Dallas Morning News Voter Guide: Your Essential Resource for Informed Voting

dallas morning news voter guide serves as an invaluable tool for residents eager to make informed decisions during election season. Whether you're a first-time voter or a seasoned participant in the democratic process, having access to clear, unbiased, and comprehensive information is crucial. The Dallas Morning News, one of Texas's most trusted news outlets, offers an in-depth voter guide that helps readers navigate the complexities of local, state, and national elections with confidence.

What Makes the Dallas Morning News Voter Guide Stand Out?

In today's fast-paced world, voters often face an overwhelming amount of information, some of which can be conflicting or biased. The Dallas Morning News voter guide cuts through the noise by providing well-researched, fact-checked profiles of candidates, detailed explanations of ballot measures, and clear instructions on voting procedures. This ensures that voters are equipped with the knowledge they need to participate effectively in democracy.

Comprehensive Candidate Profiles

One of the highlights of the Dallas Morning News voter guide is its thorough candidate profiles. Instead of just listing names and party affiliations, the guide dives into candidates' backgrounds, their stances on key issues, past achievements, and campaign promises. This transparency allows voters to evaluate who aligns best with their values and community needs.

Clear Explanation of Ballot Measures

Ballot measures can often be confusing, especially when they involve technical jargon or complex policies. The voter guide breaks down each proposition or referendum in plain language, outlining the potential impact on local communities and the state. This clarity helps prevent misunderstandings and encourages more informed voting choices.

How to Use the Dallas Morning News Voter Guide Effectively

Having access to the guide is just the first step. Knowing how to utilize it efficiently can

maximize its benefits.

Start Early: Don't Wait Until Election Day

The voter guide is typically released well before election day, giving you ample time to digest the information. Starting early means you can research candidates, attend local forums, and even discuss options with family and friends without pressure.

Match Candidates' Policies with Your Priorities

Make a list of issues that matter most to you—be it education, healthcare, public safety, or environmental policies. Then, use the Dallas Morning News voter guide to compare where each candidate stands on these topics. This methodical approach can prevent last-minute confusion and ensure your vote reflects your values.

Understand Voting Procedures and Deadlines

Beyond candidate and measure information, the guide also includes vital details about voting locations, early voting schedules, mail-in ballot instructions, and registration deadlines. Familiarizing yourself with these details helps avoid common pitfalls like missing deadlines or going to the wrong polling station.

Why Local Election Coverage Matters

While national elections often dominate headlines, local elections have a direct and immediate impact on daily life. The Dallas Morning News voter guide emphasizes this by dedicating significant coverage to municipal races, school board elections, and local referenda. These races shape policies on zoning, education funding, public transportation, and more.

Empowering Community Engagement

By spotlighting local candidates and issues, the voter guide encourages greater community involvement. When voters understand how their choices influence neighborhood development or local services, they're more motivated to participate. This engagement strengthens democracy at its grassroots.

Digital Accessibility and Interactive Features

Recognizing the importance of reaching a diverse audience, the Dallas Morning News voter guide offers digital versions optimized for easy navigation on smartphones, tablets, and computers. Interactive features often include:

- Searchable candidate databases
- Side-by-side comparisons of ballot measures
- Personalized ballot builders based on your address
- Links to official candidate websites and campaign materials

These tools enhance user experience and allow voters to tailor the information to their specific needs.

Tips for Staying Informed Beyond the Voter Guide

While the Dallas Morning News voter guide is a fantastic starting point, staying informed requires ongoing effort. Here are some tips to complement your research:

- **Follow local news outlets:** Stay updated on debates, endorsements, and last-minute changes.
- **Attend candidate forums:** These events offer a chance to hear directly from the candidates and ask questions.
- **Engage with community groups:** Many organizations host voter education workshops and discussions.
- **Verify information:** Cross-check facts from multiple sources to avoid misinformation.

Voting is Power: How the Dallas Morning News Voter Guide Supports Your Civic Duty

At its core, the Dallas Morning News voter guide is about empowering citizens. Voting is one of the most significant ways individuals can influence governance and policy. By providing reliable, nonpartisan information, the guide helps voters feel confident that their choices

are thoughtful and impactful.

