

after the rapture an end times guide to survival

****After the Rapture: An End Times Guide to Survival****

After the rapture an end times guide to survival is a topic that has fascinated and concerned many for decades. Whether you approach it from a theological perspective, a preparedness standpoint, or simply out of curiosity, understanding what comes next and how to navigate those uncertain days is crucial. The rapture, as described in various biblical prophecies, signifies a sudden and dramatic event where believers are taken up, leaving behind a world plunged into chaos and tribulation. This guide aims to shed light on what survival might look like in such times and how one can prepare mentally, spiritually, and physically for what lies ahead.

Understanding the Aftermath of the Rapture

The rapture is often depicted as an instant disappearance of millions of people who have faith in Christ. This event would undoubtedly create widespread confusion and fear among those left behind. Governments might collapse, societal structures could falter, and a spiritual battle on Earth would intensify. Knowing what to expect after the rapture is the first step toward survival.

The Spiritual and Social Impact

When the rapture occurs, the immediate aftermath involves a significant spiritual shift. People left behind may experience doubt, fear, or even denial about what has happened. This period is often described in scripture as the beginning of the Tribulation, a time of intense persecution and suffering.

Socially, communities will be torn apart by the absence of so many. Families might be separated physically and emotionally. Trust in institutions could erode quickly as chaos spreads. Understanding these dynamics can help individuals prepare for the psychological and emotional challenges of survival.

Physical Preparedness: Practical Tips for Survival

Surviving after the rapture isn't just about spiritual readiness—it's also about practical survival skills. The world will face shortages of food, water, and basic necessities. Therefore, having a plan and supplies can make a significant difference.

Stockpiling Essentials

In anticipation of the upheaval, stockpiling essentials is a wise move. Consider the following items:

- **Non-perishable food:** Canned goods, dried grains, and freeze-dried meals.
- **Clean water:** Bottled water and purification tools like filters and tablets.
- **Medical supplies:** First aid kits, prescription medications, and vitamins.
- **Tools and equipment:** Flashlights, batteries, multi-tools, and fire-starting materials.
- **Self-defense items:** Depending on local laws, this may include pepper spray or other non-lethal options.

Building a Safe Shelter

Safety becomes paramount after the rapture. Establishing a secure, defensible shelter can protect you from potential threats. This could be as simple as reinforcing your home or identifying a remote location to retreat to if urban areas become too dangerous.

Developing Survival Skills

Beyond supplies, learning survival skills is invaluable. Skills such as:

- Basic first aid and CPR
- Food preservation and foraging
- Water sourcing and purification
- Navigation without technology
- Gardening and small-scale farming

These abilities can sustain you when modern conveniences fail.

Spiritual Resilience: Staying Strong in Faith

While physical survival is essential, spiritual resilience is equally important in the aftermath of the rapture. The end times are marked by trials that test faith and conviction.

Maintaining Hope and Faith

Understanding biblical prophecies can help believers and even those seeking faith to find hope amid turmoil. Regular prayer, reading scripture, and fellowship with other survivors can provide strength and encouragement.

Recognizing Deception and Staying Grounded

The end times are often associated with deception and false teachings. Being grounded in scripture and critical thinking can help individuals discern truth from lies. It's vital to avoid panic and manipulation during this fragile period.

Community and Cooperation: The Key to Long-Term Survival

Isolation can be dangerous after the rapture. Building a network of trusted individuals enhances chances of survival and emotional well-being.

Forming Support Groups

Pooling resources, skills, and knowledge with others creates a stronger, safer environment. Whether it's a neighborhood group or a faith-based community, cooperation fosters resilience.

Sharing Resources and Knowledge

In a world where resources are scarce, sharing is not just altruistic but strategic. Exchanging skills like medicine, farming, or security can benefit everyone involved.

Adapting to a New World Order

The end times following the rapture might bring about drastic changes in governance and societal norms. Adapting quickly is vital.

