**\*\*God and the Blackman: Exploring Faith, Identity, and Empowerment\*\***

**god and the blackman** have been interconnected in profound and complex ways throughout history. The relationship between spirituality, race, and identity has shaped the experiences of Black communities worldwide, especially in the context of faith traditions, social justice, and cultural resilience. Understanding this dynamic offers invaluable insights into how religion and belief systems have influenced the struggles, triumphs, and ongoing quest for dignity among Black people.

## Historical Context of God and the Blackman

The story of god and the blackman cannot be told without diving into the historical backdrop of slavery, colonization, and systemic oppression. For centuries, Christianity and other faiths arrived in African and African-descended communities through both voluntary conversion and forced imposition. Yet, despite the attempts to control narratives and identities, Black people found ways to interpret spirituality that resonated deeply with their lived realities.

## Faith as a Source of Strength

During the era of slavery in the Americas, enslaved Africans turned to faith as a source of hope. Hymns, spirituals, and biblical stories of liberation — such as the Exodus — became powerful metaphors for freedom and survival. The Black church emerged as more than a place of worship; it became a sanctuary and a hub for community organizing, education, and resistance.

This connection between god and the blackman highlights a unique spiritual resilience. It shows how faith was not just a tool of oppression but also a wellspring of empowerment, a way to assert humanity in the face of dehumanization.

## Black Theology and Liberation

In the 20th century, theologians like James Cone pioneered Black Liberation Theology, which explicitly linked god and the blackman through the lens of social justice. This theology argues that God is on the side of the oppressed, and that the struggle for racial equality is a spiritual as well as a political mission.

Black Liberation Theology challenges traditional religious interpretations by centering the experiences of Black people and demanding that faith communities address real-world injustices. It reclaims the narrative, insisting that god's justice is inseparable from human justice.

# **The Role of Religion in Black Identity**

Faith has played a vital role in shaping Black identity across generations. Whether through Christianity, Islam, African traditional religions, or newer spiritual movements, the relationship between god and the blackman has helped define cultural values, ethical frameworks, and community cohesion.

## **Christianity and the Black Church**

The Black church remains one of the most significant institutions in Black communities. It has nurtured leaders like Martin Luther King Jr. and provided a foundation for civic engagement and social uplift. The sermons, music, and rituals offer spaces where god and the blackman connect in deeply personal and communal ways.

## **Islam and the Black Experience**

Islam has also been an important faith for many Black people, particularly in African and African American contexts. Movements such as the Nation of Islam have emphasized black empowerment through religious teachings, combining spiritual discipline with calls for economic and social independence.

## **African Spirituality and Ancestral Connection**

Beyond the dominant Abrahamic faiths, African traditional religions and spirituality continue to influence the understanding of god and the blackman. These belief systems emphasize a holistic connection between the divine, nature, and ancestors, underscoring community and continuity.

## **Spirituality as a Path to Healing and Empowerment**

In contemporary times, the dialogue around god and the blackman has expanded to include mental health, healing from generational trauma, and reclaiming narratives.

## **Healing Generational Trauma Through Faith**

The legacy of slavery, segregation, and systemic racism has left deep scars. Many Black individuals turn to spirituality and faith communities for healing and restoration. Prayer, meditation, and communal worship offer tools to process pain and build resilience.

## **Faith and Social Activism**

The connection between god and the blackman continues to inspire activism. Faith-based organizations often lead efforts in civil rights, voting rights, and economic justice. The moral authority derived from spiritual beliefs helps galvanize communities toward collective action.

## **Practical Tips for Nurturing Spiritual Connection**

For those seeking to deepen their relationship with god and explore what that means in the context of Black identity, here are some helpful approaches:

- Engage with diverse religious texts and interpretations that highlight Black experiences.
- Participate in faith communities that prioritize social justice and inclusivity.
- Incorporate ancestral traditions and rituals to connect with heritage and spirituality.
- Use meditation and prayer as tools for mental and emotional wellness.
- Explore creative expressions like gospel music, spoken word, or art to express spiritual journeys.

## **God and the Blackman in Popular Culture and Literature**

The themes surrounding god and the blackman have found rich expression in literature, music, and film. Artists and writers use these mediums to explore faith, identity, and resistance.

### **Literary Voices**

Writers such as Toni Morrison, James Baldwin, and Maya Angelou have woven spiritual themes into their narratives, reflecting the nuanced relationship between faith and Black life. Their works invite readers to consider how god and the blackman interact in personal and societal contexts.

