The Life We Bury: Uncovering Hidden Stories Beneath the Surface

the life we bury often shapes our present in ways we don't immediately recognize. Beneath the visible layers of our daily existence lie memories, secrets, and experiences that quietly influence who we are and how we move through the world. Whether it's the literal act of burying a loved one or the metaphorical burying of emotions and past events, these hidden facets carry immense power. Exploring the life we bury invites us to reflect on the unseen depths beneath the surface of human experience.

Understanding the Concept of "The Life We Bury"

At first glance, the phrase "the life we bury" might evoke images of gravesites and funerals. Yet, it goes far beyond the literal. It encompasses the emotional, psychological, and even social layers we hide away—those moments and feelings we tuck into the recesses of our minds or histories that remain unspoken. These buried elements can be personal traumas, forgotten dreams, or family secrets that quietly shape our identities.

Literal Burial: The Physical Act and Its Cultural Significance

Burial traditions vary widely across cultures, but the act of laying someone to rest is universally profound. Cemeteries serve as tangible reminders of lives once lived, anchoring histories to specific places. The life we bury in this context isn't just about loss; it's about remembrance and the rituals that honor the dead. From elaborate tombstones to simple graves, these markers tell stories and provide spaces for reflection.

Metaphorical Burial: Emotional and Psychological Layers

Beyond physical burial, people often suppress feelings or memories that are too painful or complicated to confront. This kind of burying can lead to unresolved grief or emotional burdens that affect mental health. Psychologists emphasize the importance of acknowledging what we bury emotionally to foster healing and growth. In this way, the life we bury inside us can either weigh us down or, when addressed, become a source of strength.

The Impact of Buried Lives on Our Present

Our personal histories are complex tapestries woven with visible threads and hidden ones. The parts we bury—whether consciously or unconsciously—play a significant role in shaping our perspectives and behaviors.

How Family Secrets Influence Identity

Many families carry unspoken stories—be it about ancestry, hardships, or past mistakes—that remain buried to protect reputations or avoid pain. These secrets can create invisible barriers between generations, affecting trust and communication. Understanding and sometimes unearthing these hidden narratives can lead to reconciliation and a deeper appreciation of one's heritage.

Burying Regrets and Lost Opportunities

Everyone has moments they wish they could change or paths they didn't take. Often, these feelings are buried beneath a veneer of acceptance or distraction. However, reflecting on these buried regrets can help individuals make peace with their choices and inspire new directions in life.

Literary and Artistic Explorations of The Life We Bury

The theme of buried lives has fascinated artists and writers for centuries. It offers rich material for exploring human complexity, loss, and redemption.

Novels and Stories: Unearthing Hidden Truths

Many novels center around characters who grapple with the life they bury—whether through family mysteries, personal trauma, or moral dilemmas. These narratives invite readers to contemplate the hidden aspects of their own lives and the transformative power of uncovering buried truths.

Visual Arts: Symbols of Burial and Memory

Art often uses symbols like graves, roots, and layers to depict the concept of burial—both literal and metaphorical. Sculptures, paintings, and installations can evoke the tension between what is visible and what lies beneath, prompting viewers to consider the unseen forces that shape existence.

How to Approach the Life We Bury in Personal Growth

Facing what we bury is rarely easy, but it can be a vital step toward healing and self-awareness. Here are some insights and tips for engaging with the buried parts of your life constructively.

Journaling as a Tool for Discovery

Writing can help bring buried feelings to the surface in a safe, reflective way. Regular journaling encourages honest self-exploration, revealing patterns and emotions that may have been hidden.

Seeking Professional Support

Therapists and counselors provide guidance in navigating complex buried experiences, especially those linked to trauma or deep emotional pain. Professional support can offer strategies to process these layers healthily.

Creating Rituals of Release and Remembrance

Just as cultures have burial rituals for the dead, individuals can develop personal ceremonies to honor and release what they bury emotionally. This could be as simple as lighting a candle, writing a letter, or meditating on the past to acknowledge and let go.

