massachusetts Bay Colony as a "city upon a hill."

Critical Analysis of Themes and Historical Accuracy

While *The Light and the Glory* has been praised for its inspirational storytelling, it has also attracted criticism, particularly from academic historians. Critics argue that the book tends to oversimplify complex historical events and attributes too much intentionality to religious motives among the founding fathers.

One of the key critiques concerns the selective use of historical evidence. The authors emphasize Christian influence but often downplay the secular and Enlightenment ideas that also shaped America's founding. For instance, the Constitution's emphasis on separation of church and state contrasts with the book's portrayal of a uniformly Christian national mission.

Strengths of the Book

- **Engaging Narrative:** *The Light and the Glory* is written in an accessible style that captures the reader's interest, making American history relatable through a faith-based perspective.
- **Inspirational Message:** The book resonates with readers who value spiritual meaning in historical events, reinforcing a sense of national purpose.
- **Emphasis on Moral Values:** It highlights the role of Christian ethics in shaping early American society, encouraging reflection on the nation's foundational ideals.

Limitations and Criticisms

- **Historical Oversimplification:** Complex historical dynamics are often reduced to a

singular religious narrative, neglecting diverse influences.

- **Questionable Interpretations:** Some quotations and events are interpreted in ways that support the authors' thesis but may lack robust scholarly consensus.
- **Potential for Bias:** The book's devotional tone can blur the line between history and theology, limiting its use as an objective historical resource.

Impact and Legacy of *The Light and the Glory*

The Light and the Glory has had a significant impact in Christian education and homeschooling circles, where it is frequently used as a supplementary text to teach American history from a religious viewpoint. Its success led to a series of follow-up books and study guides that further explore the theme of America's divine destiny.

Moreover, the book has influenced political and cultural discourse, especially among those advocating for the recognition of Christianity's role in American heritage. It has contributed to ongoing debates about the place of religion in public life and national identity.

Comparisons with Other Historical Interpretations

In contrast to more secular or pluralistic historical accounts, *The Light and the Glory* offers a unique approach that prioritizes faith as a driving force in history. While mainstream historians emphasize economic, social, and political factors, Marshall and Manuel's narrative centers on spiritual providence.

This distinction makes the book appealing to certain audiences but also limits its acceptance in academic settings. Readers interested in a balanced understanding of American history may find it beneficial to consult additional sources alongside *The Light and the Glory*.

Conclusion: The Continuing Relevance of *The Light and the Glory* Peter Marshall

The Light and the Glory Peter Marshall remains a noteworthy contribution to the genre of faith-based historical writing. Its blend of inspirational storytelling and religious interpretation offers a compelling vision of America's past for readers seeking a spiritual framework. While it may not satisfy the criteria of rigorous academic history, its influence on cultural and religious conversations is undeniable.

As debates over the interpretation of American history persist, works like *The Light and*

the Glory highlight the enduring tension between faith and scholarship. For those exploring the intersection of religion and national identity, Peter Marshall's book provides a provocative and heartfelt narrative that continues to resonate with many across the United States.

The Light And The Glory Peter Marshall

the light and the glory peter marshall: The Light and the Glory Peter Marshall, David Manuel, 1977 Popularly priced edition of the classic that recovers the United States' true national heritage.

the light and the glory peter marshall: The Light and the Glory (God's Plan for America Book #1) Peter Marshall, David Manuel, 2009-03-01 Did Columbus believe that God called him west to undiscovered lands? Does American democracy owe its inception to the handful of Pilgrims that settled at Plymouth? If, indeed, there was a specific, divine call upon this nation, is it still valid today? The Light and the Glory answers these questions and many more for history buffs. As readers look at their nation's history from God's point of view, they will begin to have an idea of how much we owe to a very few--and how much is still at stake. Now revised and expanded for the first time in more than thirty years, The Light and the Glory is poised to show new readers just how special their country is.

the light and the glory peter marshall: Light and the Glory, The Peter Marshall, David Manuel, 2009-06-15 Now revised and expanded for the first time in more than thirty years, this classic will now be available for a new generation of readers.

