Understanding the Story Behind The Giraffe and the Pelly and Me

Roald Dahl's stories are renowned for their imaginative plots and unique characters, and *The Giraffe and the Pelly and Me* is no exception. The story revolves around a young boy who befriends an extraordinary trio: a giraffe with an exceptionally long neck, a pelican with a remarkable beak, and a monkey, all of whom form the Ladderless Window-Cleaning Company. Together, they take on the unusual and exciting task of cleaning windows in a way that no one else can.

The Magic of Dahl's Storytelling
