Delta Sigma Theta Interview: What to Expect and How to Prepare

delta sigma theta interview processes are a crucial part of joining one of the most prestigious historically African American sororities in the United States. Many prospective members find themselves both excited and nervous about this significant step in their journey. Whether you are a college student or a young professional aiming to become a part of Delta Sigma Theta Sorority, Inc., understanding what the interview entails and how to navigate it can make all the difference.

In this article, we'll dive deep into the ins and outs of the Delta Sigma Theta interview, offering helpful insights, tips, and strategies to help you shine during your interaction with the sorority's membership committee.

Understanding the Delta Sigma Theta Interview

When you hear "Delta Sigma Theta interview," it refers to a formal meeting or conversation between the sorority's membership committee and a potential new member (PNM). This interview isn't just a routine formality; it's an opportunity for the committee to gauge your understanding of the sorority's values, history, and your commitment to its mission.

Delta Sigma Theta Sorority, Inc. is dedicated to public service, scholarship, and sisterhood. Therefore, during the interview, expect questions that explore your character, leadership skills, community involvement, and how well you align with the sorority's principles.

What the Interviewers Are Looking For

Interviewers want to see more than just a polished resume or impressive achievements. They look for qualities such as:

- Authenticity and honesty
- Passion for community service and social justice
- Knowledge of Delta Sigma Theta's history and programs
- Ability to work collaboratively within a sisterhood
- Personal values that align with the sorority's mission

Showing genuine enthusiasm and a clear understanding of what Delta Sigma Theta represents will set you apart.

Common Questions in a Delta Sigma Theta

Interview

Preparing for the types of questions asked during the interview can calm nerves and help you present your best self. While questions may vary depending on the chapter and interviewers, some common themes often arise.

Questions about the Sorority

- What do you know about Delta Sigma Theta Sorority, Inc.?
- Why do you want to become a member of Delta Sigma Theta?
- How do you plan to contribute to the sorority's mission of public service?
- Can you name some of the sorority's signature programs or initiatives?

Showing that you've done your homework and have a heartfelt reason for wanting to join illustrates your genuine interest.

Personal and Leadership Questions

- Tell us about a time you demonstrated leadership.
- How do you handle challenges or conflicts?
- What community service projects have you been involved in?
- How do you balance academics, work, and extracurricular activities?

These questions help interviewers understand your character and your capacity to thrive within the sorority.

Hypothetical and Scenario-Based Questions

Sometimes, interviewers present scenarios to gauge your problem-solving skills or ethical standpoint:

- How would you handle a disagreement with a fellow sister?
- If you noticed a member not living up to Delta Sigma Theta's standards, what would you do?
- How would you contribute to fostering unity within the chapter?

Preparing thoughtful, reflective responses to these types of questions demonstrates maturity and readiness.

Tips to Prepare for Your Delta Sigma Theta

Interview

Preparation is key to confidently navigating your Delta Sigma Theta interview. Here are practical strategies to help you get ready:

Research Thoroughly

Learn about the sorority's founding in 1913 at Howard University, its commitment to scholarship, sisterhood, and service, and its ongoing national programs such as "Delta Days at the Nation's Capital" and "The Five-Point Programmatic Thrust." Use official sorority websites, documentaries, and reputable books or articles to gather accurate information.

Reflect on Your Personal Journey

Think deeply about your motivations for joining, your experiences in leadership or community service, and how your values align with Delta Sigma Theta's mission. Write down examples and stories you can share during your interview.

Practice Interviewing

Conduct mock interviews with friends, mentors, or advisors who understand the sorority's expectations. Practice answering questions out loud to improve your confidence and articulation.

Dress Appropriately

Professional and modest attire is expected. Aim for a polished look that reflects respect for the sorority and the seriousness of the process.

Be Authentic

While preparation is essential, avoid memorizing answers verbatim. Interviewers appreciate authenticity; speak from the heart and be yourself.

What to Expect on the Day of the Interview

Understanding the atmosphere and logistics can help calm your nerves on the actual day.

Interview Format

The interview may be conducted one-on-one or in a panel format. Sometimes, prospective members are interviewed in groups or asked to participate in group activities or discussions afterward.

Setting and Duration

Interviews typically take place in a formal setting such as a sorority house, university campus, or community center and last anywhere from 20 minutes to an hour depending on the chapter's process.

