Jaycee Lee Dugard: A Stolen Life

**jaycee lee dugard a stolen life** is a story that grips the heart and challenges our understanding of resilience, survival, and the human spirit. It's a harrowing account of a young girl abducted and held captive for nearly two decades, yet it also sheds light on hope, endurance, and the complexities of psychological trauma. Jaycee's experience, detailed in her memoir *\*A Stolen Life\**, has not only captivated readers worldwide but also sparked important conversations about victim recovery and the failings of the justice system.

## **The Abduction and Captivity of Jaycee Lee Dugard**

Jaycee Lee Dugard was just 11 years old when she was kidnapped in 1991 from a street near her home in South Lake Tahoe, California. The man responsible, Phillip Garrido, held her captive in his backyard compound for 18 years. During this time, Jaycee was subjected to unimaginable trauma but also demonstrated incredible strength and survival instincts.

## **The Beginning of a Nightmare**

On June 10, 1991, Jaycee was walking to a school bus stop when Garrido forcibly abducted her. This event marked the beginning of a long and painful chapter in her life. The circumstances surrounding her disappearance baffled law enforcement for years, as Garrido cleverly concealed his crimes and manipulated those around him.

## **Life in Captivity**

During those years, Jaycee was kept in a makeshift compound behind the Garrido residence in Antioch, California

## **Frequently Asked Questions**

### **Who is Jaycee Lee Dugard?**

Jaycee Lee Dugard is an American woman who was kidnapped at the age of 11 and held captive for 18 years before being rescued in 2009.

### **What is 'A Stolen Life' by Jaycee Lee Dugard?**

'A Stolen Life' is the memoir written by Jaycee Lee Dugard, detailing her abduction, captivity, and eventual rescue.

## **When was Jaycee Lee Dugard kidnapped and for how long was she held captive?**

Jaycee Lee Dugard was kidnapped in 1991 when she was 11 years old and was held captive for 18 years until 2009.

## **What were the circumstances of Jaycee Lee Dugard's abduction?**

Jaycee was abducted while walking to a school bus stop in South Lake Tahoe, California by Phillip and Nancy Garrido.

## **How did Jaycee Lee Dugard's memoir 'A Stolen Life' impact public awareness about kidnapping?**

The memoir raised awareness about long-term abductions, the psychological effects of captivity, and the need for better support for victims.

## **What happened to Jaycee Lee Dugard's captors?**

Phillip Garrido was arrested and convicted for kidnapping and other crimes related to Jaycee's captivity, while Nancy Garrido also faced charges.

## **Additional Resources**

Jaycee Lee Dugard: A Stolen Life - An In-Depth Examination of Survival and Strength

**jaycee lee dugard a stolen life** is more than just the title of a memoir; it represents a harrowing true story of abduction, survival, and the complex psychological aftermath of captivity. Jaycee Lee Dugard was kidnapped at the age of 11 in 1991, and her story remained largely unknown to the public until her dramatic rescue in 2009, after 18 years in captivity. This article explores the intricate narrative of her stolen years, the societal implications of such abductions, and the broader conversation her experience has ignited about trauma, law enforcement, and resilience.

## **The Abduction and Years in Captivity**

Jaycee Lee Dugard's abduction is a chilling account that underscores the vulnerabilities faced by children and the devastating impact of long-term kidnapping. On June 10, 1991, Dugard was forcibly taken from her South Lake Tahoe neighborhood by Phillip and Nancy Garrido, a married couple with a disturbing history of criminal behavior. Unlike many cases where victims are quickly found or tragically lost, Dugard's ordeal spanned nearly two decades, during which she was held in concealed, makeshift structures behind the Garridos' residence.

The psychological and physical conditions she endured were complex. Dugard gave birth to two children fathered by Phillip Garrido during her captivity, adding layers of trauma and complexity to her situation. This long-term imprisonment raises critical questions about the effectiveness of missing

person investigations and community vigilance in preventing prolonged abuse.