### **Music as Spiritual Expression**

From gospel to hip-hop, music has been a powerful channel for expressing the struggles and hopes tied to god and the blackman. Songs often blend spiritual messages with calls for justice, creating anthems that resonate across generations.

## **Film and Visual Storytelling**

Movies and documentaries explore themes of faith, oppression, and liberation, illustrating how spirituality shapes Black experiences. These visual stories contribute to a broader understanding of god's role in Black history and contemporary life.

## **Continuing the Conversation**

The dialogue about god and the blackman is ongoing and evolving. As society changes, so do interpretations of spirituality and identity. Engaging with this conversation requires openness, empathy, and a willingness to explore complex intersections of race, faith, and culture.

Understanding how god and the blackman relate offers more than historical knowledge—it provides a framework for empowerment, community building, and personal growth. Whether through scholarly study, spiritual practice, or cultural exploration, this connection remains a vital part of the Black experience worldwide.

## **Frequently Asked Questions**

### **What is the central theme of 'God and the Blackman' by James Baldwin?**

The central theme of 'God and the Blackman' is the exploration of the relationship between Black identity, spirituality, and liberation, emphasizing the need for self-awareness and social justice.

### **How does James Baldwin address the concept of God in 'God and the Blackman'?**

Baldwin discusses God as both a personal and societal construct, urging Black people to reclaim spirituality in a way that empowers them against systemic oppression.

### **What role does religion play in the Black experience according to 'God and the Blackman'?**

Religion is portrayed as a complex influence that can either oppress or liberate Black individuals, depending on how it is interpreted and practiced.

### **How does 'God and the Blackman' relate to the civil rights movement?**

The work connects spirituality with social activism, suggesting that true liberation requires both faith and tangible efforts to achieve racial equality.

## **What message does Baldwin convey about self-identity in 'God and the Blackman'?**

Baldwin emphasizes the importance of self-acceptance and understanding one's history and culture as crucial steps toward empowerment and freedom.

## **In what ways does 'God and the Blackman' challenge traditional religious views?**

It critiques traditional religious institutions for often supporting oppressive systems and calls for a reinterpretation of faith that promotes justice and equality.

## **How can the themes of 'God and the Blackman' be applied to contemporary social issues?**

The themes encourage ongoing dialogue about race, spirituality, and justice, inspiring movements that seek to address systemic racism and inequality today.

## **What is the significance of spirituality in healing racial trauma according to 'God and the Blackman'?**

Spirituality is presented as a vital tool for healing, providing strength and resilience to overcome the psychological impacts of racial trauma.

## **How does Baldwin describe the relationship between God and Black masculinity?**

He explores how Black men navigate their identity in relation to God, often confronting societal stereotypes while seeking dignity and purpose through faith.

## **Why is 'God and the Blackman' still relevant in modern discussions about race and religion?**

Because it addresses enduring issues of racial injustice and the role of spirituality in personal and collective liberation, offering insights that remain pertinent in current social discourse.

## **Additional Resources**

God and the Blackman: An Analytical Exploration of Faith, Identity, and Cultural Resonance

**god and the blackman** is a phrase that encapsulates a complex intersection of spirituality, race, and social history, particularly within the African American experience. This exploration delves into the nuanced relationship between religious belief and Black identity, examining how faith has shaped—and been shaped by—the struggles, triumphs, and cultural expressions of Black communities. The phrase itself evokes significant cultural artifacts, most notably the 1970 documentary film "God and the Blackman," which offered a poignant window into the Black liberation

theology and the quest for empowerment during a turbulent era in American history.

## **Historical Context of Faith in the Black Experience**

To understand the significance of "god and the blackman," one must first appreciate the pivotal role religion has played throughout Black history. Christianity, introduced during the era of slavery, was both a tool of oppression and a source of solace and resistance. Enslaved Africans often reinterpreted Christian narratives, finding in the stories of Exodus and deliverance a hopeful parallel to their own plight. This adaptive spirituality laid the groundwork for a distinctive Black religious experience.

Post-Emancipation, Black churches became central institutions in African American communities. They not only served spiritual needs but also became hubs for education, political activism, and social support. Leaders like Martin Luther King Jr. exemplified how faith and the fight for civil rights were inextricably linked, using religious rhetoric to galvanize movements for justice.