Post-Interview Process

After the interview, the membership committee deliberates on each candidate. This process might take a few weeks. It's important to remain patient and continue demonstrating your commitment to the sorority's values during this waiting period.

Common Mistakes to Avoid During a Delta Sigma Theta Interview

Even with preparation, some pitfalls can hurt your chances. Being aware of these common mistakes can help you avoid them.

- **Lack of knowledge:** Not knowing the sorority's history or mission shows a lack of genuine interest.
- **Over-rehearsed answers:** Sounding robotic or insincere can be off-putting.
- **Negativity:** Avoid speaking poorly about others or coming across as confrontational.
- **Disrespecting the process:** Arriving late, dressing inappropriately, or using slang can hurt your impression.
- **Failing to ask questions:** Interviews are two-way conversations; showing curiosity about the sorority reflects engagement.

The Importance of Sisterhood and Service in Your Interview

Delta Sigma Theta isn't just about membership; it's about belonging to a sisterhood dedicated to making a positive impact. During your interview, highlighting your commitment to service and your understanding of sisterhood will resonate strongly with interviewers.

Share examples of times you supported others, led community efforts, or participated in initiatives that aligned with the sorority's values. Express how being part of a strong, service-oriented community appeals to you on both a personal and professional level.

Building Connections Beyond the Interview

Remember, joining Delta Sigma Theta is also about building relationships. Engage with current members respectfully, attend sorority events if possible, and show your passion for the organization beyond the interview room. These connections can deepen your understanding and demonstrate your dedication.

Preparing for a Delta Sigma Theta interview is a journey of self-reflection, learning, and growth. With sincerity, preparation, and an authentic passion for the sorority's mission, you can approach the interview not just as a test, but as an opportunity to showcase the best of who you are and the impact you aspire to make as a future Delta sister.

Frequently Asked Questions

What is Delta Sigma Theta Sorority, Inc.?

Delta Sigma Theta Sorority, Inc. is a historically African American sorority founded in 1913 at Howard University, dedicated to public service, scholarship, and sisterhood.

What types of questions are commonly asked in a Delta Sigma Theta interview?

Common questions include inquiries about your understanding of the sorority's history and values, your community service experience, leadership roles, academic achievements, and why you want to join Delta Sigma Theta.

How can I prepare for my Delta Sigma Theta interview?

Research the sorority's history, mission, and programs; reflect on your personal experiences related to service and leadership; practice answering common interview

questions clearly and confidently; and dress professionally.

What qualities does Delta Sigma Theta look for in potential members during interviews?

The sorority looks for candidates who demonstrate strong leadership skills, commitment to community service, academic excellence, integrity, and alignment with the organization's values.

How important is knowledge of Delta Sigma Theta's Five-Point Programmatic Thrust in the interview?

Very important. Understanding the Five-Point Programmatic Thrust (Economic Development, Educational Development, International Awareness and Involvement, Physical and Mental Health, and Political Awareness and Involvement) shows your commitment to the sorority's mission.

Can I discuss my personal challenges during the Delta Sigma Theta interview?

Yes, sharing personal challenges and how you overcame them can demonstrate resilience, character, and growth, which are valued qualities in potential members.

What should I avoid saying in a Delta Sigma Theta interview?

Avoid negative comments about others, showing a lack of knowledge about the sorority, appearing unprepared, or giving answers that don't reflect the organization's values and mission.

How long does a typical Delta Sigma Theta interview last?

A typical interview usually lasts between 20 to 45 minutes, depending on the chapter and the number of questions asked.

Delta Sigma Theta Interview: Navigating the Path to Sorority Membership

delta sigma theta interview represents a pivotal moment for aspiring members seeking to join one of the most prestigious historically African American sororities. Known for its commitment to public service, academic excellence, and sisterhood, Delta Sigma Theta Sorority, Inc. maintains a rigorous and thoughtful selection process. The interview stage is where candidates' values, character, and dedication are scrutinized alongside their academic and extracurricular achievements. Understanding the nuances of this interview

can significantly enhance an applicant's readiness and confidence.

Understanding the Delta Sigma Theta Interview Process

The Delta Sigma Theta interview is not merely a formality but a substantive evaluation designed to assess a prospective member's alignment with the sorority's core principles. Unlike typical job or college interviews, this process is deeply rooted in the sorority's mission of fostering public service and social change. Candidates are expected to demonstrate not only their personal achievements but also their commitment to community engagement, leadership, and cultural awareness.