Staying Informed and Vigilant

Even with disrupted communication, finding ways to stay informed about local developments helps in making wise decisions. Listening to trusted sources and staying aware of potential threats is

crucial.

Accepting Change and Finding Purpose

Survival isn't merely about enduring hardship—it's about finding meaning in the midst of it. Helping others, growing spiritually, and contributing to rebuilding efforts can bring purpose during uncertain times.

The reality of life after the rapture, as portrayed in biblical prophecy, is undeniably challenging. However, by preparing both practically and spiritually, and by fostering strong community ties, survival becomes more achievable. This end times guide to survival encourages not only readiness but also hope, resilience, and faith in the face of what may come. After all, survival is as much about the heart and mind as it is about food and shelter.

Frequently Asked Questions

What is the main premise of 'After the Rapture: An End Times Guide to Survival'?

'After the Rapture: An End Times Guide to Survival' explores practical steps and spiritual guidance for believers to navigate the tribulations and challenges following the rapture, focusing on faith, preparedness, and survival strategies.

Who is the intended audience for 'After the Rapture: An End Times Guide to Survival'?

The book is primarily aimed at Christians who want to understand and prepare for the events prophesied in the Bible's end times, especially those concerned about surviving the period after the rapture.

Does the guide provide practical survival tips or is it purely theological?

The guide combines both theological insights with practical survival tips, including food and water storage, safety measures, and ways to maintain spiritual strength during end times.

How does 'After the Rapture' suggest believers maintain their faith during tribulation?

The guide emphasizes the importance of prayer, studying scripture, community support among fellow believers, and trusting in God's promises to sustain faith during difficult times.

Are there any recommended resources or tools mentioned in the guide for end times survival?

Yes, the guide recommends resources such as emergency preparedness kits, Bibles, devotional materials, and communication tools to stay connected with other believers.

What timeframe does 'After the Rapture' focus on within the end times scenario?

The book primarily focuses on the period immediately following the rapture, covering the ensuing tribulation and challenges leading up to the second coming of Christ.

Does the guide address how to recognize signs of the rapture and end times?

Yes, it discusses biblical signs and prophecies that may indicate the approach of the rapture and end times, helping readers stay vigilant and prepared.

Is 'After the Rapture' suitable for non-religious readers interested in end times survival?

While the guide is rooted in Christian theology, its practical survival advice may also be useful to non-religious readers interested in disaster preparedness during catastrophic events.

Additional Resources

****After the Rapture: An End Times Guide to Survival****

after the rapture an end times guide to survival serves as a critical resource for those seeking clarity and preparedness in the face of apocalyptic scenarios depicted in various religious and secular narratives. The concept of the rapture—a sudden, divine event where believers are taken from the Earth—has permeated popular culture, theology, and survivalist discussions. This guide aims to explore practical survival strategies, spiritual considerations, and societal impacts following such an event, offering a balanced and data-driven perspective on what survival might entail in the aftermath.

Understanding the Context: What Happens After the Rapture?

The rapture is primarily associated with Christian eschatology, where it represents the moment believers are caught up to meet Christ, leaving the rest of humanity behind to face tribulations. This event is often portrayed as a catalyst for widespread chaos, societal collapse, and the onset of end times. From a survival standpoint, the period following the rapture is characterized by uncertainty, resource scarcity, and potential lawlessness.

Experts in disaster preparedness emphasize the need to anticipate disruptions in infrastructure, communication, and governance. Historical analogs such as natural disasters and civil unrest provide insights into human behavior and resource management under stress, which are applicable to post-rapture scenarios.

Psychological and Social Dynamics Post-Rapture

Psychological resilience becomes an essential factor in survival after the rapture. The sudden disappearance of a significant portion of the population could induce mass panic, grief, and a breakdown of social order. Mental health professionals suggest techniques such as mindfulness, community support, and structured routines to maintain psychological stability.