## **Psychological Impact and Recovery**

The psychological scars of a stolen life are profound. Jaycee Lee Dugard's experience provides valuable insight into the effects of prolonged trauma and the resilience of the human spirit. Victims of long-term abduction often face post-traumatic stress disorder (PTSD), anxiety, depression, and difficulties in reestablishing trust and normalcy.

Dugard's memoir and public interviews reveal her struggles with reintegration and identity reconstruction. Her narrative emphasizes the importance of specialized mental health support for survivors of abduction and abuse. Furthermore, her story has contributed to improved understanding within psychological communities about trauma bonding – the paradoxical emotional attachment victims may develop toward their captors.

## **Legal and Social Repercussions**

The case of Jaycee Lee Dugard also brought to light significant legal and systemic issues. The Garridos had been known to law enforcement prior to the abduction, with Phillip Garrido being a registered sex offender. Yet, lapses in monitoring and communication among agencies allowed the prolonged captivity to continue undetected.

## **Law Enforcement and Systemic Failures**

One of the most scrutinized aspects of Dugard's case was the apparent failure of law enforcement agencies to act decisively despite numerous red flags. The Garridos were under surveillance for unrelated offenses, but coordination failures and lack of thorough investigation enabled the continuation of their crimes.

This situation has led to critical reforms in how law enforcement handles sex offenders, missing persons, and inter-agency communication. It also sparked debates on the balance between civil liberties and public safety, especially regarding the monitoring of previously convicted offenders.

## **Community Awareness and Advocacy**

The public response to Jaycee Lee Dugard's rescue has been one of shock, empathy, and a renewed call for vigilance. Her story has galvanized advocacy groups focused on child safety, abduction prevention, and support for survivors of trauma.

Organizations now emphasize community education programs, improved reporting mechanisms, and the integration of technology in tracking and preventing abductions. Dugard's case serves as a poignant reminder of the importance of these measures in safeguarding vulnerable populations.

# Jaycee Lee Dugard: A Memoir of Survival

The book "A Stolen Life" by Jaycee Lee Dugard is a raw, honest recounting of her experiences. It offers readers a window into the psychological complexities of captivity and the arduous journey toward healing. The memoir has been both critically acclaimed and widely read, contributing to public discourse on trauma and resilience.

## Features of the Memoir

- **First-Person Perspective:** Dugard's narrative is deeply personal, providing an unfiltered look at her thoughts and feelings throughout her ordeal.
- **Detailed Account:** The memoir chronicles her life before, during, and after captivity, offering comprehensive insights into her experiences.
- **Educational Value:** It sheds light on the psychological mechanisms of trauma bonding and the long-term effects of abuse.

## Impact on Readers and Society

"A Stolen Life" has been instrumental in humanizing victims of abduction and trauma. It challenges stereotypes about victimhood and survival, presenting a narrative of strength and agency even in the face of extreme adversity. For many readers, the memoir serves as an educational tool and a call to action to support survivors and improve protective measures.

## Comparisons with Other Abduction Cases

Jaycee Lee Dugard's case stands alongside other high-profile abduction stories such as Elizabeth Smart and Michelle Knight. While each case has unique circumstances, common themes emerge, including the critical role of community vigilance, the complexity of victim psychology, and the consequences of systemic failures.

These cases collectively illustrate the varied trajectories of abduction experiences—ranging from brief kidnappings to years-long captivity—and highlight the ongoing need for robust prevention and recovery frameworks.

## Unique Aspects of Dugard's Story

- **Duration:** Her 18-year captivity is one of the longest documented in modern American history.
- **Family Dynamics:** The birth of two children during captivity introduces

complicated familial relationships not always present in other cases.

- **Resilience and Reintegration:** Dugard's public openness about recovery contributes to broader discussions on healing after trauma.

The story of Jaycee Lee Dugard offers a powerful narrative that transcends the specifics of her case. It serves as a critical study in human endurance, societal response to crime, and the ongoing challenge of preventing abductions. Her journey from victim to survivor continues to inspire and inform efforts aimed at protecting children and supporting those affected by trauma.

