

long distance relationships never work

Long Distance Relationships Never Work: Exploring the Challenges and Realities

Long distance relationships never work—this is a sentiment echoed by many who have experienced the trials of loving someone miles away. While it might sound harsh or overly pessimistic, there is a kernel of truth in the struggles that these couples face. Maintaining love across vast distances is no easy feat. Emotional strain, communication barriers, and the lack of physical presence all play significant roles in why many long distance relationships don't survive the test of time.

But what exactly makes long distance relationships so challenging? And are they truly doomed from the start? Let's dive into the complexities behind the statement "long distance relationships never work," unpack common hurdles, and examine why some couples still manage to make it through.

Why Long Distance Relationships Face More Obstacles

Long distance relationships come with a unique set of challenges that in-person couples rarely encounter. Understanding these obstacles helps explain why many people believe that long distance relationships never work.

The Absence of Physical Intimacy

One of the most fundamental aspects of any romantic relationship is physical closeness. Touch, hugs, kisses, and just being near your partner create emotional bonds that are difficult to replicate through a screen. Without this physical connection, it's easy for feelings of loneliness and frustration to creep in.

The lack of physical intimacy can lead to misunderstandings or doubts about the relationship's

strength. When physical presence is missing, emotional closeness must compensate, which is not always easy to achieve, especially during stressful times.

Communication Challenges

While technology has made it easier to stay connected, communicating effectively over long distances remains a significant hurdle. Time zone differences, busy schedules, and the absence of spontaneous in-person interactions can make conversations feel forced or superficial.

Even with daily texting or video calls, couples may find it difficult to express themselves fully. Misinterpretations are common without the aid of body language and tone, sometimes leading to unnecessary arguments or feelings of neglect.

Trust and Insecurity Issues

Trust is the foundation of any successful relationship, but it becomes even more critical—and fragile—in long distance situations. Being apart for extended periods often triggers insecurities and jealousy.

Without constant reassurance, doubts may arise about your partner's fidelity or commitment. These feelings can escalate, creating tension and emotional distance that further strain the relationship.

Common Myths Around Long Distance Relationships

The phrase “long distance relationships never work” is often repeated, but it’s important to separate myths from reality to get a clearer picture.

Myth: Distance Kills Love

It's easy to assume that love cannot survive without physical proximity. However, many couples report that distance has actually strengthened their emotional connection. The key lies in the quality of communication and shared commitment.

Myth: Long Distance Relationships Are Less Serious

Some believe that long distance relationships are casual or temporary, but many couples are deeply serious about their commitment. The distance is sometimes a temporary phase due to work, education, or family obligations.

Myth: They're Doomed to Fail Eventually

While statistics show higher breakup rates among long distance couples, it doesn't mean every long distance relationship is destined to fail. Success depends on many factors including mutual goals, trust, and willingness to put in extra effort.

Strategies to Overcome Distance and Keep Love Alive

For those wondering if long distance relationships never work, it's worth exploring practical ways to bridge the gap.

Establish Clear Communication Patterns

Regular and meaningful communication is vital. Instead of just texting, try to incorporate video calls or voice messages that allow you to hear and see your partner's expressions. Setting expectations about when and how often to connect can prevent misunderstandings.

Plan Visits and Create Shared Experiences

Nothing replaces face-to-face time. Scheduling visits gives couples something to look forward to and reinforces the relationship's importance. When apart, shared activities like watching a movie simultaneously or playing online games can foster connection.

Build Trust Through Transparency

Openly discussing feelings, concerns, and daily life helps reduce insecurities. Honesty about your emotions and situations builds a stronger foundation, making it easier to handle the difficulties that distance brings.

Focus on Personal Growth

While maintaining the relationship, investing in your own goals and well-being is crucial. This balance prevents codependency and adds value to the relationship by keeping both partners fulfilled individually.

The Emotional Toll: When Long Distance Relationships Never Work

It's important to acknowledge the emotional impact when a long distance relationship doesn't succeed. The heartbreak can feel amplified by the distance itself, making closure harder to attain.

Feelings of Isolation

Being physically apart often creates a sense of isolation not only from your partner but from social support. Friends and family might not fully understand the unique challenges, leaving you feeling alone.

Uncertainty About the Future

Without a clear timeline for closing the distance, the relationship can feel stagnant. This uncertainty breeds anxiety and makes commitment increasingly difficult.

Dealing with Letdowns

When plans to reunite fall through or communication falters, disappointment can pile up quickly. These repeated letdowns contribute to the belief that long distance relationships never work.