Interviews are typically conducted by a panel of active sorority members who bring a wealth of experience and a profound understanding of the organization's legacy. This panel seeks to evaluate how well the candidate embodies Delta Sigma Theta's values, including sisterhood, scholarship, and service. The interview often includes questions about the applicant's motivations, community involvement, understanding of social issues, and knowledge of Delta Sigma Theta's history.

Key Components of the Interview

Several elements distinguish the Delta Sigma Theta interview from other types of interviews:

- **Behavioral Questions:** These questions probe past experiences to predict future behavior, focusing on leadership roles, teamwork, and conflict resolution.
- **Knowledge of the Sorority:** Candidates are expected to show familiarity with the organization's founding, significant milestones, and philanthropic initiatives.
- **Community Involvement:** A strong emphasis is placed on a candidate's engagement with community service and social justice causes.
- **Personal Reflection:** Interviewers seek genuine self-awareness and the ability to articulate how membership in Delta Sigma Theta aligns with the candidate's personal and professional goals.

Each of these components requires thorough preparation, as responses must be sincere and reflective of the sorority's mission rather than rehearsed answers.

Preparing Effectively for the Interview

Preparation is arguably the most critical factor influencing the outcome of a Delta Sigma Theta interview. Candidates should begin by conducting in-depth research into the sorority's history, key initiatives, and current projects. Understanding the Five-Point Programmatic Thrust—Economic Development, Educational Development, International Awareness and Involvement, Physical and Mental Health, and Political Awareness and Involvement—can provide substantial insight into what the sorority values in its members.

Research and Self-Assessment

A well-rounded candidate is one who can relate personal experiences to Delta Sigma Theta's goals. Prospective members should reflect on their academic achievements, leadership experiences, and volunteer work, framing these within the context of the sorority's mission. This self-assessment allows candidates to present compelling narratives during the interview.

Mock Interviews and Practice

Engaging in mock interviews with current members or mentors can help alleviate anxiety and refine communication skills. These practice sessions often reveal areas for improvement, such as clarity of expression or depth of knowledge about the sorority's impact. Additionally, practicing common interview questions related to social issues, leadership challenges, and community involvement can provide candidates with the confidence needed to articulate their thoughts effectively.

Common Interview Questions and How to Approach Them

While each interview is unique, certain questions frequently arise during Delta Sigma Theta interviews. Understanding these can aid candidates in formulating thoughtful and authentic responses.

1. **Why do you want to join Delta Sigma Theta Sorority, Inc.?** – This question assesses motivation and alignment with the sorority's mission. Candidates should connect personal values and goals with the organization's commitment to service and sisterhood.
2. **How have you demonstrated leadership in your community or school?** – Providing specific examples of leadership roles and their impact can showcase the candidate's readiness for sorority responsibilities.

3. **What does sisterhood mean to you?** – This probes the candidate’s understanding of the supportive network that Delta Sigma Theta offers.
4. **How do you plan to contribute to the sorority’s mission?** – Candidates should articulate concrete ideas for involvement and service.
5. **Can you discuss a social issue that you are passionate about?** – This question evaluates awareness and commitment to advocacy, key tenets of Delta Sigma Theta’s platform.

Answering these questions with honesty and specificity tends to resonate most with interview panels.

Challenges and Considerations in the Delta Sigma Theta Interview

Despite thorough preparation, candidates may face challenges inherent to the interview process. The high standards set by the sorority mean that even qualified applicants must present themselves with exceptional clarity and conviction. Additionally, the competitive nature of the process can add pressure, which may impact performance.

Another consideration is the regional and chapter-specific variations in interview formats and expectations. Some chapters may emphasize community service more heavily, while others might focus on academic achievements or leadership qualities. Prospective members should seek guidance from local chapters or alumni networks to tailor their preparation accordingly.

Pros and Cons of the Interview Structure

- **Pros:** The interview allows for a holistic evaluation beyond grades and resumes, providing space for personal stories and values to shine. It fosters a deep connection between candidates and the sorority’s mission.
- **Cons:** Subjectivity in panel assessments can sometimes lead to inconsistencies. The emotional intensity of the process may cause stress and anxiety among candidates.

Understanding these dynamics can help applicants approach the interview with realistic expectations and resilience.

Post-Interview Reflections and Next Steps

After the delta sigma theta interview, candidates often experience a period of reflection and anticipation. Regardless of the outcome, the process itself can be a valuable learning experience that enhances communication skills, self-awareness, and understanding of civic engagement.