In a city as dynamic and diverse as Dallas, informed voting ensures that elected officials truly represent the community's needs and aspirations. Whether it's deciding on school funding, public safety measures, or leadership for the city council, every vote counts.

By making use of resources like the Dallas Morning News voter guide, voters take an active role in shaping their future. It transforms the often-daunting process of election season into an engaging, enlightening experience—one that strengthens democracy one ballot at a time.

Frequently Asked Questions

What is the Dallas Morning News Voter Guide?

The Dallas Morning News Voter Guide is a comprehensive resource provided by the newspaper to help voters make informed decisions by offering candidate information, election dates, and key issues.

How can I access the Dallas Morning News Voter Guide?

You can access the Dallas Morning News Voter Guide online through their official website, usually in the politics or elections section, or through special editions published around election times.

Does the Dallas Morning News Voter Guide cover local and national elections?

Yes, the Dallas Morning News Voter Guide typically covers a wide range of elections, including local, state, and national races relevant to voters in the Dallas area.

Is the Dallas Morning News Voter Guide free to use?

Yes, the Dallas Morning News provides the voter guide as a free resource to help citizens stay informed and participate actively in elections.

What type of information is included in the Dallas Morning News Voter Guide?

The guide includes candidate profiles, voting locations and times, explanations of ballot measures, election deadlines, and sometimes endorsements or analysis to assist voters.

Additional Resources

Dallas Morning News Voter Guide: A Comprehensive Review for Informed Electorate

dallas morning news voter guide serves as a critical resource for residents of Dallas and the surrounding areas seeking reliable, accessible information ahead of local, state, and national elections. As voter engagement continues to be a pivotal aspect of democratic participation, tools like this voter guide play a significant role in facilitating informed decision-making. This article offers an in-depth analysis of the Dallas Morning News voter guide, examining its features, utility, and how it compares to other voter information platforms.

Overview of the Dallas Morning News Voter Guide

The Dallas Morning News voter guide is designed to provide voters with a centralized, user-friendly platform that consolidates candidate profiles, ballot measures, polling locations, and election dates. It aims to demystify the often complex electoral process, making it easier for Dallas-area voters to understand what's at stake and who is running for office.

The guide typically includes detailed candidate biographies, summaries of key propositions, and explanations of local initiatives, often supported by nonpartisan analysis. It leverages the newspaper's extensive journalistic resources to offer credible information, helping voters sift through competing campaign narratives and make choices aligned with their values and interests.

Key Features and Content

The voter guide's most notable features include:

- **Candidate Profiles:** Comprehensive overviews of candidates for various offices, including their backgrounds, policy positions, endorsements, and campaign finance summaries.
- **Ballot Measures and Propositions:** Clear explanations of local and state referenda, tax measures, and amendments, often supplemented by pros and cons to present multiple perspectives.
- **Election Logistics:** Information about early voting dates, polling locations, voter registration deadlines, and absentee ballot procedures tailored for Dallas County residents.
- **Interactive Tools:** Some iterations of the guide offer interactive features, such as personalized ballot samples based on a user's address, enabling voters to preview their specific ballots before heading to the polls.

These elements combine to create a comprehensive resource that addresses both the informational and practical needs of voters.

Comparative Analysis: Dallas Morning News Voter Guide vs. Other Resources

In the landscape of voter information platforms, the Dallas Morning News voter guide competes with state-run websites, national nonprofits like Ballotpedia, and other media outlets offering election coverage. Its strengths and weaknesses become apparent when viewed in this context.

Advantages

- **Local Focus:** Unlike national platforms, the Dallas Morning News voter guide zeroes in on Dallas and Texas-specific elections, providing hyper-local data that might be overlooked elsewhere.
- **Journalistic Integrity:** Backed by a reputable news organization, the guide benefits from editorial oversight and fact-checking, increasing reliability.
- **User Accessibility:** The guide is designed to be accessible to a broad audience, with clear language and intuitive navigation.

