The Game by Neil Strauss: Unveiling the Secrets of Pickup Artistry

the game by neil strauss is more than just a book; it's a cultural phenomenon that shook the dating world when it was first published in 2005. This groundbreaking work combines memoir, self-help, and a deep dive into the underground world of pickup artists (PUAs). Neil Strauss, a journalist and author, takes readers on a fascinating journey through his personal transformation from a shy, awkward man into "Style," a master of seduction. But what makes *The Game* by Neil Strauss so compelling, and why does it continue to influence dating advice decades later? Let's explore the key elements behind this influential work and what it reveals about human interaction and attraction.

Understanding The Game by Neil Strauss

At its core, *The Game* by Neil Strauss chronicles the author's immersion into the secretive community of pickup artists. Strauss was initially skeptical about the PUA scene, but his curiosity led him to meet some of the most well-known figures in the field, including Mystery, a legendary seduction coach. Through a series of workshops, social experiments, and real-world encounters, Strauss learns the techniques that these men use to approach, attract, and connect with women.

What makes *The Game* unique is its hybrid style: part autobiography, part instructional guide, and part cultural analysis. Strauss doesn't just teach pickup tactics; he shares his own vulnerabilities and struggles, revealing how the game affected his identity and relationships. This personal angle makes the book relatable and engaging, rather than just a cold manual on manipulation.

The Concept of Pickup Artistry

Pickup artistry, or PUA, refers to a set of strategies and social skills aimed at improving romantic and sexual success. *The Game* by Neil Strauss popularized PUA concepts such as "negging" (backhanded compliments), "peacocking" (dressing to stand out), and "kino escalation" (gradual physical contact). These techniques are designed to build attraction, boost confidence, and create emotional connections.

However, it's important to view these methods within a broader context. *The Game* highlights that pickup artistry is as much about self-improvement and overcoming social anxiety as it is about attracting partners. Many PUAs emphasize personal development, including fitness, grooming, and communication skills.

Key Lessons from The Game by Neil Strauss

Reading *The Game* by Neil Strauss offers more than just tactics; it provides valuable insights into human behavior, confidence, and social dynamics. Here are some of the core lessons that resonate throughout the book:

1. Confidence is Crucial

One of the most recurring themes in *The Game* is the power of confidence. Strauss illustrates that confidence can transform one's social presence and interactions. By practicing pickup techniques and immersing himself in social situations, Strauss builds a stronger sense of self-assurance that extends beyond dating.

2. Social Skills Can Be Learned

The Game debunks the myth that attraction is purely innate or based on looks alone. Instead, Strauss shows that social skills, such as reading body language, storytelling, and humor, can be cultivated. This empowers readers to actively improve their interpersonal abilities.

3. Authenticity Matters

While some critics argue that pickup artistry can be manipulative, *The Game* by Neil Strauss also emphasizes the importance of authenticity. Strauss's journey reveals that genuine connection and respect for others ultimately lead to deeper relationships. The best PUAs often blend learned techniques with sincere personality traits.

The Impact of *The Game* by Neil Strauss on Popular Culture

Since its release, *The Game* by Neil Strauss has sparked both admiration and controversy. It introduced mainstream audiences to the subculture of pickup artists, influencing dating advice forums, reality TV shows, and self-help books. The book's candid storytelling and practical advice inspired many men to rethink their approach to dating and social confidence.

Criticism and Controversy

Despite its popularity, *The Game* has faced criticism for promoting manipulative behavior and objectifying women. Some detractors argue that certain PUA tactics encourage disrespect or dishonesty. Strauss himself has reflected on these concerns, acknowledging the ethical dilemmas within the community and advocating for more respectful interaction.

The Evolution of Pickup Artistry

The Game acted as a catalyst for the pickup community's growth, but it also prompted evolution. In recent years, many dating coaches have shifted focus toward emotional intelligence, consent, and meaningful connections. This modern approach aims to balance attraction with integrity, reflecting

changing social attitudes.