When It's Time to Reevaluate Your Relationship

Not every relationship is meant to survive long distance, and recognizing when it's time to move on is as important as fighting to make it work.

Signs That the Distance Is Too Much

- Constant feelings of loneliness and dissatisfaction
- Frequent misunderstandings and unresolved conflicts
- Lack of future plans or mutual goals
- Emotional disconnect despite regular communication

If these signs resonate, it might be healthier to reconsider the relationship rather than forcing it to survive solely on hope.

Prioritizing Mental Health

Long distance relationships can take a toll on mental well-being. If stress, anxiety, or depression arise from the strain, seeking support from friends, family, or professionals is critical.

Why Some Long Distance Relationships Do Work

Despite the challenges, many couples prove the phrase “long distance relationships never work” wrong every day. Their success often comes down to several key factors:

- Strong foundation built before the distance began
- Clear and aligned long-term goals
- Excellent communication skills and emotional intelligence
- Mutual trust and commitment to overcoming obstacles together

For these couples, distance is merely a temporary hurdle, not an insurmountable barrier.

Navigating a relationship from afar is undeniably tough, and many will find the experience testing their patience, trust, and emotional resilience. While long distance relationships never work for some, for others, the journey offers unique growth and a deeper understanding of love beyond proximity. Whether you believe they can thrive or not, the truth lies in how much two people are willing to invest in making their connection meaningful despite the miles.

Frequently Asked Questions

Why do some people believe long distance relationships never work?

Some people believe long distance relationships never work because they can lead to feelings of loneliness, mistrust, and communication challenges, which may strain the emotional connection between partners.

What are the common challenges faced in long distance relationships?

Common challenges include lack of physical intimacy, time zone differences, communication barriers, feelings of insecurity, and difficulties in maintaining trust.

Can effective communication make long distance relationships successful?

Yes, effective communication is crucial in long distance relationships as it helps partners stay connected, resolve misunderstandings, and maintain emotional intimacy despite the physical distance.

Are there examples of long distance relationships that have worked?

Yes, many couples have successfully maintained long distance relationships by setting clear expectations, frequent communication, planning visits, and having a shared goal for eventually living in the same location.

How important is trust in overcoming the challenges of long distance relationships?

Trust is extremely important because it helps partners feel secure and confident in their relationship, reducing jealousy and anxiety that can arise from being apart for extended periods.

What strategies can help increase the chances of success in a long distance relationship?

Strategies include establishing regular communication routines, setting future plans together, being honest about feelings, using technology to stay connected, and supporting each other's individual growth.

Long Distance Relationships Never Work: An Investigative Perspective

long distance relationships never work is a statement often echoed in popular culture and everyday conversations, but the reality behind this claim merits a deeper, more nuanced exploration. While the challenges faced by couples separated by geography are undeniable, declaring these relationships as inherently doomed oversimplifies a complex emotional and psychological landscape. This article delves into the dynamics of long distance relationships (LDRs), examining why many struggle to survive, the factors influencing their outcomes, and whether the assertion that long distance relationships never work holds up under scrutiny.

The Complex Reality of Long Distance Relationships

Long distance relationships have become increasingly common in our globalized world. Advances in technology, mobility for work or education, and personal aspirations often necessitate physical

separation between partners. However, the distance introduces unique stressors that can strain the foundation of any relationship.

Emotional and Psychological Challenges

One of the primary hurdles facing long distance couples is the lack of physical presence. Human relationships thrive on daily interactions, shared experiences, and non-verbal communication cues—all of which become limited or entirely absent in LDRs. This often leads to feelings of loneliness, insecurity, and emotional disconnect.

Research indicates that partners in long distance relationships report higher levels of jealousy and mistrust compared to those in geographically close relationships. The absence of regular physical reassurance can exacerbate anxieties, making it difficult to maintain emotional intimacy over time.

Communication Dynamics and Their Impact

Effective communication is the cornerstone of any successful relationship, but in long distance scenarios, it becomes even more critical. Couples rely heavily on digital communication tools such as texting, video calls, and social media to bridge the gap. While these technologies provide valuable connectivity, they cannot fully replicate face-to-face interactions.

Misunderstandings can arise more easily without the nuances of tone and body language. Moreover, differing time zones, busy schedules, and the lack of spontaneous interactions can lead to communication breakdowns. These factors contribute to the common perception that long distance relationships never work.

