Analyzing the Structure and Content of the Worksheet

Scenario Description

Typically, the worksheet begins with a brief narrative describing an incident in the lunchroom. This scenario may involve verbal disagreements, misunderstandings, or physical altercations among peers. The narrative sets the stage for analysis by providing context and details necessary for informed responses.

Comprehension and Reflection Questions

Following the scenario, students answer questions that probe their comprehension and emotional response. Questions might include:

- What triggered the fight?

These inquiries encourage students to dissect the incident thoughtfully, fostering empathy and self-reflection.