Moreover, societal structures might fragment, with new leadership dynamics emerging from survivors. Understanding group behavior, leadership roles, and conflict resolution will be critical in maintaining cohesion and safety.

Survival Strategies in a Post-Rapture World

Survival after the rapture is multifaceted, involving physical preparedness, spiritual fortitude, and adaptability. This section delves into actionable strategies that can enhance chances of enduring the challenges ahead.

Resource Management and Sustainability

One of the immediate challenges after the rapture would be securing access to food, water, and shelter. Supply chains are likely to be disrupted, making self-sufficiency paramount.

- **Food Security:** Developing skills in foraging, hunting, and sustainable gardening can provide a continuous food supply. Preservation techniques such as dehydration and canning extend food longevity.
- **Water Purification:** Access to clean water is vital. Methods include boiling, chemical treatment, and filtration systems. Rainwater harvesting can supplement natural sources.
- **Shelter and Safety:** Securing or constructing shelter that protects from environmental hazards and potential threats is crucial. Considerations include location, structural integrity, and camouflage.

Communication and Information Gathering

In the absence of conventional communication networks, alternative methods become essential. Ham radios, satellite phones, and signal mirrors can facilitate contact with other survivors. Additionally, maintaining situational awareness through observation and scouting aids in anticipating dangers or locating resources.

Health and Medical Preparedness

Medical emergencies are inevitable in any survival scenario. Stockpiling first aid supplies, learning basic medical procedures, and understanding common illnesses are vital components of post-rapture survival. Vaccination status and knowledge of herbal remedies might also play roles in mitigating health risks.

Spiritual and Ethical Considerations

Survival after the rapture is not only a physical challenge but also a profound spiritual journey for many. The event itself, steeped in theological significance, calls for reflection on faith, morality, and human purpose.

Maintaining Faith Amidst Chaos

For believers left behind, grappling with the theological implications can either be a source of despair or resilience. Encouraging communal worship, scriptural study, and prayer can provide emotional strength and a sense of purpose.

Ethical Decision-Making in Survival Situations

Resource scarcity and lawlessness can test moral boundaries. Establishing a personal and group ethical framework helps navigate dilemmas such as resource allocation, conflict resolution, and protection of vulnerable individuals. Historical case studies from post-disaster scenarios highlight the importance of maintaining humanity in dire circumstances.

Technological and Practical Tools for End Times Survival

Modern technology offers several advantages for surviving in a post-apocalyptic environment, even if severely limited.

Essential Gear and Equipment

Survivalists recommend a combination of tools designed for versatility and durability. Key items include:

1. Multi-purpose knives and tools
2. Portable water filters
3. Solar-powered chargers and lighting
4. Fire-starting kits
5. Compact first aid kits

Energy Sources and Mobility

With grid failures expected, alternative energy sources such as solar panels, wind turbines, and hand-crank devices become vital. Additionally, having reliable transportation—bicycles or fuel-efficient vehicles—can facilitate resource gathering and relocation if necessary.

Community Building and Long-Term Sustainability

Survival after the rapture is not merely about individual endurance but also about collective resilience. Building or joining communities focused on mutual aid, defense, and resource sharing increases survival odds.

Establishing Safe Zones

Identifying and securing locations that offer natural protection, water access, and arable land is a strategic priority. Communities can create safe zones with controlled entry, surveillance measures, and shared responsibilities.

Skills Sharing and Education

Pooling knowledge enhances adaptability. Skills such as agriculture, mechanics, medicine, and defense are invaluable. Teaching younger generations ensures the continuity of survival knowledge and cultural values.

Challenges and Risks in Post-Rapture Survival

While preparation can mitigate many dangers, certain risks remain inherent to such a scenario.

- **Violence and Lawlessness:** Breakdown of law enforcement may lead to increased crime and conflict among survivors.
- **Environmental Hazards:** Natural disasters, climate extremes, and pandemics could exacerbate hardships.
- **Psychological Strain:** Prolonged stress and grief might lead to depression or breakdowns in community cohesion.