The Life We Bury in Society and Collective Memory

On a broader scale, societies also bury aspects of their histories—sometimes intentionally. The collective life we bury includes forgotten events, marginalized voices, and uncomfortable truths that history books might overlook.

Historical Amnesia and Its Consequences

When societies choose to bury certain parts of their past—such as injustices or atrocities—it can hinder progress and reconciliation. Recognizing and confronting these buried histories is essential for building a more inclusive and honest collective identity.

The Role of Memorials and Museums

Memorials and museums serve as public spaces where buried histories are unearthed and shared. They educate communities and honor those whose lives might otherwise be forgotten, bridging the gap between past and present.

The life we bury, whether hidden within our hearts or beneath the earth, holds profound significance. It shapes our stories, informs our identities, and challenges us to face what lies beneath the surface. By exploring these buried layers—through introspection, art, or communal remembrance—we open the door to deeper understanding and connection. Ultimately, acknowledging the life we bury enriches the life we live.

Frequently Asked Questions

What is the main plot of 'The Life We Bury'?

'The Life We Bury' follows Joe Talbert, a college student who is assigned to write a paper about a stranger. He chooses Carl Iverson, an elderly man in a nursing home with a mysterious past linked to a decades-old murder.

The Life We Bury: An Analytical Exploration of Identity, Memory, and Redemption

the life we bury is a phrase that resonates across multiple contexts, from literature and psychology to cultural studies and philosophy. It evokes the complex interplay between the past we choose to remember and the aspects of ourselves and our histories that we suppress or conceal. At its core, the life we bury speaks to the human tendency to compartmentalize experience, often to protect identity or avoid uncomfortable truths. This article delves into the multifaceted dimensions of this concept, examining how it manifests in narrative forms, personal growth, and societal dynamics, while integrating relevant insights from psychological research and cultural analysis.

Understanding "The Life We Bury" in Literature and Narrative

The phrase "the life we bury" frequently appears in literary works as a metaphor for hidden truths, suppressed memories, or unacknowledged parts of a character's identity. In storytelling, this motif serves as a powerful tool for exploring themes of redemption, trauma, and self-discovery. Novels and memoirs often depict protagonists grappling with their buried pasts, unraveling secrets that redefine their present lives.

One notable example is the novel **The Life We Bury** by Allen Eskens, which intricately weaves a narrative around a college student investigating the life of a mysterious man convicted of murder. This story exemplifies how the buried life—concealed histories and moral ambiguities—can shape individual destinies and challenge perceptions of truth and justice.

The Role of Memory and Trauma

Memory plays a crucial role in shaping the life we bury. Psychologists argue that traumatic experiences are often repressed or selectively forgotten as a defense mechanism against psychological distress. The concept of "motivated forgetting" reveals how individuals unconsciously bury memories to protect their sense of self and maintain emotional stability.

However, the process of unearthing these memories—whether through therapy, artistic expression, or life events—can lead to profound personal transformation. The life we bury, then, is not static; it is a dynamic interplay between what is hidden and what eventually emerges into consciousness.

The Psychological and Sociocultural Dimensions

Beyond individual narratives, the life we bury extends into broader psychological and sociocultural frameworks. Societies, much like individuals, engage in collective forgetting or selective remembrance, often choosing which histories to commemorate and which to marginalize.

Collective Memory and Historical Amnesia

Historical events, particularly those involving conflict, oppression, or injustice, are frequently subject to collective burial. Nations may gloss over uncomfortable aspects of their pasts to foster national unity or avoid political repercussions. This selective memory can manifest through censored histories, neglected monuments, or revisionist education.

The implications of collective burial are profound: unresolved historical wounds can perpetuate cycles of mistrust and division. Conversely, initiatives such as truth commissions and public apologies aim to excavate buried histories to promote reconciliation and healing.