Limitations

- **Depth Variability:** While local races are covered thoroughly, some state or federal races may receive less comprehensive treatment compared to specialized platforms.
- **Update Frequency:** In fast-moving election cycles, real-time updates may lag behind social media or dedicated political apps.
- **Interactivity Constraints:** Although improving, interactivity features might not be as advanced as those on national platforms with larger tech budgets.

Role in Enhancing Voter Education and Engagement

Voter guides are instrumental in mitigating voter apathy and confusion, especially in regions with complex ballot structures like Dallas County. The Dallas Morning News voter guide contributes to this by synthesizing a wide array of electoral information into

digestible formats.

Impact on Voter Turnout

Research shows that accessible voter information correlates with higher voter turnout. By simplifying the decision-making process and reducing informational barriers, the guide indirectly supports greater electoral participation. Its local focus also helps voters feel more connected to down-ballot races, which often have lower visibility but significant community impact.

Neutrality and Editorial Standards

A critical aspect of any voter guide is its adherence to neutrality. The Dallas Morning News has established editorial guidelines aimed at minimizing bias, presenting information factually, and clarifying which content reflects opinion or endorsement. This commitment enhances trustworthiness, a necessary quality in an era marked by misinformation and political polarization.

Practical Tips for Using the Dallas Morning News Voter Guide Effectively

To maximize the utility of the Dallas Morning News voter guide, voters should consider the following strategies:

1. **Start Early:** Access the guide well before election day to familiarize yourself with candidates and measures without the pressure of impending deadlines.
2. **Cross-Reference:** Use the guide in conjunction with official election sites and other reputable voter resources to verify information and gain multiple perspectives.
3. **Utilize Interactive Features:** If available, personalize your ballot preview to understand exactly what will appear at your polling location.
4. **Stay Updated:** Monitor the guide for any last-minute changes or updates, especially regarding voting procedures or candidate withdrawals.

Technical Accessibility and Mobile Compatibility

In today's digital-first world, a voter guide's accessibility across devices is paramount. The

Dallas Morning News voter guide is optimized for mobile use, allowing on-the-go voters to quickly consult essential information. Responsive design ensures readability across smartphones, tablets, and desktops, increasing reach among younger voters who primarily access content via mobile devices.

Moreover, the guide's integration with social media platforms enhances dissemination, enabling users to share candidate information or ballot summaries with their networks, further amplifying civic engagement.

Future Prospects and Innovations

Looking ahead, the Dallas Morning News voter guide is poised to incorporate advanced technologies such as AI-driven personalized recommendations and real-time election result tracking. These innovations could further streamline the voter experience, making electoral participation more intuitive and interactive.

Collaboration with civic tech organizations and local government bodies may also expand the guide's scope, providing even richer datasets and more comprehensive election coverage tailored to Dallas County's diverse electorate.

The continuous evolution of the Dallas Morning News voter guide reflects a broader trend among media organizations committed to fostering informed voter bases through transparent, accessible, and reliable electoral information.

dallas morning news voter guide: *Governance by Decree* Ruth P. Morgan, 2004 The Voting Rights Act of 1965, which originally was intended to prohibit barriers to black registration and voting, has been hailed as a triumph for civil rights and as a catalyst for the election of minorities to public office in both the Deep South and the urban North. To advance its objective, federal courts instructed many cities to change from at-large to single-member district electoral systems as a way to ensure that minorities had a reasonable chance to elect representatives of their choice. In the first book to critique the implementation of this landmark legislation in a major American city, Ruth Morgan examines its effect on local governance over forty years in Dallas and shows that it had unintended consequences for racial politics, representation, and public policy. Breaking from studies that measure the success of the VRA in terms of increased minority representation, Morgan assesses the consequences of the Act for Dallas city government—and for the wider interests of minorities as well. While endorsing the original intent of the VRA, Morgan believes that this intent was subverted by subsequent amendments to the Act and by the courts' attempts to advance the political standing of particular minority groups. She argues that court-imposed single-member districts have created in Dallas a city council infected with parochialism and careerism—a result of members no longer having to compromise to win citywide votes—and have had an adverse impact on governmental effectiveness and voter turnout. With corruption and cronyism now rampant, voting rights legislation and litigation have ultimately failed to fulfill the hopes and aspirations of the unempowered, and the district system has created an incentive for continued racial separation. *Governance by Decree* offers a pointed assessment of the complexities and contradictions produced by the voting rights

law, while at the same time calling for the federal judiciary to exercise restraint in imposing its will when it lacks the capacity to make choices that are inherently political. Morgan's powerfully argued case study should inspire much debate and inform forthcoming congressional deliberations over the renewal of the preclearance section of the VRA in 2007.