Balancing vigilance with compassion becomes a delicate but necessary act in navigating these risks.

After the rapture, survival hinges on a blend of pragmatic preparedness, spiritual resilience, and communal solidarity. While the end times present daunting challenges, informed strategies and adaptive mindsets offer pathways to not only endure but find meaning amidst upheaval. This comprehensive guide seeks to equip individuals with the knowledge and perspective needed to face such extraordinary circumstances with clarity and purpose.

[After The Rapture An End Times Guide To Survival](#)

after the rapture an end times guide to survival: The Prophecy Collection: The End Times Survival Guide, the Coming Apostasy, Russia Rising Mark Hitchcock, 2021-10 Three

popular books, now collected for the first time in one special edition! We live in a world that seems to be on the verge of coming apart. Shootings. Killer viruses. The threat of nuclear war. All of it is just too real. What is happening in our world today is moving Christians to return to the foundations of our spiritual existence. Believers everywhere must get back to what matters most. We must always remember our battle, at its most basic level, is spiritual. In *The Prophecy Collection*, popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what's happening--and to prepare for the future--through three important works: *The End Times Survival Guide* *The Coming Apostasy* (coauthored with Jeff Kinley) *Russia Rising* As we prepare for the Lord's coming, it's time to understand the biblical truths you need to know in order to face an increasingly decaying, darkening world. No matter what the future holds, anchor your spiritual health and welfare on the immovable rock of God's Word.

after the rapture an end times guide to survival: *The End Times Survival Guide* Mark Hitchcock, 2018 In *The end times survival guide*, you will discover ten spiritual tools the Bible relates directly to our preparation for the Lord's coming--ten biblical survival strategies to live out in these last days so you and your family can prosper in an increasingly decaying, darkening world. These strategies won't guarantee your physical or financial well-being, but they are guaranteed to bring life and vitality to your spiritual health and welfare as you cling to the immovable rock of God's Word.

after the rapture an end times guide to survival: *A Christian Survival Guide* Ed Cizewski, 2014 No one ever plans to fail in their faith. We all think we'll be the kind of Christian who follows the straight and narrow, ending our days with the relief of knowing we were ultimately a good and faithful servant. So why do so many leave that road? What enables some to survive as Christians when so many others have faltered? With *A Christian Survival Guide*, Ed Cizewski steps up to be your trail guide and provide some possible answers. He addresses some of the biggest, toughest questions in Christianity, including: - Disturbing Bible stories - Hell and what it means - Does the Bible have to be true? - The question of evil- Money and the church- Evangelizing when no one wants to listen Candid and wry, Cizewski deals with the tension of hard questions without resorting to empty answers, cliches, relativism, or the smug certainty that can so often drive seekers and strugglers further away. This popular blogger also has a knack of making long-ago biblical figures absolutely recognizable in today's issues. This survival guide is not meant to be a one size fits all handbook. It is a first step to confronting the big issues and challenges of a life of faith--even the ones that Christians fear most. Cizewski writes for those who both care and question deeply, and offers survival tips to help readers move from living on the edge to a place of health and life.

after the rapture an end times guide to survival: *When Time Shall Be No More* Paul Boyer, 1994-01-01 As influential as prophecy is in the worldview of so many, the belief in the phenomenon remains a popular mystery, largely unstudied and little understood. *When Time Shall Be No More* offers for the first time an in-depth look at the subtle, pervasive ways in which prophecy belief shapes contemporary American thought and culture.

