liberty university history department: Flying with the Fifteenth Air Force Tom Faulkner, 2018-11-15 In 1944 and 1945, Tom Faulkner was a B-24 pilot flying out of San Giovanni airfield in Italy as a member of the 15th Air Force of the U.S. Army Air Forces. Only 19 years old when he completed his 28th and last mission, Tom was one of the youngest bomber pilots to serve in the U.S. Army Air Forces during World War II. Between September 1944 and the end of February 1945, he flew against targets in Hungary, Germany, Italy, Austria, and Yugoslavia. On Tom's last mission against the marshalling yards at Augsburg, Germany, his plane was severely damaged, and he had to fly to Switzerland where he and his crew were interned. The 15th Air Force generally has been overshadowed by works on the 8th Air Force based in England. Faulkner's memoir helps fill an important void by providing a first-hand account of a pilot and his crew during the waning months of the war, as well as a description of his experiences before his military service. David L. Snead has edited the memoir and provided annotations and corroboration for the various missions.

liberty university history department: The Road of Awakening Florence Mo Han Aw , 2024-08-17 The rainstorm passed, leaving behind droplets of rain dripping rhythmically; looking out, the sky looks to turning a greyish hue. The bustle and din gradually disappear, and the school becomes quiet once again. School is over, as students gradually make their way home. I sit in this quiet classroom with a mixture of excitement and agitation, waiting for a momentous ritual that would be a watershed moment. What kind of ceremony would this be? What would my future be? Moments later, Ms. Kwan Man-Yiu enters, and closes the door behind her. She reminds me further, "You must always meet your leader in public places, and wait no more than ten minutes. And make sure you lose your tail." "Remember, don't ask anything that doesn't concern you. The Party will let you know what you need to know. Don't even acknowledge any comrades unless it is someone you report to directly." Finally, she adds, "During the time of White Terror, things were even more precarious. If you try to set up a time to meet over the phone, subtract any date or time by one." I struggle to remember everything she said, and become a "comrade", thereby rewriting the entire story of my life.

liberty university history department: The Oxford Handbook of the British Sermon 1689-1901 Keith A. Francis, William Gibson, 2012-10-04 The period 1689-1901 was 'the golden age' of the sermon in Britain. It was the best selling printed work and dominated the print trade until the mid-nineteenth century. Sermons were highly influential in religious and spiritual matters, but they also played important roles in elections and politics, science and ideas and campaigns for reform. Sermons touched the lives of ordinary people and formed a dominant part of their lives. Preachers attracted huge crowds and the popular demand for sermons was never higher. Sermons were also taken by missionaries and clergy across the British empire, so that preaching was integral to the

process of imperialism and shaped the emerging colonies and dominions. The form that sermons took varied widely, and this enabled preaching to be adopted and shaped by every denomination, so that in this period most religious groups could lay claim to a sermon style. The pulpit naturally lent itself to controversy, and consequently sermons lay at the heart of numerous religious arguments. Drawing on the latest research by leading sermon scholars, this handbook accesses historical, theological, rhetorical, literary and linguistic studies to demonstrate the interdisciplinary strength of the field of sermon studies and to show the centrality of sermons to religious life in this period.