Applying The Game by Neil Strauss Principles in Real Life

For those curious about integrating lessons from *The Game* by Neil Strauss, it's important to approach the material thoughtfully. Here are practical tips inspired by the book that align with healthy social interaction:

- **Practice Active Listening:** Genuine interest in others forms the foundation of connection.
- **Work on Self-Improvement:** Physical fitness, grooming, and personal hobbies boost confidence naturally.
- **Start Small:** Begin conversations in low-pressure environments to build comfort.
- **Use Humor Wisely:** Light-hearted banter can ease tension but avoid sarcasm that might hurt feelings.
- **Respect Boundaries:** Pay attention to verbal and non-verbal cues to ensure mutual comfort.

Building Confidence Beyond Dating

The confidence gained through social practice isn't limited to romantic contexts. Many readers of *The Game* by Neil Strauss find that their improved communication skills enhance friendships, professional relationships, and public speaking abilities. Confidence is a transferable asset that enriches multiple aspects of life.

Why The Game by Neil Strauss Still Matters Today

Nearly two decades after its publication, *The Game* by Neil Strauss remains relevant because it taps into universal themes: the desire for connection, the challenge of self-doubt, and the quest to become a better version of oneself. While some tactics may feel outdated in today's evolving social landscape, the core message about personal growth and social courage endures.

Moreover, the book serves as a historical snapshot of a unique cultural movement, providing valuable context for understanding modern dating dynamics. For anyone interested in social psychology, human attraction, or personal development, *The Game* offers an intriguing exploration of how we relate to one another.

In the end, *The Game* by Neil Strauss is more than a guide to dating; it's a story about transformation,

self-discovery, and the complex dance of human interaction. Whether you view it as a toolkit, a cautionary tale, or a source of inspiration, its impact on the conversation around attraction and confidence is undeniable.

Frequently Asked Questions

What is 'The Game' by Neil Strauss about?

'The Game' by Neil Strauss is a non-fiction book that explores the world of pickup artists and the techniques used to meet and attract women. It combines autobiography with instructional content on social dynamics and seduction.

Who is the author of 'The Game' and what is his background?

Neil Strauss is the author of 'The Game.' He is an American author and journalist who went undercover in the pickup artist community to research and write the book, which chronicles his transformation and experiences within that subculture.

What impact did 'The Game' have on popular culture?

'The Game' popularized the pickup artist (PUA) community and brought widespread attention to pickup techniques and seduction strategies. It influenced dating culture and sparked discussions about gender dynamics and relationships.

Are the techniques in 'The Game' considered ethical?

The ethics of the techniques in 'The Game' are debated. Some critics argue that certain methods can be manipulative or disrespectful, while supporters claim they improve social skills and confidence. Readers are encouraged to consider consent and respect in all interactions.

Has Neil Strauss written any follow-up books related to 'The Game'?

Yes, Neil Strauss wrote 'The Truth: An Uncomfortable Book About Relationships,' which explores his personal journey with love and relationships after the events of 'The Game.' It provides a more introspective look at intimacy and emotional connection.

Is 'The Game' suitable for everyone interested in dating advice?

'The Game' offers insight into a specific subculture of dating and may not resonate with everyone. Some readers find value in its social strategies, while others criticize its approach. It's recommended to read it critically and supplement it with diverse perspectives on healthy relationships.

Additional Resources

The Game by Neil Strauss: An Investigative Review of the Cult Classic Pickup Artist Memoir

the game by neil strauss has carved a unique niche in the realm of self-help and dating literature since its release in 2005. Often described as a memoir, a how-to guide, and a cultural phenomenon, this bestselling book chronicles Strauss's deep dive into the underground world of pickup artists (PUAs). Over the years, it has sparked both fascination and controversy, making it a pivotal work for anyone interested in social dynamics, male identity, and the psychology of attraction.

Understanding The Game by Neil Strauss

At its core, *The Game* by Neil Strauss is a first-person narrative that follows the author's transformation from a socially awkward writer into "Style," a persona he adopts within the PUA community. The book offers a detailed account of Strauss's experiences, techniques learned, and the personalities he encounters, effectively functioning as both an exposé and a manual. Unlike straightforward self-help books, it blends storytelling with practical advice, providing readers with insights into the strategies used by pickup artists to initiate romantic or sexual relationships.

The Game taps into the subculture known as the pickup artist community, which blossomed in the early 2000s. This scene was characterized by its use of psychological tactics, scripted routines, and social experiments designed to improve men's success with women. Strauss's work popularized terms like "negging" (backhanded compliments) and "peacocking" (dressing flamboyantly to attract attention), concepts that have since permeated popular culture.