Statistical Insights and Relationship Outcomes

Despite anecdotal evidence and popular opinion, data on the success rates of long distance relationships presents a more mixed picture.

Success Rates Compared to Traditional Relationships

Various studies offer differing conclusions. For instance, a 2013 study published in the Journal of Communication found that couples in long distance relationships reported greater relationship satisfaction and idealization of their partners than those living together. However, the same study acknowledged the elevated risk of breakup once the distance was eliminated.

Conversely, a survey conducted by the dating site EliteSingles revealed that approximately 40% of long distance relationships end within the first year. This contrasts with the average breakup rate of around 33% for geographically close couples, suggesting a somewhat higher risk but not an absolute failure.

Factors Influencing Longevity

Several variables affect whether a long distance relationship will endure:

- **Duration of Separation:** Relationships with a clear timeline for reunion tend to fare better.
- **Age and Maturity:** Younger couples may struggle more due to less experience handling relationship stress.
- **Communication Quality:** Regular, honest, and meaningful conversations bolster resilience.

- **Trust Levels:** High trust mitigates jealousy and insecurity.
- **Shared Goals:** Alignment on future plans and commitment strengthens bonds.

These factors highlight that the success or failure of a long distance relationship is less about the distance itself and more about the couple's ability to navigate its challenges.

Common Myths and Misconceptions

The phrase "long distance relationships never work" often stems from several prevalent myths that warrant examination.

Myth 1: Physical Intimacy Is Irreplaceable

While physical closeness is undeniably important, many couples find alternative ways to maintain intimacy. Emotional intimacy, built through deep conversations and shared experiences despite the miles, can sustain relationships for extended periods.

Myth 2: Distance Leads to Temptation and Infidelity

Although physical separation can increase opportunities for infidelity, it does not predetermine it. Trust and commitment are critical. In fact, some studies indicate that couples in LDRs may display higher levels of fidelity due to the conscious effort required to maintain the relationship.

Myth 3: Long Distance Relationships Are Just a Phase

Some regard LDRs as temporary arrangements destined to fail once the couple reunites. However, many long distance couples successfully transition to cohabitation and marriage, indicating that distance can be a temporary hurdle rather than a permanent barrier.

Psychological and Social Implications

The strain of maintaining a relationship across distance can influence mental health and social life.

Stress and Coping Mechanisms

Separation can lead to increased stress, anxiety, and depressive symptoms. Couples often develop coping strategies such as setting clear expectations, scheduling visits, and engaging in shared activities online.

Social Support Networks

The presence of supportive family and friends can buffer the difficulties of LDRs. Conversely, social isolation may compound feelings of loneliness and despair.

The Role of Technology in Bridging the Gap

Modern communication tools are invaluable in managing long distance relationships. Video chats, instant messaging, social media, and even virtual reality offer new avenues for connection.

However, reliance on technology also presents challenges:

- Technical issues can disrupt communication.
- Overdependence on digital interaction may reduce motivation for physical reunions.
- Social media can sometimes exacerbate jealousy or misunderstandings.

Thus, while technology facilitates connectivity, it cannot fully substitute the complexities of in-person interaction.

When Long Distance Relationships Work

Though the challenges are significant, numerous couples demonstrate that long distance relationships can succeed under the right conditions.

Clear Communication and Mutual Commitment

Couples who establish transparent communication norms and share a mutual commitment to the relationship tend to navigate distance more effectively.

Purposeful Visits and Future Planning

Regular visits and concrete plans to eventually live in the same location provide motivation and a sense of progress.

Emotional Resilience and Flexibility

Adaptability to changing circumstances and the ability to manage emotional ups and downs are crucial traits.

Final Reflections

The assertion that long distance relationships never work captures the real difficulties faced by couples separated by geography but overlooks the complexity and variability of human relationships. While many long distance relationships do fail due to the unique pressures involved, others thrive through strong communication, trust, and shared goals. The truth lies not in absolutes but in understanding the multifaceted nature of love across distances.