Identity Formation and the Unconscious

From a psychoanalytic perspective, the life we bury is closely linked to the unconscious mind. Sigmund Freud's theory of repression posits that unacceptable desires or memories are pushed into unconsciousness, influencing behavior without conscious awareness.

Modern neuropsychology supports the idea that not all memories are equally accessible; some are suppressed due to their emotional salience. This unconscious burial shapes identity by influencing patterns of thought, emotion, and interaction, often in ways that individuals only recognize after deliberate reflection or therapeutic intervention.

Contemporary Implications: The Life We Bury in the Digital Age

The digital era has introduced new complexities to the concept of the life we bury. Online footprints, social media records, and digital archives challenge traditional notions of what can be hidden or forgotten.

Digital Permanence vs. Selective Revelation

Unlike physical memories or personal diaries, digital content tends to persist indefinitely, making the act of "burying" parts of our lives more complicated. Individuals now face the paradox of attempting to curate a public persona while simultaneously managing private histories that are difficult to erase.

This tension raises questions about privacy, consent, and identity in the

digital landscape. The life we bury digitally may be subject to exposure through data breaches, social media revelations, or retrospective scrutiny, affecting reputations and psychological well-being.

Therapeutic and Social Opportunities

On the other hand, digital platforms offer unprecedented opportunities for storytelling and healing. Online forums, blogs, and virtual support groups allow individuals to share buried experiences in safe environments, fostering empathy and community.

Furthermore, digital archives of historical records and testimonies can aid in recovering collective memories, contributing to a more nuanced understanding of the past.

Examining the Pros and Cons of Burying the Past

The decision to bury aspects of one's life, whether consciously or unconsciously, carries both benefits and drawbacks that merit careful consideration.

• Pros:

- *Psychological Protection:* Suppressing traumatic memories can provide short-term relief from emotional pain.
- *Social Harmony:* Avoiding certain topics may preserve relationships and prevent conflict.
- *Focus on Present:* Letting go of past burdens can enable individuals to concentrate on current goals.

• Cons:

- *Emotional Repression:* Long-term suppression can lead to anxiety, depression, or identity confusion.
- *Unresolved Issues:* Buried conflicts may resurface unexpectedly, undermining stability.
- *Distorted Self-Perception:* Ignoring parts of one's history can hinder authentic self-understanding.

These factors highlight the delicate balance involved in managing the life we bury, emphasizing the importance of context, timing, and support systems.

Bridging the Gap: Pathways to Integration and Healing

Emerging therapeutic approaches focus on integrating buried aspects of the self to promote holistic well-being. Techniques such as narrative therapy encourage individuals to reconstruct personal stories, acknowledging previously hidden experiences to foster coherence and resilience.

Similarly, cultural projects that revisit suppressed histories play a vital role in collective healing, enabling societies to confront uncomfortable truths and move toward inclusivity.

The life we bury, therefore, is not merely about concealment but also about the potential for revelation, understanding, and transformation.

In exploring the life we bury, we encounter a complex tapestry woven from memory, identity, culture, and technology. Whether through individual introspection or societal reflection, the act of choosing what to bury—and what to unearth—continues to shape human experience in profound ways. Recognizing this dynamic invites ongoing dialogue and thoughtful engagement with the past, both personal and collective.

the life we bury: *The Life We Bury* Allen Eskens, 2014-10-14 A USA Today bestseller and book club favorite! College student Joe Talbert has the modest goal of completing a writing assignment for an English class. His task is to interview a stranger and write a brief biography of the person. With deadlines looming, Joe heads to a nearby nursing home to find a willing subject. There he meets Carl Iverson, and soon nothing in Joe's life is ever the same. Carl is a dying Vietnam veteran--and a convicted murderer. With only a few months to live, he has been medically paroled to a nursing home, after spending thirty years in prison for the crimes of rape and murder. As Joe writes about Carl's life, especially Carl's valor in Vietnam, he cannot reconcile the heroism of the soldier with the despicable acts of the convict. Joe, along with his skeptical female neighbor, throws himself into uncovering the truth, but he is hamstrung in his efforts by having to deal with his dangerously dysfunctional mother, the guilt of leaving his autistic brother vulnerable, and a haunting childhood memory. Thread by thread, Joe unravels the tapestry of Carl's conviction. But as he and Lila dig deeper into the circumstances of the crime, the stakes grow higher. Will Joe discover the truth before it's too late to escape the fallout?