dallas morning news voter guide: *Dharma in America* Pankaj Jain, 2019-11-18 America now is home to approximately five million Hindus and Jains. Their contribution to the economic and intellectual growth of the country is unquestionable. *Dharma in America* aims to explore the role of Hindu and Jain Americans in diverse fields such as: education and civic engagements medicine and healthcare music. Providing a concise history of Hindus and Jains in the Americas over the last two centuries, *Dharma in America* also gives some insights into the ongoing issues and challenges these important ethnic and religious groups face in America today.

dallas morning news voter guide: *Civic Culture and Urban Change* Royce Hanson, 2003-04-01 A study of how civic culture shaped policy responses to the demographic and economic transformations of Dallas, Texas. *Civic Culture and Urban Change* analyzes the Dallas government's adaptation to shifts in its demography and economic structure that occurred after the assassination of President John F. Kennedy in 1963. The book examines civic culture as a product of a governing regime and the constraints it placed on the capacity of the city to adapt to changes in its population, economy, and the distribution of political power. Royce Hanson traces the impact of civic culture in Dallas over the past forty years upon the city's handling of major crises in education, policing, and management of urban development and shows the reciprocal effect of those responses on the development of civic capital. Hanson relates the city's civic culture to its economic history and political institutions by following the progression of Dallas governance from business oligarchy to regency of professional managers and federal judges. He studies the city's responses to school desegregation, police-minority conflicts, and other issues to illuminate the role civic and organizational cultures play in shaping political tactics and policy. Hanson builds a profile of political life in Dallas that highlights the city's low voter turnouts, sparse civic and political networks, and relative lack of multiracial institutions and mechanisms. *Civic Culture and Urban Change* summarizes the solution sets Dallas employs in dealing with major issues, and discusses the implications of those findings for the future of effective democracy in Dallas and other large cities.

dallas morning news voter guide: *Remaking the Democratic Party* Hanes Walton, Pearl K. Ford, Josephine Allen, 2016-08-09 Examining Southern support for Johnson throughout his political career and his transformative leadership of the Democratic Party

dallas morning news voter guide: *Strength in Numbers?* Jan E. Leighley, 2021-01-12 America's increasing racial and ethnic diversity is viewed by some as an opportunity to challenge and so reinforce the country's social fabric; by others, as a portent of alarming disunity. While everyone agrees that this diversity is markedly influencing political dynamics not only nationally but often on the state and local levels, we know little about how racial and ethnic groups organize and participate in politics or how political elites try to mobilize them. This book tells us. By integrating class-based factors with racial and ethnic factors, Jan Leighley shows what motivates African-Americans, Latinos, and Anglos to mobilize and participate in politics. Drawing on national survey data and on interviews with party and elected officials in Texas, she develops a nuanced understanding of how class, race, and ethnicity act as individual and contextual influences on elite mobilization and mass participation. Leighley examines whether the diverse theoretical approaches generally used to explain individual participation in politics are supported for the groups under consideration. She concludes that the political and social context influences racial and ethnic minorities' decisions to participate, but that different features of those environments are important for different groups. Race and ethnicity structure participation more than previous research suggests. Casting new light on an issue at the crux of contemporary American politics, *Strength in Numbers?* will be welcomed by scholars and students of political science, African-American and Latino studies, urban politics, and social movements.

dallas morning news voter guide: *God at the Grass Roots, 1996* Mark J. Rozell, Clyde Wilcox,

1997 *God at the Grass Roots*, 1996 is composed of entirely new and original essays that analyze the impact of the Christian Right in the 1996 national, state, and local elections. The nation's leading scholars of religion and politics identify and illuminate numerous trends that have dramatically evolved since the landmark elections of 1994. More than simply a revised version of the popular *God at the Grass Roots*, this fundamentally new edition examines the Christian Right's nationwide influence, and the essays arrive at starkly different conclusions about America's most organized and observed political interest group. This text will complement all courses on parties and elections, and religion and politics.

