

prosperity the choice is yours

Prosperity: The Choice Is Yours

prosperity the choice is yours – this phrase holds a profound truth that resonates deeply with anyone striving for a better life. Prosperity isn't just about wealth or material success; it's a holistic state of flourishing that encompasses financial security, emotional well-being, meaningful relationships, and personal growth. The empowering message here is that achieving prosperity is fundamentally a decision, a mindset, and a series of choices you make every day. It's not something that happens to you by chance, but something you actively create.

In this article, we'll explore how embracing the idea that prosperity is within your control can transform your life. We'll delve into the mindset shifts, habits, and strategies that help unlock abundance in all areas. Whether you're seeking financial freedom, emotional balance, or a fulfilling purpose, understanding that prosperity the choice is yours can be the catalyst for meaningful change.

Understanding Prosperity Beyond Wealth

When most people hear the word prosperity, their minds jump to money, luxury, or success in business. However, true prosperity is a richer concept that blends various dimensions of life. It's about thriving in multiple areas:

- Financial Health: Having enough resources to live comfortably and pursue your goals.
- Emotional Well-being: Experiencing happiness, peace, and resilience.
- Physical Health: Maintaining vitality and energy to enjoy life.
- Social Connections: Building supportive, loving relationships.
- Personal Growth: Continuously learning and evolving as an individual.

Recognizing this broader definition helps you see why prosperity the choice is yours—it's not just about

earning more but about cultivating balance and abundance in all these aspects.

How Prosperity the Choice Is Yours Empowers Your Mindset

The first step toward prosperity is adopting the mindset that you are in control. This empowering belief shifts your perspective from victimhood to ownership. Instead of waiting for luck or external circumstances to change, you start seeing opportunities where others see obstacles.

The Power of Positive Thinking and Visualization

One of the most effective ways to harness the idea of prosperity the choice is yours is through positive thinking and visualization techniques. When you consistently focus on positive outcomes, your brain becomes wired to notice opportunities and solutions, increasing your chances of success.

Visualizing your goals as already achieved creates a mental image that motivates and guides your daily actions. This doesn't mean ignoring challenges but rather cultivating resilience and optimism that keep you moving forward.

Overcoming Limiting Beliefs

Many people unconsciously hold beliefs that limit their potential for prosperity. Thoughts like "I'm not good enough," "Money is hard to come by," or "I don't deserve success" can sabotage efforts. Recognizing and challenging these beliefs is crucial because prosperity the choice is yours only works if your mind is free from self-imposed barriers.

Techniques such as journaling, affirmations, and cognitive restructuring can help replace limiting beliefs with empowering ones. For example, changing "I can't" to "I choose to learn and grow" opens

the door for new possibilities.

Practical Steps Toward Embracing Prosperity the Choice Is Yours

Knowing that prosperity depends on your choices is just the beginning. The next phase is taking deliberate actions that align with this mindset. Here are some practical steps to consider:

1. Set Clear, Meaningful Goals

Without direction, it's easy to drift through life without realizing your potential. Define what prosperity means to you personally and write down specific, measurable goals. These might include saving a certain amount, improving your health, or building stronger relationships.

2. Cultivate Financial Literacy

Understanding how money works empowers you to make smarter decisions. Learn about budgeting, investing, and managing debt. Financial literacy reduces stress and enables you to create a sustainable foundation for prosperity.

3. Build Habits That Support Growth

Successful people often credit daily habits as the secret to their prosperity. Whether it's dedicating time to learning, exercising regularly, or practicing gratitude, small consistent actions compound over time.

4. Surround Yourself With Positive Influences

Your social environment shapes your mindset. Engage with people who inspire, support, and challenge you to grow. Avoid toxic relationships that drain your energy and cloud your vision.

5. Embrace Failure as a Learning Opportunity

Fear of failure can prevent you from taking risks necessary for growth. Instead, view setbacks as lessons that refine your approach. This resilience is a hallmark of prosperous individuals.