the life we bury: *The Life We Bury* Leopard Books, 2016-01-14 *The Life We Bury* by Allen Eskens | A 15-Minute Summary & Analysis Preview: *The Life We Bury*, Allen Eskens' debut novel, received the 2015 Rosebud Award for Best First Mystery Novel. Additionally, the book was a finalist in five other competitions, including the Edgar(r) Award for Best First Novel. Eskens, a criminal defense lawyer, lives near Mankato, Minnesota, near the setting of his novel. In fact, he is also a graduate of the University of Minnesota, which the two major characters in the book attend. *The Life We Bury* tells the story of a young man seeking to escape the trap of his less than ideal upbringing while redeeming a dying man convicted of rape and murder 30 years before. It highlights the struggle of a young man creating his own home, an old man seeking peace at the end of his life, as well as the ghosts of experiences that haunt them. the life we bury: The Shadows We Hide Allen Eskens, 2018-11-13 Journalist Joe Talbert investigates the murder of the father he never knew, and must reckon with his own family's past, in this brilliant sequel to the national bestseller *The Life We Bury* (Publishers Weekly) Joe Talbert, Jr.

has never once met his namesake. Now out of college, a cub reporter for the Associated Press in Minneapolis, he stumbles across a story describing the murder of a man named Joseph Talbert in a small town in southern Minnesota. Full of curiosity about whether this man might be his father, Joe is shocked to find that none of the town's residents have much to say about the dead man-other than that his death was long overdue. Joe discovers that the dead man was a loathsome lowlife who cheated his neighbors, threatened his daughter, and squandered his wife's inheritance after she, too, passed away -- an inheritance that may now be Joe's. Mired in uncertainty and plagued by his own devastated relationship with his mother, who is seeking to get back into her son's life, Joe must put together the missing pieces of his family history -- before his quest for discovery threatens to put him in a grave of his own.

the life we bury: *The Deep Dark Descending* Allen Eskens, 2017-10-03 A homicide detective hunts down his wife's killers while struggling between his thirst for revenge and a twinge of conscience forbidding him to take the law into his own hands. Homicide Detective Max Rupert never fully accepted his wife's death, even when he believed that a reckless hit-and-run driver was to blame. Haunted by memories both beautiful and painful, he is plagued by feelings of unfinished business. When Max learns that, in fact, Jenni was murdered, he must come to terms with this new information—and determine what to do with it. Struggling to balance his impulses as a vengeful husband with his obligations as a law enforcement officer, Max devotes himself to relentlessly hunting down those responsible. For most of his life, he has thought of himself as a decent man. But now he's so consumed with anguish and thoughts of retribution that he finds himself on the edge, questioning who he is and what he stands for. On a frozen lake at the US-Canadian border, he wrestles with decisions that could change his life forever, as his rage threatens to turn him into the kind of person he has spent his entire career bringing to justice.

the life we bury: *They Forsake Their Own Mercy* Elvis Cardell Banks, 2017-01-26 God so loved the world that He gave His only begotten Son to die for the sins of the people. The Lord did not want those who believed in Him to perish. Sadly, only a few souls will enter through the narrow gate that leads to eternal life. (Matthew 7:13-15) Many souls purport to believe in Jesus Christ, but they do not believe in Him according to what has been written in the scriptures. Satan has sent false teachers into the world and deceived the people. In keeping the people in darkness, Satan has kept the people separated from God. In this remarkable work, author Elvis Cardell Banks has exposed Satans method of deception and debunked many of the insidious lies the devil has crafted to deceive the people. Jesus repeatedly warned the people to beware of those who would teach lies and cause them to reject the knowledge of salvation. (Hosea 4:6) Despite the Masters warning, nearly all of creation will be destroyed. Wolves have put on sheeps clothing and lured the people away from the Shepherd. A book that is sure to elevate readers spiritual knowledge and understanding, Banks penetrating and insightful prose exposes Satans witchcraft and refutes false prophets lying vanities.