## **Black Liberation Theology and Its Impact**

Emerging prominently in the 1960s and 70s, Black Liberation Theology directly addressed the intersection of race, oppression, and faith. The movement challenged traditional Christian doctrines that seemed to overlook or justify racial injustice. Figures such as James Cone argued that God is particularly concerned with the plight of the oppressed, positioning Jesus as a liberator who sides with the marginalized.

This theological framework resonated deeply within Black communities, providing a spiritual lens through which to interpret systemic racism and advocate for social change. The 1970 film "God and the Blackman," directed by James Baldwin and others, captured these themes by intertwining personal narratives with broader socio-political commentary.

## **Faith as Identity and Resistance**

In examining "god and the blackman," it is crucial to analyze how spirituality operates as both an identity marker and a form of resistance. For many African Americans, faith is not merely a private matter but a collective experience that binds individuals to a shared history and culture.

## **Religious Institutions and Community Empowerment**

Historically, Black churches have been more than places of worship; they have functioned as community centers, schools, and political arenas. Churches provided organizational frameworks for movements such as the Civil Rights Movement and continue to influence contemporary activism. The Black church's role in fostering leadership, education, and social welfare programs underscores its enduring relevance.

## **Intersections with Other Belief Systems**

While Christianity remains predominant, "god and the blackman" also invites exploration of other spiritual traditions within Black communities. Islam, for example, has had a significant presence, particularly through the Nation of Islam and figures like Malcolm X. Additionally, African traditional religions and syncretic practices have influenced cultural expressions and identity formations.

This diversity reflects the multifaceted nature of Black spirituality, resisting monolithic portrayals and emphasizing a broad spectrum of belief systems that contribute to cultural resilience.

## **Cultural Representations and Contemporary Relevance**

The concept of "god and the blackman" continues to inspire artistic, literary, and scholarly works that address the dynamic relationship between faith and Black identity.

### **Artistic Expressions**

Music genres such as gospel, hip-hop, and jazz often incorporate spiritual themes, reflecting ongoing dialogues between sacred and secular life. Artists like Kendrick Lamar have garnered acclaim for integrating faith and social commentary, illustrating the contemporary relevance of this intersection.

### **Academic Discourse and Social Analysis**

Scholars in theology, sociology, and African American studies regularly engage with themes encapsulated by "god and the blackman." Research often focuses on how religious beliefs shape social attitudes, political behaviors, and community cohesion. Data indicates that Black Americans maintain higher rates of religious affiliation and participation compared to other demographics in the United States, highlighting the centrality of faith in daily life and identity.

## **Challenges and Critiques Within the Intersection of Faith and Black Identity**

Despite its empowering aspects, the relationship between "god and the blackman" is not without complexities and critiques.

### **Gender and Inclusivity Issues**

Some critiques focus on patriarchal structures within Black religious institutions, which can marginalize women and LGBTQ+ individuals. This has spurred movements within Black churches to

address inclusivity and reinterpret traditional doctrines in more progressive ways.

## Religion and Socio-Political Divides

While faith has been a unifying force, it has also been a source of tension regarding political and social issues. Divergent views on topics such as LGBTQ+ rights, reproductive health, and social justice initiatives reflect broader debates within religious communities.

## Prospects for the Future: Evolving Spiritual Landscapes

As Black communities continue to evolve, so too does the interplay between "god and the blackman." Increasing secularization among younger generations contrasts with enduring religious commitments among older demographics, prompting questions about the future role of faith.

Simultaneously, new forms of spiritual expression—such as Afrocentric spirituality, interfaith dialogue, and digital religious communities—are shaping contemporary experiences. These developments suggest that the dynamic between divinity and Black identity remains vibrant, multifaceted, and deeply influential.

Through these ongoing conversations and cultural productions, the phrase "god and the blackman" remains a powerful entry point for examining faith's role in shaping identity, activism, and community in the African American experience.

## God And The Blackman

**god and the blackman:** *God and the Blackman* Phil Mathias, 2005-08 The contents of this book will be difficult for some people to comprehend. But if you're unprejudiced, guileless, audacious and of an exploring personality, then your curiosity should be evoked, beyond your wildest expectations! It is definitely not for the fainthearted, and without any reservations, not for those who are of the belief that all they are in knowledge of; must be the truth. Many things which have had factuality confer to it in the past; has oftentimes, at a later date, turned out to be anything, but fact. So read this book open-mindedly, and judge not its contents based on teachings of yesteryear, but on the realities, which we are daily confronted with especially as black people in today's world. Phil Mathias

**god and the blackman: Message to the Blackman in America** Elijah Muhammad, 1973-11-07 According to countless mainstream news organs, Elijah Muhammad, by far, was the most powerful black man in America. Known more for the students he produced, like Malcolm X, Louis Farrakhan and Muhammad Ali, this controversial man exposed the black man as well as the world to a teaching, till now, was only used behind closed doors of high degree Masons and Shriners. An easy and smart read. The book approaches the question of what and who is God. It compares the concept held by religions to nature and mathematics. It also explores the origin of the original man, mankind, devil, heaven and hell. Its title, Message To The Blackman, is directed to the American Blacks specifically, but addresses blacks universally as well.