Successful candidates usually receive invitations to join the sorority, accompanied by recommendations for active participation in chapters and programs. For those not selected, feedback—if provided—can guide future development and opportunities within the community.

Engaging with sorority members post-interview, attending informational sessions, and continuing community service can maintain a positive relationship with Delta Sigma Theta and uphold the values that the organization champions.

The delta sigma theta interview remains a crucial rite of passage that extends beyond mere admission. It symbolizes a commitment to lifelong service, leadership, and sisterhood within a legacy that continues to empower generations.

delta sigma theta interview: *Bertha Maxwell-Roddey* Sonya Y. Ramsey, 2022-06-21 This biography of educational activist and Black studies pioneer Bertha Maxwell-Roddey examines a life of remarkable achievements and leadership in the early years of the desegregated South. Sonya Ramsey describes how Maxwell-Roddey and her peers turned hard-won civil rights and feminist milestones into tangible accomplishments in North Carolina and nationwide from the late 1960s to the 1990s--

delta sigma theta interview: Shirley Chisholm: The Last Interview Shirley Chisholm, 2021-01-19 Shirley Chisholm became the first black woman elected to Congress in 1968 after campaigning under the slogan, Unbought and Unbossed, and her political career never swerved from that principle--she was fearless, undaunted, brilliant, and always first and foremost a servant to nobody but the people. When Shirley Chisholm announced her candidacy for the Democratic presidential nomination in 1972, she became the first black candidate for a major party's nomination just four years after she had become the first ever black woman in Congress. In typical fashion, she acknowledged the landmark but knew it was beside the point: I am not the candidate of black America, although I am black and proud. I am not the candidate of the women's movement of this country, although I am a woman and I'm equally proud of that. What she emphasized was: I am the candidate of the people of America. Her legacy has only further demonstrated her profoundly humane politics and her undaunted and tireless work ethic. In a set of interviews that extend from the first major profile by Susan Brownmiller to her final interview documenting her life and reflecting on her legacy, Shirley Chisholm reveals her disciplined and demanding childhood, the expectations on her placed by her family and the public, her tireless advocacy for the poorest and most disadvantaged in the halls of government, and the darkening course of American history. But on her legacy, Chisholm had one priority: I'd like them to say that Shirley Chisholm had guts. That's how I'd like to be remembered.

delta sigma theta interview: The Legacy of Black Women in Librarianship Nicole A.

Cooke, 2025-04-23 Black women have historically been hidden figures in librarianship, yet their passion, courage, and tenacity paved the way for future generations of knowledge workers. Profiling more than a dozen librarians, book champions, activists, and pioneers of the profession from across the country, this powerful work of archival storytelling will inspire readers both inside and outside of the library field. These personal histories of advocacy and resilience span the entire 20th Century, stretching from rural South Carolina and Florida to urban centers like New York and Los Angeles; profile better known figures such as Augusta Baker and Eliza Atkins Gleason as well as many who have yet to receive their due; grapple with the toxic legacy of segregation in library education, universities, public libraries, schools, and other institutions, showing how these persevering Black women dared to strive and work towards more equitable futures; include an inspiring Afterword by Dr. Aisha Johnson-Jones, an educator and revelator of Southern intellectual history; will encourage LIS students and newer librarians of all backgrounds to see themselves reflected in the profession's long and rich heritage; and shed light on how librarianship can become ever more diverse and community centered.