Long Distance Relationships Never Work

long distance relationships never work: The Eleven Principles for Making Long Distance Relationship Work Vanesa Vose, Can a long-distance relationship truly survive when you're a student or young adult juggling classes, exams, and your future? The answer is YES—if you know the right principles. Being in a long-distance relationship isn't easy. The late-night calls, the missed texts, the constant "What if?" thoughts—add to that exam stress, peer pressure, and the fear of drifting apart, and it can feel overwhelming. But here's the truth: distance doesn't have to be the end of your love story—it can make it stronger. In The 11 Principles for Making Long-Distance Relationship Work, author Vanesa Vose offers a complete guide designed for students and young adults who want to keep their love alive without losing themselves or their future goals. This is not a book filled with unrealistic promises or cheesy advice. Instead, it gives you practical, relatable strategies for balancing love, trust, and personal growth. You'll learn how to build trust that lasts, how to communicate without distraction, and how to handle real challenges like jealousy, gossip, and exams—all while staying focused on your dreams. Because the truth is, your career and education matter as much as your relationship. Inside this book, you'll discover: □ Why trust beats jealousy—and how to stop overthinking when they don't reply □ Smart ways to balance study time and talk time (without fights) □ How to stay independent and confident so your love stays fresh □ Tips for dealing with peer pressure and friends who don't believe in LDRs □ How to support each other during exams without losing focus □ What to do when jealousy creeps in or someone else shows interest □ The ultimate question: When to hold on—and when to let go with dignity Vanesa Vose writes with honesty, warmth, and experience, making this guide feel like a conversation with a friend who truly understands what you're going through. Packed with real-life scenarios, actionable

tips, and thoughtful exercises, this book is your roadmap to building a healthy, strong, and future-focused relationship—even across miles. Whether you're in school, college, or just starting your career, these principles will help you grow together without dragging each other down. Distance is only a challenge—not a deal breaker. Your relationship deserves a chance. Your future deserves focus. You can have both. Start reading today and make your love story one that lasts.

long distance relationships never work: Scot on the Run Janice Maynard, 2017-07-25 USA Today bestselling author Janice Maynard's sweet and sexy series continues, filled with love and adventure amid the ruggedly romantic setting of Scotland... Bella is housesitting in Portree, Scotland, for her brother, Finley, while he's on his honeymoon. She expects a quiet time, enjoying the harbour town's breathtaking views and quaint shops. So imagine her surprise when one of Great Britain's most eligible bachelors comes pounding at her door in an attempt to evade both the paparazzi and a flurry of female fans. Unaware of his celebrity status, Bella reluctantly gives him sanctuary. Yet the surprises keep coming, and soon she's persuaded to accompany him to Edinburgh . . . as his faux fiancée. But while helping him fend off his ardent admirers, Bella just may gain one very authentic admirer of her own . . .

long distance relationships never work: Life Passionately Poetaze, 2013-02-26 Life Passionately Verse Too is the second book about God and love by the philosophical mechanic Mark Gregory Washer. Mr. Washer brings an alternative view of God and religion explained through short stories of life experience, poetry, and philosophical meditations. Mark shows us a fresh perspective on life and how God expects us to treat others. Mark always had strong spiritual beliefs since childhood but quickly learned to question the writings of religion. Many rules contradict one another and do not make sense coming from a loving God. The realization that someone had changed the words in all religious books and the meaning of God's message became painfully obvious to Mark. Here we have a simpler version of God's Will, which makes much more sense. The message is true and spelled out for you.

long distance relationships never work: This Book Is Not Required Inge Bell, Bernard McGrane, John Gunderson, Terri L. Anderson, 2013-10-31 This Fifth Edition of the underground classic *This Book Is Not Required: An Emotional and Intellectual Survival Manual for Students*, by Inge Bell, Bernard McGrane, John Gunderson, and Teri Anderson, breaks new ground in participatory education, offering insight and inspiration to help undergraduates make the most of their college years. This edition continues to teach about the college experience as a whole—looking at the personal, social, intellectual, technological, and spiritual demands and opportunities—while incorporating new material highly relevant to today's students. The material is presented in a personable and straightforward manner, maintaining Dr. Inge Bell's illuminating writing style throughout, and inviting students to take responsibility for, and make the most of, their educational experiences.

long distance relationships never work: Mangled Mischief Kat Cotton, 2020-08-31 It's paranormal gang against paranormal gang in a race to reclaim a magical knife! That crafty crime lord Yamaguchi laid down a challenge and now we have to fight it out. I'd happily tell him to get lost but this might be the perfect opportunity to form alliances with our rivals in order to oust Yamaguchi from power. Old rivalries run deep, though and I have no idea who I can trust. If I mess this up, it might just cost my life as well as the lives of people (if you can call them that) who've become important to me but if I succeed, I can reclaim my parents sacred stone and free my friends from their lifetime bonds.