Prosperity the Choice Is Yours: Aligning Purpose with Action

True prosperity often stems from aligning your daily actions with your deeper purpose. When what you do resonates with your values and passions, success feels more fulfilling and sustainable.

Discovering Your Why

Spend time reflecting on what drives you. What impact do you want to leave? How do your talents and interests intersect with the needs of others? Clarifying your purpose can fuel motivation and guide your choices toward prosperity.

Taking Inspired Action

Purpose without action remains a dream. Setting intentions grounded in your 'why' makes actions more meaningful and effective. Whether launching a business, volunteering, or pursuing education,

inspired action connects you to a broader vision of prosperity.

Mindfulness and Gratitude: Enhancing Your Prosperity Journey

In the pursuit of prosperity, it's easy to focus on what's missing or what's next. However, cultivating mindfulness and gratitude keeps you grounded and appreciative of your current blessings, which paradoxically attracts more abundance.

The Practice of Gratitude

Regularly acknowledging what you're thankful for shifts your energy from scarcity to abundance. This positive outlook can improve relationships, reduce stress, and open pathways to new opportunities.

Mindfulness in Decision Making

Being present helps you make conscious choices aligned with your goals rather than reacting impulsively. Mindfulness empowers you to recognize when you're acting out of fear or habit and redirect toward prosperity-focused actions.

Breaking Free From External Limitations

Many people feel trapped by circumstances like economic downturns, job loss, or societal barriers. While external factors can be challenging, remembering that prosperity the choice is yours means focusing on what you can control—your attitude, efforts, and resilience.

Adaptability and Continuous Learning

In a rapidly changing world, the ability to learn new skills and adapt is critical for prosperity. Embrace lifelong learning as a tool to stay relevant and open doors to new opportunities.

Seeking Support and Resources

Prosperity doesn't mean going it alone. Utilize resources such as mentors, community groups, or online courses to enhance your capabilities. Asking for help is a strength that accelerates success.

Every day, you have the power to decide how you approach your life and its challenges. The wisdom behind prosperity the choice is yours is that while you can't control every external factor, you can control your mindset, decisions, and actions. This realization is both freeing and motivating—it invites you to become the architect of your own abundant life.

By embracing this truth and applying practical strategies, you open the door to a life where prosperity isn't just a distant dream but a tangible reality within your grasp. Whether it's financial independence, emotional fulfillment, or personal growth, the journey starts with one key choice: to believe that prosperity is yours to claim.

Frequently Asked Questions

What does the phrase 'prosperity the choice is yours' mean?

The phrase means that achieving prosperity depends largely on the choices and decisions one makes, emphasizing personal responsibility and empowerment.

How can adopting a positive mindset influence prosperity?

A positive mindset encourages proactive behavior, resilience, and openness to opportunities, all of which can significantly contribute to achieving prosperity.

What role does goal setting play in choosing prosperity?

Setting clear and achievable goals provides direction and motivation, making it easier to make decisions that align with creating prosperity.

Can financial education impact one's ability to choose prosperity?

Yes, financial education equips individuals with knowledge and skills to manage money wisely, invest smartly, and avoid debt, thereby improving chances of prosperity.

How does personal responsibility relate to the idea that prosperity is a choice?

Personal responsibility means taking ownership of one's actions and decisions, which aligns with the concept that prosperity results from deliberate choices and efforts.

What habits can support the choice of prosperity?

Habits such as disciplined saving, continuous learning, networking, and maintaining a healthy lifestyle support sustained prosperity.

Is prosperity solely about financial wealth?

No, prosperity encompasses overall well-being including financial stability, good health, fulfilling relationships, and personal growth.

How can challenges and setbacks affect the choice of prosperity?

Challenges and setbacks can be obstacles, but viewing them as learning opportunities and maintaining perseverance helps individuals continue making choices that lead to prosperity.