**god and the blackman:** *God, the Black Man and Truth* Ben Ammi, 1982

**god and the blackman:** *Say Goodbye to the Blackman Who Drains the Blackwoman* Jas Jae', Smith Lady Smith, Lady Smith, 2008 Addressing real problems concerning African-American men who are not ready to love, respect, and to protect their beautiful African-American women, this work offers motivational Scriptures and features reflective sections for women to evaluate their lifestyles and relationships. (Practical Life)

**god and the blackman:** Black God Dr. Supreme Understanding, 2013-12-13

**god and the blackman:** **The Revised Spiritual Reflections of a Blackman** David L. Cain, 2005-07-15 Originally published in 1997, David L. Cain revisited the personal journals that inspired the *The Spiritual Reflections of a Black Man*. The new insights pick up where the original left off and cover a variety of current events that include accepting our differences, adopting high values, dealing with adversity, and making tough life choices. By reflecting on life events spiritually, we show God that we are ready to learn. His promise of ask and it shall be opened unto you has never been and never will be broken. We simply have to ask in the right context, and since God is a Spirit, then it stands to reason that the right context is spiritual.

**god and the blackman:** **The Song of Songs and the Eros of God** Edmée Kingsmill, 2009-11-26 A close biblical study that re-examines the Hebrew text of the Song of Songs and considers its mystical meaning. Kingsmill seeks to demonstrate that a careful network of intertextual allusions has been deliberately used by the writer of the Song to refer metaphorically to the love of God for his people.

**god and the blackman:** A Black Man Survivor's Guide Kenneth Green, 2020-06-12 Black men in general and specifically in America are survivors. In the twenty-first century, strategies are needed to overcome the petulant and devious psychosocial racist hurdles yet remaining. A guide or handbook employs the how to in recognizing obstacles and the steps required to circumvent and overcome them. Black men must begin assuming responsibility and accountability for the chains of stagnation—spiritually, socially, psychologically—some are bound by. Black men have proven we can survive and thrive. But there yet remain many who need the assistance and how-to instructions and encouragement that this book enlists. Quoting the Bible, the sacrosanct word of God, God's word will not return unto him void of the purpose for which He sent it. He sent His Son, now it's time he sent you, survivor. Rise up, black man.

**god and the blackman:** **God, Pain, And Love** James Alexander, 2021-12-06 God Pain and Love, the story, begins in Tampa, Florida. I was born the son of Laura Rogers, a.k.a. Candy. Yes, my mom was in the streets before I came to be. I'm the brother of six, four boys and two girls. My mother did a great job on us despite the ups and downs of life, and I'm grateful to the Lord for being there 100 percent of the time without my knowledge. I had the tendency to touch things that didn't belong to me, and it led me to a life of crime: jails and drugs and trouble. My family were the spiritual type. You know the type who goes to church five days a week. I truly believe that if I didn't have the people God placed in my life at the exact moment and time he did, I truly would not be where I am today--in his care. God has allowed me to find the things that are for me, and I am blessed to be able to give back in any way that I can. My Father has blessed me with this gift of spoken word poetry, and as you continue to read, I'm sure you'd agree. Love has a way of taking us on a roller-coaster ride, but we have these pains and aches that interfere with the fun. Please don't give up on your dreams. All one need to do is open our eyes.