long distance relationships never work: Tears to Joy Mollie Ouellette, 2025-04-14 Mollie Ouellette was diagnosed with AIDS and given only two weeks to live by her doctor. However, through her faith in Jesus Christ, Mollie has experienced healing and has outlived that prognosis by over 26 years. Throughout her life, she has endured significant suffering and pain. Mollie lost her grandmother, Carmella, during her teenage years following the loss of her grandfather. She lost both of her parents 5 years apart to lung cancer. She has also faced abusive and unfaithful relationships, which made her afraid to be herself or fully commit until she met Jesus. His love

transformed her heart and life, bringing her unspeakable joy. She was featured in DOZ Magazine in 2017 and will be in the upcoming 2025 issue. She has a bachelor's degree in communications from Grand Canyon University on April 29, 2025. Mollie lives in Hornell with her son and nephew. She is also close to her family. She has five cats named Ruthie, Care Bear, Lovey, Fluffy, and Hannah. Mollie enjoys taco salad, pizza, and Italian food. She loves spending time with her loved ones and cats, writing her blog, shopping, traveling in her free time, and the beach. She hopes to visit the Bahamas someday. "I am grateful for the opportunity to share my story and inspire others to find solace and happiness in their lives." Discovering God's love was a pivotal moment in my life. It enveloped me in comfort and instilled a profound sense of purpose. Through His grace, I found guidance leading me toward redemption and a renewed hope for the future. Embracing this love has transformed my journey, filling my heart with peace and the assurance of His everlasting presence."

long distance relationships never work: *Sinful Deeds* Kristine Mason, 2016-12-13

long distance relationships never work: *Goode Over Evil* Leslie Marshman, 2019-09-18 She left town to save a life. Now she's back to avenge a death. Years ago, Samantha Goode was driven away from love, her family, and her past. Now the Texas Ranger is back in Crystal Creek for her estranged grandmother's funeral, even though it means coming face to face with everything, and everyone, she'd left behind. When a brutal murder shatters her world, Sam is determined to stay until she solves it. Soon she's knee-deep in suspects, including the family of the man she once loved but was forced to betray. Rancher Clayton Barnett will do anything to keep his autistic younger brother out of an institution, including sidelining his life to work for their powerful, manipulative father. When tragedy brings Sam back into his life, instead of rekindling their romance, Clay finds himself embroiled in a dangerous murder investigation. Will old secrets pull Sam and Clay apart once more, or can they rise above their past? And with a ruthless killer on the loose, will Sam's hard-earned Ranger skills be enough to ensure that Goode triumphs over evil?

long distance relationships never work: *The Risk* Elle Kennedy, 2019-02-18 Everyone says I'm a bad girl. They're only partly right—I don't let fear rule me, and I certainly don't care what people think. But I draw the line at sleeping with the enemy. As the daughter of Briar's head hockey coach, I'd be vilified if I hooked up with a player from a rival team. And that's who Jake Connelly is. Harvard's star forward is arrogant, annoying, and too attractive for his own good. But fate is cruel—I require his help to secure a much-coveted internship, and the sexy jerk isn't making it easy for me. I

need Connelly to be my fake boyfriend. For every fake date...he wants a real one. Which means this bad girl is in big trouble. Nothing good can come from sneaking around with Jake Connelly. My father would kill me, my friends will revolt, and my post-college career is on the line. But while it's getting harder and harder to resist Jake's oozing sex appeal and cocky grin, I refuse to fall for him. That's the one risk I'm not willing to take. The Briar U Series of Standalone Novels The Chase (Briar U Book 1) The Risk (Briar U Book 2) The Play (Briar U Book 3) The Off-Campus Series of Standalone Novels The Deal (Off-Campus Book 1) The Mistake (Off-Campus Book 2) The Score (Off-Campus Book 3) The Goal (Off-Campus Book 4)

long distance relationships never work: The Vampire Court Samantha Wymer, 2023-12-14 For nearly five hundred years, Jake Matthews has walked this earth, lurking in the shadows, struggling between his inner loneliness and the past that forever haunts him. With his last dying breath as a human, he vowed justice for what he lost. With no answers or leads to uphold that vow he swore to keep, he is torn between the side of good and the side of evil. One day, all that changes. She comes to him without a name to go with her beautiful face, hanging in the balance between life

and death. Jake must do everything possible to save her life. She is the one he's been waiting for to put an end to his torment and seek justice for his human family. What is she? She's more than human, that much Jake knows. The closer he gets to her, the closer this undeniable connection draws him to her. The endless pain that he's felt for so long becomes lesser and lesser, and he starts to feel life pouring inside himself again. His request for justice becomes less important as his feelings for her grow. Her life and the fate of the world rest solely in his hands.