The Book's Impact on Dating Culture

The Game by Neil Strauss did more than just document a subculture; it played a significant role in shaping modern pickup culture and dating advice. Prior to its publication, the pickup artist community was largely underground, shared through forums or exclusive seminars. Strauss's book brought this world to mainstream audiences, influencing not only individuals looking for dating advice but also spawning a genre of related books, workshops, and online communities.

However, the book's influence is double-edged. While many readers credit it with boosting confidence and social skills, critics argue that it perpetuates manipulative behavior and objectifies women. This duality has kept *The Game* relevant for discussions on ethics, gender dynamics, and the fine line between self-improvement and exploitation.

Analyzing the Techniques and Strategies Presented

One of the defining features of *The Game* by Neil Strauss is its detailed exposition of pickup techniques. These methods range from simple icebreakers to complex psychological maneuvers. Strauss does not merely present these tactics as formulas but contextualizes them within interpersonal dynamics, social psychology, and emotional awareness.

Key Techniques Explored in The Game

- **Negging:** A subtle form of teasing designed to lower a target's self-esteem slightly, making them seek validation.
- **Peacocking:** Wearing eye-catching clothing or accessories to stand out in social settings.
- **Social Proof:** Demonstrating one's value through association with others, often by appearing popular or important.
- **DHV (Demonstration of Higher Value):** Showcasing desirable traits such as humor, confidence, or social status.
- **Opening Routines:** Pre-planned lines or actions designed to initiate conversation smoothly.

While these techniques are presented as tools for social interaction, their effectiveness varies widely depending on individual personality, cultural context, and ethical considerations. The Game implicitly raises questions about authenticity and manipulation, encouraging readers to think critically about the balance between genuine connection and strategic interaction.

Comparisons with Other Dating Literature

In the broader landscape of dating advice, *The Game* stands out for its narrative-driven approach and insider perspective. Books like "Models" by Mark Manson emphasize emotional honesty and personal growth, contrasting with *The Game*'s focus on external tactics and social engineering. Meanwhile, classic dating manuals often rely on straightforward tips without the immersive storytelling that Strauss provides.

This combination of memoir and guide has inspired a diverse readership, from skeptics curious about the PUA community to men seeking transformative social skills. However, it is important to note that the book's dated examples and some controversial advice may not resonate with contemporary readers attuned to evolving discussions about consent and gender equality.

Critiques and Ethical Considerations

The Game by Neil Strauss has not escaped criticism, particularly concerning its portrayal of women and the ethical implications of pickup techniques. Many argue that certain strategies border on manipulation, reducing interpersonal relationships to games of control rather than mutual respect.

Additionally, the book reflects a specific cultural moment in the early 2000s, a period when conversations about consent and power dynamics were less prominent in mainstream discourse. Modern readers may find some elements problematic or outdated, especially given the increased emphasis today on emotional intelligence and authentic communication.

That said, Strauss himself presents a nuanced view. Throughout *The Game*, he reveals moments of personal struggle and reflection, highlighting the emotional costs of living according to pickup artist principles. This introspective aspect adds depth to the narrative, inviting readers to question the sustainability and morality of using such techniques in real life.

Pros and Cons of *The Game* by Neil Strauss

1. Pros:

- Engaging and immersive storytelling that provides a rare insider's look into the PUA community.
- Practical social strategies that can improve confidence and interpersonal skills.
- Raises awareness about social dynamics and the psychology of attraction.
- Has influenced a wide range of self-help literature and dating advice.

2. Cons:

- Some techniques may promote manipulative behavior and objectification.
- Ethical concerns regarding the treatment of women and authenticity in relationships.
- Certain advice can feel outdated or inappropriate in today's social context.
- Potential to encourage superficial interactions rather than meaningful connections.

The Legacy and Continued Relevance of *The Game* by Neil Strauss

Nearly two decades since its publication, *The Game* by Neil Strauss remains a reference point in discussions about dating, masculinity, and self-improvement. While the PUA scene itself has evolved, with new philosophies and critiques emerging, Strauss's work continues to be studied for its cultural significance and psychological insights.