delta sigma theta interview: Betty Shabazz, Surviving Malcolm X Russell J. Rickford, 2003 The gunmen rose from the crowd and set their sights on Malcolm X. The thunder of shotgun blasts ripped through the ballroom, and Betty Shabazz turned to see her husband float backward, keel over and crash to the ballroom stage. She grabbed her children, hurling them beneath a booth and shielding them with her body while the room erupted into screams and chaos. As she lay there squeezing her family, the Betty Shabazz who was the dutiful and obedient wife of the Civil Rights Movement's most feared leader ceased to be, and the woman who emerged would become one of the greatest heroines of our day. Betty Shabazz, *Surviving Malcolm X* is the first major biography of Dr. Betty Shabazz, the unsung and controversial champion of the Civil Rights era. From her early marriage to black liberation's raging voice through her evolution into a powerful and outspoken African-American leader, Betty Shabazz was in constant struggle to bring freedom and justice to her people. Yet, at times her greatest fight was to struggle through tragedy and hold on to her faith amidst the stereotypes forced on her by a culture of racism and the very people she was trying to liberate. To read Betty Shabazz, *Surviving Malcolm X* is to experience this remarkable life. With eloquent and intimate prose, Russell J. Rickford puts you on the scene as a young Betty Sanders is taken in by foster parents after a troubled childhood. You are there as Malcolm X comes home from a hard day of railing against oppression to hug his children, dote on his wife and laugh. You dive under the table at the Audubon Ballroom as bullets strike Malcolm down. You struggle with Betty Shabazz as she fights to raise six girls alone while earning a doctorate. You stand triumphant with her as she claims her own individuality and fights to build respect for Malcolm. And you stand watch with her daughters as Betty passes away, a victim of yet another tragedy, but this time after a life lived full. Russell J. Rickford has conducted extensive research to compile this biography, interviewing more than seventy of Betty Shabazz's family members, friends, colleagues and contemporaries as well as researching countless records and documents, including recently declassified FBI, CIA and New York Police files. This is the first complete look at the life of Betty Shabazz and a new insight into the man who was known as Malcolm X. Betty Shabazz is the story of a strong woman who faced incredible tragedy and emerged triumphant, compassionate and always full of life. In the end, it is the story of a nation torn apart by hatred learning to heal and forgive.

delta sigma theta interview: Strategic Sisterhood Rebecca Tuuri, 2018-04-09 When women were denied a major speaking role at the 1963 March on Washington, Dorothy Height, head of the National Council of Negro Women (NCNW), organized her own women's conference for the very next day. Defying the march's male organizers, Height helped harness the womanpower waiting in the wings. Height's careful tactics and quiet determination come to the fore in this first history of the NCNW, the largest black women's organization in the United States at the height of the civil rights, Black Power, and feminist movements of the 1960s and 1970s. Offering a sweeping view of the NCNW's behind-the-scenes efforts to fight racism, poverty, and sexism in the late twentieth century, Rebecca Tuuri examines how the group teamed with U.S. presidents, foundations, and

grassroots activists alike to implement a number of important domestic development and international aid projects. Drawing on original interviews, extensive organizational records, and other rich sources, Tuuri's work narrates the achievements of a set of seemingly moderate, elite activists who were able to use their personal, financial, and social connections to push for change as they facilitated grassroots, cooperative, and radical activism.

delta sigma theta interview: African American Fraternities and Sororities Tamara L. Brown, Gregory S. Parks, Clarendia M. Phillips, 2012-02-29 The rich history and social significance of the "Divine Nine" African American Greek-letter organizations is explored in this comprehensive anthology. In the long tradition of African American benevolent and secret societies, intercollegiate African American fraternities and sororities have strong traditions of fostering brotherhood and sisterhood among their members, exerting considerable influence in the African American community and being in the forefront of civic action, community service, and philanthropy. Dr. Martin Luther King, Jr., Toni Morrison, Arthur Ashe, and Sarah Vaughn are just a few of the trailblazing members of these organizations. *African American Fraternities and Sororities* places the history of these organizations in context, linking them to other movements and organizations that predated them and tying their history to the Civil Rights movement. It explores various cultural aspects of the organizations, such as auxiliary groups, branding, calls, and stepping, and highlights the unique role of African American sororities.

delta sigma theta interview: Notable Black American Women Jessie Carney Smith, Shirelle Phelps, 1992 Arranged alphabetically from Alice of Dunk's Ferry to Jean Childs Young, this volume profiles 312 Black American women who have achieved national or international prominence.

delta sigma theta interview: *More Memories and More Knowledge of My Family and Me* James E. Daughtridge, 2020-01-06 My book is about everything that I know about my family, both about my mother's and father's side of the family in addition to my interactions towards or with each of them. I was inspired by a late great maternal uncle to pursue such a project. First, I re-collected everything that I could about various family members. It was simply a matter of thinking about what I know and what I could jot down on paper in the comfortable setting of my home or automobiles. I conducted a vast number of interviews from members of each side of the family. This was after I organized a family tree and decided to proceed from that. Those interviews led me to further interviews. Wherever and whenever I could, I got many telephone numbers and e-mail addresses. Sometimes, I researched the Internet when given information about their affiliations or personal pursuits. I utilized other sources in addition to interviews. Some sources included obituaries, books, magazines, newspaper articles, and just plain statistics regarding whatever endeavors they had, such as with my only child. Pursuing this type of manuscript required hard work, devotion, and perseverance. This book serves as an encouragement to others to do family research and record whatever they find. One should only seek the positive and sidestep the negative. One derives a great deal of joy and satisfaction from engaging in such a project. This work is a reflection of you and how you see things in the lenses of your life. I hope that many who read this book take it upon themselves to do the same as I have done. Doing this work was truly a joy and a blessing.