after the rapture an end times guide to survival: *Last-Days Survival Guide Study Guide (Revised Edition)* Rick Renner, 2024-03-01 God Wants You Prepared for These Perilous Times If you are tuned to the voice of the Holy Spirit, you already know we're living at the end of this last-days age. As people chosen by God to live in this time frame, we are going to experience bizarre developments that no other age has ever witnessed. How do we survive the evil influences being perpetuated through Hollywood, all forms of media, education, government, and the courts? God is not in the business of scaring us, but He is in the business of preparing us to navigate these turbulent times. With the Word of God and the Holy Spirit as our guide, we can do it! In this 15-part series, Rick Renner covers: What the Holy Spirit prophesied about the major signs we'll see in society at the end of the age. What are the key areas the devil will try to pervert in society? What we need to do to not get caught up in these messes. If you will give your ears to what the Word of God has to say, you will be anointed, prepared, and victorious regardless of the moral confusion of an ever-darkening world.

after the rapture an end times guide to survival: *A Survival Guide for Heretics* Aaron Van Voorhis, 2016-11-18 So many people are leaving the church today because of its hypocrisy, bigotry, and intellectual dishonesty. Such heretics find themselves in exile, wondering if there is anything worth holding onto regarding Christianity and faith. The answer is: Yes, but probably not in the way you think. *A Survival Guide for Heretics* reveals that the scandalous heart of Christianity is about the death of religion and the resurrection of a new way of living in the world called the kingdom of God. Drawing upon the fields of psychology, philosophy, and Radical Theology, this book guides readers step by step through their own spiritual journeys and reveals how they got where they're at and how to move forward. Along the way, Aaron Van Voorhis addresses some of the hardest questions perplexing Christians today and offers some surprising answers. As a pastor, Aaron uses his personal story and the story of his church as examples of how Christianity might be embodied in the twenty-first century. Deeply informed by the work of Peter Rollins and John D. Caputo, among others, *A Survival Guide for Heretics* is a very accessible and necessary book for anyone struggling with their faith.

after the rapture an end times guide to survival: *The Rapture, the Antichrist, and the Tribulation* Rick Renner, 2025-09-02 YOU'VE HEARD OF THE RAPTURE. BUT WHAT HAPPENS NEXT? Questions about the Bible and God's timeline of events for human history abound as more people sense we are reaching the end of an age. They instinctively know that when one epoch of time ends, another lies in wait and will soon after begin. But what is the pivotal point in time upon which these mysterious next events hinge? In this book, Rick Renner takes you on a deep dive into Scripture to show you that Christ's rapture of His Church is the domino-event that will set in motion the next phase in God's prophetic timeline. The Rapture is the event God's people should desirously anticipate as they prepare to meet Him face to face. But the Rapture, Heaven, and the Marriage Supper of the Lamb are not the end for true believers in Christ, as Rick vividly explains. In this book, you'll learn: Which group of saints will be raised first to meet Jesus in the Rapture. The identity of those who are alive and remain that will be raised next. The origin of the word rapture and every Greek instance of this word in the New Testament. How to be prepared for the Rapture in the dark last hours of time. What it will look like when mortal bodies put on immortality. The identity of the restrainer that withstands the onslaught of evil on the earth right now. The Antichrist's attributes according to Scripture and when he will finally be revealed. How to avoid contamination by the spirit of the Antichrist that is already in the world. Five differences between the Rapture of the Church and the Second Coming of Christ. Who will be affected by the horrific bowls of judgment in the Great Tribulation to come. And much more! This book will answer many of your questions about end-time events and surprise you with information on this subject you probably didn't know existed. In fact, this may be the most comprehensive look at all three topics -- the Rapture, the Antichrist, and the Tribulation -- you've ever read in just one book!