## Jaycee Lee Dugard A Stolen Life

**jaycee lee dugard a stolen life:** *A Stolen Life* David Meyler, Peter Meyler, 1999-11-15 Richard Pierpoint or Captain Dick, as he was commonly known, emerges from the shadows of history in *A Stolen Life: Searching for Richard Pierpoint*. An African warrior who was captured at about age 16, Pierpoint lived his remaining years in exile. From his birth in Bundu (now part of Senegal) around 1744 until his death in rural Ontario in 1837, Pierpoint's life allows us to glimpse the activity of an African involved in some of the world's great events. We are indebted to the authors for breathing life into this man, who though taken from his home early in his life still was able to make a significant contribution to the early history of Upper Canada. He fought, farmed and became a giant to the Black community. We thank you for a wonderful story of this often forgotten segment of Canadian history. — Wilma Morrison, Norval Johnson Heritage Library, Niagara Falls Everybody knows about the Underground Railroad and the great many Black souls who emigrated to Canada via this route, but very few people know the brave Black men and women who put their lives on the line in defence of this country. — Ivor Christopher, Re-enactor, Runchey's Company of Coloured Men A well-researched and highly readable chronicle of Richard Pierpoint's life in Africa and North America — as a slave, a soldier, and as a pioneer in Upper Canada's wilderness. ... a vitally important contribution to Canadian Black history. — Linda Brown-Kubisch, Author, Missouri

**jaycee lee dugard a stolen life:** *Freedom* Jaycee Dugard, 2016-07-12 In the follow-up to her #1 bestselling memoir, *A Stolen Life*, Jaycee Dugard tells the story of her first experiences after years in captivity: the joys that accompanied her newfound freedom and the challenges of adjusting to life on her own. When Jaycee Dugard was eleven years old, she was abducted from a school bus stop within sight of her home in South Lake Tahoe, California. She was missing for more than eighteen years, held captive by Philip and Nancy Garrido, and gave birth to two daughters during her imprisonment. In *A Stolen Life* Jaycee told the story of her life from her abduction in 1991 through her reappearance in 2009. *Freedom: My Book of Firsts* is about everything that happened next. "How do you rebuild a life?" Jaycee asks. In these pages, she describes the life she never thought she would live to see: from her first sight of her mother to her first time meeting her grownup sister, her first trip to the dentist to her daughters' first day of school, her first taste of champagne to her first hangover, her first time behind the wheel to her first speeding ticket, and her first dance at a friend's wedding to her first thoughts about the possibility of a future relationship. This raw and inspiring book will remind you that there is, as Jaycee writes, "life after something tragic happens... Somehow, I still believe that we each hold the key to our own happiness and you have to grab it where you can in whatever form it might take." *Freedom* is an awe-inspiring memoir about the power we all hold within ourselves.

**jaycee lee dugard a stolen life:** *Freedom* Jaycee Dugard, 2016-07-12

**jaycee lee dugard a stolen life:** A Stolen Life Jaycee Dugard, 2012-07-03 A revelatory memoir about a young woman whose life was stolen when she was kidnapped in 1991 and remained an object of captivity for 18 years.

**jaycee lee dugard a stolen life: A Stolen Life** Jaycee Dugard, 2012-04-17 Japanese edition of A Stolen Life by Jaycee Dugard. Kidnapped when she was 11, Jaycee Dugard was lost to the world until someone recognized and rescued her 18 years later. This is her true story. In Japanese. Distributed by Tsai Fong Books, Inc.