the light and the glory peter marshall: Light and the Glory for Children, The Peter Marshall, David Manuel, Anna Wilson Fishel, 1992-12-01 This interactive edition of the best-seller reveals how God worked through America's founding fathers. Ages 9-12.

the light and the glory peter marshall: What in the World is Going On? Dr. David Jeremiah, 2010-08-08 In the New York Times best-selling book, What in the World Is Going On?, Dr. David Jeremiah answers the hard questions, including these: How is prophecy playing out in modern Europe? Why does Israel matter? How are oil reserves and Islamic terrorism related? Does the United States play a role in prophecy? How should we live in the end times? The Bible has plenty to say about end times. But until now, there has been no other book that—in straightforward prose that's easy to understand—gathers ten scriptural prophecies, lays out a chronological checklist, and offers a guideline for sorting it all out. In What in the World Is Going On? Dr. David Jeremiah answers the hard questions, including these: How is prophecy playing out in modern Europe? Why does Israel matter? How are oil reserves and Islamic terrorism related? Does the United States play a role in prophecy? How should we live in the end times? Events unfolding in today's world are certainly unsettling, but they need not be confusing or frightening. Now you can know the meaning behind what you see in the daily news—and understand what in the world is going on! "A clear, compelling primer on God's heart for Israel and the dramatic Bible prophecies that will unfold in these last days. What I loved most is that David Jeremiah unashamedly examines and explains the biggest global trends of our day through the Third Lens of Scripture. And his description of Jesus' unconditional love and compassion for Jews and Muslims is alone worth the read!" —Joel C. Rosenberg, New York Times best-selling author, The Last Jihad and Epicenter: Why the Current Rumblings in the Middle East Will Change Your World

the light and the glory peter marshall: Light and the Glory Children's Activity Book, The Peter J. Marshall, David B. Manuel, 1995-09-01 Creative activities use a Christian perspective to examine the history of America from the first voyage of Columbus to the aftermath of the Revolutionary War, with an emphasis on faithfulness to God's Word.

the light and the glory peter marshall: The Anointed Randall J. Stephens, Karl W. Giberson, 2012-07-09 Why do so many evangelicals follow leaders with dubious credentials when they have other options in their own faith? Exploring intellectual authority within evangelicalism, the authors reveal how the concept of anointing—being chosen by God to speak for him—established a conservative evangelical leadership isolated from secular arts and sciences.

the light and the glory peter marshall: American Minute William J. Federer, 2003-05 This is an interesting and inspiring collection of history vignettes, one for each day of the year. Well-known national holidays and achievements are recalled in detail as well as facts of courage, sacrifice, and captivating American trivia.

the light and the glory peter marshall: Naming Neoliberalism Rodney Clapp, 2021-07-20 Neoliberalism is the reigning, overarching spirit of our age. It consists of a panoply of cultural, political, and economic practices that set marketized competition at the center of social life. The model human is the entrepreneur of the self. Though regnant, neoliberalism likes to hide. It likes people to assume that it is a natural, deep structure--just the way things are. But in neoliberalism's train have come extreme inequality, economic precariousness, and a harmful distortion of both the individual and society. Many people are waking up to the destructive effects of this order. Anthropologists, economic historians, philosophers, theologians, and political scientists have compiled considerable literature exposing neoliberalism's pretensions and shortcomings. Drawing on this work, Naming Neoliberalism aims to expose the order to a wider range of readers--pastors, thoughtful laypersons, and students. Its theological base for this intervention is apocalyptic--not in the sense of impending doom and gloom, but in the sense of centering on Christ's life, death, and resurrection as itself the creation of a new and truer, more hopeful, and more humane order that sees the principalities and powers (like neoliberalism) unmasked and disarmed at the cross. The book carefully lays out what neoliberalism is, where it has come from, its religious or theological pretensions, and how it can be confronted through and in the church.

the light and the glory peter marshall: Get in the Ark Steve Farrar, 2023-12-19 Steve Farrar says, If you want to know what is going to happen in the future then you have to look back to the past. His recommended reading list for understanding the future through the past? The biblical prophets. Through his own study of the prophets, Farrar is convinced that America is on the brink of judgment. He says, The problem with America is not the unbelieving world. The problem with America is the people of God. Our gospel is cancelled by the way we live. With Get In The Ark , Farrar gives Christians the tools they need to victoriously face the coming judgment.