after the rapture an end times guide to survival: *Apocalyptic Fever* Richard G. Kyle, 2012-08-01 How will the world end? Doomsday ideas in Western history have been both persistent and adaptable, peaking at various times, including in modern America. Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event. The views expressed in these polls have been reinforced by the market process. Whether through purchasing paperbacks or watching television programs, millions of Americans have expressed an interest in end-time events. Americans have a tremendous appetite for prophecy, more than nearly any other people in the modern world. Why do Americans love doomsday? In *Apocalyptic Fever*, Richard Kyle attempts to answer this question, showing how dispensational premillennialism has been the driving force behind doomsday ideas. Yet while several chapters are devoted to this topic, this book covers much more. It surveys end-time views in modern America from a wide range of perspectives--dispensationalism, Catholicism, science, fringe religions, the occult, fiction, the year 2000, Islam, politics, the Mayan calendar, and more.

after the rapture an end times guide to survival: *Don't Be Left Behind: A Christian's Urgent Guide to the Rapture and the End Times* Sam Choo, Are You Ready—Or Just Assuming

You Are? Millions will vanish in the twinkling of an eye. The world will plunge into chaos. And the door of mercy will slam shut. Will you be taken—or left behind? *Don't Be Left Behind* is a bold and urgent wake-up call for every believer. In a time when comfort has replaced conviction and entertainment has replaced holiness, author Sam Choo delivers a clear, Scripture-based roadmap for preparing your heart before it's too late. Discover what the Bible really says about the Rapture, why many churchgoers won't make it, and how to live with daily readiness in a world gone blind. This isn't just a prophecy book—it's a survival manual for your soul. If you've ever wondered whether you're truly ready to meet Jesus, this book is your final warning—and your clearest guide. He's coming soon. Don't play with eternity.

after the rapture an end times guide to survival: *The Salvation Survival Guide* JT Zory, Dalila Stitz, Matt White, 2023-09-14 Have you suddenly been shaken by the realization that your connection with God is lacking authenticity or intimacy? Perhaps it is because your relationship with Him is distant, distorted, or even possibly, stone dead. Don't despair! The God of all gods wants to both save you and draw near to you in intimate fellowship. But, learning how to get to know and walk with the God of the Universe in a practical way proves elusive to many. With Christianity being presented with as many variations as there are ice cream flavors, it can be difficult to sort out the spiritual treasure from the trash. If you were once asleep, but now are wide awake to the truth of how desperately you need God's manifest presence in your life, then this is the guide for you. In *The Salvation Survival Guide*, JT Zory, Dalila Stitz, and Matt White invite you to experience their journeys of having the mighty hand of God shaking them awake to the truth. Whether being lifelong "Christians" or peak sinners, all were unknowingly on the wide path that leads to destruction. Come along as they share their testimonies as well as practical insights of how the Spirit of God led them out of the ruins and into relationship. In this guide, you will learn: how to hear God's voice practical tips for getting to know God why you need and how to ask for the Baptism of the Spirit the importance of forgiveness steps for walking through deep repentance about spiritual weapons and how to use them ...and more. *The Salvation Survival Guide* is designed to be used as a toolkit. At the end of each major section there are additional tips, exercises, or resources to help you gain a better understanding of the concepts as well as practically apply everything you learn. With this guide, you can go from being a casual acquaintance of the Most High God to the closest of friends.

after the rapture an end times guide to survival: *Wake Up! the End Is Coming!* Leslie Weems, 2020-11-03 WAKE UP! THE END IS COMING! "FINAL WARNING" IS LIKE NO OTHER BOOK YOU HAVE EVER READ! after the rapture an end times guide to survival: *The Rapture (Study Guide)* Bill Vincent, 2025-03-06 In *The Rapture (Study Guide)*: Details of the Second Coming of Christ, best-selling author Bill Vincent provides an in-depth, Scripture-based exploration of end-times prophecy. Covering key topics such as the resurrection of the dead, the Great Tribulation, the role of Israel, and the Millennial Reign of Christ, this study guide offers clarity and biblical insight into the events leading up to Christ's return. Each chapter carefully examines essential doctrines, debunks common misconceptions, and encourages believers to stand firm in faith as they prepare for the coming of the Lord. With a strong emphasis on biblical truth, this study guide is a vital resource for anyone seeking to understand prophecy, strengthen their walk with God, and remain watchful in these last days. Whether you are a pastor, Bible study leader, or believer eager to deepen your understanding of eschatology, *The Rapture (Study Guide)* will equip you with the knowledge and spiritual preparedness needed to navigate the end times with confidence and faith.