**jaycee lee dugard a stolen life:** *Quicklet on Jaycee Dugard's A Stolen Life (CliffsNotes-like Summary and Analysis)* Jenny Greenleaf, 2012-02-24 ABOUT THE BOOK Throughout Jaycee's memoir, she shares journal entries and photographs. The last chapters of the book reveals how difficult it is for her and her daughters to transition from being captives to having freedom. She spends a lot of time second-guessing her trips out in public, and guards their privacy closely. Jaycee writes about how she and her daughters are going through a recovery period, as well as therapy involving horses. She concludes the book by writing about her new foundation, as well as publicly thanking those around her for helping her and her daughters through their recovery. MEET THE AUTHOR Best-selling author, Jennifer Greenleaf (1975-present) was born in Leominster, Massachusetts to parents who are talented by their own rights (her mother is a crafter, as well as a self-made business-woman, and her father is a computer scientist). Her family moved to Maine in 1978, and despite trekking across the country from 1994-2000, she made her way back to Maine. Since 1999, she's written 1,000's of articles for the web, as well as many in print. She has also been a commissioned mixed-media artist since 1993. She and her husband, Chris, are raising three wonderful children (ages 10, 11, and 12 as of this writing), as well as four kitties. As you can see from Jennifer's list of books in this profile, she loves writing about whatever interests her. As of 2011, she began writing fiction, which will be revealed in 2012. EXCERPT FROM THE BOOK Jaycee Dugard opens her memoir by providing an Author's Note explaining how her book may be confusing to her readers. She describes how her mind jumps from one memory to the next and, in order to keep her voice, that's how she wants to write her story. "Even after I was freed, moments are fragmented and jumbled. With some help, I have come to realize that my perspective is unique to abduction." Her note is followed by her most recent school portrait taken when she was eleven-years-old. Jaycee begins her story in the introduction by explaining she was held captive for eighteen years and, during that entire time, she wasn't allowed to say her name. She wants this memoir to help others who might have gone through a similar situation, "With my writings, I hope to convey that you can endure tough situations and survive. Not just survive, but be okay even on the inside, too." Buy a copy to keep reading!

**jaycee lee dugard a stolen life: The Forbidden Secret** Jonathan Gray, 2011-05-15 The one thing that isn't a secret is that our world is in a monstrous MESS! A murderous mob has seized control of our planet. They have chilling plans for you and your family. The elite have sworn to suppress the forbidden secret, discredit it, and keep it from the public. They have deceitfully manipulated every aspect of our society--mentally conditioning us to doubt, ignore, or reject the survival strategy offered in The Forbidden Secret. But a powerful figure is set to smash their agenda. Meanwhile, a rescue plan is in place, and simple steps will guarantee your survival.

**jaycee lee dugard a stolen life: Freedom** Jaycee Lee Dugard, 2016 In the follow-up to her #1 bestselling memoir, A Stolen Life, Jaycee Dugard tells the story of her first experiences after years in captivity: the joys that accompanied her newfound freedom and the challenges of adjusting to life on her own. When Jaycee Dugard was eleven years old, she was abducted from a school bus stop within sight of her home in South Lake Tahoe, California. She was missing for more than eighteen years, held captive by Philip and Nancy Garrido, and gave birth to two daughters during her imprisonment. A Stolen Life, which sold nearly two million copies, told the story of Jaycee's life from her abduction in 1991 through her reappearance in 2009. Freedom: My Book of Firsts is about everything that happened next. 'How do you rebuild a life?' Jaycee asks. In these pages, she describes the life she never thought she would live to see: from her first sight of her mother to her first time meeting her

grownup sister, her first trip to the dentist to her daughters' first day of school, her first taste of champagne to her first hangover, her first time behind the wheel to her first speeding ticket, and her first dance at a friend's wedding to her first thoughts about the possibility of a future relationship. This raw and inspiring book will remind readers that there is, as Jaycee writes, 'life after something tragic happens'--Provided by publisher.