Prosperity: The Choice Is Yours

prosperity the choice is yours—a phrase that encapsulates the essence of self-determination in the pursuit of wealth, success, and overall well-being. In an era marked by economic fluctuations, technological advancements, and shifting social dynamics, the concept of prosperity has evolved beyond mere financial gain. Today, prosperity encompasses a holistic blend of financial security, personal fulfillment, health, and meaningful relationships. This article delves into the intricate layers of prosperity, examining how it is influenced by individual choices and external factors, and why embracing the mindset that prosperity is a deliberate choice can transform lives.

Understanding Prosperity: More Than Just Wealth

At its core, prosperity is often associated with financial abundance, but a comprehensive understanding reveals it as a multidimensional state. Economic data consistently shows disparities in income and wealth distribution worldwide; for example, according to the World Inequality Report 2022, the top 10% of earners hold nearly 52% of global wealth. However, equating prosperity solely with wealth overlooks critical components such as emotional well-being, physical health, and social capital.

The choice to pursue prosperity, therefore, involves cultivating these diverse areas. Studies in positive psychology highlight that individuals who prioritize purpose, social connections, and mental health often report higher life satisfaction, regardless of income level. This broad approach redefines prosperity as a personalized journey, reinforcing the idea that “prosperity the choice is yours” is not

just motivational rhetoric but a practical framework for living.

The Role of Mindset in Achieving Prosperity

Growth Mindset Versus Fixed Mindset

One of the most significant determinants of prosperity is mindset. Carol Dweck's research on growth versus fixed mindsets provides valuable insight into how individuals approach challenges and opportunities. A growth mindset embraces learning, resilience, and adaptability—traits essential for navigating today's complex economic landscape. Conversely, a fixed mindset can limit potential by fostering fear of failure and resistance to change.

When individuals internalize that prosperity is within their control, they are more likely to engage in proactive behaviors such as continuous education, networking, and strategic financial planning. This psychological orientation aligns with the principle that prosperity the choice is yours, emphasizing personal agency over fatalistic attitudes.

Financial Literacy and Decision-Making

Financial literacy is another critical factor influencing prosperity. Data from the National Financial Educators Council reveals that poor financial decisions cost Americans over \$400 billion annually. Understanding budgeting, investing, debt management, and retirement planning empowers individuals to make informed choices, reducing financial stress and increasing the likelihood of long-term wealth accumulation.

The choice to invest time and resources into financial education epitomizes the proactive stance embedded in the statement prosperity the choice is yours. It underscores that access to information

and the willingness to apply it are foundational to achieving economic stability.

External Factors and Their Impact on Personal Prosperity

While personal choices are pivotal, external conditions undeniably shape opportunities for prosperity. Economic policies, education systems, healthcare access, and social safety nets create the environment in which individuals operate.

Economic Environment and Opportunity

Countries with robust economic policies that promote entrepreneurship, innovation, and equal opportunity tend to have higher rates of upward mobility. For instance, Scandinavian nations often rank highly on prosperity indexes due to their inclusive social models and investment in human capital. Conversely, regions plagued by political instability or systemic inequality may limit individual choices, making prosperity harder to attain.

This contextualizes the phrase prosperity the choice is yours within a broader societal framework—while personal agency is crucial, it operates within the constraints and possibilities of one's environment.

Technology and Accessibility

The rise of digital technology has democratized access to resources that can enhance prosperity. Online education platforms, telehealth services, and digital financial tools offer unprecedented opportunities for self-improvement and wealth-building. However, the digital divide remains a barrier for underserved populations, highlighting disparities in who can effectively exercise the choice of prosperity.

Strategies to Embrace Prosperity as a Choice

Acknowledging that prosperity the choice is yours invites practical strategies that individuals can adopt to align their lives with this principle.