after the rapture an end times guide to survival: *What I'm Trying to Say is Goodbye* Lois

Simmie, 2015-01-08 In Simmie's trademark style, this sweeping new novel is the funny, sad and engaging story of a shattered family's attempt to figure out where exactly each member fits. Matthew's a burned-out, recovering alcoholic ex-newspaperman who finds himself almost nightly roaming the halls of the Victoria apartment building he looks after while fighting to stay on the wagon. Delia's his estranged wife, who still likes him - she left him reluctantly when she didn't know what else to do - but doesn't really trust him. Kate's their daughter, trapped in a loveless marriage with Michael, her religious zealot husband who can't wait for the end of the world. Sam's the grandson, caught in the middle but looking hard for a way out. With this heartbreaking cast of characters, Lois Simmie assembles a true fictional tour de force, a roller coaster of a novel that just won't let up until the final page. As Matthew deals daily with the eccentric tenants of his building and struggles to resist the powerful temptation to hit the bottle again, he's not necessarily in a reflective mood. Lord knows he's got his own troubles. But as sobriety takes a bit more root in him and he begins to look outward, he sees that he's not the only one with problems. In fact, maybe others - people that he loves in his own way and still, in their own ways, love him - have problems bigger than his. But these are people he's let down in the past with his cowardly ways, with his weakness, with his self-absorption. It's going to take every ounce of courage that he's got, all the wisdom he can muster, all the wherewithal he's not sure he possesses, to try to make a difference. It was too late once. But if he fails this time, it really is goodbye.

after the rapture an end times guide to survival: The End Times Survival Guide Jay Schein, 2013-01-17 Every Christian should have at least one or more of this paperback missionary - a witness for Christ when the Rapture occurs in End Times. It is to be left behind as an encouragement for the millions who were not saved and will face the Tribulation. It is the Gospel, compelling, exacting and totally Biblical. It is a witness that appeals to the reader both intellectually and emotionally, showing them step by step what they are up against and how to save themselves and their loved ones. There is a place for your name and your personal message to them on the very first page. It is encouragement and the strength of the Gospel that will show them the only way to gain eternal life is to lose the one they have now and not take the mark of the beast when the first three and one-half years of the final prophecy of God's Judgment upon the earth takes place. The book has been theologically edited by a Calvary Chapel Senior Pastor and written by a Christian Author, a Calvary Chapel Bible Institute graduate, Chaplain and Counselor. You can use it right now to present to the unsaved so they may see what the future holds when God fulfills the prophecy of His judgment on the earth. This is the gift you will leave for mankind, the book you will read and leave behind after you have dedicated it. Have several on hand and leave one at your place of residence and on the job. It may also be used as a witness right now, for those who are not saved. This book is a must-have. Ask your church or Bible Study group to look it over and then order them for your church, and utilize it as a written witness within your community as an outreach. The Gospel and the Book of Revelation in a simple presentation towards only one result - the reader to seek the salvation of Jesus Christ so they may join the saints of the world forever when Christ and His saints return to establish the new heaven and earth.

after the rapture an end times guide to survival: The Divine Library: A Short Comprehensive Summary Guide to the Bible Anthea Peries, 2023-03-23 The Bible is perhaps human history's most influential and widely read book. It has been translated into thousands of languages and has shaped the beliefs and practices of countless individuals and communities across the world. Whether you are a newcomer to the Bible or a seasoned reader, this book aims to offer fresh insights and perspectives on this ancient yet timeless text. Get this book now.