the life we bury: Saving Emma Allen Eskens, 2023-09-19 A lawyer's race to reveal a wrongful conviction collides with the dark shadow of a murder in his own home in this propulsive and perfectly-plotted thriller from one of our best crime writers at the top of his game (William Kent Krueger, New York Times bestselling author). When Boady Sanden first receives the case of Elijah Matthews, he's certain there's not much he can do. Elijah, who believes himself to be a prophet, has been locked up in a psychiatric hospital for the past four years, convicted of brutally murdering the pastor of a megachurch. But as a law professor working for the Innocence Project, Boady agrees to

look into Elijah's file. When he does, he is alarmed to find threads that lead back to the death of his colleague and friend, Ben Pruitt, a man shot to death four years earlier in Boady's own home. Ben's daughter, Emma, has lived with Boady and Boady's wife Dee ever since that awful night. Now fourteen years old, Emma has been growing distant, and soon makes a fateful choice that takes her far from the safety of her godparents. Desperate to bring her home, and to free an innocent man, Boady must do all he can to investigate Elijah's case while fighting to save the family he has deeply come to love. Written with energy, propulsion, and his characteristic pathos and insight, Eskens delivers another pitch-perfect legal thriller that reveals a twisted murder and explores faith, love, family, and redemption along the way. Ambitious, absorbing, and deeply satisfying.—Kirkus Reviews (starred review) Eskens brilliantly combines legal and personal drama. —Publishers Weekly (starred review) Superb . . . another Eskens novel to be savored. —South Florida Sun-Sentinel

the life we bury: Reclaiming the Life We Lost Along the Way John Paterson, 2014-11-18 We've been sold a bill of goods. Not out of malice but out of a fundamental misunderstanding of how to effectively approach our lives-and the world-in order to secure the genuine happiness and authentic loving relationships we desire. In *Reclaiming the Life We Lost Along the Way*, we discover that at the heart of every decision we make is the intention to reduce our suffering and satisfy our unmet yearnings. Authentic love, safety, acceptance, connection, belonging, meaning, purpose, value, appreciation. These are the shared desires of every human being. To meet these desires, we have invested tremendous effort, yet the quality of life we have sought continues to elude us. The reason is shockingly simple: We have attempted to resolve an internal problem with external solutions. The outside world can never satisfy our deepest longings until our inner world makes a critical shift in perception and orientation. When this internal shift occurs, our experience of everything outside of us begins to change as well. This is the key to realizing and experiencing the quality of life we have been seeking for so long. Discover who you really are, recover your true self, bring your unique gifts to life, then share them with the world. This book shows you how to reclaim the life you were born to live by recovering the authentic love and deep fulfillment you came out of the Universe to encounter and extend in your own life and the lives of everyone you touch....

the life we bury: The Problem of Modern Greek Identity Georgios Arabatzis, Sotiris Mitralaxis, Georgios Steiris, 2016-04-26 The question of Modern Greek identity is certainly timely. The political events of the previous years have once more brought up such questions as: What does it actually mean to be a Greek today? What is Modern Greece, apart from and beyond the bulk of information that one would find in an encyclopaedia and the established stereotypes? This volume delves into the timely nature of these questions and provides answers not by referring to often-cited classical Antiquity, nor by treating Greece as merely and exclusively a modern nation-state. Rather, it approaches the subject in a kaleidoscopic way, by tracing the line from the Byzantine Empire to Modern Greek culture, society, philosophy, literature and politics. In presenting the diverse and certainly non-dominant approaches of a multitude of Greek scholars, it provides new insights into a diachronic problem, and will encourage new arguments and counterarguments. Despite commonly held views among Greek intelligentsia or the worldwide community, Modern Greek identity remains an open question – and wound.