dallas morning news voter guide: *The American Heritage Guide to Contemporary Usage and Style* Houghton Mifflin Company, 2005 Survey of English usage, grammar, and style offering guidance on almost any writing problem imaginable.

dallas morning news voter guide: *Texas Politics* Cal Jillson, 2021-12-27 The eighth edition of this popular text has been expanded and updated to better fit the needs of a stand-alone Texas politics course. Jillson continues to approach the politics of the Lone Star State from historical, developmental, and analytical perspectives, while giving students the most even-handed, readable, and engaging description of Texas politics available today. Students are encouraged to connect the origins and development of government and politics in Texas to its current practice and the alternatives possible through change and reform. This text helps instructors prepare their students to master the origin and development of the Texas Constitution, the structure and powers of state and local government in Texas, how Texas fits into the U.S. federal system, as well as political participation, the electoral process, and public policy in Texas. *Texas Politics* offers instructors and students an unmatched range of pedagogical aids and tools. Each chapter opens with an engaging vignette and a series of focus questions to orient readers to the learning objectives at hand and concludes with a chapter summary, a list of key terms, review questions, suggested readings, and web resources. Let's Compare boxes help students see how Texas sits alongside other states, Texas Legends boxes spotlight key figures in Texas political history, Pro & Con boxes bring conflicting political views into sharper focus and every chapter features a timeline of important events in Texas history. New to the eighth edition • Covers the 2020 national elections, the 2021 legislative session, and the 2018 state and national elections as they affect Texas. • Highlights Governor Greg Abbott's call for policy solutions to the vulnerability of the Texas energy grid; Texas voter eligibility laws; the coronavirus recovery program; and preparation for redistricting in the wake of the 2020 census. • Provides a detailed study of the 2022-2023 state budget and the taxing and spending decisions that went into it, including the school funding and property tax reforms of 2019. .

dallas morning news voter guide: Image and Emotion in Voter Decisions Renita Coleman, Denis Wu, 2015-03-25 Drawing on a decade of their own research from the 2000 to 2012 U.S. presidential elections, Renita Coleman and Denis Wu explore the image presentation of political candidates and its influence at both aggregate and individual levels. When facing complex political decisions, voters often rely on gut feelings and first impressions but then endeavor to come up with a "rational" reason to justify their actions. *Image and Emotion in Voter Decisions: The Affect Agenda* examines how and why voters make the decisions they do by examining the influence of the media's coverage of politicians' images. Topics include the role of visual and verbal cues in communicating affective information, the influence of demographics on affective agenda setting, whether positive or negative tone is more powerful, and the role of emotion in second-level agenda setting. *Image and Emotion in Voter Decisions* will challenge readers to think critically about political information processing and a new way of systematically thinking about agenda setting in elections.

dallas morning news voter guide: *A History of Fort Worth in Black & White* Richard F. Selcer, 2015-12-15 *A History of Fort Worth in Black & White* fills a long-empty niche on the Fort Worth bookshelf: a scholarly history of the city's black community that starts at the beginning with Ripley Arnold and the early settlers, and comes down to today with our current battles over education, housing, and representation in city affairs. The book's sidebars on some noted and some not-so-noted African Americans make it appealing as a school text as well as a book for the general

reader. Using a wealth of primary sources, Richard Selcer dispels several enduring myths, for instance the mistaken belief that Camp Bowie trained only white soldiers, and the spurious claim that Fort Worth managed to avoid the racial violence that plagued other American cities in the twentieth century. Selcer arrives at some surprisingly frank conclusions that will challenge current politically correct notions.