after the rapture an end times guide to survival: The Non-Prophet's Guide to the Rapture Todd Hampson, 2026-02-10 How the Reality of the Rapture Changes Everything The doctrine of the rapture is criticized and disputed by many people today. But when you take a close

look at church history and the witness of Scripture, you'll discover for yourself the clear reality of this future event—and the profound impact it can have on your life in the present! The Non-Prophet's Guide™ to the Rapture combines engaging illustrations and down-to-earth explanations to show you precisely what church history and Scripture reveal about the rapture. Find clear answers to challenging questions, including What is the rapture, and when will it occur? Is talk of the end times and the rapture just a distracting sideshow for sensationalists? What did the early church believe about this event? What does God's Word say? In the same way that an upcoming match or game prompts an athlete to train with intensity and focus, the reality of the rapture can fill your every thought, word, and deed with power and purpose. Get ready to discover how living with God's future promises in mind can fill you with more confidence and hope today!

after the rapture an end times guide to survival: Apocalypses Eugen Weber, 2011-09-21 Eugen Weber delivered the Barbara Frum Historical Lecture, based on Apocalypses, at the University of Toronto in March 1999. This annual lecture on a subject of contemporary history in historical perspective was established in memory of Barbara Frum. Apocalypses Prophecies, Cults and Millennial Beliefs through the Ages The Barbara Frum Historical Lectureship A national bestseller What drove eminent historian Eugen Weber to write Apocalypses? His desire to redress the historical and religious amnesia that has consigned the study of apocalyptic and millennialist thought to the lunatic fringe. An absolute belief in the end time was omnipresent until the 17th century, and retains many adherents even now. Apocalyptic visions and prophecies inspired crusades, scientific discoveries, works of art, voyages such as those of Columbus, rebellions and reforms. Elegantly written, as witty and entertaining as it is profound, Apocalypses displays Eugen Weber's talents as a stylist and historical detective; this is more a travel book of the apocalypse than a definitive academic treatment. On the eve of a billennium beset by a host of apocalyptic predictions and cults, Apocalypses offers a sympathetic review of creeds we ignore at our peril.

after the rapture an end times guide to survival: Rapture Advent of the Last Days Jocolby Phillips, 2019-08-13 Christopher, the leader of an elite U.S. special operations unit undertakes one of the most important missions of his military career, attempting to rescue a French journalist kidnapped by ISIS, while distracted with trusting God over himself. He is confused and angry with God and ineffective in his leadership, however, Jackson, the team-deputy and long-time mentor and friend provides much-needed stability for Christopher and the team. The operation reinforces in Christopher that God was not to be trusted when needed most and Jackson leaves the mission searching for God and meaning to his life, as the men prepare to return to Washington D.C for debriefing. As Christopher and his team redeploy from the rescue mission back to Washington D.C., they find themselves out of work as the National Security Advisor deactivates the Christopher-led unit pending an investigation into the failed journalist rescue. Things go from bad to worse for Christopher and Jackson as the two disgraced soldiers are thrust, unbeknownst to them, into the midst of the Rapture. They attempt to keep the chaos of a post-rapture world at bay, in a series of globetrotting missions, from rural Virginia to Brazil, ancient Babylon to remote Alaska. The actions of the president and others leave the world on the brink of World War. Christopher continues throughout each mission to trust himself above God. He refuses to listen to the Holy Spirit-inspired advice that those around him provide and the question lingers will he reconcile and surrender his pain to God.

after the rapture an end times guide to survival: Dharma of the Dead Christopher M. Moreman, 2018-07-10 With the increased popularity of zombies in recent years, scholars have considered why the undead have so captured the public imagination. This book argues that the zombie can be viewed as an object of meditation on death, a memento mori that makes the fact of mortality more approachable from what has been described as America's death-denying culture. The existential crisis in zombie apocalyptic fiction brings to the fore the problem of humanity's search for meaning in an increasingly global and secular world. Zombies are analyzed in the context of Buddhist thought, in contrast with social and religious critiques from other works.