the life we bury: The Collected Works of Witness Lee, 1960, volume 2 Witness Lee, The Collected Works of Witness Lee, 1960, volume 2, contains messages given and articles and personal notes written by Brother Witness Lee in April through December 1960. Historical information concerning Brother Lee's travels and the content of his ministry in 1960 can be found in the general preface that appears at the beginning of volume 1 in this set. The contents of this volume are divided into ten sections, as follows: 1. Nine messages given in Taipei, Taiwan, in April through August. Chapters 1 through 5 contain messages given in July and August, and chapters 8 and 9 contain messages given on April 1 and 2. The dates of the messages that constitute chapters 6 and 7 are unknown. All nine messages were previously published in a book entitled *The Sufficiency, Pursuit, and Learning of the Lord's Serving Ones* and are included in this volume under the same title. 2. Four messages given in a training for young people in Taipei, Taiwan, in April. These messages are

included in this volume under the title God's Plan and Christ's Redemption. 3. Three sets of personal notes written in 1960, probably beginning on April 26. These notes are included in this volume under the title Witness Lee's Personal Notes. 4. Fifteen messages given in Taipei, Taiwan, in 1960; the exact dates are unknown. These messages were previously published in a book entitled The Elders' Management of the Church and are included in this volume under the same title. 5. A message given in Taipei, Taiwan, probably after the messages contained in the previous section on the elders' management of the church. This message is included in this volume under the title Concerning the Arrangement of Church Meetings. 6. A message given in Taipei, Taiwan, in 1960. This message was originally published in the periodical The Ministry of the Word in September. It is included in this volume under the title Balancing the Church Service and the Goals of the Church Service. 7. Five messages given in Taipei, Taiwan. These messages were originally published in the periodical The Ministry of the Word in October 1960 through January 1961. They were previously published in a book entitled The Law of Revival and are included in this volume under the same title. 8. Ten messages given in New York City on October 14 through November 20. These messages are included in this volume under the title The Nature and Building Up of the Church. 9. Four messages given in New York City on November 24 through 27. These messages are included in this volume under the title Practicing the Building Up of the Church on the Proper Ground. 10. A letter and two sets of questions and answers given in Los Angeles, California, on December 5 through 7. This section is included in this volume under the title Fellowship in Los Angeles concerning the Ground of the Church.

the life we bury: The Quiet Librarian Allen Eskens, 2025-02-18 After the murder of her best friend, a librarian's search for answers leads back to her own dark secrets in this sweeping novel about a woman transformed by war, family, vengeance, and love, from award-winning writer Allen Eskens. Hana Babic is a quiet, middle-aged librarian in Minnesota who wants nothing more than to be left alone. But when a detective arrives with the news that her best friend has been murdered, Hana knows that something evil has come for her, a dark remnant of the past she and her friend had shared. Thirty years before, Hana was someone else: Nura Divjak, a teenager growing up in the mountains of war-torn Bosnia—until Serbian soldiers arrived to slaughter her entire family before her eyes. The events of that day thrust Nura into the war, leading her to join a band of militia fighters, where she became not only a fierce warrior but a legend—the deadly Night Mora. But a shattering final act forced Nura to flee to the United States with a bounty on her head. Now, someone is hunting Hana, and her friend has paid the price, leaving her eight-year-old grandson in Hana's care. To protect the child without revealing her secret, Hana must again become the Night Mora—and hope she can find the killer before the past comes for them, too.