**jaycee lee dugard a stolen life: Silenced in the Library** Zeke Jarvis, 2017-08-18 Censorship has been an ongoing phenomenon even in the land of the free. This examination of banned books across U.S. history examines the motivations and effects of censorship, shows us how our view of right and wrong has evolved over the years, and helps readers to understand the tremendous importance of books and films in our society. Books ranging from classics such as *A Farewell to Arms*, *Lord of the Rings*, *The Catcher in the Rye*, and *The Color Purple* as well as best-selling books such as *Are You There, God? It's Me Margaret*, titles in the *Harry Potter* series, and various books by bestselling novelist Stephen King have all been on the banned books list. What was the content that got them banned, who wanted them banned, and did the ban have the desired effect of minimizing the number of people who read the title-or did it have the opposite effect, inadvertently creating an even larger readership for the book? *Silenced in the Library: Banned Books in America* provides a comprehensive examination of the challenges to major books as well as the final results of these selections being deemed unfit for public consumption. Included in its discussion are explanations of the true nature of the objections along with the motives of the authors, publishers, and major proponents of the books. Content is organized based on why the books were banned, such as sexual content, drug use, or religious objections. This approach helps readers to see trends in how people have approached the challenge of evaluating what is proper and shows how our societal consensus of what is acceptable has evolved over the years. Readers will come away with a fuller appreciation of the immense power of words on a page-or an eReader device-to inflame and outrage, influence opinion, incite thought, and even change the course of history.

**jaycee lee dugard a stolen life: Freedom** Jaycee Dugard, 2017-07-11 In the follow-up to ... *A Stolen Life*, [kidnapping survivor] Jaycee Dugard tells the story of her first experiences after years in captivity: the joys that accompanied her newfound freedom and the challenges of adjusting to life on her own--Provided by publisher.

**jaycee lee dugard a stolen life: Trauma Bonding and Interpersonal Crimes** Joan A. Reid, 2024-07-08 A COLLECTION OF RECENT RESEARCH AND REAL-LIFE REPORTS ON TRAUMA BONDING IN MANY CONTEXTS OF INTERPERSONAL VIOLENCE Trauma bonding, the emotional attachment victims develop toward their abusers or captors, has been repeatedly observed in victims of interpersonal crimes - yet little is known about its formation, persistence, and positive resolution in survivors. *Trauma Bonding and Interpersonal Crimes* provides a timely review of existing theoretical conceptualizations and research findings on trauma bonding in relation to various forms of interpersonal crimes, including human trafficking, intimate partner violence, child sexual abuse, cults, kidnapping, gang violence, and terrorism. With an accessible and reader-friendly style, lead author Joan A. Reid examines the concept of trauma bonding while offering insights into the consequences of how the phenomenon is framed in the public discourse and the professional sectors. Twelve chapters investigate key topics ranging from methodological issues and research limitations to current debates on victimology within academic disciplines such as criminology, psychology, social work, sociology, and public health. Providing a holistic approach to the subject, *Trauma Bonding and Interpersonal Crimes: Highlights the complexities of intervention and treatment for trauma survivors and clinicians* Explores the implications for policy related to trauma bonding Recommends potential avenues for integrated theory and research Features case studies that combine individual examples and evidence-based research Includes definitions of terms, critical thinking questions, and further readings in each chapter Part of Wiley's *Psycho-Criminology of Crime, Mental Health, and the Law* series, *Trauma Bonding and Interpersonal Crimes* is an invaluable resource for upper-level undergraduate and graduate students, researchers, policymakers, and practitioners in areas related to victims of human trafficking, intimate partner

violence, and child sexual abuse.

**jaycee lee dugard a stolen life: A Captive No More** Mark Killingsworth, 2016-01-08 This book, *A Captive No More*, helps us take a journey to identify the circumstances in our lives that rob us of the full life that Jesus intended. Jesus summarized this purpose when He said, The thief comes only to steal and kill and destroy. I have come that they might have life, and have it to the full. (John 10:10 NIV)

**jaycee lee dugard a stolen life: *Dangerous Personalities*** Joe Navarro, Toni Sciarra Poynter, 2018-01-16 What makes a narcissist go from self-involved to terrifying? In this national bestseller, Joe Navarro, a leading FBI profiler, unlocks the secrets to the personality disorders that put us all at risk. "I should have known." "How could we have missed the warning signs?" "I always thought there was something off about him." When we wake up to new tragedies in the news every day—shootings, rampages, acts of domestic terrorism—we often blame ourselves for missing the mania lurking inside unsuspecting individuals. But how could we have known that the charismatic leader had the characteristics of a tyrant? And how can ordinary people identify threats from those who are poised to devastate their lives on a daily basis—the crazy coworkers, out-of-control family members, or relentless neighbors? In *Dangerous Personalities*, former FBI profiler Joe Navarro has the answers. He shows us how to identify the four most common dangerous personalities—the Narcissist, the Predator, the Paranoid, and the Unstable Personality— and how to analyze the potential threat level. Along the way, he provides essential tips and tricks to protect ourselves both immediately and in the long-term, as well as how to heal the trauma of being exposed to the destructive egos in our world.