**god and the blackman:** **Sentiments and Reflections of a Black Man** Clint B. Walker, 2011-05-26 This book of poems were written in the attempt to get Gods message out, I had a heavenly encounter with God and was taken out of body, mind or spirit I can not really tell which but I know it was for the purpose of uniting all people for the common good. Some of these poems deals with secular life and some are written from a more spiritual venue but as Jesus use parables to explain the good and bad of our actions so have I been instructed to do as well. When we dabble in things that has no profit only destruction then there is an equal reaction to all actions. These words are the inspired works of God and will truly bless all that read them. They will offer inspiration, courage, guidance and wisdom. If the reader keeps an open mind and let the Holy spirit talk to their

subconscious: Gods words do not go away into the void but they accomplish what they are sent out to accomplish. This book will have a universal appeal to all its readers and will give all readers a greater insight into the mind of the author whom happens to be a black man, but more important a child of God. Its purpose is to unite all races to come together as one people. There is no difference between the Jew and Greek, bond nor free, for whosoever calls on the name of the Lord will be saved. I profess we all are whosoever, whether red, yellow, black, brown or white, we are all precious in Gods sight. Read these poems with an open mind and a receptive heart and I guarantee you will be truly blessed by reading them as I was blessed by writing them. May God bless all of his children with good health, happiness and prosperity, is my hearts desire and prayer.

**god and the blackman: Words from God, by God Appearing to Us or Just Talking to Us, for the End Times** Apostle Frederick E. Franklin, 2012-01-12 We write the future for you in this book. We fill in many of the gaps that are left with us from the Holy Scriptures of the Holy Bible. God Gives us the Missing Future.

**god and the blackman: With God on their Side** Timothy Chandler, Tara Magdalinski, 2005-07-12 'Sport' and 'religion' are cultural institutions with a global reach. Each is characterised by ritualised performance and by the ecstatic devotion of its followers, whether in the sports arena or the cathedral of worship. This fascinating collection is the first to examine, in detail, the relationship between these two cultural institutions from an international, religiously pluralistic perspective. It illuminates the role of sport and religion in the social formation of collective groups, and explores how sport might operate in the service of a religious community. The book offers a series of cutting-edge contemporary historical case-studies, wide-ranging in their social and religious contexts. It presents important new work on the following fascinating topics: \* sport and Catholicism in Northern Ireland \* Shinto and sumo in Japan \* women, sport and the American Jewish identity \* religion, race and rugby in South Africa \* sport and Islam in France and North Africa \* sport and Christian fundamentalism in the US \* Muhammad Ali and the Nation of Islam. With God on their Side is vital reading for all students of the history, sociology and culture of sport. It also presents important new research material that will be of interest to religious studies students, historians and anthropologists.

**god and the blackman: The Genesis of the Bible** Shaka Saye Bambata Dolo, 2012-03-06 This book is about Christianity, Islam, Judaism, and how the Arabs and Europeans took these Afrikan Religious Belief Systems from ancient Egypt, North Afrika and used them during The Trans-Sahara Afrikan Slave Trade by the Arabs in the name of Allah, and followed by The Transatlantic Afrikan Slave Trade by the Europeans in the name of Jesus, to enslave the bodies, minds, and souls of the Afrikan Race. This book is about the Jesus Deception that has been passed on down through history by European historians, that is still being taught around the world today. This book takes a provocative intellectual, scholastic, historical, cultural, and sociological look at the Bible. This book identifies the names of the translators of the King James Bible of 1611 A. D., and when the chapters and verses in the Bible were created and who created them. The purpose of this book is to expose the historical, cultural, sociological, religious and theological lies of the Europeans and the Arabs. This book reveals the truth of the origination of The Bible, as There Is No Religion Higher Than The Truth. Join me in an intellectual odyssey through time. Here, I feel like a Lone Warrior standing before a mighty army. Come with me on this perilous pilgrimage as we travel through a parallel universe. I dedicate this book to my mother and father who gave me life. To the rest of my Native Afrikan family for supporting me and encouraging me on this publishing venture. To the Heavenly Father, without whom none of this would be possible. There are others I would also like to thank for being a part of helping me through this journey called Life, such as my professors at the Alabama State University where many a great scholars paths I have crossed. To my American family and friends in Mobile, Alabama who nurtured and taught me from childhood to adulthood. The many friends and colleagues I met in my travels all across America in my intellectual journey, and last but certainly not least, to my publisher for granting me the opportunity to speak to many all around the world in this forum. I am eternally indebted to you all-Thank you.

**god and the blackman: The Black God Trope and Rhetorical Resistance** Armondo R. Collins, 2023-05-08 In *The Black God Trope and Rhetorical Resistance: A Tradition of Race and Religion*, Armondo R. Collins theorizes Black Nationalist rhetorical strategies as an avenue to better understanding African American communication practices. The author demonstrates how Black rhetors use writing about God to create a language that reflects African Americans' shifting subjectivity within the American experience. This book highlights how the Black God trope and Black Nationalist religious rhetoric function as an embodied rhetoric. Collins also addresses how the Black God trope functions as a gendered critique of white western patriarchy, to demonstrate how an ideological position like womanism is voiced by authors using the Black God trope as a means of public address. Scholars of rhetoric, African American literature, and religious studies will find this book of particular interest.