the life we bury: Forsaken Country Allen Eskens, 2022-09-20 Three fathers collide far beyond the reach or safety of the law in this breathtaking thriller from the beloved author of *The Stolen Hours* and *The Life We Bury*: one of our best crime writers at the top of his game (William Kent Krueger, New York Times bestselling author). Max Rupert has left his position as a Minneapolis homicide detective to live in solitude. Mourning the tragic death of his wife, he's also racked by guilt—he alone knows what happened to her killer. But then the former local sheriff, Lyle Voight, arrives with a desperate plea: Lyle's daughter Sandy and his six-year-old grandson Pip have disappeared. Lyle's certain Sandy's ex-husband Reed is behind it, but the new sheriff is refusing to investigate. When Max reluctantly looks into their disappearance, he too becomes convinced something has gone very wrong. But the closer Max and Lyle get to finding proof, the more slippery Reed becomes, until he makes a break for the beautiful but formidable Boundary Waters wilderness with vulnerable Pip in tow. Racing after the most dangerous kind of criminal—a desperate father—and with the ghosts of their own pasts never far behind, Max and Lyle go on the hunt within a treacherous landscape, determined to bring an evil man to justice, and to bring a terrified child home alive. "Allen Eskens . . . produces some of the best cat-and-mouse games I have read. This is a novel that you will not easily forget." —BookReporter "The search for mother and child fuels the brisk plot, but *Forsaken Country* spins on Eskens' in-depth character studies. . . . Eskens is at the

top of his skills.” —Oline H. Cogdill, *The South Florida Sun Sentinel* “The suspense never flags . . . heart-pounding and heartfelt, *Forsaken Country* should be at the top of your to-be-read list.” —Heather Gudenkauf

the life we bury: Nothing More Dangerous Allen Eskens, 2019-11-12 Missouri native Allen Eskens' stunning small-town mystery (*New York Times Book Review*) is a necessary exploration of family, loyalty, and racial tension in America and a coming-of-age book to rival some of the best, such as *Ordinary Grace* (*Library Journal*, starred review). In a small Southern town where loyalty to family and to your people carries the weight of a sacred oath, defying those unspoken rules can be a deadly proposition. After fifteen years of growing up in the Ozark hills with his widowed mother, high-school freshman Boady Sanden is beyond ready to move on. He dreams of glass towers and cityscapes, driven by his desire to be anywhere other than Jessup, Missouri. The new kid at St. Ignatius High School, if he isn't being pushed around, he is being completely ignored. Even his beloved woods, his playground as a child and his sanctuary as he grew older, seem to be closing in on him, suffocating him. Then Thomas Elgin moves in across the road, and Boady's life begins to twist and turn. Coming to know the Elgins -- a black family settling into a community where notions of us and them carry the weight of history -- forces Boady to rethink his understanding of the world he's taken for granted. Secrets hidden in plain sight begin to unfold: the mother who wraps herself in the loss of her husband, the neighbor who carries the wounds of a mysterious past that he holds close, the quiet boss who is fighting his own hidden battle. But the biggest secret of all is the disappearance of Lida Poe, the African-American woman who keeps the books at the local plastics factory. Word has it that Ms. Poe left town, along with a hundred thousand dollars of company money. Although Boady has never met the missing woman, he discovers that the threads of her life are woven into the deepest fabric of his world. As the mystery of her fate plays out, Boady begins to see the stark lines of race and class that both bind and divide this small town -- and he will be forced to choose sides. Best Book of the Year: *Florida Sun-Sentinel* and *Library Journal* Finalist for the Minnesota Book Award

the life we bury: Fire Trap Bob Kroll, 2019-10-15 The third and final installment of the T.J. Peterson mysteries Things have gone from bad to worse for T.J. Peterson. The cops have kicked him off the force, his girlfriend called it quits, his best friend and former partner won't speak to him, and his estranged 20-year-old daughter, Katy, continues to torment him with photos of the hellholes she is living in. Add in a shrink's diagnosis of PTSD, and Peterson is barely holding it together. When he receives an anonymous text message with an online link to a video of a young journalist being tortured, Peterson does the only thing he knows how to do — he sets out to save her. Using psychological warfare, a maniac of savage cruelty lures Peterson into a brutal labyrinth of hard-core porn and the vicious depravity of the Dark Web, and Peterson finds himself in a race to find the girl before the torment breaks him for good.