- **Set Clear, Measurable Goals:** Defining what prosperity means personally—whether through financial targets, health milestones, or relationship quality—provides direction and motivation.
- **Continuous Learning:** Investing in skills development and staying informed about economic trends enhances adaptability and opportunity recognition.
- **Financial Planning:** Creating budgets, managing debt, and investing wisely establish a foundation for financial security.
- **Health and Wellness Focus:** Prioritizing physical and mental health supports sustained productivity and satisfaction.
- **Building Social Networks:** Cultivating relationships can provide emotional support, mentorship, and access to resources.

Balancing Risks and Rewards

Prosperity often requires calculated risks, such as starting a business or investing in new ventures. Understanding one's risk tolerance and conducting due diligence are essential to avoid pitfalls. The choice to embrace risk in pursuit of growth exemplifies the proactive mindset that prosperity the choice is yours advocates.

Challenges and Common Misconceptions

Despite its empowering message, the notion that prosperity the choice is yours can be misunderstood or oversimplified. Critics argue that such perspectives may inadvertently blame individuals for systemic barriers beyond their control. Indeed, factors like discrimination, economic downturns, or health crises can disrupt even the most determined efforts.

However, recognizing the interplay between choice and circumstance allows for a more nuanced understanding. It encourages resilience and resourcefulness without ignoring structural realities.

The Danger of Overemphasis on Individualism

An exclusive focus on personal responsibility risks neglecting the importance of community support and policy interventions. Prosperity is often a collective outcome influenced by social cohesion and equitable systems. Thus, while the choice to pursue prosperity is individual, fostering environments that enable those choices is equally vital.

Prosperity as an Ongoing Journey

Ultimately, embracing the idea that prosperity the choice is yours frames prosperity not as a fixed destination but an evolving process. Life's unpredictability means goals and definitions of prosperity may shift over time. Continuous reflection, adaptation, and commitment to personal values guide sustainable success.

Incorporating this mindset encourages individuals to take ownership of their paths while remaining flexible in response to changing circumstances. It also invites a broader conversation about how societies can support diverse expressions of prosperity.

The dialogue around prosperity is complex and multifaceted, yet the empowering assertion that prosperity the choice is yours serves as a catalyst for self-awareness, intentional action, and resilience. By integrating personal agency with an understanding of external influences, individuals and communities can navigate the challenges of the modern world and strive toward holistic well-being.

Prosperity The Choice Is Yours

prosperity the choice is yours: Prosperity--The Choice Is Yours Kenneth Copeland, 1985 Is prosperity truly Gods plan for you? Claim the physical and spiritual riches that are yours. Once you understand the plan of abundance God has designed, youll never again accept anything less. Through this scriptural study by Kenneth Copeland, you can be sure that when it comes to Prosperity: The Choice Is Yours.

prosperity the choice is yours: Prosperity the Choice Is Yours Avanzini John, 2004-01-01
prosperity the choice is yours: It's Your Choice Ronnie Jerome Dufael, 2011-09-28 This book can change your life. In this book you will discover a number of things for your happy amazing prosperity. You will experience a complete change of attitude. What you discover will amaze you. See life as youve never seen life before. Your self-esteem will dramatically increase. You like me will discover that your positive emotional feelings are a protective shield around you. The natural laws and principles presented here will help you easily solve your problems. They will instill in you the energy of self-motivation. You will come to the awareness that what we do we do for the Experience of it. Your life is a reflection of your thoughts. You will attract people and things of your predominant thoughts, your strongest thoughts. You will realize that you can easily feel proud to own the person you are. Yes you can be proud of the person that is you. You will discover that it is much easier to do things when you are happy. Yes you can easily solve any problem you may have by discovering and applying these natural laws and principles. The book will help you so you could help yourself. The book will program new thoughts in you. Your new thoughts will enable you to do and have things you never thought possible for you. I ask of you two things as you start this journey. I ask that you read with an open mind and be honest and true to yourself. Have the courage to admit certain lack or shortcomings of yours to you. When you do you put yourself in a position to change you. You may not understand or agree with everything in these pages but certain things will ring true. To believe someone or something is special you just have to continue to think they are special. People do just that in everyday life without being quite aware of it. As long as you continue to think they are special you will believe they are special. If you believe they are special you will treat them in special ways. The Breath Method takes away the pain. As you use the Breath Method you will come to later you will notice that it takes away emotional pain. There is a saying amongst teachers. Teachers said that repetition is the mother of retention. The repetition methods I have used in my books have proven to be very successful for retention of knowledge. As you go through the material you will discover this to be true. These laws and principles will make it easier for you to do and have anything you want including money.