Many contemporary dating coaches and social psychologists acknowledge *The Game*'s role in popularizing the conversation around male social skills and attraction strategies. Yet, it also serves as a cautionary tale about the risks of commodifying interpersonal relationships and the importance of ethical engagement.

In the age of digital dating and shifting social norms, the lessons from *The Game* by Neil Strauss invite ongoing reflection on how individuals can develop meaningful connections without resorting to manipulation or deception. As society progresses, the book's blend of memoir, technique, and introspection provides a complex, multifaceted look at the quest for intimacy and identity in modern life.

the game by neil strauss: *Rules of the Game* Neil Strauss, 2007-12-18 If you want to play the Game, you've got to know the Rules. In his international bestseller *The Game*, Neil Strauss delved into the secret world of pick-up artists--men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of *The Game*, and the world's No. 1 PUA, as Style. Now, in his first follow-up to *The Game*, comes an extraordinary package: A lavishly produced, two-volume pocket-size set that every pickup artist--accomplished or aspiring--will need to have. The first book, *The Stylelife Challenge*, is the manual Strauss thought he'd never write: the ultimate guide to landing the woman of your dreams. Bound in white leatherette, it offers an in-depth 30-day program, Strauss challenges readers to confront their insecurities and overcome them through a process of rigorous self-examination, briefings and field missions. In the second book, Strauss takes readers into the dark side of *The Game*. Bound in black leatherette, *The Style Diaries* offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; from conducting a keenly felt and tender relationship over email, to the stress and frustration of the torturous and highly unorthodox 30 Day Sex Experiment, *The Style Diaries* takes you further into the seduction underworld than ever before, and delves where *The Game* never dared to tread: into the even more complicated rules of relationships.

the game by neil strauss: The Game Neil Strauss, 2005-09-06 Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the year -- guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange -- and passions lead to betrayals lead to violence. *The Game* is the story of one man's transformation from frog to prince -- to prisoner in the most unforgettable book of the year.

the game by neil strauss: The Game Neil Strauss, 2014-05-28 The notorious international

bestseller. In *The Game*, New York Times and Rolling Stone journalist Neil Strauss reveals the bizarre world of the pick-up artist (PUA)—men who devote their lives to mastering the techniques of seducing women. Neil Strauss spent two years travelling in what is known as the ‘seduction community’, a secret society of men committed to becoming PUAs. He entered a world of bizarre and compelling characters, night after night approaching countless new ‘targets’ until he had developed the ability to connect, almost immediately, with any woman who crossed his path. Within a matter of months, Neil Strauss—once a self-described average frustrated chump (AFC)—had transformed himself into Style, the king of the PUAs. Hysterical and harrowing by turns, filled with cameos from Britney Spears, Paris Hilton, Tom Cruise, Courtney Love, Heidi Fleiss, and others, *The Game* is the story of what happens when one man harnesses the power to seduce the most desirable women in the world—only to fall head over heels for a woman who can beat him at his own game.

the game by neil strauss: *The Game - out of print* Neil Strauss, 2005-10-14 Nothing you have heard about *The Game* will prepare you for it. Neil Strauss reveals the bizarre world of the pick-up artist—men who devote their lives to mastering the techniques of seducing women. None of this is fiction. These men have their own vernacular and codes of honour, they trade strategies online, attend each other’s seminars and live together in houses around the world they call Projects. New York Times and Rolling Stone journalist Neil Strauss spent two years traveling in what is known as the ‘seduction community’, a secret society of men committed to becoming pick-up artists (PUAs). Through Internet newsgroups and international workshops, he entered a world of bizarre and compelling characters—from charismatic leaders like Mystery and Ross Jeffries to the eccentric bachelors and arrested adolescents who followed their every lead. He spent night after night approaching countless new ‘targets’, until he had developed the ability to connect, almost immediately, with any woman who crossed his path. Within a matter of months, Neil Strauss—once a self-described average frustrated chump (AFC)—had transformed himself into Style, the king of the PUAs. Hysterical and harrowing by turns, filled with cameos from Britney Spears, Paris Hilton, Tom Cruise, Courtney Love, Heidi Fleiss, and others, *The Game* is the story of what happens when one man harnesses the power to seduce the most desirable women in the world—only to find his own world come crashing down around him. A compulsively readable account of one man’s discovery of the madness that lingers at the fringes of civilised interaction. It’s dating, but not as we know it.

