lamb to the slaughter questions: Questions about Salvation S. Michael Houdmann, General Editor, 2014-04 Salvation is the rich and rewarding theme of Scripture. From beginning to end, we see a God who seeks the lost in order to forgive their sins and restore their fellowship. According to 1 Peter 1:10, Concerning this salvation, the prophets, who spoke of the grace that was to come to you, searched intently and with the greatest care. We should want to know more about it too. There is nothing more important than our response to God's grace. Near the end of his life, hymn writer John Newton said, My memory is nearly gone; but I remember two things: that I am a great sinner and that Christ is a great Savior. It is, in fact, vital to have a biblical understanding of salvation. Questions such as Who can be saved?, What is the gospel?, and Why did Jesus have to die? are of primary importance. Fortunately, the Bible answers these questions and many more. This book takes one hundred questions about salvation and addresses them with God's Own Word. The Lord, the Author of salvation, came to seek and to save what was lost (Luke 19:10), and He is the focal point of these answers.

lamb to the slaughter questions: Questions About Jesus Christ S. Michael Houdmann, 2013-06-14 For centuries, the life of Jesus Christ has divided human history into two eras: the before and the after. Who He is, what He said, what He did, and what was done to Him these are, without a doubt, among the most dissected, discussed and debated subjects ever. Jesus fielded many questions. Some were from sincere seekers of truth; others were from devious manipulators of truth: Which is the great commandment in the Law? What must I do to inherit eternal life? Why do your disciples break the tradition? Who gave you this authority? Often, Jesus answered a question with a question. Jesus skill went beyond rhetoric to challenge ideas, inflame faith, and spur action. Jesus asked the rich young ruler, Why do you call me good? When questioned about taxes, Jesus held up a coin and asked, Whose likeness and inscription is this? Before revealing His divine identity to the disciples, He asked them, Who do you say I am? The answer to that question makes all the difference. This book is full of questions about Jesus. The answers are based on what Jesus said about Himself and what the Holy Spirit inspired the biblical writers to record.