dallas morning news voter guide: The Columbia Guide to African American History Since 1939 Robert L. Harris, Rosalyn Terborg-Penn, 2006 This book is a multifaceted approach to understanding the central developments in African American history since 1939. It combines a historical overview of key personalities and movements with essays by leading scholars on specific facets of the African American experience, a chronology of events, and a guide to further study. Marian Anderson's famous 1939 concert in front of the Lincoln Memorial was a watershed moment in the struggle for racial justice. Beginning with this event, the editors chart the historical efforts of African Americans to address racism and inequality. They explore the rise of the Civil Rights and Black Power movements and the national and international contexts that shaped their ideologies and methods; consider how changes in immigration patterns have complicated the conventional black/white dichotomy in U.S. society; discuss the often uneasy coexistence between a growing African American middle class and a persistent and sizable underclass; and address the complexity of the contemporary African American experience. Contributors consider specific issues in African American life, including the effects of the postindustrial economy and the influence of music, military service, sports, literature, culture, business, and the politics of self-designation, e.g., Colored vs. Negro, Black vs. African American. While emphasizing political and social developments, this volume also illuminates important economic, military, and cultural themes. An invaluable resource, *The Columbia Guide to African American History Since 1939* provides a thorough understanding of a crucial historical period.

dallas morning news voter guide: Society in Focus William E. Thompson, Joseph V. Hickey, Mica L. Thompson, 2018-11-13 *Society in Focus: An Introduction to Sociology*, Ninth Edition, emphasizes how society and social forces affect everything from globalization and international policies to day-to-day activities in our personal lives. In this edition, the authors go beyond the mere questioning of issues to take a closer look at the social world in which we live. They provide an integrated approach that uses sociological thinking to help students analyze and understand key concepts. To focus increased attention on sociological thinking and research methods, they have chosen four key themes: media and technology, globalization, cultural diversity, and trends for the future. Because sociology is about all of us and our daily lives, it is an eminently practical and useful discipline for understanding our social world. This Ninth Edition Includes: • specific student outcomes for each chapter as well as assessment items linked to those outcomes • new chapter-opening vignettes that give real-life examples illustrating important terms, concepts, and theories included in that chapter • updated data, statistics, maps, charts, boxes, and tables citing the latest research available • examples of the powerful impact of media and technology on society, especially the role social media play in helping to shape and define our daily social lives • new photos and cartoons accompanied by critical-thinking questions that reinforce and illustrate important sociological terms, concepts, and theories

dallas morning news voter guide: Renewing Presidential Politics Bruce Buchanan, 1996 Do we get the best presidential candidates to run and elect the presidents we deserve as a nation? If not, why not? Could it have something to do with the quality of campaigns in American politics today? Noted presidential scholar Bruce Buchanan puts the 1996 presidential election campaign in context with the campaigns of 1988 and 1992, making the case that 'good' campaigns--especially those with issue-oriented media coverage and positive campaign advertisements--do make a difference in the quality and quantity of citizen participation, policy input and output, and overall good governance. Perfect for college courses on campaigns and elections and on the presidency, this book looks ahead to future election campaigns with a hope for creating a nation of 'citizen owners and lovers' of the political process, not to mention candidates and media coverage worthy of citizen

involvement and attention.

dallas morning news voter guide: Resources in Education , 1985-11

dallas morning news voter guide: Cultural Studies and the 'Juridical Turn' Jaafar Aksikas, Sean Andrews, 2018-02-02 The relationship between culture and the law has become an emergent concern within contemporary Cultural Studies as a field, but the recent focus has been largely limited to the role played by cultural representations and identity politics in the legitimization of legal discourse and policies. While continuing this emphasis, this collection also looks at the law itself as a cultural production, tracing some of the specific contours of its function in the last three decades. It argues that, with the onset of neoliberal or late capitalism, the law has taken on a new specificity and power, leading to what we are calling the 'juridical turn', where the presumed legitimacy of the law makes other forms of hegemonic struggle secondary. The collection not only charts the law and cultural policy as they exert their powerful—if often overlooked—influence on every aspect of society and culture, but it also seeks to define this important field of study and demonstrate the substantial role law plays in the production of our social and cultural worlds. In this trailblazing collection of contributions by leading and emerging figures in the field of cultural legal studies, chapters examine various ways in which this process is manifested, such as U.S. legislation and Supreme Court Decisions on gay marriage, immigration, consumer finance, welfare, copyright, and so-called victim's rights, along with international comparisons from Europe and Latin America. It promises to be a pathbreaking analysis of our juridically-determined conjuncture. This book was originally published as a special issue of Cultural Studies.