the light and the glory peter marshall: The Evangelical Tradition in America Leonard Sweet, Leonard I. Sweet, 1997 The essays collected in The Evangelical Tradition in America range over a vast plain of historical inquiry. Yet they are linked by a common purpose and vision of the exploration through ever-widening avenues of research into one of the most important movements in American culture, and the uncovering of forgotten, ill-conceived, or half-perceived features of the Evangelical tradition. This volume opens up new territory, recharts the old, and challenges and corrects several gaps in the historical topography of American Evangelicalism. Emerging from the Charles G. Finney Historical Conference at Colgate Rochester Divinity School/Bexley Hall/Crozer Theological Seminary in October 1981, these essays offer exciting interdisciplinary insights into the role of Evangelical religion in American society. As major contributions to scholarship in American religion, these investigations forge beyond the borders of Evangelicalism's role in issues now being explored by many American historians on the South, blacks, women, urban centers, millennialism, and organizational structures. They also provide directions from which to view Evangelicalism's impact on American history from the perspective of Southern popular religion, the psychological aspects of black evangelicalism, the stream of intellectual history, and the Enlightenment and evangelical roots of millenarian ideology.

the light and the glory peter marshall: American Providence Stephen H. Webb, 2004-10-22 The relationship between America and Christianity has never been so hotly contested as it is today. September 11, 2001 and the war on terror have had an almost schismatic impact on the Church.

American Christians have been forced to ask the really hard questions about faith and politics. While some Christians would rather not ask these questions at all, they are unavoidable for a religion that seeks to speak to the whole world, with the expectation of nothing less than global transformation. Like it or not, Christians have to take a stand on the issue of America's alleged imperialism, not only because America is largely a product of the Christian imagination but also because the converse is true - the growth of Christianity worldwide is largely shaped by American values and ideals. American Providence makes the case that American Christianity is not an oxymoron. It also makes the case for a robust doctrine of providence - a doctrine that has been frequently neglected by American theologians due to their reluctance to claim any special status for the United States. Webb goes right to the heart of this reluctance, by defending the idea that American foreign policy should be seen as a vehicle of God's design for history.

the light and the glory peter marshall: Spiritually Parenting Your Preschooler C. Hope Flinchbaugh, 2003 Grow them in God's image! Seventy-five percent of a child's character is developed by the time he is five years old-which means that parents of preschoolers have a big responsibility (and a lot of fun!) ahead of them. A warm and delightful book, written in parent-to-parent style with splashes of close to home humor, *Spiritually Parenting Your Preschooler* helps parents to: -Teach your infant, toddler or preschooler to encounter God in a real way -Win the two-year-old no-no war without emotional scars -Build Christ esteem in your adopted child -Raise your child alone -Experience spontaneous praise and worship with your toddler -Select the school that is right for your child and holds fast to your values -Discover exciting tools to help your child model God's life and words -Hear your child pray, expecting answers...and then see the miracles! In addition to the humor, sensitivity and helpful information found in these pages, your entire family will be blessed with these practical and godly guidelines for parenting. Well...you need to read this book from cover to cover! Right? You've heard all the practical parenting advice-now here's the wisdom that you need to spiritually parent your preschooler.

the light and the glory peter marshall: Culture Wars James Davison Hunter, 1992-10-14 A riveting account of how Christian fundamentalists, Orthodox Jews, and conservative Catholics have joined forces in a battle against their progressive counterparts for control of American secular culture.

the light and the glory peter marshall: The One Year Impact for Living Men's Devotional Nathan Whitaker, Scott Whitaker, 2016-11-03 How will your life impact your family, your community, and the world? Will you leave emotional wreckage in your wake? Or will you lead the people around you to something greater and better? All of us have been created by God for impact—a unique impact in this world. But too often we're distracted from the eternal significance of our actions by the more alluring paths of power, wealth, image, and status. This daily devotional will help you to focus on your eternal legacies—what you can do each day by understanding your God-given purpose, potential, passion, and platform. This is a perfect One Year gift to inspire and motivate the man in your life.