**jaycee lee dugard a stolen life: *Telling Tales*** Kylie Cardell, Kate Douglas, 2017-08-10 Young writers have historically played a pivotal role in shaping autobiographical genres and this continues into the graphic and digital texts which characterise contemporary life writing. This volume offers a selection of pertinent case studies which illuminate some of the core themes which have come to characterise autobiographical writings of childhood, including: cultural and identity representations and tensions, coming into knowledge and education, sexuality, prejudice, war, and trauma. The book also reveals preoccupations with the cultural forms of autobiographical writings of childhood and youth take, engaging in discussions of archives, graphic texts, digital forms, testimony, didacticism in autobiography and the anthologising of life writing. This collection will open up broader conversations about the scope of life writing about childhood and youth and the importance of life writing genres in prompting dialogues about literary cultures and coming of age. This book was originally published as a special issue of *Prose Studies*.

**jaycee lee dugard a stolen life: *The Development of Memory in Infancy and Childhood*** Mary L. Courage, Nelson Cowan, 2022-05-16 *The Development of Memory in Infancy and Childhood* provides a thorough update and expansion of the previous edition and offers new research on significant themes and ideas that have emerged in the past decade such as the cognitive neuroscience of memory development, autobiographical memory and infantile amnesia, and the cognitive and social factors that underlie memory for events. In this volume, Courage and Cowan bring together leading international experts to review the current state of the science of memory development in their own research areas. They note questions of theory and basic science addressed in their research, highlight the real-world applications of those findings, and propose an agenda for future research. The book also considers the implications of their work for the development of atypical children, specifically, how these new findings might be adapted to enrich the lives of those children and to inform and validate our current expectations of individual differences in the development of typical children. The first of three groups of chapters focuses on basic neurobiological, perceptual, and cognitive processes that underlie memory and its development (i.e., encoding, consolidation and storage, retrieval). The second group focuses primarily on the social, contextual, and cultural factors that enable, shape, and mediate these basic processes, while the rest of the chapters focus on practical applications of this knowledge to real-world settings and issues. The book provides a new look at memory development, including new topics such as spatial

representation and spatial working, prospective memory, false memories, and memory and culture. This classic yet contemporary volume will appeal to senior undergraduate and graduate students of developmental and cognitive psychology, as well as to developmental psychologists who want a compendium of key topics in memory development.

**jaycee lee dugard a stolen life: The Art of Cathartic Memoir** Krista Burlae, 2013-05-02 For countless years, emotional pain has been a catalyst for creation. Musicians and mystics, artists and authors have transformed personal tragedy into works of sublime beauty and in doing so, often found inner peace. The Art of Cathartic Memoir explicitly shows writers how to recast their experiences into art while encouraging them to find such inner peace. It offers exercises, structure, and inspiration based on a wide range of literary, psychological, and spiritual sources. Drawing upon the ideas of Carolyn Myss, St. John of the Cross, and many others, The Art of Cathartic Memoir supports writers in constructing their life stories in a mystical yet artful way. Whether writing a full-length book or a shorter piece of memoir, The Art of Cathartic Memoir facilitates transformation on many levels and speaks to writers, why they need to create, what keeps them from it, and how to overcome resistance. Krista has been a friend and trusted editor for several years. She has worked with me and my brother on a manuscript authored by our deceased father. As a skilled writer, Krista quickly identified and sensitively corrected the technical and grammatical issues involved in dealing with a non-native English speaker. More importantly, she readily grasped the meaning and intent of what was written. She was able to delve into what our father was thinking and his motivation as he wrote particular passages and recalled specific scenes. A. Zygielbaum, Lincoln, Nebraska Kristas workshop and gentle facilitation enabled even the beginning writer to tap into skills never before realized. Her workshop gave me permission to play with words in my head and allow those words to dance on paper. D. Brown, Lincoln, Nebraska