long distance relationships never work: , 2015-05-02 Dani always thought that her life was great, until she found out that her dad was having an affair. Her mom whisks Dani and her twin brother, Dan, away on holiday to America; where Dani meets the love of her life, Isaac. Unfortunately for Dani and Isaac, Dani has to go back to England early because of her dad. Dani and Isaac struggle to keep their relationship going whilst being apart. Dani stumbles across some key information which she then finds out that her dad is not her biological father. Dani and Dan set off to London to find their biological father. Will they be able to find him?

long distance relationships never work: Amish Love James J Gregoryk, Jarrod was kicked out of his family's home at sixteen for being gay. He struggled to survive until his adoptive family found him nearly dying in their church. They helped him get well and loved him. Jarrod studied hard and got into college. He chose nursing and planned on becoming a midwife. One afternoon after class, he got in his car and accidentally set off the car's horn. This startled a man dressed in all black who had been sleeping on the bench in front of Jarrod's car. Jeremiah was an Amish on his Rumspringa. They became fast friends and then eventually, over time, became lovers. Their love was deep and seemed endless. Jarrod came home to celebrate the end of Rumspringa and to share the passing of his nursing boards, only to find Jeremiah was gone without a trace. Jeremiah hadn't just left. He had written a letter. Jarrod found no letter. After much heartache, the two moved on. They married and had families. Neither of them ever forgot the other and always wondered what had happened. Nearly twenty-eight years later, Jarrod saw paintings of himself in a quaint little Amish store—Jeremiah's store.

long distance relationships never work: *The Royal Street Heist* Scotty Cade, 2014-11-10 Bissonet & Cruz Investigations: Book One When valuable Civil War era art is stolen from a popular New Orleans gallery, NOPD Lead Detective Montgomery Beau Bissonet and his partner set out to solve the crime. When the gallery's insurance company sends Tollison Cruz to the Big Easy to conduct their own independent investigation, personalities clash and battle lines are definitely drawn. The heist quickly becomes a politically driven high profile case, and Detective Bissonet is furious when he's ordered to work along side Investigator Cruz to assure a timely arrest. The heat index soars to new levels when the two investigators discover they have a lot more in common than originally thought. With the tension between them temporarily sated, Bissonet and Cruz finally start to work together, on more than just a professional level. But everything comes to a screeching halt when Beau discovers his cohort in crime has been withholding information regarding the investigation and has been concealing a very questionable past. What happens next rivals the scorching summer heat.

long distance relationships never work: **Nothing to Us** Scarlett Finn, 2022-10-18 So I kissed him first... Okay, we had sex... a lot. But it's over. It's a fling, not a thing. The trip to Zairn's island resort is exactly the breather I need. Five-star, all expenses paid, I can clear my head and focus on my true goal. I want to find the one. You know? The One. I'm not looking for him in the Bahamas. At least not until Toria signs us up for a singles program: Love In Paradise. Dates, group events, single men, single women, it's worth a shot, right? So what the hell is he doing here? He's not on the program, he's just... here. Yeah, okay, so he's one of Zairn's best friends and has a right to hang around. Except... no one knows about our fling. How am I supposed to find love with him popping up everywhere? I'll ignore him. Fine... until I see his mouth and start obsessing about kissing it. Man, can he kiss... No! He's not in the running. We're over... aren't we? **HEA STANDALONE**

long distance relationships never work: An Aussie Christmas Angel Clare Revell, 2012-12-07 On an extended holiday from the UK, John Connington finds himself in Sydney, Australia with no

lodging, and only a telephone number from a friend-of-a-friend offering him a place to stay. Trusting that God knows what He's doing, John makes the call. Jo Heywood can't believe the audacity of John Connington, yet when her flat mate knows of this obscure offer, there's nothing Jo can do. She's not prepared for the avalanche of feelings this stranger elicits. Not impressed by God's sense of humor, Jo fights how she feels. Can a long distance relationship really work or is God just testing them both?

long distance relationships never work: *Between Girlfriends* Elizabeth Dean, 2004-04-01

Four friends--Gracy, a freelance writer; Lindsay, a conservative workaholic; Parker, a wealthy socialite; and Blair, an African-American princess--embark on a quest for Ms. Right that is filled with hilarity, insight, hope, and high fashion. Reprint.