Neil Strauss spent four years gathering this knowledge, living it and sharing it, testing the specific material in this book on over 13,000 men of varying ages, nationalities and backgrounds. Part practical application and part sequel, this is the further adventures of Style and his game techniques.

the game by neil strauss: *Game Over* Neil Strauss, 2015-05-13 From the author of the blockbuster bestseller *The Game*: A shockingly personal, surprisingly relatable, brutally honest memoir, in which the celebrated dating expert confronts the greatest challenge he has ever faced: monogamy and fidelity Most of us are told, from the moment we are old enough to understand a story, that there is a golden path waiting to take us safely through the jungle of life: get a good job, fall in love, get married, have children, and live happily ever after. It sounds simple enough. Yet as a species, we seem to have an incredibly difficult time making it happen. So, one day, I looked around and saw my friends frustrated and neglected in their marriages—some being unfaithful, others white-knuckling it, many surrendering to their fate, and a few living in denial. And I saw myself still unmarried, childless, and, in the biggest disappointment of all to myself, cheating. And I wondered if it was possible to change the odds—and the rules—for myself . . . The story that follows, however, is not a journey that was undertaken by choice or for the purposes of a book. It is a painfully honest account of a life crisis that was forced on me by my own behavior and its consequences. And as such, it requires sharing a lot of things I'm not proud of—and a few things I feel like I should regret a whole

lot more than I actually do. Because, unfortunately, I am not the hero in this tale. I am the villain. Neil Strauss became famous to millions around the world as the author of *The Game*, a funny and slyly instructive account of how he transformed himself from a scrawny, insecure nerd into the ultra-confident, ultra-successful pickup artist known as Style. The book jump-started the international seduction community, and made Strauss a household name—revered or notorious—among single men and women alike. But the experience of writing *The Game* also transformed Strauss into a man who could have what every man wants: the ability to date-and/or have casual sex with-almost every woman he met. The results were heady, to be sure. But they also conditioned him to view the world as a kind of constant parade of women, sex, and opportunity—with intimacy and long-term commitment taking a back seat. That is, until he met the woman who forced him to choose between herself and the parade. The choice was not only difficult, it was wrenching. It forced him deep into his past, to confront not only the moral dimensions of his pickup lifestyle, but also a wrenching mystery in his childhood that shaped the man that he became. It sent him into extremes of behavior that exposed just how conflicted his life had become. And it made him question everything he knew about himself, and about the way men and women live with and without each other. He would never be the same again. Searingly honest, compulsively readable, this new book may have the same effect on you.

the game by neil strauss: *The Pickup Artist* Mystery, 2010-01-26 The world's greatest pickup artist is back! After the bestselling exposé *The Game* pulled back the curtain on Mystery and his culture of professional pickup artists, he became an international phenomenon. Unfortunately, while it's no secret that Mystery's ideas are wildly effective, women have started to catch on. They've seen the show and heard the routines—so now it's time for the next level of game! With techniques honed over fifteen years of trial, error, and ultimate triumph, and following his hit VH1 reality series, the celebrated sensei is back with his latest living-large exploits and a new and improved playbook for the twenty-first-century playboy. As the book begins, Mystery and his crew have withdrawn to their swank Miami mansion to plot their next move. When a new student comes to stay at the house, Mystery draws him deep into the pickup-artist lifestyle and shows him an intimate portrait of the master of seduction. Mystery lays out a complete system of game, and unveils his latest (and fully field-tested) strategies and techniques. *The Pickup Artist* includes • a list of all the triggers that create—and destroy—attraction • a new way to approach strangers and start a conversation: microcalibrated openers • Mystery's most powerful humor technique, the Absurd—so you'll never run out of things to say again • a full chapter on physical escalation (touching, kissing, “making a move”) • the solution to inner-game issues, for when you're not confident enough • and much, much more Whether he's holding court with eager disciples in South Beach, hanging out with his crew of fellow super-seducers in Las Vegas, or partying it up in the Hollywood Hills, Mystery is never far from where the action is—and never fails to get a piece of it. Now it's your turn. Read *The Pickup Artist* and get into the game.