delta sigma theta interview: *Black Women and Politics in New York City* Julie A. Gallagher, 2012-05-21 Julie A. Gallagher documents six decades of politically active black women in New York City who waged struggles for justice, rights, and equality not through grassroots activism but through formal politics. In tracing the paths of black women activists from women's clubs and civic organizations to national politics--including appointments to presidential commissions, congressional offices, and even a presidential candidacy--Gallagher also articulates the vision of politics the women developed and its influence on the Democratic party and its policies. Deftly examining how race, gender, and the structure of the state itself shape outcomes, she exposes the layers of power and discrimination at work in all sectors of U.S. society.

delta sigma theta interview: *My Knowledge and My Memories of My Family* James Daughtridge, 2015-07-31 This book is about what I remember about many members of my family and about the knowledge I obtained about them through various interviews and written sources, e.g.,

obituaries, newspapers, and articles I found on the Internet. The book follows a certain order. I describe what I remember about my immediate family members. I start off with my father then my mother and then my brother the only sibling I ever had. I then discuss my life with my ex-wife and her family and then the only child we ever had. I go on to another chapter, or maybe the third chapter, and talk about my paternal grandfathers family and as much of what I could remember about my maternal grandmothers family. I know and discovered more about the former than the latter. I enhanced my discussion throughout the book with as many pictures as I could gather. The book has pictures anywhere from one to about eighty years old. This, I thought, would make the book more interesting and lively. The book is replete with explanatory footnotes for those of certain generations or knowledge who may not understand or know of certain places, celebrities, cultural practices, and events. The entire book was prepared to relate to all who might read it in terms of family connections, their interest(s) in travel, history, sports, genealogy, and biography. I then talk about my maternal grandmothers family. It is relatively short because I did not know too many of them that well. The book covers mostly what I know and found out about my maternal grandfathers family. That is because it is the largest segment of my entire family. My father had no siblings, whereas my mother had about ten or eleven siblings, and all of them had children and grandchildren. I discovered a great deal more accomplishments in life on my mothers side as opposed to my fathers side of the family. I do not think the book is boring or particularly too long or too short. The book is a description of the life of the people whom I discuss and how I might have fitted into those lives.

delta sigma theta interview: Pledged Alexandra Robbins, 2011-05-24 Alexandra Robbins wanted to find out if the stereotypes about sorority girls were actually true, so she spent a year with a group of girls in a typical sorority. The sordid behavior of sorority girls exceeded her worst expectations -- drugs, psychological abuse, extreme promiscuity, racism, violence, and rampant eating disorders are just a few of the problems. But even more surprising was the fact that these abuses were inflicted and endured by intelligent, successful, and attractive women. Why is the desire to belong to a sorority so powerful that women are willing to engage in this type of behavior -- especially when the women involved are supposed to be considered 'sisters'? What definition of sisterhood do many women embrace? Pledged combines a sharp-eyed narrative with extensive reporting and the fly-on-the-wall voyeurism of reality shows to provide the answer.

delta sigma theta interview: Women and Philanthropy in Education Andrea Walton, 2005-02-15 This book illuminates the philanthropic impulse that has influenced women's education and its place in the broader history of philanthropy in America. Contributing to the history of women, education, and philanthropy, the book shows how voluntary activity and home-grown educational enterprise were as important as big donors in the development of philanthropy. The essays in Women and Philanthropy in Education are generally concerned with local rather than national effects of philanthropy, and the giving of time rather than monetary support. Many of the essays focus on the individual lives of female philanthropists (Olivia Sage, Martha Berry) and teachers (Tsuda Umeko, Catharine Beecher), offering personal portraits of philanthropy in the 19th and 20th centuries. These stories provide evidence of the key role played by women in the development of philanthropy and its importance to the education of women. Philanthropic and Nonprofit Studies -- Dwight F. Burlingame and David C. Hammack, editors

delta sigma theta interview: Making Movies Black Thomas Cripps, 1993 Surveys the involvement of Blacks in the American cinema from World War II to the 1950s, discussing the attention to black life in films such as Cabin in the Sky, Pinky and Intruder in the Dust. It also depicts the rise of black film stars such as Sidney Poitier.