dallas morning news voter guide: Red State Wayne Thorburn, 2014-09-01 A political scientist and Republican party insider examines how Texas made its dramatic shift from Democratic stronghold to GOP dominance. In November 1960, the Democratic party dominated Texas. Democrats held all thirty statewide elective positions as well as the entire state legislature. Fifty years later, this stronghold had not only been lost—it had reversed. In November 2010, Republicans controlled every statewide elective office, as well as the Texas Senate and House of Representatives. The state's congressional delegation in Washington was comprised of twenty-five Republicans and nine Democrats. Red State explores why this transformation took place and what these changes imply for the future of Texas politics. Wayne Thorburn analyzes a wealth of data to show how changes in the state's demographics—including an influx of new residents, the shift from rural to urban, and the growth of the Mexican American population—have moved Texas through three stages of party competition, from two-tiered politics to two-party competition, and then to the return to one-party dominance, this time by Republicans. Thorburn reveals that the shift from Democratic to Republican governance has been driven not by any change in Texans' ideological perspective or public policy orientation—even when Texans were voting Democrat, conservatives outnumbered liberals or moderates—but by the Republican party's increasing identification with conservatism since 1960.

dallas morning news voter guide: Drawing the Vote Tommy Jenkins, 2020-04-21 How the history of American voting rights has shaped the way we vote today Coinciding with the 2020 US presidential election, Drawing the Vote, an original graphic novel, looks at the history of voting rights in the United States and how it affects the way we vote today. Throughout the book, the author, Tommy Jenkins, identifies events and trends that led to the unprecedented results of the 2016 presidential election that left American political parties more estranged than ever. To balance these complex ideas and statistics, Kati Lacker's original artistic style makes the book accessible for readers of all ages. At a time when many citizens are experiencing challenges and apathy about voting and skepticism concerning our bitterly divided government, Drawing the Vote seeks to offer some explanation for how we got here and how every American can take action to make their vote count.

dallas morning news voter guide: Executing Freedom Daniel LaChance, 2016-11-18 In the mid-1990s, as public trust in big government was near an all-time low, 80% of Americans told Gallup that they supported the death penalty. Why did people who didn't trust government to regulate the

economy or provide daily services nonetheless believe that it should have the power to put its citizens to death? That question is at the heart of this text - a powerful, wide-ranging examination of the place of the death penalty in American culture and how it has changed over the years. Drawing on an array of sources, Daniel LaChance shows how attitudes toward the death penalty have reflected broader shifts in Americans' thinking about the relationship between the individual and the state.

dallas morning news voter guide: *The August 21, 1994, Mexican National Elections* , 1995

dallas morning news voter guide: The Stakes: 2020 and the Survival of American Democracy Robert Kuttner, 2019-09-03 To save both democracy and a decent economy, here's why it's crucial that Americans elect a truly progressive president. The 2020 presidential election will determine the very survival of American democracy. To restore popular faith in government—and win the election—Democrats need to nominate and elect an economic progressive. The Stakes explains how the failure of the economy to serve ordinary Americans opened the door to a demagogic president, and how democracy can still be taken back from Donald Trump. Either the United States continues the long slide into the arms of the bankers and corporate interests and the disaffection of working Americans—the course set in the past half century by Republican and Democratic presidents alike—or we elect a progressive Democrat in the mold of FDR. At stake is nothing less than the continued success of the American experiment in liberal democracy. That success is dependent on a fairer distribution of income, wealth, and life changes—and a reduction in the political influence of financial elites over both parties. The decay of democracy and economic fairness began long before Trump. The American republic is in need of a massive overhaul. It will take not just a resounding Democratic victory in 2020 but a progressive victory to pull back from the brink of autocracy. The Stakes demonstrates how a progressive Democrat has a better chance than a centrist of winning the presidency, and how only this outcome can begin the renewal of the economy and our democracy. A passionate book from one of America's best political analysts, The Stakes is the book to read ahead of the 2020 primaries and general election.