the light and the glory peter marshall: In The Presence of Our Enemies Ellen McClay, 2006-07-10 *In the Presence of Our Enemies* has been meticulously researched, containing facts from years of Congressional investigations, as well as authoritative books written by historians and participants alike of the 20 Century's assault on the unique form of government fashioned through, as George Washington described, a miracle at Philadelphia. To achieve this destruction and planned replacement with a socialist society amalgamated into a global government, it is first necessary to destroy traditional morality, a campaign conducted through every avenue of communication, with particular focus on textbooks and schools. Their legacy marches relentlessly onward. Meet the sociologists, the psychiatrists, the "educators," moral degenerates, who banded together from countries around the world focusing on the redistribution of American wealth, and changing the culture which gave them birth. They gained entry into American Schools, colleges, legislative halls, and their descendants still promote a Fabian Socialist World Society supported by American taxes. Nothing has changed since Soviet leader Nikita Khrushchev in 1957, told us what was planned: I can

prophecy that your grandchildren in America will live under socialism...Your grandchildren will....not understand how their grandparents did not understand the progressive nature of socialist society....

the light and the glory peter marshall: *Evangelicalism* Richard Kyle, 2017-09-20 Most forms of religion are best understood in the context of their relationship with the surrounding culture. This may be particularly true in the United States. Certainly immigrant Catholicism became Americanized; mainstream Protestantism accommodated itself to the modern world; and Reform Judaism is at home in American society. In *Evangelicalism*, Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture. Evangelicals have resisted many aspects of the modern world, but Kyle focuses on what he considers their romance with popular culture. Kyle sees this as an Americanized Christianity rather than a Christian America, but the two are so intertwined that it is difficult to discern the difference between them. Instead, in what has become a vicious self-serving cycle, Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant, thus increasing their numbers and success within abundantly populous and populist-driven American society. In doing so, Evangelicalism has become a middle-class movement, one that dominates America's culture, and unabashedly populist. Many Evangelicals view America as God's chosen nation, thus sanctifying American culture, consumerism, and middle-class values. Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture. Yet he also thinks Evangelicals may have compromised themselves and their future in the process, so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity. If so, he asks, can Evangelicalism survive its own popularity and reaffirm its religious origins, or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures? Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America? This thoughtful and thought-provoking volume will interest anyone concerned with the modern-day success of the Evangelical movement in America and the aspirations and fate of its faithful.

the light and the glory peter marshall: *The Book of Signs* Dr. David Jeremiah, 2019-03-05 From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events and social crisis. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening – but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, *The Book of Signs* is an encouraging guide to the Book of Revelation. In *The Book of Signs*, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose. Interested in learning more? Check out other books by Dr. David Jeremiah: *The Great Disappearance* *Where Do We Go from Here* *The World of the End* *Living with Confidence in a Chaotic World* *Is This The End?* *After the Rapture*

the light and the glory peter marshall: *A Man in the Making* Rick Johnson, 2013-08-15 The transformation from boy into man requires intentional guidance, education, and good role models. As a boy grows toward manhood, his parents can instill in their son the values and character traits needed to succeed in life. Highlighting famous Christian men throughout history and the character trait that made each an outstanding model of manhood, parenting expert Rick Johnson gives moms

and dads intentional strategies to help mold their sons into honorable men. The book includes men such as •Martin Luther King Jr. •George Washington •John Wooden •Abraham Lincoln •Jedediah Smith •Benjamin Franklin •Leonardo da Vinci •and more With passion and practicality, Johnson covers all aspects of a young man's development, including his work ethic, education, and integrity.

the light and the glory peter marshall: Popular Evangelicalism in American Culture

Richard Kyle, 2017-09-18 Popular Evangelicalism in American Culture explores the controversies, complexities, and historical development of the evangelical movement in America and its impact on American culture. Evangelicalism is one of the most dynamic and growing religious movements in America and has been both a major force in shaping American society and likewise a group which has resisted aspects of the modern world. Organised thematically this book demonstrates the impact of American culture on popular evangelicalism by exploring the following topics: politics; economics; salvation; millennialism; the megachurch and electronic churches; and popular culture. This accessible and thought-provoking volume will interest anyone concerned with the modern-day success of the Evangelical movement in America.