**jaycee lee dugard a stolen life:** 简体中文 Jaycee Lee Dugard, 简中, 2012 Simplified Chinese edition of A Stolen Life: A Memoir by Jaycee Dugard. **jaycee lee dugard a stolen life: Against Their Will** Nigel Cawthorne, 2012-06-19 Real-life accounts of harrowing abductions and resilient survivors from the author of Prince Andrew: Epstein, Maxwell and the Palace. True stories of twisted criminals who hold their victims in endless captivity to satisfy their perverse desires, Against Their Will is a comprehensive compendium of the most disturbing kidnappings of all time. Jaycee Lee Dugard—lived to tell the tale of her eighteen years of captivity in paroled rapist Phillip Garrido's suburban backyard Elizabeth Smart—bravely held on for nine long months in a forced marriage to religious fanatic Brian David Mitchell, who repeatedly raped her in the name of God Elisabeth Fritzl—amazingly overcame twenty-four years trapped in a basement dungeon built especially for her by her father, Josef Colleen Stan—heroically endured seven years as a sex slave, brutally tortured with the full consent of her captor's wife Tina Marie Risico—escaped certain death at the hands of a killer by being an unwilling accomplice in other kidnappings "Not for the faint of heart." —Series & TV

**jaycee lee dugard a stolen life: Cybersex** Abdulazeez Henry Musa, 2014-03 Cybersex: A Nightmare of the 21st Century - The Rebirth of Armageddon seeks to address the physical, mental, psychological challenges, and social dynamics that teenagers, parents, and society are faced with every day, resulting from their daily encounter with the Internet and overindulgence in the world of cybersex. The cybersex phenomenon avails ample opportunity for young people to navigate their way through viral and social networking sites, and chat rooms without their parent's consent. This exposes them to peril, leaving them vulnerable, as well as providing a great hiding place for pedophiles and psychopathic sexual predators. The book is very educational and touches all spectrum of life. It provides strategic guidelines drawn from real-life scenarios. It will also provide tips and red flags to protect young people from unknown sexual predators pervading the Internet. Now is the time to curb this menace jeopardizing the future of our children and the well-being of our

society, and make the world a much better place.

**jaycee lee dugard a stolen life: Psychological Capital and Beyond** Fred Luthans, Carolyn M. Youssef, Bruce J. Avolio, 2015 Although there are as many answers to the question of how organizations can gain competitive advantage in today's global economy as there are books and experts, one lesson seems very clear: traditional answers and resources are no longer sufficient. This seminal book offers not only an answer regarding how to gain competitive advantage through people, but also a brand new, untapped human resource--psychological capital, or simply PsyCap. Generated from both the positive-psychology movement and the authors' pioneering work on positive organizational behavior, PsyCap is a rigorous concept: to be included in PsyCap, a given positive construct must be based on theory, research, and valid measurement, must be open to development, and must have measurable performance impact. The positive constructs that have been determined to best meet these PsyCap criteria--efficacy (confidence), hope, optimism, and resiliency--are covered in separate chapters in Psychological Capital and Beyond. Following an exploration of other potential positive constructs such as creativity, wisdom, well-being, flow, humor, gratitude, forgiveness, emotional intelligence, spirituality, authenticity, and courage, the authors summarize the research demonstrating the performance impact of PsyCap. They go on to provide the PsyCap Questionnaire (PCQ) as a measurement tool, and the PsyCap Intervention (PCI) as a development aid. Psychological Capital and Beyond provides theory, research, measurements, and methods of application for psychological capital, a resource that can be developed and sustained for competitive advantage. Each copy includes a complimentary PsyCap online self-assessment.