delta sigma theta interview: Borrowing from Our Foremothers Amy Helene Forss, 2021-12 Borrowing from Our Foremothers offers a panorama of women's struggles through artifacts to establish connections between the generations of women's right activists. In a thorough historical retelling of the women's movement from 1848 to 2017, Amy Helene Forss focuses on items borrowed from our innovative foremothers, including cartes de visite, clothing, gavels, sculptures,

urns, service pins, and torches. Framing the material culture items within each era's campaigns yields a wider understanding of the women's metanarrative. Studded with relics and ninety-nine oral histories from such women as Rosalynn Carter to Pussyhat Project cocreator Krista Suh, this book contributes an important and illuminating analysis necessary for understanding the development of feminism as well as our current moment.

delta sigma theta interview: Religion and the Public Conscience Randi J. Walker, 2012-07-27 The book explores the nature of public conscience, the influence of the generation that came of age in the Progressive Era on the modern civil rights movements, the nature of women's leadership, the dynamics of civil rights in a multi-racial context, and the way in which religion plays a role in broader social movements. These two ecumenical groups can be credited with contributing to Seattle's relatively peaceful engagement with the civil rights movement compared to other cities in the United States during the 1960s. ,

delta sigma theta interview: Encyclopedia of African American Society Gerald D. Jaynes, 2005-02-01 Do your students or patrons ever ask you about African Americans in sports? How about African American Academy Award winners? Or perhaps you're asked about more complex social issues regarding the unemployment rate among African Americans, or the number of African American men on death row? If these questions sound familiar, the Encyclopedia of African American Society is a must-have for your library. This two-volume reference seeks to capture the ways in which the tenets and foundations of African American culture have given rise to today's society. Approaching the field from a street level perspective, these two volumes cover topics of universal interest in America: rap music, sports, television, cinema, racism, religion, literature, and much more. The Encyclopedia of African American Society is also the first comprehensive yet accessible reference set in this field to give voice to the turbulent historical trends—slavery, segregation, separate but equal—that are often ignored in favor of mere facts. This is a definitive, reliable, and accessible entry point to learning the basics about African American society. The encyclopedia is anchored by alphabetically arranged essays on such topics as abolitionism, affirmative action, and the civil rights movement. More than just a who's who, these volumes emphasize social issues and events—those filled with significance and consequence through history. Civil Rights, economic growth, law and justice, and politics—with all of their numerous subcategories—receive substantial coverage. The encyclopedia naturally contains hundreds of articles on notable African Americans (Martin Luther King, Jr., Jackie Robinson, Miles Davis), groundbreaking events (Emancipation Proclamation, Los Angeles Riots), sports and culture (Rap Music, Jazz), and significant heritage sites (Apollo Theater). This much needed two-volume encyclopedia should become a staple in collections at school, public, and academic libraries. Readers of all ages, backgrounds, and ethnic or racial groups will find fascinating material on every page.

Key Features Nearly 700 signed articles Almost 50 photographs Complete list of African Americans in sports Halls of Fame Cross-referenced for easy links from one topic to another Reader's guide facilitates easy browsing for relevant articles Clear, accessible writing style appropriate for high school and college students and interested lay readers Comprehensive index and bibliography

Barnes, Davidson Library, University of California, Santa Barbara W. Maurice Shipley, Ph.D., Ohio State University William H. Wiggins, Jr., Ph.D., Indiana University

delta sigma theta interview: The Voting Rights Act, Unfulfilled Goals United States Commission on Civil Rights, 1981

delta sigma theta interview: Remarkable Women in New York History Helen Engel, Marilynn Smiley, 2014-04-08 A history of the amazing women who have left their mark on the Empire State. The significant events in New York State history are well known to educators, students and New Yorkers alike. But often, the role that women played in these events has been overlooked. In this

book, members of the American Association of University Women in New York State have meticulously researched the lives and actions of some of New York's finest women. Some of the names are renowned, like the great emancipator Harriet Tubman, who settled in Auburn, and some are less so, such as Linda Tetor, who fought for the rights of senior citizens in Steuben County and throughout the state. Discover the stories of these indomitable women who, from Long Island and Manhattan to Buffalo and Fredonia, have steered the course of New York's history from the colonial era through today.