prosperity the choice is yours: The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview, and analyses the movement through N. T. Wright's model for worldview-analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions, which cumulatively offer a multifaceted understanding of how the Word of Faith

interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

prosperity the choice is yours: *The Facts on the Faith Movement* John Ankerberg, John Weldon, 2011-04-22 The growing & much-publicized Faith Movement has captured literally millions of Christians with its seductive claims: Christians are offered health wealth and prosperity if they say the right things and have the right frame of mind - but is it biblical?. Authors answer key questions about the Movement & its leaders: What are the basic teachings of the Faith Movement? How powerful is the Faith Movement & why has it been so successful? What characteristics of the Faith Movement concern people? Do the Faith teachers misinterpret Scripture? This book carefully separates fact from fiction regarding the Faith Movement's disturbing presence in Christianity.

prosperity the choice is yours: *The Patriot's Path* James Schrader, 2009-06-05 Sequel to the hit thriller *When Truth and Justice Die*. While the United States reels in the wake of anarchy unleashed by Tymax and the amoral masses, the lives of Ferguson, Bauer, Isaac, and their fellow patriots are transformed by a mysterious set of documents. Tyranny gains a foothold and spreads like a disease across the land. The angel and the prophet strengthen the patriots' will and confirm the direction they must travel, but the enemy of freedom does not rest. The tyrant and his vassals grope for riches and power and strike a massive blow, but the patriots fight on, carrying the torch of freedom and striving to rescue our nation from the growing wave of oppression. Where will the patriot's path lead, and what will the outcome be? The destiny of freedom lies in the balance as the dwindling flame of patriotism ignites a journey of faith, a race against time, treachery, and the demon of human greed.

prosperity the choice is yours: *The Power of Choice* Angel de Luz, 2017-11-18 The power of choice is the strength that comes from the depths of the heart. It is never wrong, and the result of the action must always be accepted. Whether positive or negative, the result should always be seen as a teaching, in the end the good and the bad case leads to learning. The Power of Choice is subtle, you must learn to listen to your intuition accompanied by the energy of the heart, if you choose what you most want to do, you are on the path of Love, if you do not enter a path full of obstacles because you so wished, never blame others for your state, because you are solely responsible for your actions.

prosperity the choice is yours: *A Theology of Hope* Sang Yun Lee, 2019-01-03 Lee advocates a theology of hope, essentially different from the Moltmann version on which the idea is developed. Lee shows how Cho's message, particularly in its promise of a saved healthy, happy and prosperous life (the Threefold Blessing), was the antidote to the events that had ravaged the Korean peninsula in the 1950s. At the same time, Asian Pentecostal scholars might also need a greater appreciation for both the diversity and richness of their cultural and religious past. . . . [They] have found both culturally and biblically acceptable alternatives to, and adaptations from, the practices of their ancient religions and are seeking to provide answers to the needs of their own context. --Allan H. Anderson, University of Birmingham, England (From the Foreword)

prosperity the choice is yours: *NIVAC Bundle 7: Pauline Epistles* Douglas J. Moo, Craig L. Blomberg, Scott J. Hafemann, Scot McKnight, Klyne Snodgrass, Frank S. Thielman, Daniel Garland, Michael W. Holmes, Walter L. Liefeld, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary

Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

prosperity the choice is yours: John Owen, 2008-10 The 2007 Navy football season was a testament to courage, resilience, and a sheer determination to never give up. Into the Fire recounts the heart-stopping victories and heart-breaking losses, and interweaves stories of the remarkable young men who week after week took on teams who were bigger, faster and stronger than they were, but who never flinched in the face of a good fight.--P. [4] of cover.

prosperity the choice is yours: Christianity and Politics in Doe's Liberia Paul Gifford, 2002-05-16 This study examines the role of Christianity in Liberia under the corrupt regime of Samuel K. Doe (1980-1990). Paul Gifford shows that, in general, Liberian Christianity--far from being a force for justice and human advancement--diverted attention from the cause of Liberia's ills, left change to God's miraculous intervention, encouraged obedience and acceptance of the status quo, and thus served to entrench Doe's power. This Christianity, devised in and controlled from the United States, thus furthered regional American economic and political objectives, which were designed to support Doe's rule.

prosperity the choice is yours: *Living in the Light* Johnny Hunt, 2018-11-27 Living in the Light is a thoroughly trustworthy and inspiring devotional focused on the Light of the World, Jesus, and how to live as a reflection of His light. Living in Jesus' light has the power to change lives, relationships, and the world at large. Each daily entry includes uplifting Scripture passages, a devotion, and a prayer. Explore such interesting themes as how Jesus is a lamp unto your feet, how to be a reflection of Jesus' light, and how Jesus lights the path to your future.

prosperity the choice is yours: *The Power of Choice* by Muiyiwa Ajayi Muiyiwa Ajayi, 2022-11-30 Life does not get better by chance but by choice. Regardless of whatever justifications one may have for making choices, we are all the products of our decisions. We are all free to make the point for making certain, until the choice begins to control the chooser. Where you are is as a result of some of the choices you made in the past and where you will be in the future is a function of the choices you made today. If you are not comfortable with the results that you are getting in life or the situations you find yourself in then you need to examine the choices you are making.

prosperity the choice is yours: *Getting Yours* Bambi Holzer, 2002-04-08 PRAISE FOR GETTING YOURS Believe it or not, you won't want to put this book down once you get started. That's rare for a book on investing, but this one's a gem. -Ed McVey, Chairman, Templeton Private Group I've known Bambi for many years and have read and enjoyed her first two books, but Getting Yours is the best yet! She inspires her readers to take easy steps to achieve their financial goals. I highly recommend this book to beginners and investment pros alike. -Victor Norton, Principal, Managing Director of Advisory Services, Kayne Anderson Rudnick Finally, a book on personal finance that's fun to read! I'm buying copies for all my friends and family-it's that good! -Gloria Mayer, President, Institute for Healthcare Advancement Coauthor, Goldilocks on Management

prosperity the choice is yours: *Prospering in Hard Times by Applying Your Faith* Wallace Frazier, 2014-01-13 *Prospering in Hard Times by Applying Your Faith: Receiving the Object of Your Faith* by Wallace Frazier *Prospering in Hard Times by Applying Your Faith* explores the truth and knowledge imparted by religion from sources beyond that of the traditional reference Bible. In this analysis of faith, Wallace W. Frazier breaks down and reviews the hierarchy of the multitude of celestial figures. He describes a revelation of Christ Jesus of Nazareth unknown-or at least unrevealed- in traditional religious or sacred books. In exploring lesser-known spiritual personalities, he de-conditions the enlightened reader and truth seeker from the limited, primitive, and traditional concepts of faith and fills the void with a process of applying your faith that produces both spiritual and material fruit. In this philosophical breakdown of faith and its history, the author seeks to encourage, enlighten, and inspire the people--brothers and sisters of humankind--to receive the Spirit of Truth, who is Christ Jesus (since His ascension, no longer one-in-the-same with Christ Jesus of Nazareth). Furthermore, *Prospering in Hard Times by Applying Your Faith* exposes truths to be found and received outside the Bible and traditional religious organizations About the Author In 2001 Wallace W. Frazier recognized that the Heavenly Father had a purpose for his life; Mr. Frazier was beginning to understand the processes by which faith is made effective. He then began sharing this in his teaching and writing. During many life-changes and much prayer and meditation, he engaged heavily into researching biblical histories. His findings supported what he already perceived--that many things in the Bible are indeed true, while others are far from the truth. Finally, this research has been compiled and published. Wallace is a native of Oklahoma, where he continues to make his residence today with his wife of over 40 years. He is a self-employed writer and teacher. Mr. Frazier enjoys filling free time with reading, researching, gardening, fishing, and chess. Other published works include, *A Casualty of War: The War on Drugs, The War Within, and Providence: The Journey, The Discovery, The Destination*.

