the bible answer man: *The Bible Answer Man: Walter Martin and Hank Hanegraaff* Cindee Martin Morgan, 2019-07-29 This book, while containing relevant biographical information, is not a biography of Walter Martin. It highlights the ministry God raised up through Walter Martin almost six decades ago, the Christian Research Institute (CRI), and unpacks some of its triumphs and trials. It is a daughter's reflections on seasons of her father's life -- both public and private -- and is, in a limited sense, a memoir. It answers many questions, such as: What was it like to have Walter Martin as a father? (This is the question I am asked most frequently.) Was Walter Martin a dispensationalist, like his friend Hal Lindsey? Why was Walter Martin not invited back on the Trinity

Broadcasting Network? What happened, behind the scenes, when he debated America's most infamous atheist, Madalyn Murray O'Hair? Why didn't he believe the Catholic Church is a cult? What happened, off camera, when Walter Martin debated Fr. Mitch Pacwa on The John Ankerberg Show? Would my father agree with CRI's current assessment of the Local Church? How did God give Walter Martin the opportunity to witness to Muhammed Ali and Phil Donahue face-to-face? When did Anderson Cooper's mother help the Martin family? How did the Lord make a way for the Osmond brothers to hear Walter Martin preach about Mormonism? Did my father believe the gift of healing is for today? Many Walter Martin tributes from well-known leaders are also included. This book is also an honest look at CRI's president, Hank Hanegraaff, and the controversy that shook the Evangelical world when he joined the Greek Orthodox Church. Do his beliefs conflict with the gospel handed down through the ages? Would Walter Martin have viewed him as an apostate? A look at what Walter Martin, Martin Luther, J. C. Ryle, J. I. Packer, and C. S. Lewis believed might give you serious pause as to how to answer this important question. In addition, this book includes an in-depth interview with Hank Hanegraaff, the president of the Christian Research Institute. Hank discusses his faith, his family, CRI, and his friendship with Walter Martin -- including rarely heard details about the moments after Hank learned of his death -- and his friendship with R. C. Sproul and others.

the bible answer man: *Where Sin Abounds* Stanley A. Steward, 2012-03-20 Las Vegas has long been characterized as Sin City. It is a common assumption of many outsiders that Las Vegas is a spiritual wasteland, devoid of any significant religious community and bereft of traditional values.

This is most certainly not the case! In fact, Las Vegas has a strong, healthy, and growing religious dimension. Within this milieu is a strong and rapidly expanding Pentecostal dimension to the city's profile of faith. The Pentecostals in Las Vegas are a microcosm of Pentecostalism both nationally and globally. On the whole, this expression of Christian faith is certainly among the fastest growing religions in the world. Some sociologists and demographics experts identify Evangelicals and Pentecostals as the emerging religious majority in America's future. Most mainstream denominations are in decline, but Pentecostals continue to grow both in numbers and influence. This book will explore and analyze several local Pentecostal congregations and the dynamic relationship between the church and the Strip. It will focus on the interplay between one of America's most devout religious subcultures and one its most secular cities.

the bible answer man: *Apologetics for the Twenty-First Century* Louis Markos, 2010-10-06 The vibrant and persuasive arguments of C. S. Lewis brought about a shift in the discipline of apologetics, moving the conversation from the ivory tower to the public square. The resulting strain of popular apologetics—which weaves through Lewis into twentieth-century writers like Francis Schaeffer and modern apologists like William Lane Craig, Josh McDowell, and Lee Strobel—has equipped countless believers to defend their faith against its detractors. *Apologetics for the Twenty-first Century* uses Lewis's work as the starting point for an absorbing survey of the key apologists and major arguments that inform apologetics today. Like apologists before him, Markos writes to engage Christians of all denominations as well as seekers and skeptics. His narrative, man of letters style and short chapters make *Apologetics for the Twenty-first Century* easily accessible for the general reader. But an extensive and heavily annotated bibliography, detailed timeline, list of prominent apologists, and glossary of common terms will satisfy the curiosity of the seasoned academic, as the book prepares all readers to meet the particular challenges of defending the faith today.

Trinity (the idea that the one true God is-in the ultimate sense-a divine being made up of three co-equal and co-eternal persons) is not only central to the Christian faith, but absolutely necessary for one to accept in order to be counted as a true Christian and be saved. Such a demand on a Christian's faith has come across as strange and perplexing to many, especially so in light of the fact pointed out by one respected Trinitarian: [The Trinity] is not clearly or explicitly taught anywhere in Scripture, yet it is widely regarded as a central doctrine, indispensable to the Christian faith. In this regard, it goes contrary to what is virtually an axiom [that is, a given, a self-evident truth] of biblical doctrine, namely, that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church. (Millard J. Erickson, *God in Three Persons*, p. 11. Emphasis added) Understandably, this fact has raised questions in the minds of Christians and truth-seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century. Many Christians have wondered: How can a doctrine that is no