**god and the blackman: *God, Harlem U.S.A.*** Jill Watts, 1992-01-10 How did an African-American man born in a ghetto in 1879 rise to such religious prominence that his followers addressed letters to him simply God, Harlem U.S.A.? Using hitherto unknown materials, Jill Watts portrays the life and career of one of the twentieth century's most intriguing religious leaders, Father Divine. Starting as an itinerant preacher, Father Divine built an unprecedented movement that by the 1930s had attracted followers across the nation and around the world. As his ministry grew, so did the controversy surrounding his enormous wealth, flamboyant style, and committed angels—black and white, rich and poor alike. Here for the first time a full account of Father Divine's childhood and early years challenges previous contentions that he was born into a sharecropping family in the deep South. While earlier biographers have concentrated on Father Divine's social and economic programs, Watts focuses on his theology, which gives new meaning to secular activities that often appeared contradictory. Although much has been written about Father Divine, *God, Harlem U.S.A.* finally provides a balanced and intimate account of his life's work.

**god and the blackman: *How to Kill a Black Man*** Earl Buckingham a.k.a. Coach Buck, 2020-12-04 The primary purpose of this book is to make a passionate, but practical appeal to the reasonable, to the rational, to the righteous, and even to the radical and the racist, to reconsider the error of their ways regarding a host of pertinent issues facing 21st century United States of America. If you are a person that is fake, phony, or a fool, you might not want to read this book. If you can't handle the unfiltered, politically incorrect, unadulterated truth, then don't read this book. If you are sensitive and easily offended, don't read this book. If you are not in one those categories, you need to read this book. This book represents the author's frustration with a people and a nation that is losing its way. This book calls out a divided 21st-century America, that in many cases, calls right wrong and calls wrong right. America has become a nation, that in some cases, applauds, condones, and celebrates wrong doing, but dismisses and ignores doing right. A nation who has certain citizens who think they are upholding the ideals and freedoms of the foundation of this country, but on the contrary, are doing and behaving in a way that is the exact opposite of the values and principles this nation was founded on. This book is a wake-up call to the citizens of the greatest nation in the history of mankind to come together and get it together, before we wreck it together. This book is a wake-up call to my black community. We must do better. This book is a wake-up call to all Christians in America. Christians in America have got to rise up and come together to do better. This book is a wake-up call to white America. White Americans must do better. This book also is a wake-up call and reminder to all American citizens to be thankful for our fine military personnel, border patrol agents, ICE agents, police officers, fireman, and all civic duty servants, who faithfully put their lives on the line every day to insure the safety of the citizens of this country. This book is a wake-up call to all Americans. We, as a nation, must come together to do better. To black, white, brown and all Americans, don't let the controversial title deter you from reading this book. This book challenges

black, white, brown, yellow and all Americans to do better toward one another. We have some critical issues facing this nation and this book does not shy away from addressing any of them head on. This book also offers wise, practical, fair, and reasonable solutions to many of the critical issues facing this nation. There are so many interesting and different topics discussed in this book, it is like getting ten books in one. This book is like a strong cup of coffee or a spicy bowl of gumbo. It has a little some of everything in it and it will give some people heartburn. Unarmed Blacks being killed and abused by those sworn to protect us, and nothing is being done about it. Blacks killing one another at record numbers, and no one seems to care. The book *How To Kill A Black Man* offers a very thought-provoking answer to this controversial, eye brow raising, emotion stirring title. This book also deals with a lot other interesting, debatable controversial, yet pertinent topics to meditate and consider. Not only does this book address controversial issues, it also offers reasonable and honest solutions to some challenging issues in the African-American community and 21st century United States of America.

**god and the blackman: Views of a Southern Black Man** Harvey Williams Jr., 2015-03-26  
*Views of a Southern Black Man* is a compilation of selected weekly editorials written by the author over a fifteen-year span. In this book, the author shares his experience with racism in the south. He also talks about the problems that continue to plague the African American community as he offers possible solutions. The main objective of this book is to improve race relations, but this will not happen until all Americans come to an agreement as to what's right and wrong, just and unjust, and be able to separate fact from fiction. While the past serves not only as a reminder of where African American have been and a tool to assess where we are today, we cannot successfully move forward while continuing to look back.
