sheet music for i dreamed a dream: Confederate Sheet Music E. Lawrence Abel, 2015-06-14 During the American Civil War, songs united and inspired people on both sides. The North had a well-established music publishing industry when the war broke out, but the South had no such industry. The importance of music as an expression of the South's beliefs was obvious; as one music publisher said, The South must not only fight her own battles but sing her own songs and dance to music composed by her own children. Southern entrepreneurs quickly rose to the challenge. This reference book is distinguished by three major differences from previously published works. First, it lists sheet music that is no longer extant (and listed nowhere else). Second, it gives complete lyrics for all extant songs, a rich source for researchers. And third, a brief historical background has been provided for many of the songs. Each entry provides as much of the following

as possible (staying faithful to the typography of each title page): the title as published, names of all lyricists, composers and publishers; dates of publication; cities of publication; and if applicable, the names of catalogs or magazines in which the song appeared. Music published in Southern cities under Federal occupation is excluded.

sheet music for i dreamed a dream: Ira Gershwin Philip Furia, 1997-07-24 To the perennial question which comes first, the music or the words? Ira Gershwin always responded, the music. The jest reveals both Ira's consummate professionalism and the self-effacing wit with which he ducked the spotlight whenever possible. Yet the ingeniously inventive melodies George Gershwin composed for such classic songs as Someone to Watch Over Me, Embraceable You, Fascinating Rhythm, It Ain't Necessarily So, and Love is Here to Stay live on in no small part because of the equally unforgettable lyrics of Ira Gershwin, lines crafted with a precision that earned him the sobriquet The Jeweller among his Broadway peers. In *Ira Gershwin: The Art of the Lyricist*, the older and less flamboyant of the Gershwin brothers at last steps out of the shadows to claim his due as one of American songwriting's most important and enduring innovators. Philip Furia traces the development of Ira Gershwin's lyrical art from his early love of light verse and Gilbert and Sullivan, through his apprentice work in Tin Pan Alley, to his emergence as a prominent writer for the Broadway musical theater in the 1920s. Furia illuminates his work in satirical operettas such as *Of Thee I Sing* and *Strike Up the Band*, the smart little revues of the 1930s, and his contributions to the opera *Porgy and Bess*. After describing the Gershwin brothers' brief but brilliant work in Hollywood before George's sudden death--work that produced such classics as *They Can't Take That Away From Me* and *Let's Call the Whole Thing Off*--Furia follows Ira's career through such triumphs as *Lady in the Dark* with Kurt Weill, *Cover Girl* with Jerome Kern, and *A Star is Born*, with Harold Arlen. Along the way, Furia provides much insight into the art of the lyricist and he captures the magic of a golden era when not only the Gershwins, but Irving Berlin, Cole Porter, Jerome Kern, Oscar Hammerstein II, Gertrude Lawrence, Fred Astaire, and other luminaries made the lights of Broadway and the Hollywood screen shine brighter than ever before. From his first major success, the now-classic *The Man I Love* (1924) to his last great hit, *The Man That Got Away* (1954), Ira Gershwin wrote the words to some of America's most loved standards. In *Ira Gershwin: The Art of the Lyricist*, Philip Furia illuminates the craft behind this remarkable achievement to reveal how Gershwin took the everyday speech of ordinary Americans and made it sing.

sheet music for i dreamed a dream: The Poets of Tin Pan Alley Philip Furia, Laurie J. Patterson, 2022 From the turn of the century to the 1960s, the songwriters of Tin Pan Alley were synonymous with American popular music. Irving Berlin, Cole Porter, George and Ira Gershwin, Rodgers and Hart--even today these giants remain household names, their musicals regularly revived, their methods and styles analyzed and imitated, and their songs the bedrock of jazz and cabaret. In this new edition of *The Poets of Tin Pan Alley*, authors Philip Furia and Laurie Patterson offer a unique perspective on these great songwriters, showing how their poetic lyrics were as important as their brilliant music in shaping a golden age of American popular song. Furia and Patterson continue the tradition of great perception and understanding established in the first edition as they explore the deft rhymes, inventive imagery, and witty solutions these songwriters used to breathe new life into rigidly established genres. They devote full chapters to such greats as Irving Berlin, Lorenz Hart, Ira Gershwin, Cole Porter, Oscar Hammerstein II, Howard Dietz, E.Y. Harburg, Dorothy Fields, Leo Robin, and Johnny Mercer. They also offer a comprehensive survey of other lyricists who wrote for the sheet-music industry, Broadway, Hollywood, and Harlem nightclub revues. This was the era that produced *The New Yorker*, Don Marquis, Dorothy Parker, and E.B. White--and the book places Tin Pan Alley lyrics firmly in this fascinating historical context. In these pages, the lyrics emerge as an important element of American modernism, as the lyricists, like the great modernist poets, took the American vernacular and made it sing.

sheet music for i dreamed a dream: Opera Parody Songs of Blackface Minstrels

(1844-1860) Renee Lapp Norris, During the American antebellum period, minstrelsy was a ubiquitous form of theatrical entertainment. Typically performed by white men in blackface makeup, minstrelsy was based in oppressive misrepresentation of people of color, and it created enduring stereotypes. Beginning in the mid-1840s, minstrels burlesqued various types of popular non-blackface entertainments, including Shakespeare's plays, touring European concert musicians, and opera, which often was performed in the United States in English-language adaptations. Minstrels' burlesques were advertised on playbills and mentioned in the press, but there are few sources for their actual music and lyrics. The thirty-eight pieces of this edition survive as complete, discrete songs published as musical sources. Minstrels' opera parody songs typically recast operatic characters as slaves who are happy, childishly reliant on their paternalistic masters, and primitively agrarian. Such portrayals supported the so-called "happy darkey" caricature that was central to mid-century political ideology. Minstrels used this imagery to parody up and down social hierarchies, exploiting people of color and debasing opera's ostensibly elevated aesthetics. Alongside minstrelsy's racial politics, the parodies demonstrate creative musical adaptation. Each of the thirty-eight songs parodies opera differently, suggesting minstrels' inventiveness. The songs are rare and specific examples of the widespread practice of inter-genre borrowing and musical arrangement that was fundamental to minstrelsy. Content Warning: The scores in this edition are intended for research rather than performance. Performance of these scores is discouraged. The original song titles and lyrics in this edition are evidence of and tools for racial oppression and are maintained here to present an accurate and reliable account of minstrelsy.