prosperity the choice is yours: *A Tempered and Humane Economy* Jannett Highfill, Patricia Podd Webber, 2014-12-23 *A tempered and humane economy finds a balance between the market principle, "economic reward follows economic contribution," and the family economic principle, "respect abilities, respect needs."* Markets are tempered by the wisdom gained from family experiences in the way that steel is iron tempered by fire. A humane economy meets the needs and aspirations of all persons in the way that a well-tempered musical instrument allows for the playing of music in every key without discord. *A Tempered and Humane Economy: Markets, Families, and Behavioral Economics* argues that economists must incorporate the insights of behavioral economics into their reflections on micro- and macro-economic policy. The elephant in the room is how Americans are increasingly raising their children with an appropriate sense of entitlement and empowerment by involving them in decision making at home. We raise our children to find or create a job they will love, expecting that will make them highly productive. Not all children have these advantages, a problem we tackle head on, but enough of them do to create a critical mass of young adults who will transform our economy in a positive way for persons everywhere along the income distribution. Our vision for the U.S. Economy is one of tempered optimism and humane prosperity.

prosperity the choice is yours: *The Women's Study Bible* Mary J. Evans, 2009 Everyone knows about Noah, Moses, and Paul. But what about Hagar, Michal, and Priscilla, all women who had a direct influence in the story of God's people? The Bible is full of fascinating, powerful, and faithful women, as well as lessons that have unique meaning for women today. In *The Women's*

Study Bible, respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today. Separate sidebars cover topics such as midwifery, women disciples, and female images of God. The Women's Study Bible doesn't shy away from the difficult issues, but helps readers to understand them better in both their original context and the modern world. The New Living Translation of the Bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included. --Book Jacket.

prosperity the choice is yours: American Breeder , 1918

prosperity the choice is yours: Hope for Today Bible Joel Osteen, 2013-08-27 God's Word is Truth. It is the very character and essence of God in written form. As you study the Scriptures with an alert mind and a receptive heart, you will be strengthened, empowered, and filled with the hope that comes through a loving and growing relationship with Jesus Christ. We are who the Bible says we are, we can have what it says we can have, and we can do all that it promises we can do. This is the heart of the message that Joel and Victoria Osteen share every week with an audience of millions around the world via television, the internet, and worship events. Their practical, uplifting message of hope found in Christ has changed the lives of individuals, impacted families, and literally transformed communities. They place an incredible value on the principles of the Bible, which have a miraculous, life-changing impact on anyone who is willing to study and obey its truths. The Hope for Today Bible is filled with insights, notes, and encouragements from Joel and Victoria designed to help you grow deeper in your walk with God. It also includes specific verses that you can pray over your relationships, your children, your finances, and your health. In addition, HopePoints are key words and supporting scriptures related to topics such as favor, forgiveness, anger, depression, loneliness, self-control, and many more. This Bible is presented in the New Living Translation, which combines phenomenal scholarship and textual accuracy with clear, easy-to-understand contemporary language. The Bible will come alive and become clear like never before.