the game by neil strauss: *Mastering the Game* Conrad Riker, Attract women with confidence and style! the game by neil strauss: *Emergency* Neil Strauss, 2009-03-10 Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient and survive without the system. **I've started to look at the world through apocalypse eyes.** So begins Neil Strauss's harrowing new book: his first full-length worksince the international bestseller *The Game*, and one of the most

original-and provocative-narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes-and now of world financial meltdown-Strauss, like most of his generation, came to the sobering realization that, even in America, anything can happen. But rather than watch helplessly, he decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked *The Game*, *The Dirt*, and *How to Make Love Like a Porn Star*, *Emergency* traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying survivor. It's a tale of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world-and how to stay alive in it. Before the next disaster strikes, you're going to want to read this book. And you'll want to do everything it suggests. Because tomorrow doesn't come with a guarantee...

the game by neil strauss: *The Score* Faye Flam, 2008 Discusses the psychological and genetic reasons why sex and the pursuit of sex is a driving force in many men's lives.

the game by neil strauss: *Swipe - The Game has Changed* Michael Jarosky, 2015-02-05 Sex, dates and relationships are just a swipe away. Seduction techniques in bars and exchange of endless emails via traditional internet dating are now ancient strategies. Swipe not only delivers Jarosky's unforgettable journey through the world of swipe dating, but also relays the 'MISBAC Strategy' so both men and women are equipped with up-to-date techniques to make new friends, indulge in sexual adventures, experience quality dates, and find lasting relationships in The Age of Swipe.

the game by neil strauss: *How to Talk to Hot Women* Mehow, 2013-07-03 You've seen those guys. The ones who have all the right lines and the kind of charm women flock to — the guys who always seem to lead beautiful women out the door of the coffee shop or out of the club at the end of the night, time after time. The guys who know how to reel in women and keep them. Be one of those guys. You don't have to be young, attractive, or rich to get the woman of your dreams — you just have to know how to talk to her. Mehow®, legendary pickup artist and creator of Mehow, Inc., used to be that insecure schlub at the bar with no classic good looks or smooth moves to fall back on. Rejected repeatedly, Mehow always settled for the first woman who didn't turn him down. Sound familiar? Whether you're in need of major help or just need a little push, Mehow's lessons can improve any man's game. Trained in the seduction fundamentals by the infamous pickup artists Mystery (The Game and VH1's The Pickup Artist) and Lovedrop, Mehow surpassed the masters in the pickup game, and in *How to Talk to Hot Women*, he shows how you can too. Provocative and entertaining, it's the definitive system for rescuing your sex life, your relationship status, and your swagger. In these pages, Mehow distills charm into a simple, easy-to-use formula that renders dating tips obsolete. Learn the nine essential secrets to building immediate chemistry with attractive women, along with practical, field-tested techniques that leave you with the knowledge to transform your dating reality from nonexistent to nonstop. Mehow's one-of-a-kind system shows you exactly how to be yourself and succeed when you meet women, no matter how or where, or if you simply want the woman you already have to stay totally addicted to you. Packed with specific advice on what to do, examples of what to say, and tips on how to develop your own game, *How to Talk to Hot*

Women will allow you to reach new levels of freedom and confidence to date the woman you really want — whether she is the perfect 10 for the next hour, the night, or the rest of your life.

the game by neil strauss: I Had a Nice Time And Other Lies... Betches, 2017-04-11 The New York Times bestselling authors of Nice Is Just a Place in France and When's Happy Hour? and creators of the online humor and advice phenomenon Betches.com and Instagram account @Betches explain the brutal truths of how to date like a true betch, with insights from the Head Pro. In the age of Tinder, Hinge, or any other dating app that matches you with randos, the dating game has grown complex and confusing. Cue the Betches—first, we helped you win at basically everything, and now we're going to help you win the most important battle a betch can face: dating. Maybe you're a Delusional Dater who needs to get in touch with reality (seriously, he's just NOT that f***ing into you) or perhaps you're a TGF who needs to stop being so desperate and start playing the game. Or maybe you're just tired of swiping left and ready for the pro of your dreams to put a 15-karat diamond ring on it so you can stop pretending to do work. Either way, we've got you covered. So put away the Ben & Jerry's fro-yo (just because it's low fat doesn't mean it's okay to eat the whole tub) and start dating like a winner.
